

The Charismatic Charlie Wade Chapter 776 – 780

Chapter 776

But in order to live, in order not to be beaten or go hungry, Horiyah can only choose to compromise.

However, at this time, the Willson family, how did they know that she was suffering and insulted like this.

They thought she was lying in a five-star hotel, being served hard by a lover who was twenty years younger than her.

Therefore, the Old Mrs. Willson cursed Horiyah bitterly. Noah and his sons and daughters heard this. Not only were they not angry, but they were also aroused by anger and dissatisfaction in their hearts.

To say that the most miserable person was Horiyah who belonged to Noah's family.

For Noah, both people and wealth are empty, and all day long wondering whether Horiyah would go crazy looking for young guys outside with the ten million, and wear countless green hats on.

The reason why Harold and Wendy hate Horiyah is very simple, that is money!

Without the money, the Willson family was struggling. Even with the two rich second generations of them, they were desperate like dogs. The more they lived, the more they were suffocated.

"dmn, Horiyah, this btch, if I get her one day, I have to break her leg, otherwise I can't get out of this nasty breath!"

Noah gritted his teeth and cursed loudly. After the cursing, he took out his phone and said angrily: "I'm looking for a car. I will take these furniture to the furniture store tomorrow morning and let people give an estimate. If it's appropriate, then sell directly."

Old Mrs. Willson looked at the furniture displayed at home in pain with a look of dismay.

When the Old Master Willson was alive, the Willson family had a glorious experience. Some furniture was made of fine imported wood. Not only does it have a lot of value, but the meaning is also different.

However, there is no way to be reluctant, if they don't sell it, they will have to return to the bank sooner or later.

So she said to Noah: "If these furniture are sold slowly, let alone the value of one million six hundred and seven hundred thousand, we are anxious to sell, the other party will definitely have to keep the price down, so the price must not be so high, but if you can give it a price One million and three hundred thousand, you can shoot."

"Okay." Noah nodded and said, "1.3 million is not too much, at least it can be turned around first."

.....

At this time, Jacob was lying on the sofa, using his mobile phone to look for pictures of furniture, and wanted to look at the furniture style he was interested in first.

Elaine muttered with ulterior motives from the side: "Jacob, don't be extravagant when buying furniture, save a little money and we will live better in the future."

Jacob snorted disdainfully, and said, "Son-in-law said, two million will be used to buy furniture and appliances."

Elaine suddenly became anxious, and blurted out: "Buy furniture, but life is not enough?"

Jacob said dissatisfied: "What are you yelling at? This money was given by Charlie to buy furniture and appliances. If we spend 1.5 million, the remaining 500,000 will be returned to Charlie. You persuade me. Don't worry about it, I won't give you a penny."

“You...” Elaine gritted her teeth bitterly.

But at this time, Jacob had two million in his hands, and she had nothing in her hands. Before cracking his password, she couldn't do anything!

At this time, Jacob saw a set of classical Chinese-style all-wood furniture and sighed: “If we can take a set of this kind of furniture, or get the set of classical furniture from the Willson family, we put it in our set. It will be perfect in the new villa!”

Chapter 777

The next morning, Charlie's family of four had eaten and drove directly to the Furniture City.

Elaine thought about it all night, but she didn't think of how to get the money from Jacob's bank account. Seeing that it was going to be spent, she scratched her heart anxiously.

At the same time, Mrs. Willson's family also got up early in the morning.

After breakfast, the truck arrived. The workers loaded the Classical furniture from the Willson family, and drove to the furniture market.

In the west of Aurous Hill, there is a large-scale furniture city. Almost all the furniture sellers in Aurous Hill gather here.

There are everything from high, middle and low grade furniture here, and it can be said to be the best place to buy furniture.

Jacob himself has always been under the influence of Mr. Willson, and he especially likes antiques. Not only does he like to shop for antiques, he also likes old furniture, especially old furniture with good wood.

He has always liked the set of Classical furniture in the Willson's villa, but it's a pity that he can't take it to himself, so he can only think about it.

Because he likes old wooden furniture, Jacob has to go straight to the wooden furniture hall when he arrives in the furniture city.

When Elaine saw him head straight to the wooden furniture store, her face was immediately pulled off, and she blurted out: “Jacob, you are not allowed to buy a bunch of rotten wooden furniture home! Our house is a luxuriously decorated villa. Buy it if you want. This kind of luxurious European-style furniture, that kind of wood furniture, is earthy and expensive, and it’s uncomfortable to sit down, absolutely not worthy to buy!”

“What do you know?” Jacob said disdainfully: “Chinese-style furniture plays with wood and heritage, and there is still a lot of room for appreciation for this thing, and culturally talented people can understand it!”

Elaine blurted out: “We are both from the same university, do you think you are more educated than me?”

Jacob waved his hand: “This kind of culture talks about the foundation, you don’t understand it.”

After finishing speaking, he said to Charlie: “Good son-in-law, if we can buy a set of Classical furniture, we won’t come in vain today!”

Charlie nodded indifferently and said, “Dad, you like it.”

Seeing that Jacob ignored her, Elaine stomped her feet in anger. She would have been mad at him when she was going, but now she dare not mad at him casually. After all, she doesn’t have any money now. Isn’t it too passive to turn her face at this time?

So she could only pull Claire aside and said, “Claire, you persuade your dad not to buy that kind of flashy wooden furniture, which is expensive and unsightly. What’s the matter? Keep hundreds of thousands in the bank. Isn’t it good to prepare for a rainy day?”

Claire said helplessly: “Mom, since that money Charlie has given Dad full control, let’s not interfere.”

“You kid, why aren’t you facing me at all?” Elaine didn’t expect Claire to be indifferent to him at all, and suddenly felt uncomfortable.

Claire said earnestly: “Mom, you have lost so much money in a game of cards. It’s time to learn a little bit and stop. Now that you have agreed to let Dad control the money, you must respect Dad’s choice.”

Elaine was as uncomfortable as it was something in her throat.

At this time, Jacob walked directly into a shop called “Emperor Furniture”, this shop is a store that specializes in Classical furniture, which is quite famous in Aurous Hill.

As soon as he entered, a shopping guide stepped forward and asked enthusiastically: “How many would you like to watch?”

Jacob said: “I want to see the rosewood furniture, which is for the living room.”

The shopping guide hurriedly asked: “Then how big is your living room?”

Jacob said: “Almost a hundred square meters!”

Chapter 778

“A living room with more than 100 square meters?!” The shopping guide was dumbfounded after listening, and blurted out: “This is too big, right?”

Jacob chuckled and said, “Tomson’s largest villa, can the living room be small?”

The shopping guide’s eyes were full of shock, and he hurriedly said: “Sir, such a big living room, then you can buy more furniture to look less empty!”

After that, the shopping guide hurriedly led him to a set of Classical sofa and introduced: “Sir, our set of 3221 Classical sofa is specially designed for villa customers. There are eight people in total. Being able to sit down and it is very atmospheric.”

Jacob stepped forward and touched the armrest of the sofa. He was very satisfied with the slippery touch. He curiously asked, “What price is this set?”

The other party said: “Sir, this set is made of Hainan Classical, good quality wood, and old material. If you like it, we can give you a cost price of 1.98 million!”

“Oh!” Jacob was startled and said, “You are expensive!”

The other party explained: “This is made of Hainanese materials, good materials, so the price is naturally more expensive, but your Tomson first-class large-scale villa is worth hundreds of millions. Such a luxurious villa requires such a set of sofas!”

Elaine frowned on the side and said: “What kind of a ghost sofa, a set will cost almost two million. After buying this family, you can just sleep on the sofa!”

Jacob glared at her, and then said embarrassingly: “This set is too over-budget, is there a cheaper one? For example, the price of Burmese rosewood is not much lower than that of Hainan?”

The shopping guide said: “This set of Burmese rosewood costs about one million, and we don’t have it in stock now.”

After finishing talking, the shopping guide added another sentence, saying: “Most people who deal rosewood still like Hainanese materials, but Burmese materials are really not up to the standard.”

Jacob smacked his lips, feeling a little regretful.

Buying a sofa set for nearly two million, which obviously exceeds the budget too much.

After all, not only buying a sofa at home, but also other furniture and appliances in the living room, furniture for at least two bedrooms, furniture for the dining room, and appliances for the room.

Bedroom furniture and dining room furniture don’t need to be so good, but at least a few hundred thousand are enough. So if want to buy a good sofa, the budget cannot exceed 1.4 million.

So he hurriedly asked the shopping guide: “If I order a set of Burmese materials, how long will it take to deliver it?”

“This...” The other party thought for a while, and said, “It will take a month for less to say. You know, this kind of timber is more troublesome to purchase. When the timber

comes in, it will be sent to the processing plant for processing. It will take a long time to send it to Aurous Hill again.”

“This is too long...”

Jacob thought to himself, can't the living room even have a sofa after moving in as a family?

It seems that he can only look at other cheaper sofas.

As he was thinking, he suddenly heard a familiar voice, and said, “Is the boss here? Can he accept second-hand old furniture? Hainan Classical!”

Jacob turned his head subconsciously, and suddenly looked at his big brother Noah, who was walking into the store.

Noah didn't expect that he would meet Jacob's family here. When he thought of his current desolate appearance, he almost subconsciously wanted to turn around and leave.

At this time, a man suddenly walked out of the store, looked at Jacob, and hurriedly asked loudly: “Did you say you want to sell Hainan Classical furniture?”

Chapter 779

Jacob was confused by the boss's question.

I'm obviously here to buy furniture, how can I sell it?

So he said to the boss: “I'm here to buy furniture, can you understand it?”

The shopping guide also hurriedly said: “Boss, this gentleman wants to buy a set of Classical furniture.”

After finishing speaking, he pointed to Noah who had just come in, and said, “This gentleman is selling furniture.”

The boss suddenly realized, and hurriedly said to Jacob: "Oh, I'm so sorry, I made a mistake."

Then he looked at Noah and asked him, "Sir, are you selling furniture?"

When Noah heard Jacob say that he was here to buy furniture, he really wanted to turn around and leave.

After all, he didn't want Jacob to read the joke either.

However, this store is the largest Classical furniture store in Aurous Hill, and it is also the most affordable store for second-hand Classical furniture on the market. If he turns around and go, he might lose a dozen or so less when he goes to other stores.

So, he could only bite the bullet and said to the boss: "Yes, it's me. I have a set of Hainan Classical sofas and chairs that I want to sell. They are all old things."

The boss hurriedly smiled and said: "Okay, we mainly make furniture for Hainan Classical. Where are your goods? Is it convenient to take a look first?"

Noah glanced at Jacob awkwardly, and said in a low voice, "The goods are in the car, and the car is in the parking lot. You can come and see with me."

Looking at Noah at this time, Jacob was secretly surprised.

Because of the disappearance of Horiyah's volume, Noah has been very upset recently, and at the same time worried, so the whole person has lost a lot of weight, his hair has turned white all of a sudden, and he looks quite a little down.

Jacob had never seen such a decadent big brother.

And Noah's side was followed by Mrs. Willson and his son and daughter.

The four relatives all looked decadent, especially the Lady Willson, with ugly expressions.

The thought of selling the valuable furniture left by her husband made Old Mrs. Willson feel like a knife cut in her heart, not only hurting but also bleeding.

Suddenly seeing Jacob and family also here, her face suddenly became more ugly.

Jacob hesitated for a moment, but he walked over and asked, “Mom, brother, why are you here?”

“Humph!” Noah said coldly, “What? We are still in this place?”

Jacob hurriedly said: “I didn’t mean that. You just said that you want to sell a set of Hainan Classical furniture. Isn’t it the one that our dad left behind?”

Noah suddenly became angry, and blurted out, “What does it have to do with you?”

Chapter 780

After that, he was too lazy to take care of Jacob, and said to the boss: “You can go out with me to see the goods!”

“Okay!” The boss nodded, and went out of the store with Noah.

Mrs. Willson frowned at this moment and looked at Jacob, and asked coldly: “What are you doing here?”

Although Jacob had indeed severed the relationship with the Lady Willson on the bright side, she was his own mother anyway, and there was still some respect and jealousy when he met.

So, he replied respectfully: “Mom, Charlie’s villa decorated, we are thinking about buying some furniture so we can move in.”

Jacob was telling the truth, but listening to Mrs. Willson’s ears made her feel more uncomfortable than hitting her in the face!

When he watched this, she was about to be driven out of the villa, and even started to sell some things left by the Old Master, but the Jacob family, who was driven out of the house by herself, was going to move to the super luxurious building of Tomson.

When she thought that Tomson was the best villa in Aurous Hill, the Lady Willson felt uncomfortable. She gritted her teeth and said, "You came to show off to me on purpose and watch me joke, right?"

"No!" Jacob shouted wronged, and hurriedly explained: "Mom, I didn't mean it. You asked me why I came here, so I told the truth."

Seeing Jacob's humble expression in front of the Old Mrs. Willson, Elaine was very upset.

This Old Mrs. Willson has bullied her for so many years, and now she's down to the point of selling second-hand furniture, is she still arrogant here? Who does she show with an old face?

Thinking of this, Elaine immediately stepped forward and said mockingly: "Oh, my mother, why did you come here? You still want to sell the furniture that Dad left behind? The Willson family is now poor. Does it look like?"

The Old Mrs. Willson looked at Elaine's mocking, playful face, suddenly became angry, and blurted out: "Elaine, who gave you the courage to talk to me like this?!"

"Oh!" Elaine curled her lips and said, "What is it? You are about to go bankrupt, and you still treat yourself as the head of the family? Aren't you ashamed?"

When the Old Mrs. Willson heard Elaine mocked herself, she immediately blurted out, "Elaine, how do you talk to me? Is there still mother-in-law in your eyes?"

Elaine said disdainfully: "I know you can't look down on me. What you like is your eldest daughter-in-law Horiyah, but your eldest daughter-in-law is really filial to you. I heard that you gave your son a favor. The big green hat swept away all his savings."

Speaking of this, Elaine sighed and deliberately reprimanded: "This sister-in-law is really cruel. Even if she left one or two million for the family, you wouldn't want to sell furniture so miserable now!"

The Old Mrs. Willson angrily cursed: "Elaine! You shrew, I shouldn't have let you into my Willson family back then!"

Elaine said contemptuously: "I'm sorry, we have left the Willson family now and are no longer in your Willson family's door, and the broken villa of your Willson family is too old for too long, we have long been unable to look down on it, let me tell you , After we buy the furniture today, we move directly to Tomson, a large villa with thousands of square meters, full of luxurious decoration, living in it is like a queen, but you Lady Willson, you have no chance to live in this life. !"

In the past, Elaine was not less angry with Mrs. Willson, and never had a chance to find her place.

Moreover, she has always held grudges, and she had no chance to retaliate against the Old Mrs. Willson. Now that the Lady Willson is in despair, she naturally has to sneer.

Old Mrs. Willson was trembling with anger at this time, and gritted her teeth and said: "Elaine, don't be too proud, isn't your villa deceived by Charlie's Rubbish? You will be kicked out one day. Then I will wait to see you sleep on the street!"

Elaine pinched her waist and said, "Wait to see me sleeping on the street? I think you will be sleeping on the street soon, right? I heard that the bank will seal your villa soon. Then I will see what you do. Do! Someday if you starve to death, die of thirst, or freeze to death on the side of the road, you must reflect on it carefully before you die, why did you end up so tragically? Is it because you have done too much retribution in this life!"
