

# The Charismatic Charlie Wade Chapter 791 – 795

## 791.Chapter 791

At the end of a farce, neither Jacob nor Elaine benefited.

Elaine wanted money, but in the end she didn't get a point, and she hurt her depressed chest for a day.

When a family of four returned home from the villa, everyone began to pack their own things. Claire did not forget to call Elsa to tell her about the move tomorrow, so that she would prepare tomorrow, check out from the hotel and move in together.

When Elsa heard the news, she danced happily.

Ever since she liked Charlie, she had always wanted to find more opportunities to get along with Charlie, but she was busy with work and had to take Claire into consideration, so she never had any chance.

If she can live with Claire and Charlie, then there will naturally be more opportunities.

So she agreed almost without thinking.

When Charlie's family was busy packing things, Willson's family was just jumping around.

After selling the furniture and returning from Tomson, Noah has become more dissatisfied with his mother.

The Old Mrs. Willson wanted to live in the big villa of Jacob's house, and the incident stung Noah.

Let him realize that the Lady Willson is not really biased towards him.

She had always been biased towards him before, considering her own interests. Once Jacob was better for her, she would abandon him and prefer Jacob.

So when he got home, he told Mrs. Willson that she would transfer the 1.21 million that sold furniture to him.

He felt that the Lady Willson might abandon him at any time, so he had to make plans early, at least to get some money in his hands?

Otherwise, if the Lady Willson turns against him, who can he count on?

His son, Harold, is a waste. In the past, the Willson family had no problems, and it was okay to let him be a rich second generation who was eating and waiting to die. Now the Willson family is in a desperate situation. It is impossible to expect him to make progress and make money.

Daughter Wendy is a canary again. She doesn't touch the sun with two fingers. She can't cook well. Moreover, in Aurous Hill nowadays, who doesn't know about Wendy's troubles, it's hard to find someone to marry her, even more so. Can't count on her either.

So he said to Mrs. Willson: "Mom, you are the legal representative of the Willson Group and the person in charge. If you put the money here, it will easily be frozen by the bank!"

Old Mrs. Willson didn't think so, she said lightly: "The money for selling furniture is used to pay back the bank."

As a last resort, Mrs. Willson did not want the Willson Group to go bankrupt and liquidate, because once the Willson Group goes bankrupt, she would be finished.

She is a legal person of the Willson Group. If she has money and does not return the bank, not only will the bank seal up her house, they will even sue her and arrest her.

In that case, it's her who is unlucky, and it is her who is going to be in jail.

Therefore, she insisted on repaying the bank's minimum repayment first, and at the same time, she also planned to intercede with the bank's account manager so that the other party could be allowed a period of grace.

When Noah heard this, he immediately exploded and blurted out: "Mom, the house is almost impossible to open. After a while, more than one million came, and you returned it to the bank. What do we eat and drink?"

## Chapter 792

Mrs. Willson coldly snorted: "If I don't pay the money, I will be taken to jail! Don't forget that I am a legal person in the company and I am responsible for the company's debts!"

Noah hurriedly said, "Then you should at least take out one or two hundred thousand, let's take a breath! I am living now, and I can't even smoke a pack of cigarettes for fifty!"

"Do you still smoke?" Old Mrs. Willson said sharply, "It would be nice to have a bite of food, and still want to smoke?"

Noah held the fire in his heart, but sighed in his mouth: "Mom, I am old, so I can bear it, but Harold and Wendy are still young! They have not suffered much, so I can't wrong them!"

Old Mrs. Willson coldly snorted: "Then I don't care, the more I have to cut down on food and clothing, and tide over difficulties together at this time!"

As soon as these words came out, Harold and Wendy immediately became dissatisfied.

The two of them were spoiled and coddled and couldn't endure any hardship. Since Horiyah ran away with money, their lives have been very hard during this period of time.

However, now that Mrs. Willson is rich, she doesn't want to open the warehouse and put grain, instead she wants everyone to cut down on food and clothing. Isn't this killing them?

Immediately, Harold said: "Grandma, it's easy for you to say it. When you are old, eating less and drinking less, it's no problem for you to eat less, but how can my sister and I be

like this? We can't eat this. It's kind of bitter, I'm not good at eating and drinking these days, and I've lost a few kilos of weight!"

"Yes, grandma!" Wendy said with no air: "The cosmetics I used before were thousands or tens of thousands. Now I can only use the most common L'Oreal. Seeing that this L'Oreal is almost running out. I don't even have money to buy it. Grandma, do you still want me to spend some bucks on the sod honey?"

After she finished speaking, she immediately said, "I don't care. Grandma, you have to give me 20,000 today. I will buy a set of Aquamarine Mystery, otherwise my face will be completely ruined!"

Mrs. Willson coldly snorted: "Poor scream! The mystery of the sea blue? Is the sod honey sorry for you? Useless things, you even couldn't grasp Fredmen. If you could hold Fredmen in the first place, our family will be as good as today?"

Wendy suddenly became anxious and blurted out, "What does this have to do with me? It was Fredmen who was made incompetent by Charlie. Before he became incompetent, I coaxed him well, don't forget that he gave me five Millions, tens of millions to the Willson family!"

"So what?" Old Mrs. Willson said coldly: "He hasn't left yet? If you really have that ability, even if he becomes incompetent, he will stay. After all, you can't do it!"

Noah was still holding the fire, but when the Lady Willson said this about his daughter Wendy, he felt a little angry and blurted out: "Mom, Wendy and Fredmen have also listened to your instructions. How can you get into trouble at this time? Cross the river and demolish the bridge?"

Old Mrs. Willson coldly snorted: "I crossed the river and demolished the bridge? Did I cross the river? Obviously the bridge disappeared before halfway through, causing me to fall into the water and almost drowned me!"

Noah said annoyed: "Mom, anyway, I just said that I can't pay the money back to the bank. I have to spend 200,000 to improve my life if I say anything. Otherwise, you can sell all dad's antiques for some money. Otherwise you can hide those things and you won't be able to take them away in the future!"

“You curse me to death?!” The Old Mrs. Willson suddenly became angry, and said coldly: “You three want to shake the sky, don’t you?”

Old Mrs. Willson’s voice changed, sharp and scary.

She didn’t expect that Noah, who had always been flattering and obedient to her, dared to slap her on her nose, and even dared to speak harsh words to her!

At this moment, she also deeply realized that her eldest son, grandson, and granddaughter were not really following her in a desperate manner.

They are just three parasites attached to her, all the time thinking about opening their mouths to draw nutrients from her body!

The more this happens, the more she has to keep her money and things under control, and must not let the three of them succeed!

## **Chapter 793**

After the Old Mrs. Willson and Noah renounced their morality, an unhealable crack occurred in each other’s hearts.

In the end, the Lady Willson only used 50,000 as the living expenses of the family of four, and the rest was all returned to the two banks that owed money.

After the bank received this part of the repayment, the person in charge of the collection department also gave the Old Mrs. Willson a lot of face, saying that the debt could be extended appropriately to give the Willson family a chance to breathe.

The Old Mrs. Willson finally breathed a sigh of relief.

She is still counting on the Willson Group to come back to life. As long as the bankruptcy can be delayed, she may have a chance.

Maybe when the next Fredmen will come out?

For her, the Willson family is currently facing great difficulties, but in the final analysis, it is only a problem of tens of millions. If she really encounter a big boss like Fredmen with a worth of tens of billions, the other party will casually leak from fingers. A little money was enough to bring the Willson family back to life.

Compared with the Old Mrs. Willson who is full of longing and anticipation, Noah is very depressed.

The Lady only got 50,000 for the furniture, and the 50,000 was still in her own hands.

Noah was going to be exhausted, and he was so empty that he could not even afford a pack of cigarettes.

That night, the Lady Willson only took 20 to buy vegetables, and she bought a bunch of rotten cabbage and half a kilogram of pork.

Noah felt dry and uncomfortable, but there was no other way. He could only endure it in his heart, and at the same time racked his brains to study where the Lady Willson would hide the antique left by the Old Master.

Just as the Willson family complained about the poor life of clear soup and water, Claire's family had already begun to move to the Tomson villa early the next morning.

Since the furniture is newly bought, there is no need to carry any large items when moving. The four people each packed their clothes and supplies, and then packed the tableware and kitchenware. They found a truck and pulled them all at once.

Charlie was in a particularly good mood, because when he was tidying up the bedroom, he deliberately asked Claire if he wanted to put the blanket roll he used to lay on the floor.

Claire said embarrassedly: "Aren't you all ready to upgrade? Why are you still bringing these things?"

Upon hearing this, Charlie was suddenly excited!

After the truck arrived at Tomson's first product, Jacob put a few hand-drawn small salutes in the air at the door, which was regarded as a housewarming joy.

Then, the family of four began to clean up their rooms.

Charlie and Claire cleaned up Master bedroom on the second floor, Elaine cleaned up Master bedroom on the third floor by herself, while Jacob went to clean up the small room next door with a muffled voice.

In his words, he wanted to separate from Elaine.

Elaine didn't bother to quarrel with him, anyway, she was going to sleep in Master bedroom on the third floor. As for Jacob, wherever she likes to sleep, she is upset when she sees him now, and it's a pleasure to be separated.

However, Claire felt a little uncomfortable.

Although the relationship between her parents has not been very good, they have been here for more than 20 years, and now they are separated, which makes her feel uncomfortable.

But she also knew that, as a daughter, she shouldn't interfere too much with her parents' affairs, so she thought, whether they should be separated first, both of them can calm down and think about it.

If they can all want to open up, then the future will be better.

When Charlie and Claire were about to pack up, Elsa also took a taxi.

She didn't have much things, just two suitcases and one bag, Claire enthusiastically invited her in, and then took her directly to the second floor by elevator.

As soon as she got out of the elevator, she shouted: "Charlie, come and help Elsa!"

## **Chapter 794**

Charlie hurriedly went out and saw Elsa who had been specially dressed up.

Elsa is very beautiful today. A beige windbreaker with a black base sweater inside not only looks tall and plump, but also particularly feminine. As for the lower body, it is a

woolen short skirt with black leggings, and a slender pair. The legs are completely outlined, thin and long, very eye-catching.

When Elsa saw Charlie, her face was flushed, she waved her hand at him a little nervously, and said, "Charlie, I will thank you for your care in the future!"

Charlie smiled slightly, nodded and said: "Welcome, welcome."

In fact, Charlie felt a little helpless in his heart.

He knew that Elsa liked him.

If she just confessed to him, he didn't care, he declined or turned deaf.

However, now she suddenly moved over to live under the same roof with him, which really made him a bit big.

But of course he couldn't show anything abnormal in front of Claire.

Claire pointed to Elsa's two big boxes and said to Charlie: "Charlie, you are strong, help Elsa get the luggage to her bedroom."

"Okay." Charlie nodded and dragged two boxes into Elsa's bedroom.

Elsa also followed in, feeling sweet in her heart.

In her opinion, she will be able to get closer to Charlie in the future, no matter whether she can be with Charlie in the end, as long as she can get closer to him, she will be very satisfied.

After all, in her heart, Charlie is not only the object of her secret crush, but also her savior twice, so she only longed to be closer to Charlie, so that she would be satisfied.

As for whether the two will develop, it depends on the relationship between him and Claire.

If the two are always a false marriage, then she will naturally have to fight for it, but if the two have a real relationship, then she can definitely not grab the husband of her girlfriend.

Elsa followed Charlie into the room, looked around, and said in surprise: "Ah, this room is quite big!"

"Yeah." Charlie smiled and said, "It must be enough for you to live alone."

Elsa pursed her lips and nodded. She immediately saw that Claire hadn't come in, so she hurriedly asked, "How are you and Claire?"

"Very good." Charlie replied smoothly.

"Oh..." Elsa asked vaguely: "Are there any changes compared to before?"

Elsa wanted to know whether Charlie and Claire had broken through that relationship, but it was difficult to ask very clearly, so she could only vaguely knock on the side.

Charlie didn't think much, just casually said: "We are in a stable relationship, and there is no change."

When Elsa heard him say that there was no change, she felt more at ease. It is estimated that Claire and Charlie are still sleeping in separate beds, which proves that the two of them still have no breakthrough.

For her, this is good news.

At this time, Elaine on the third floor was very excited. She took a lot of photos and selfies in her large bedroom, and also turned on the beauty filter to the maximum, and then carefully selected a few of the living room and the photos taken from the outside. Photos were sent to the circle of friends together.

The accompanying text is: "Oh, after waiting for so long, I finally moved into my Tomson villa! This is the largest apartment of Tomson! With such a large living room and such a large bedroom, I don't know how to sleep at night. Will you be scared here!"

After writing this, she thought of Mrs. Willson and added another sentence: “Hey, this villa has three floors above ground and two floors below ground. There are five floors in total. There are ten bedrooms, each of which is very luxurious and stylish, but we have a family of four. , Where can I live here? I’m really sad...”

## Chapter 795

Elaine finished editing the copy of the Moments, and deliberately added a few shy expressions to the back, and then opened the location of Tomson, and clicked sent happily.

When this was posted, many people immediately liked and commented.

The message was all kinds of admiration, catering, kneeling and licking, marveling at how luxurious her mansion is.

After all, no one thought that Elaine could live in a top-notch villa of more than one billion, which is beyond the understanding for everyone who knew her.

At this time, the Willson family was boiling cabbage around a pot of duck racks, eating bitter tears.

The Lady Willson herself did not lose the money, and was quite dissatisfied with Noah and his children’s contradictions yesterday, so she also deliberately wanted to toss them.

So, she went out to buy vegetables in the morning, only bought a duck rack, and then bought two Chinese cabbage, washed and chopped directly, and simmered in a pot.

She felt that, anyway, she was old, had a small appetite, and couldn’t eat anything that was too meaty and greasy, so she put this kind of clear soup and watery things, as for the three of them, they would like to eat or not, and would not eat it.

Noah, Harold, and Wendy were almost exhausted. The three of them couldn’t make up the money for a meal, so they could only eat this stuff with the Lady Willson at home.

The duck frame looked not small, but it was all bones, and there was no meat at all. The bone skull in front of Harold says, he had already eaten a lot, but it just didn't fill his stomach.

Annoyed, he ate while scanning the circle of friends.

Suddenly he saw the one sent by Elaine, and after a closer look, he gritted his teeth and threw the chopsticks off his head. He cursed, "Grass! Elaine, a shrew, has actually moved into Tomson's first product. d\*mn, she too. Is it worthy of Tomson's first product?! God is blind!"

When the Lady Willson heard this, she picked up her mobile phone and took a look, and she was suddenly angry!

"This d\*mn dog thing, specifically said that there are ten bedrooms can't live in all of them, this is deliberately to tell me!"

Old Mrs. Willson was extremely uncomfortable, and she cursed in her heart that she couldn't give her a room out of so many rooms and let her live in it. Now she is still sending out intentionally to irritate her. It is really a thousand cuts that she will not understand her hatred!

At this time, Noah also looked at the mobile phone circle of friends, looked at the photos of the mansion sent by Elaine, and then looked at the duck rack in front of him and boil cabbage. He was so angry that he couldn't eat anymore, and directly pulled Elaine into the blacklist. .

Out of sight out of mind!

Wendy also has Elaine's WeChat friends, and she opened a glance and was also very angry.

Seeing the emotions of these three people, the Lady Willson was a little depressed, and said hurriedly: "Don't care about the things Elaine sent. She will have to be driven out of the villa within a few days."

After speaking, she cleared her throat and said, "Our top priority is to think about how to make the Willson Group overcome the difficulties and regain its vitality!"

Noah said angrily: "What difficulties have you overcome? Tens of millions of debts must be solved? What can be done? This villa is so old, I think it can sell at most 178 million, and the remaining holes will be repaid. It's big."

After he finished speaking, he looked at Mrs. Willson with some complaints, and said, "The antiques that dad left behind can be sold for tens of millions, right? If you want me to say Mom, you might as well give me all those antiques. I sell them for real. , And then go to buy a house. After the bank takes the villa away, you can still have a place to live."

Old Mrs. Willson said with a cold face: "Buy a house? Do you think I can live there if you buy a house? I can't pay my debts. I might go to jail! I'm already this old. If I go to jail, I will pay and come out alive?"
