

# The Charismatic Charlie Wade Chapter 796 – 800

## Chapter 796

Noah plucked up the courage and said, “Mom, even if the court sentenced you to jail one day, Harold and Wendy and I have this money, we can live a stable life anyway, but if you don’t take these antiques out, you Once in prison, the three of us will starve to death outside!”

“Starve to death?” Old Mrs. Willson said coldly: “You three have hands and feet, even if you go to sweep the street, you can’t starve to death! I tell you Noah, the batch of antiques left by your father is my share, don’t think about it!”

Noah couldn’t hold back his anger, he stood up quickly, and said coldly: “The things my dad left behind are for our children and grandchildren. Why your alone?”

Old Mrs. Willson said coldly: “Why? Are you going to rebel? Okay, just call me, bark my teeth, I’m dead, none of you want to know where the antiques are. Nothing!”

As she said, the Lady Willson snorted and sneered: “Anyway, I am an old woman. She has long enough to live, and it doesn’t matter if I die now. Before I die, I will definitely make a will to donate my life insurance. I won’t give you any points! The three of you will suffer at that time. If the Willson family collapses and I die, even if the three of you don’t go to the streets to beg for food, you will be reduced to the bottom of the society, and your hard days will be early!”

When Noah heard this, he immediately persuaded himself.

He has no choice.

There is really no way.

Lack of money and no ability to make money is the biggest problem for him and his pair of children. If the Lady Willson is really dead and the life insurance is also donated, he will have no hope.

So he could only suppress his anger and humbly said: "Mom, I am in a rush. Don't be like me."

Old Mrs. Willson snorted coldly, and said arrogantly: "This is pretty much the same!"

At this time, several bank and court cars suddenly stopped at the entrance of Willson's villa.

A large number of law enforcement officers in uniforms and several bank managers quickly came to the door and banged the door.

The family was astonished, Harold hurriedly got up and opened the door. Once he opened the door, he was stunned by the sight in front of him!

At this time, a large number of people rushed in and directly commanded many security guards to blockade the scene.

Then, a person in charge of the court stepped into the villa and said to the Old Mrs. Willson who was eating: "Are you the person in charge of the Willson Group?"

Before waiting for Mrs. Willson to reply, she said to Conveniently: "On behalf of the district court, I formally inform you that multiple creditors of yours have jointly filed an application with the court to request the Willson Group and all the people in your name, to freeze assets, freeze all accounts under the Willson Group and your personal name, and force you to fulfill your repayment obligations!"

Old Mrs. Willson blurted out: "I just paid back more than one million to the bank! The bank manager also told me that he can give me a period of grace, why did he change my mind in a while?!"

The other party said coldly: "The bank considers that you have no profitability, and it is impossible to repay if you delay it. Therefore, it initiated an application together with other creditors and seized all the assets under your name. Now I will give you an hour to clean up. I moved your own things out, it is going to be sealed!"

“what?!”

Old Mrs. Willson stood up tremblingly, and blurted out and asked: “Seize all my assets?! Why?!”

The other party said coldly: “Of course it is because you owe money not to pay back! Also, don’t blame me for not reminding you, you can only take away daily clothes, toiletries and ordinary furniture. All cash, luxury goods, and valuables must be left behind.”

## Chapter 797

When Mrs. Willson heard this, her face suddenly changed!

She shook her body, and the crutch in her hand fell to the ground with a snap.

She thought there was still enough time to find someone to help me, but she didn’t expect that the life-giving spell was delivered so quickly!

When Noah and his children heard this, their faces turned pale!

“Mom? What is the situation, our house is going to be sealed up? Haven’t we already given over one million?”

With the current economic conditions of the Willson family, if the villa is sealed, they will not even have a place to live, and none of them have any skills, the end will only be worse.

Not only Noah and others are going out to look for work or part-time jobs, but even the Old Mrs. Willson has to find a place to wash the dishes.

Otherwise, they will not survive at all.

Old Mrs. Willson sat down on the ground and said, “You are killing our family of four! I just paid back the money, and you are about to take my house!”

The person in charge said coldly: "We are acting in accordance with the law. If you owe money if you don't pay it back, the creditor has the right to request the court to freeze and seal all your assets! Now I'll give you a piece of advice, if you can get the money to pay off the debt, villa and account. They will all be unblocked, but if you can't pay off your debts in the next three months, the creditor will file a lawsuit against you, and you may be charged for fraud!"

Mrs. Willson frantically hugged her legs and blurted out, "You can't seal up my villa. I have lived here for nearly 20 years. This is my home!"

The other party ignored her and said directly to several staff members: "First take her out and let her calm down."

Several people hurriedly put her up and took her out of the door. Old Mrs. Willson broke down and cried out: "You can't do this! You can't do this!"

No one paid any attention to her yelling.

Noah and others were also taken out by law enforcement officers.

At this time, Noah was desperate.

He has seen the situation and it is now enforced by the court. If he dares to block it, it is a blatant resistance to the law.

Who makes his family owe others money?

Now that people go to the court to apply for enforcement, it is completely reasonable and legal.

Harold collapsed at this time and said: "Dad, what can we do? Where do we live in the villa?"

Wendy cried directly: "We are miserable and poor enough now. If the villa is gone, then I might as well die."

Hearing the words, the Lady Willson scratched her hair and cursed: "The bank of the gods, how can it do things to such an extent, it doesn't give people a way to survive!"

Noah blurted out at this time: “Mom! Where are your antiques?! If they find out, it will be all over!”

When the Lady Willson heard this, her eyes went dark, and she almost fell down.

Noah hurriedly stepped forward to hold her back. Then she eased her energies and said nervously, “Those antiques are all in a hidden area under the basement floor. They probably won’t find it...”

## Chapter 798

Noah rubbed his temples and said, “If it is discovered, then everything will be over.”

As he was talking, another young man in uniform came in outside the door, holding a strange device in his hand.

This device is a long pole with a circle in front of it, which looks a lot like the mine detector used in the movie.

Noah asked in surprise: “Young man, are you a mine detector?”

The man smiled and said, “No, but the principle is similar. They are all metal detectors. They will give out when they encounter metal underground. Mines are also made of metal, so this can also be used for mine clearance, but the sensitivity is almost inferior.”

When Noah heard that it was a metal detector, he groaned in his heart and blurted out: “It’s fine for you to seal other people’s houses. Do you still have to go to other people’s houses to clear mines?”

The man said: “With our years of seizure experience, generally as long as it is a villa, there are hidden compartments in the basement, and there are some valuable things hidden inside, so my task is to find them all, and then according to the law, seize them!”

When Mrs. Willson heard this, she collapsed to the ground.

Noah’s heart was also a little choked. The man hurried into the villa after speaking. Only then did Noah hurriedly help the Lady Willson up and asked, “Mom, what’s in the antiques of Dad?”

Old Mrs. Willson said nervously: “There are two vases, an ancient painting, and some other antiques...”

Noah hurriedly asked again, “Are there any metal objects?”

“Yes...” The Lady Willson said in a panic: “There is a Ming Dynasty bronze lamp, a set of tin ware, and two gold horseshoes...”

When Noah heard this, he slapped his thigh abruptly, and said with great pain: “It’s over! It’s over! This is all over! You hide all these things in the basement, and when they go down and use the stuff, they will find everything out! “

After that, he pointed at the Lady Willson angrily and rebuked: “Just say that you are the most greedy! I told you a long time ago, take things out, take them out, take them out, and I will exchange for some money, you just didn’t take it! You don’t want to take it if you die! If you really can bring it into the coffin, it’s fine, now you can’t take it away if you die, it’s all sealed up!”

Old Mrs. Willson was nervous to death, her mouth still insisted: “It’s impossible, they can’t find it, I hide things very concealed, and no one can find it except me!”

Just after speaking, the person in charge walked out of the house and came directly to the Lady Willson, and said coldly: “Hello, we found a secret compartment in the basement of this house, which contains a number of antique cultural relics and precious metals. ....”

When this was just said, the Old Mrs. Willson, who had just been lifted up, sat on the ground again, her face full of despair.

The person in charge said again: “Because this villa is in your name, we acquiesce that the hidden things belong to you. Therefore, we will seal up these cultural relics and precious metals in accordance with the law. These will be publicly auctioned, and all the proceeds from the auction will be used to repay the debt you owe.”

“If the total amount of the auction exceeds your total debt, we will refund you the remaining funds after the debt is repaid; if the total amount of the auction is less than your total debt, the creditor has the right to continue to sue you!”

When the man finished speaking, he took out a form and said to Mrs. Willson: "If you understand what I just said, please sign on it!"

"I won't sign!" Old Mrs. Willson shouted hysterically: "You have no right to seize my antiques! Those are my coffin books!"

The person in charge said coldly: "Sorry, according to the law, these antiques have been sealed by us. Even if you don't sign, you can't change any established facts."

After speaking, he turned around and went back to the villa.

Mrs. Willson's eyes went dark, and she immediately passed out in a coma...

## Chapter 799

When the Old Mrs. Willson passed out, Noah rushed over, grabbed the Lady Willson's collar and shook it vigorously in anger!

The Old Mrs. Willson was awake vigorously as soon as she fell into a coma. As soon as she opened her eyes, Noah scolded furiously, "Didn't you say that no one except you can find those antiques? Now these antiques are gone! They are gone! !!! How do you let our family live?!"

Old Mrs. Willson felt a pain in her heart, and she was crying in a mess at this time. She was in grief and wailed and said, "I don't know it will be like this. If I knew it would be like this, I won't be hiding at home if I was killed... .."

Speaking of this, the Old Mrs. Willson couldn't help crying tears: "It's over, it's really over this time, everything is over, all her life's hard work is over!"

Harold was also desperate. He cried and said, "There is nothing here, and even the dinner for the evening is gone... I have no food to eat at night, and I am already hungry, but where to sleep at night? You can't sleep in the street!"

Wendy collapsed as soon as she heard this, and cried loudly, "Isn't this going to be wandering on the streets? I don't want it!"

At this time, the staff have begun to carry the things from the house before the car.

The Lady Willson watched all her antiques have been sealed and taken away. She cried loudly in the yard. She wanted to rush to snatch it several times, but was stopped by law enforcement officers.

Noah looked more and more angry, angrily wishing to give the Old Mrs. Willson a kick, this Lady Willson is too selfish! Selfish to the extreme!

The key point is that she was selfish and didn't get any good results. All these things are now confiscated, and there is no doubt that it is impossible to return in this life.

All valuable things were moved away, and the family's worthless clothes and broken furniture were all moved out by the staff, and they were stacked on the side of the road outside the door.

When everything was almost moved, the court staff put a seal on the door of the villa. The person in charge came to the courtyard and said to the four members of the Willson family: "We are now going to stick the door outside the courtyard as well. Put on the seal, please cooperate and move outside. You are already prohibited from entering inside."

"I won't go! This is my home, why should I go!"

Old Mrs. Willson's crying eyes were red and swollen, and the appearance of her disheveled hair was just like that in melodramatic novel, the Lady Willson who had been under the well for decades and only vomited jujube seeds!

The person in charge said: "This has been sealed up. To be clear, this is no longer your home. If you continue to stay here, you are obstructing official duties! We have the right to detain you!"

When Noah heard this, the three of them went out in a hurry.

They don't want to be caught in the detention center for a few days at this time.

Old Mrs. Willson didn't want to go, but at this moment, there was no one around her, and there was no one to support her, so she could only cry and walk out.

After going out of the gate, the court staff also posted two seals on the gate, and then told Mrs. Willson again: "You have three months to prepare funds. If the funds are not available after three months, these things will be auctioned. If it is not enough to repay the debt after the auction, then you will have to be sued!"

Old Mrs. Willson sat slumped in front of her house with a desperate face.

Villas can sell for up to 178 million, and antiques and cultural relics can sell for more than 10 million, which may not be enough for 30 million.

However, the various debts of the Willson Group currently add up to at least 60 million.

This money is not enough...

## **Chapter 800**

In other words, in the next three months, she will not have a place to stay, but after three months, she may be going to jail...

Old Mrs. Willson cried out of breath, and almost pumped it out a few times.

After the people in the court gave the warning, they stopped telling them, and went straight into the car.

The four members of the Willson family could only sit helplessly on the side of their house, guarding a pile of tattered furniture and clothing and daily necessities, weeping secretly.

At this time, they were completely helpless.

Unexpectedly, at this time, the house leaks rain.

Several security guards from the villa property rushed over and said to them: "You guys, please take your things and move out of our villa area as soon as possible. Don't be here to affect the appearance of our villa area."

“What are you talking about?!” Noah scolded angrily: “I have lived here for almost 20 years. You said I affected the appearance of this place? You want to drive me out?!”

The other party said coldly: “Sorry, we also received a notice that you are no longer the owners of this place. Since you have lived here before, you must know that our community is closed management and no outsiders are allowed to enter. Yes, so please leave as soon as possible.”

As he said, he pointed to a lot of things on the side of the road, and said: “These things also ask you to move out as soon as possible. If you don’t move, our property assumes that these are abandoned things and are free to deal with them.”

Noah trembles dryly, and yells: “Too much deception! You want to have a fight with me I guess!”

Several strong security guards immediately pushed him forward and screamed: “What do you want to do? Do you want to do it? There are a dozen people in our security team. How many can you beat?!”

Noah was immediately shocked.

Harold from behind scolded angrily: “Be careful that I call you to complain!”

The security guard sneered: “Complain to us? We follow the rules. What qualifications do you have to complain to us? I tell you, you are not the owners of our community now. If you still stay here and don’t leave, I will call the police to arrest you!”

“You...” Harold wanted to start cursing, but seeing the other party’s aggressive posture, he froze again.

Noah knew that it was useless for him to stay here now, and he did not take any reason. The house was sealed, and he was naturally not the owner of the community. It was only natural for him to be driven out.

So he could only sigh, and said to a few people: “Pick up your things, only the useful and valuable ones, and leave the rest here and let them take care of them!”

Wendy cried and said, “Dad, where can we go now!”

Noah shook his head and sighed, "I don't know, but it's a problem to stay here..."

Harold also cried, wiped away his tears, and said, "Dad, why don't we go and beg second uncle... Apologize to him, admit mistake, and beg him to take us in, second aunt Didn't say that there are ten bedrooms in her villa? It's enough to ask them to give us two, let us sleep one, let Wendy and grandma sleep one..."

Noah's face is more ugly than bitter gourd, and he sighed: "What you said is simple. Who is your second aunt? Haven't you counted it? At this time, she is too late to watch our jokes, how could she kindly take us in and give us a room? !"

The Old Mrs. Willson who had not spoken all of a sudden stood up and gritted her teeth and said: "Go to Tomson First Grade! Even if I die today, I will die at the door of Tomson First Grade! If Jacob and Elaine don't take us in, I will sue them for abandoning the elderly!"
