

The Charismatic Charlie Wade Chapter 831 – 835

Chapter 831

At dinner, Claire barely moved her chopsticks.

She repeatedly picked up her mobile phone to call Elaine and send WeChat videos, but everything seemed like a stone sinking into the ocean without any feedback.

Jacob looked at ease and content, anyway, he felt that Elaine had better run away, just like Horiyah. In that case, his life would be truly liberated.

Claire repeated anxiously about going to the police station. Jacob said to the side: “Oh, Claire, your mother is an adult. Maybe she has something to do. What do you care about her? What if she is single-minded. If she want to leave this house, you can’t let the police catch her back, right?”

“How come?” Claire said seriously: “Mom has been looking forward to the Tomson villa for so long, and now she has finally moved in. She wants to leave this home again, and she will never leave this time because of her character! Dad, you have lived with Mom for so long, don’t you still know her?”

Jacob suddenly fell into thought.

The daughter’s words woke him up.

Who is Elaine?

She is a person whose vanity is so strong that she can even explode.

And she is also a person who dreams of having fun.

When she left home, it was impossible for her to leave home on the day when the whole family moved into Tomson. This was not her style at all.

Thinking of this, he couldn't help but frown, wondering to himself, could it be that Elaine was really surprised?

In fact, although Jacob dislikes Elaine, he has lived together for so many years after all. If something happened to this person suddenly, his heart is somewhat empty. If he is really staying at home and drinking tea, he always feels a little inappropriate.

So he sighed and said, "Eat first, and I'll go out with you after eating."

Seeing that her father's attitude had eased, Claire felt a little more comfortable, and said hurriedly, "Dad, why don't we wait, let's split up, I'll call the police, and you can find the mahjong hall mother often goes to."

Jacob said: "Okay, I'll find it."

Charlie said: "Wife, let me go to the police with you."

Claire hurriedly said: "This simple, one person is enough, you should go everywhere with dad."

"Okay." Charlie nodded, but he was a little worried about Claire, so he said to Elsa: "Elsa, you can stay with Claire."

Elsa hurriedly said: "No problem, I will be with Claire."

After a few bites of food hastily, the four of them were divided into two vehicles and left Tomson.

Claire drove Elsa to the police station, and Charlie drove Jacob to the mahjong hall.

However, before getting on, Charlie sent Issac a special WeChat message with the content: "My wife is going to call the police. You should say hello to the police station. Don't disclose any news about my mother-in-law."

Issac quickly replied: "Young master, don't worry, I have already called him. Young Lady will never find any information about her."

"That's good." Charlie relaxed a lot.

Driving the car, Jacob drove out.

As soon as he left the house, Charlie asked Jacob: "Dad, where shall we find her?"

Jacob sighed: "I don't know where she likes to play mahjong. Just drive around and see if there is a mahjong hall. If you see it, go in and look for it."

Charlie smiled secretly in his heart. It seemed that Jacob was also dealing with errands and acted to show Claire.

They searched for a few mahjong halls, but didn't find Elaine's shadow. Jacob was not in a hurry. Anyway, his main idea was to come out and behave. By the way, he would feel more at ease. As for Elaine's specific comfort and whereabouts, He didn't care too much.

Chapter 832

After searching for a while and not finding anyone, Jacob said, "Charlie, should we go back, or find a place to eat some skewers? I was always nervous at first for dinner, which made me not full. "

Charlie smiled and said, "Okay, Dad, I know a roadside barbecue stall, which tastes very good."

Jacob patted his thigh: "Let's go, let's try the roasted waist. By the way, let me drink two more bottles of beer.

Charlie said hurriedly, "I'm driving, Dad, I can't drink."

Jacob waved his hand: "Hey, I'll just call you a rider. It's not easy for father and I want to have a drink. Your mother usually cares not, chatting and chatting in my ears all day long, and I'm so annoyed. Now she happens to be away, shouldn't your father and you have a drink?"

Charlie shrugged and said with a smile: "Since you have said so, drink it!"

With that said, he drove the car to the side of the barbecue stall.

The two ordered a lot of skewers and a few bottles of beer, and happily sat on the side of the road and skewered them.

Elaine was missing, and Charlie was naturally very happy as Master and initiator behind the scenes.

And because Jacob was tortured by Elaine for too long, he suddenly felt a lot relaxed, and he was naturally very happy.

As soon as the two of them sat down and were about to start eating, Claire called Charlie.

He hurriedly winked at Jacob, then put on the phone and asked concerned: "Hey Claire, have you called the police?"

Claire said in a frustrated voice: "I have called the police, but the police says that mom is an adult, and the missing time is less than ten hours. There is no way to send police to help find them immediately, but they are already there. The missing person is reported in the system, and if someone finds her, it will notify me."

Charlie said, "That's good. In fact, what the police said is right. They have only been missing for a few hours. How can they send a large number of police to search? The people's police have more and more important things waiting for them."

"Hey..." Claire said, "I just don't feel very good. I always feel that things are a bit strange in my instinct. I'm really afraid that something will happen to mom...Her temperament, just in case If she has a conflict with people outside, she will easily suffer a big loss..."

Charlie said, she is indeed hyper! Claire really knew Elaine's temperament.

Thinking of this, he couldn't help sighing inwardly. Ever since he married Claire and entered the family of Willson Clan, he has been healed over the past three years that Claire is an extremely rare good girl.

It is not just how beautiful and attractive she is on the outside, but more importantly, the kindness of her nature is really amazing.

Especially in this kind of family environment, the entire Willson family, from Elaine to the Lady Willson, to Noah's family, did not have a good nature at all.

Jacob is barely good, but he is also cowardly and timid.

In such a family, Claire was able to possess gold-like qualities, which Charlie had always appreciated very much.

He also began to ponder about Elaine.

If Elaine was kept for a lifetime, then there was no doubt that Claire would not be able to let go.

In other words, for the sake of his wife, sooner or later, he had to release his brain-dead mother-in-law.

It's not impossible to let her out, but the key is to let her suffer enough first.

Moreover, he still has hidden dangers that have not been resolved.

For example, when Elaine comes out, she will definitely ask him the first time, asking him why she has such a bank card.

She would definitely consider him a member of a scam gang.

In this case, she would definitely tell Claire about this.

So, in any case, he has to think of a good way to make Elaine obediently close her broken mouth!

Chapter 833

Charlie was considering the problem, Claire asked impatiently: "How are you and dad? Do you have any clues?"

“Uh...” Charlie looked at the pile of skewers and beer in front of him, and said against his will: “We are still looking up the mahjong halls, and we have no clues for the time being.”

Claire sighed and said, “Then you continue to search for her, and Elsa and I will continue to look for her as well.”

“Yeah.” Charlie said hurriedly: “Don’t worry, dad and I will work hard to find!”

“Okay.” Claire said: “Then I’ll hang up and communicate if there is anything in time.”

“no problem!”

Charlie hung up the phone, and Jacob was already appetizing.

He drank a glass of beer, poured another glass for Charlie, and said while eating the skewers: “Good son-in-law, no one is going to bother us today. Let’s have a good drink, come, let’s go first.”

Charlie was funny in his heart. Elaine was not there, and the Old Master was relieved. He nodded and said, “You should drink less. Drinking too much is not good for your health.”

Jacob laughed and said: “People are refreshed at happy events. I am looking forward to your mother being admitted by the MLM organization. Anyway, if she goes in and suffer a bit, she can’t die. She will be stuck for three or five years. Yes, let us have a birthday in a few years.”

Charlie nodded and sighed: “I think it’s good too, but I’m afraid she won’t accept it at first.”

Jacob sighed, “That’s right. At first, this child is filial, too filial, the key is silly filial piety! Is it your mother’s kind of person, is she worthy of such filial piety? You have no blood relationship with her, you yourself Say, if your mother is like this, are you still filial to her?”

Charlie was a bit embarrassed and a bit melancholic and said: "If my mother is still alive, even if her temperament is worse than the mother-in-law, I will be a hundred willing."

"That's true." Jacob said embarrassedly: "I'm sorry, dad shouldn't mention this, just use it as an analogy. You see, the grandmother of Claire, and the mother's temperament are basically the same. To be honest, they are two shrews, one older and the other younger."

Having said that, Jacob drank a glass of wine and said seriously: "So you see that I am not filial. My mother can't do things. I won't let her live in my house when she is on the street. Why? you can't say that because it was your mother, you protected her when she kill you?"

Charlie nodded: "You are right."

Jacob sighed and said, "Actually, your life is much better than mine. If you marry a good child like Claire, even if you are not successful anymore, she will not divorce you. If you are like me, marry a b*tch, then Your days are terrible."

Seeing Jacob's melancholy look, Charlie couldn't help but feel a bit of sympathy. This Old Master's life was really not easy. He had a sweet first love, and he had a good relationship with his first girlfriend, but Elaine gave it to him. Cut her out, how miserable it is.

At this time, Charlie deliberately asked: "Dad, tell me the story of your first lover? Last time your classmates reunion, I listened to a few uncles chatting, and it seemed to be quite legendary."

"What's the legend!" Jacob lamented, and said, "I and Meiqing were getting married before graduation. It was difficult to go abroad at the time, but her family has something to do. They could send us to the United States for further studies. I planned to have a happy event after graduation, and then go to the United States for graduate studies together..."

Speaking of this, Jacob said angrily: "Who would have thought that when I graduated and everyone was partying, I would have a f*cking drink! When I woke up, your mother-in-law and I had already..."

“Hey...” Jacob covered his face and said, “Elaine, this woman is also very scheming. She told Meiqing about this at the time. She was so angry with Meiqing. Similarly, a b*tch like Elaine likes to be noisy. Meiqing directly wrote me a parting letter, then packed up and went to the United States by herself. I have never seen her since.”

Charlie asked curiously: “You didn’t explain to her then?”

Chapter 834

“How to explain?” Jacob said: “No matter how you explain it, Elaine and I had actually done that. Meiqing has a cleanliness, life is clean, and emotions are also clean. She also knows that I was drunk and designed by Elaine. , But she felt that she could no longer accept me like that, so she broke up with me without hesitation and went to the United States.”

Charlie deliberately asked him: “Then do you still think of her in your heart?”

Jacob also opened the chatterbox, and said with emotion: “I think, how can I not, she is the first woman in my life, and the only woman I have ever loved, otherwise I would not change the phone password to her birthday.”

Charlie nodded with understanding, and then asked: “Then have you inquired about her current situation?”

“I’ve inquired about.” Jacob said: “But I can’t find out anything. In the past few years, I only heard that she married an American and gave birth to a son. It is said that the family conditions are very good, but there is nothing more detailed. People know, after all, our old classmates didn’t have much contact with her, and we immediately broke contact with our classmates.”

Charlie nodded lightly, and thought to himself, if Meiqing knew that Jacob had become like this now, I guess she wouldn’t feel the same way back then.

Jacob saw that Charlie had not drunk at this time, and said with some dissatisfaction: “Good son-in-law, why don’t you drink two glasses? Just let me drink it alone!”

Charlie smiled and picked up the wine, and said, “Come, come, have a drink with you.”

Just after speaking, Jacob's cell phone rang suddenly.

The phone showed an unfamiliar number, and he couldn't help frowning: "That's it, who will call me."

After speaking, he subconsciously pressed to answer.

A woman's gentle voice came from the other end of the phone, and she asked tentatively, "Excuse me, is this Jacob?"

Jacob was taken aback and asked nervously, "You...you are..."

The other party smiled slightly and said with a smile: "I'm Meiqing, Meiqing."

Jacob was struck by lightning!

He was stunned for a while, and then asked excitedly: "Meiqing? It's really you?!"

"It's me." The other party smiled and said, "Is my voice getting old, so you can't hear it anymore? But I heard, your voice didn't change much."

Jacob said in a panic: "I...you...we haven't been in contact for so many years, why would you suddenly call me? I...I just talked to my son-in-law. Talking about you..."

"Really?" The other party couldn't help asking: "Why would you talk to your son-in-law about me? Could it be that you told him the old calendars?"

"No, it's not." Jacob obviously has completely messed up and said hurriedly: "I'm not drinking with my son-in-law, I was a little bit overwhelmed, and I was emotional."

After that, Jacob asked, "Meiqing...how did you think of contacting me?"

Meiqing smiled slightly: "My son and I are going to return to China to settle, so I will contact you and other old classmates. When I return to Aurous Hill, I want to treat you to dinner. After all, everyone hasn't seen you..."

Chapter 835

Jacob never dreamed that he would receive another call from Meiqing in his life.

What was even more unexpected was that Meiqing was going to return to China!

She went directly to the United States after graduating from university, and then she stayed there. Since then, no one has seen her again. It has been more than 20 years since then.

However, even if he didn't meet again after more than 20 years, Jacob's heart was still stirred by her voice.

So he hurriedly asked: "Meiqing, you...are you really coming back? When will you be back?!"

Meiqing smiled and said, "I will be on the plane right away, and I will arrive at Aurous Hill at around 11 o'clock tomorrow. If nothing happens, let's have a dinner together with our classmates the day after tomorrow!"

Jacob was extremely excited. He said with excitement and unbearable excitement: "Oh, you will be in Aurous Hill tomorrow...tomorrow?! Then...where do you live?"

Meiqing said: "My son has booked a hotel in Shangri-La. In the next few days, we may live in Shangri-La for a period of time, and then see if there is a suitable house in Aurous Hill. If so, we will buy one."

Jacob asked tentatively: "Then...then your husband also come back with you?"

"No." Meiqing said in a frustrated voice: "My husband passed away, so I decided to go back to China with my son and not stay in the United States."

Jacob's heart suddenly blossomed!

So he hurriedly blurted out: "Then...Would you like to have a meal together after landing? I'll pick you up! I'll pick you up!"

Meiqing hesitated for a moment and said, "Oh, if Elaine knew, she wouldn't let you eat with me alone, right?"

When Jacob heard this, he almost didn't laugh.

Elaine?

She is missing!

Hahaha! She just disappeared, and Meiqing is coming back, this... isn't this just God opening his eyes?

Jacob got up from the chair of the barbecue booth excitedly, and walked back and forth: "Don't worry about Elaine, Elaine and I are also in a broken relationship now, we are separated, and she doesn't care about my business."

Meiqing asked in surprise: "Why are you two separated?"

"Oh..." Jacob sighed, "This is a long story because the child has no mother."

After speaking, he hurriedly said: "Meiqing, I will pick you up at the airport at noon tomorrow, don't you live in Shangri-La? Then let's have a meal in Shangri-La!"

Meiqing thought for a while, and said, "Um...I still have my son, isn't it inappropriate?"

"It doesn't matter!" Jacob hurriedly said, "I can take my son-in-law. My son-in-law should be about the same age as your son. Let the young people talk more. Let's talk about us."

"Well then." Meiqing said with a smile: "Then we will see you at the airport tomorrow. I haven't seen you in more than 20 years. Don't forget to write a sign, otherwise I'm afraid we won't recognize each other!"

Jacob said excitedly: "OK, OK! I will write a sign tomorrow."

Meiqing said: "Jacob, then I won't talk to you, I will board the plane right away, fly for more than twelve hours, and arrive at Aurous Hill at 10 noon tomorrow."

"Good!" Jacob said with a smirk, "See you at the airport tomorrow!"

After hanging up the phone, Jacob was jumping around in excitement, like a fifteen or sixteen-year-old boy.

Charlie looked funny for a while, and couldn't help asking, "Dad, is your first love coming back?"
