

The Charismatic Charlie Wade Chapter 841 – 845

Chapter 841

Elsa felt the gentleness when Charlie wiped away tears for her, and at the same time, she listened to his firm emotional confession to Claire, and her heart was extremely painful.

She said with a hoarse voice: “Charlie, if Claire really loves you, I will never do anything to disturb you, but you know that she is with you because of her promise to her grandfather, you think so Your feelings, do you insist on making sense by yourself? Why not let your own life and the beginning of your life be the same?”

After that, she couldn't help sobbing and asked him, “In which sense I am inferior to Claire? Tell me, I will try to catch up with her, don't refuse so fast, give me a chance?”

Charlie stood up and shook his head: “Elsa, sometimes you don't understand the mind of a man. You are kind to me at first, just like you think I am kind to you. Just because of this, Enough for me to stay with her. As for whether she loves me or not, I am not in a hurry to figure it out. I still have a long time to understand, explore and even change bit by bit. Just like you did to me, even if I repeatedly tell you that I am married and have no interest in women other than Claire, don't you still continue to confess to me?”

Elsa understood at once.

In fact, Charlie treats Claire just like she treats Charlie.

With that said, she immediately realized.

However, after the realization, she was also uncomfortable.

Just as Charlie was unwilling to give up Claire anyway, Elsa was also unwilling to give up Charlie anyway.

So she wiped her eyes, looked at Charlie, and said stubbornly: “You don’t want to give up Claire, and I am also unwilling to give up on you. Since you can wait for Claire, then I can wait for you too! No matter how long the wait. It doesn’t matter, I will wait forever!”

Charlie sighed: “Well, since you have decided, I will respect your decision.”

After all, Charlie checked the time and said, “It’s getting late, go back to the room and rest.”

Elsa nodded lightly and said: “You go back first, I want to sit down for a while.”

Charlie gave a hum and stepped upstairs.

After Charlie left, Elsa sat on the sofa with mixed feelings.

There were grievances, unwillingness, sadness, and obsession, all kinds of emotions popped up in her mind, making her entangled.

Elsa felt that Charlie might be the only man she would fall in love with wholeheartedly in her life. If she didn’t get together with him, then she would never meet a man who made her feel so excited.

She couldn’t help feeling sad when she thought that she might never get the man she loved the most.

Is it because she is destined to miss Charlie in this life?

No, she doesn’t believe it!

She believes that God will not arbitrarily arrange a silent ending if he sends Charlie to her side twice to let him save her from danger.

He will definitely arrange a perfect ending for her, as long as she can stick to it with a sincere heart.

Persevere, then persist until victory!

.....

When Charlie gently opened the door of the room, Claire was standing alone on the balcony on the second floor.

Her perfect figure looked hazy and enchanting in the moonlight, which made Charlie's heart beat.

It is true that Claire is a stupid and filial girl, but it is her stupid energy that makes her insist on not divorcing him.

She is foolish and filial to Elaine, but foolish and loyal to herself.

That year, soon after the two got married, Mr. Willson passed away.

At that time, the entire Willson family was persuading Claire to divorce him.

After all, the reason why Claire married him at the beginning was because of the father's fate, and everyone else opposed it.

Therefore, those people all hope that she can divorce him and marry the rich young master of a big family to change the fate of the entire Willson family.

However, she feels that marrying him means marrying a chicken and a dog, marrying a dog and a dog. As long as she does not divorce him, he will never divorce himself. This is her loyalty to her marriage and her husband.

Chapter 842

If Claire hadn't relied on this stubborn "stupidity", she would have listened to persuasion and had enough.

In that way, what kind of destiny would he have?

Charlie didn't dare to think.

Before marrying Claire, his life was very difficult.

Because the orphanage didn't accept adults, on his eighteenth birthday, Aunt Lena bought a birthday cake with her frugal money, celebrated his birthday, and sent him out of the orphanage with tears.

At that moment, Charlie once again became lonely and helpless in this world.

Aunt Lena wanted to help him, she wanted to introduce him to work and provide him with living allowances, but he had no face to ask.

He found a construction site alone, and moved bricks, sand, and cement with others at the age of 18.

He was not able to rent a house, so he has been living in the prefabricated house on the construction site, eating the cheapest meals, and doing the most tiring, heaviest and dirtiest work.

He only kept a small part of the money he earned to live, and the rest was donated to the orphanage.

Because the orphanage still had many brothers and sisters who were just as helpless and lonely as himself. They are still young and need more care and love.

However, after all, the orphanage had limited funds and can ensure that they are fed and clothed, but it cannot guarantee that they eat well and wear well.

Therefore, he spared no effort to donate the money he saved to his younger brothers and sisters to improve their lives, and even buy them textbooks for them to study hard.

In the fourth year of working on the construction site, his construction team was employed by the Willson family and began to work on a project for the Willson family.

At that time, Grandpa Willson, who came to inspect the construction site, could tell at a glance that Charlie and his grandfather looked almost exactly the same when they were young.

And the reason Grandpa Willson knew Charlie's grandfather was because the Willson family was the Wade family's servant a hundred years ago!

From his grandfather's generation, Elder Willson fled all the way to Eastcliff because of fleeing. When he was about to starve to death, the Wade family took them in.

In order to repay their favor, they voluntarily sold themselves to the Wade family and started long-term jobs.

At that time, the Wade family was already one of the largest families in Eastcliff, and the head of the family was kind and sympathetic to the servants, allowing them to marry, allowing them to have children, so that they could live and work in the Wade family.

Elder Willson's father was born and raised in the Wade family.

Later, Elder Willson's father became an adult, and he voluntarily sold himself to the Wade family and continued to work for them.

Later, Elder Willson was also born in the Wade family.

Therefore, when he was a child and a young man, he was raised in the Wade family, and also worked as a servant in the in the family.

The Old Master of the Wade family was about the same age as the Old Master Willson, and the two had grown up together. Of course, there was a huge difference in status, so the Old Master Willson knew him, but he didn't know the Old Master Willson.

After the war, the Wade family also prepared to move out to avoid the war, but couldn't take so many domestic servants, so they gave most of the domestic servants a generous settlement allowance and dismissed them.

It was at that time that Elder Willson returned to his hometown with the Wade family's settlement allowance.

Therefore, when he saw Charlie, he firmly believed that he must be a descendant of the Wade family.

Therefore, after his repeated questioning, Charlie revealed his life experience.

At that time, Grandpa Willson knelt directly on the ground and knocked three heads to Charlie, saying that he was kneeling and thanking the Wade family for their kindness to the Willson family.

Then Mr. Willson took him back to the Willson family and insisted on marrying his eldest granddaughter Claire.

At that time, the Old Master Willson didn't know if Charlie, the young dragon, could even fly into the sky.

But he felt that the descendants of the Wade family shouldn't spend their lives on the construction site.

As the servants of the Wade family for generations, the Willson family has the responsibility and obligation to take care of this Charlie who was living away and give him a stable home!

Chapter 843

Looking back into the past, Charlie was full of emotion.

There are only two people in the Willson family who really treated him well.

One is Mr. Willson, who has passed away, and the other is his wife, Claire.

Now, Mr. Willson has also passed away, and the entire Willson family is really not good to him, and only Claire is left.

Seeing Claire standing on the balcony with a sad face at this time, Charlie slowly walked over, came to the balcony, and said to her: "Claire, you don't have to worry too much, mom will definitely come back safely."

Claire realized that he had come in. She glanced back and said annoyedly: "You don't really care about her, so of course you don't think she will have something to do. Even if she has something, you will not really feel sad."

Charlie knew that she was still mad at him, so he sighed, walked up to her, and comforted: "My wife, I know you are worried that mom will suffer and even be in danger

outside, but you don't think that her character, if she can suffer a bit, will it be good for her?"

Claire said: "I understand what you mean, but the key is that the loss must be within a controllable category. If it rises to personal danger, everything will be uncontrollable..."

Charlie nodded and said: "Let's take a good rest first, and we will continue to go out to find tomorrow morning, okay?"

Claire hesitated for a moment, and nodded slightly, "Go to bed first, and I will go to the police station to ask about the progress tomorrow. They said that if there is no one to be found tomorrow, they will send the missing information to the Blue Sky Rescue Team and ask them to help."

"Yeah." Charlie hurriedly coaxed her and said, "The Blue Sky Rescue Team can mobilize a strong social force. It shouldn't be a problem to find someone to come out."

"I hope..." Claire said, turning around and walked back to the room.

Charlie hurriedly followed behind her, faintly excited.

After all, tonight is a great day for him to be promoted, and finally he can sleep with wife in bed!

Even if it goes well, he can make up for the unfinished bridal chamber with her!

With that in mind, Charlie hurriedly followed into the house and was about to directly hug Claire up and put her on the bed. As a result, he saw that Claire hadn't gone to the bedside, and went directly to the closet to take out a set of bedding, and looked at Wade angrily. She said: "Here, you are still sleeping on the ground tonight!"

"Ah?!" Charlie asked in surprise: "Good wife, didn't you say that I can already be promoted to one level? I have been stuck at this level for more than three years, so I should be promoted!"

Claire was ashamed and angry, and stomped her feet and said, "That was what I said before. Now the situation has changed, so the upgrade will take a bit longer!"

Charlie asked depressed, "How long is it delayed?"

Claire angrily said, "Slow down until mom comes home!"

Charlie was taken aback, and his expression immediately slumped.

Elaine, Elaine, you are so lingering!

Just thinking about it, Claire was already lying on the bed and said angrily: "You are not allowed to sneak up! Otherwise I will drive you to the bedroom on the first floor!"

Charlie had no choice but to say angrily: "Okay, my wife, I won't upgrade yet, I'll talk about it when Mom comes back."

This night, Charlie was quite depressed.

At the same time, he was even more annoyed at Elaine.

This mother-in-law, if she hadn't owed her hand to steal his premium card, things wouldn't be what they are now!

If she were honest, she would definitely be sleeping in the big bedroom upstairs now, and he and Claire would sleep on the same bed.

It seems that this woman still owes repairs!

"When I look back, I have to say hello to Issac and send a few people in to teach her a lesson! At least let her learn a lesson, and dare not steal other people's things and steal other people's bank cards to withdraw money from the bank in the future."

.....

Chapter 844

In sharp contrast with Charlie, Jacob upstairs.

Jacob didn't fall asleep when he was excited this evening.

He remembered his past with Meiqing several times in his mind, thinking back and forth, and taste back and forth, the whole person has been completely immersed in it!

The more he thought about Meiqing, the more he looked forward to seeing her again.

Early the next morning, Jacob, who hadn't slept the whole night, was rather vigorous, and his happy whole body was closed from ear to ear.

He got up early to wash, and shaved his beard clean without leaving a single stubble. Then he combed his gray hair well, sprayed some styling spray, and then turned the box and the cabinet again and looked for it. Out of the high-end suit that he had been reluctant to wear.

This suit was specially made in Hong Kong when the Willson family was in its heyday. At that time, he was also the second son of the Willson family. The Old Master didn't hesitate to give his pocket money, so he had a lot of face when he went out every day.

Unfortunately, Jacob's life is not good these years, so he didn't get lucky. This suit still fits well.

After changing into his clothes, Jacob looked at himself in the mirror, showing a satisfied smile when he was ten years younger.

Just as the so-called happy events are refreshing, the smile on Jacob's face is simply uncontrollable!

He believes that Meiqing will not be disappointed when she sees him now!

Thinking of this, he was so excited that he couldn't wait to rush to the airport immediately to meet Meiqing again.

However, Meiqing's plane landed later than ten o'clock, so it was still early, so he went downstairs and came to the restaurant.

In the restaurant, Claire and Elsa were sitting at the table drinking milk. Charlie was still busy in the kitchen with fried eggs and bacon. Elsa was the first to see Jacob and was surprised and said: "Wow! Uncle dressed so young today. Ah!"

“Really?” Jacob smiled a little embarrassedly, and asked, “Is it okay?”

Elsa gave a thumbs up: “That’s great!”

Claire raised her head at this time and saw that her father was actually wearing his favorite suit. She was surprised and asked: “Dad, what are you doing in this dress?”

Jacob hurriedly said: “I have something to do today. An old friend came back from abroad and wants to meet me for a meal.”

After that, Jacob said again: “Oh yes, Charlie is with me at noon. Don’t come home for dinner, just order a meal at the company.”

“Dad!” Claire said with some dissatisfaction: “Mom is still missing! I still expect you and Charlie to go out with me today to find her. Why are you still making an appointment with your old classmates for dinner?”

Jacob said, “Then when they are here, I can’t help but meet up, right?”

Claire said angrily, “But my mother is missing! Shouldn’t you worry about her first? At this time, you are still in the mood to go to an appointment. Are you and mother not a couple?”

Jacob nodded and said, “It’s a couple.”

After that, he added another sentence: “But I’m separated.”

Claire was angrily speechless. Dad was dressed so formal at this time, and even his hairstyle was deliberately adjusted. It must have been a meeting with a female classmate.

Moreover, Dad said that the other party came back from abroad, and that is probably the first love her mother said!

She felt angry when she thought that her mother was still missing but her father was dressed up and going to eat with her first love.

Jacob said seriously at this time: “Your mother can find it anytime, but I have already made an appointment with someone for this dinner. I can’t break the appointment. I will search together after dinner. I will find her with Charlie!”

Claire said: “Go by yourself, Charlie will follow me!”

“How can I do that!” Jacob said hurriedly, “I can’t go alone with my son. How inappropriate? Or you let Charlie go to your mother, and you come with me!”

Chapter 845

When she heard that her father asked her to meet his first love, Claire refused almost without hesitation: “I’m not going!”

Jacob opened his hand: “Then don’t stop Charlie from following me, anyway, one of you must follow me.”

“You...” Claire was furious and asked: “It is more important to eat with your old classmates, or to find mother is more important. Dad, don’t you know it clearly?”

Jacob blurted out: “It is clear, of course it is more important to eat with old classmates!”

“you.....”

Although Claire had always had a good temper, she was really going to be blown up at this time.

Jacob said indifferently at this time: “Claire, you have to understand one thing, this world does not revolve around your mother. There are four people in this family. Your mother and I have our own needs. You can revolve around your mother, but you can’t force me or force Charlie to revolve around her. We don’t have anything to live on? We don’t have any needs of ourselves?”

Speaking of this, Jacob continued with a little excitement: “Could it be that if your mother can’t find it back one day, I can’t do other things a day, so I can only go out to find her? Then if she can’t find it back forever, then I don’t have to sit besides, I will find her to die in the second half of my life? If this is the case, then I would rather run away from home. Why should I do this?”

Claire was speechless.

Although she knew that what her father was talking about was false, she still had to admit that there was some truth in this statement.

Dad has been suppressed by mother for so many years, and now her mother has suddenly disappeared. For him, it should be a kind of relief, but also a kind of release.

In desperation, she could only compromise and said: "You want to party with classmates, I have no objection, but after the meeting, you have to help me find mother's whereabouts!"

"OK, OK." Jacob agreed repeatedly, and said with a smile: "Don't worry, I will go all out at that time."

Charlie came out carrying fried eggs and bacon. He saw Jacob dressed up and said in surprise: "Oh, dad, you are looking handsome today."

Jacob smiled happily, and said, "How about it, can you tell?"

Charlie nodded and said with a smile: "That's so good."

Claire rubbed her temples and said to Charlie: "You accompany dad to see his old classmates at noon. After meal, you will quickly go to a place like Mahjong Hall to find out if anyone saw Mom."

Charlie immediately agreed and said, "OK wife, I will go with Dad."

.....

At the same time, breakfast was also started in the detention center.

Elaine slept in the toilet all night. She was trembling all over. She was hungry and almost fainted. She was looking forward to eating breakfast to add something, otherwise she would really be hungry and faint.

The two people who took the meal quickly brought back a plastic basket. Everyone went to take the meal. Elaine didn't dare to take it directly. Instead, she walked up to Gena

Jones and asked pitifully, "Sister Jones, can I have a bite? I haven't eaten anything for a day and night..."

Gena Jones frowned while drinking porridge and steamed buns, and asked her, "What does it have to do with me whether you eat or not? Am I not letting you eat it?"

Elaine said bitterly, "I'm afraid you will hit me again after I eat..."

Gena Jones sneered and said, "It's good if you know it. If you want to eat, you can eat whatever you want. If you are full, you can get beaten up."
