

The Charismatic Charlie Wade Chapter 846 – 850

Chapter 846

Elaine knew this was a threat. As long as she eats by herself, even as long as she reaches out to get the meal, she will probably suffer a meal.

So she cried and pleaded: “Sister Jones, you beat, scolded, and punished yesterday. Please be merciful and forgive me...”

Gena Jones raised her eyebrows and asked: “I can spare you, but who can bring my dead mother back to life? Do you know how miserable it was when she drank pesticides and finally lay in the hospital bed with breathless and suffocated breath? ?”

Elaine burst into tears and said: “Sister Jones...I know you are a filial daughter, but I haven't harmed your mother...”

Gena Jones angrily said: “You still talk nonsense with me? I tell you, my mother was killed by her unfilial daughter-in-law, so I feel sick when I see someone like you! You should be glad that it is not an ancient society, otherwise I would chop you out for the sky!”

The Old Mrs. Willson hummed triumphantly: “Gena, you are so right! This kind of woman was supposed to be immersed in a pig cage in ancient times! It is the kind of bamboo cage, put her in it, and then fall Put on a few big rocks and throw them into the river to drown her directly!”

Elaine was so frightened that she didn't dare to say anything, nor did she dared to eat. She could only bow her head and stand in front of Gena Jones, like a kid who made a mistake.

Gena Jones drank her last mouthful of porridge, and used the last piece of steamed bread to turn around in the porridge bowl, dipped all the remaining rice fat in the porridge bowl, and ate it in one bite.

Afterwards, she said intently: "Oh, I don't seem to be full."

At this time, a female prisoner pointed to the plastic basket and said, "Sister, isn't there still one portion left in there? You can eat that portion too!"

Gena Jones deliberately looked at Elaine with a smile, and asked with a grin: "Oh Elaine, I have breakfast for you, are you okay?"

"No comments, no comments!" How can Elaine dare to say something? Can only nod like garlic.

Gena Jones smiled and said, "I'm fine, I am a person who exercises a lot, so I have a lot of appetite. It took a lot of physical energy to beat you yesterday, and I really need to make up for it today."

With that, she walked to the plastic basket and took out the lunch box inside. After opening it, she held the buns in one hand and the lunch box in the other for porridge.

Because she deliberately wanted to torture Elaine, she drank porridge and sucked very loudly, making Elaine's gluttonous legs soft and her stomach twitching.

Gena Jones ate up all the steamed buns and drank almost one third of the porridge. Then she shook her hand deliberately and threw the lunch box to the ground, and the porridge was immediately spilled.

Gena Jones sighed and said annoyed: "Why is it spilled? It's a waste..."

As she said, she waved to Elaine and said, "Go to the toilet and get a mop, and mop this piece clean."

Elaine has never cherished food in her entire life, and she has not even finished a bowl of rice cleanly, but now looking at the pool of rice porridge on the ground, she feels very distressed.

Seeing her eyes fixed on the rice porridge on the ground, Gena Jones smiled and said, "Elaine, if you are hungry, you can also kneel on the ground and lick the porridge."

When Elaine heard this, she felt wronged and wanted to die.

Kneeling on the ground and licking porridge? How dirty this ground is! Countless people have stepped on it. The mop that mopped the floor in the toilet is already black. Now that she lick the porridge spilled on the floor, how can she stand it?

She can't lick it even if she starves to death!

Thinking of this, she hurriedly said: "I'd better drag it clean."

Gena Jones sneered: "Whatever you do, but you will lick it sooner or later. If you don't believe it, let's just wait and see!"

Chapter 847

A little more than eight o'clock, Charlie drove the car and went out with the Old Master who burned the bag.

There were still more than two hours before the plane landed, but Jacob couldn't wait.

After the Tomson Villa, he hurriedly asked Charlie: "Good son-in-law, do you know where the flowers are sold? I want to buy a bunch of roses to take with me."

Charlie said, "Dad, she will be with her son. It's not appropriate for you to send roses in front of her son, right?"

Jacob thought for a while, nodded and said, "You are right, then let me give her a bunch of ordinary flowers."

Charlie said: "I know there is a flower shop, not far away, let's go buy flowers first."

When he arrived at the flower shop, Charlie spent five hundred and asked the shopkeeper to help with a bouquet of flowers that symbolized friendship, and then he took it back to Jacob in the car.

Holding the bouquet of flowers, Jacob was very excited, and said with a smile: "This boss is good at craftsmanship. This flower looks very impressive! I believe Meiqing will like it!"

Charlie smiled slightly, and said to his heart that Jacob is a typical second spring glow. If this Meiqing is interesting to him, maybe the two can get together.

Thinking of this, Charlie felt a little sympathetic to the Old Master.

"No way, for the sake of my wife, I must not let Elaine evaporate from the world. Therefore, although the Old Master can happily meet the old lover now, but after a few days Elaine is released, his hard life will be started."

If Elaine knows that Meiqing is back, she still doesn't know how to make trouble, then Jacob's life will probably be more sad than before.

But naturally, Charlie didn't tell his old man. After all, he is in the most exciting time now, so let him enjoy the feeling of freedom and the breath of his first girlfriend before Elaine comes out!

At this time, Jacob asked again: "Oh yes Charlie, have you booked a place in Shangri-La?"

"It's booked." Charlie nodded and said, "Don't worry about it, I will satisfy you and Aunt today."

"That's good, that's good!" Jacob breathed a sigh of relief. He held the flower and looked at it again. He approached the only rose in the bouquet and smelled it, and sighed, "Scent! It's so refreshing!"

After finishing speaking, he couldn't help humming an old song: "Rose rose, I love you; rose rose, love is heavy..."

Charlie shook his head and sighed secretly. He didn't expect that after some hours of freedom, he would be quite depressed...

.....

After driving to the airport, the two arrived at the arrival hall. Jacob kept staring at the arrival screen at the airport. After searching for a long time, he finally found Meiqing's flight.

The expected landing time of the flight is 10:20, and there is one hour left, and the other party is returning from abroad, there must be an entry process, so it is estimated that it will be 11 o'clock when she comes out.

Jacob was very excited and didn't feel tired. He stood for more than an hour after standing.

Five minutes before eleven o'clock, a group of people came out from the exit. Jacob was holding flowers looking forward to it. Suddenly he saw a middle-aged woman wearing a black dress, and immediately waved to her excitedly: "Meiqing!"

When the other party saw him, she was taken aback for a moment, and then she said with surprise on his face: "Oh my God, Jacob!"

After all, walk a few steps quickly and walk towards Jacob.

Charlie also became interested, and hurriedly wanted to see what Jacob's first love, looked like.

So he took a look, and he was shocked!

Meiqing is said to be the same year as Jacob, and both are 48 years old, but Meiqing doesn't look like a 48-year-old woman at all!

She is tall and slender, and her skin is well maintained. She wears a long black one-piece dress, which looks like a goddess, and her hair is very dignified.

Chapter 848

As for the appearance, it is even more impeccable, beautiful and generous, and it has a bookish breath from the previous generation of intellectuals.

Among the stars of this age group, there is an actress. She is regarded as one of the most beautiful and charming women among the stars of this age group, but Meiqing is even more beautiful than her!

This famous star is in her early 50s and she is still charming, and Meiqing's actual age is three years younger than her, and she seems to be more than six or seven years younger than her!

This is an aunt who is nearly fifty years old!

This is an eldest sister who is less than 40 years old in her thirties!

Charlie was stunned. He really didn't expect that Jacob's first love was such an impeccable super middle-aged beauty. It can be imagined that she must be very beautiful when she was young!

God!

Charlie is a little envious of Jacob, this wimpy Old Master, how can he, can actually fall in love with such a super beauty back then!

At the same time, Charlie also sympathized with Jacob more!

Because of Elaine, he has lost such a majestic beauty, this is simply picking up a grain of sesame seeds and losing ten acres of watermelon land!

At this moment, Jacob looked at Meiqing, who was still beautiful in front of him, and felt even more sympathetic to himself than Charlie!

Why is there no trace of too much time on Meiqing's face after more than 20 years?

Why is she still so beautiful that he can't breathe after more than twenty years?

Why is it that more than 20 years have passed, her shallow smile and faint dimples are still so high, so that she can't move his legs just by looking at her?

At this time, Meiqing walked to Jacob quickly. After standing still, staring at him, she smiled gently: “Jacob, I really didn’t expect it, we haven’t seen you in more than 20 years!”

Jacob was a little nervous. He was a little helpless and said, “That, yeah, Meiqing, I didn’t expect it to be... for so many years!”

When Charlie saw that the Old Master was still holding the flowers when he was talking to Meiqing, he forgot to give them to her, and hurriedly reminded him behind him: “Dad, don’t hold the flowers all the time, give them to her!”

Jacob came back to his senses, and hurriedly handed the flower to Meiqing, and said nervously, “Meiqing, this...this flower is for you. Welcome back to Aurous Hill!”

Meiqing took the flowers with joy, took a deep look at Jacob, and said, “Jacob, thank you!”

There was no flower in Jacob’s hand. He didn’t know where to put his hands at once, so he rubbed awkwardly and smiled stiffly: “Meiqing, we haven’t seen each other for so many years, why are you polite to me... ..”

At this time, a tall and handsome young man with blond hair came over with his luggage from behind.

This blond young man has white skin, no different from white people in Europe and America, but his eye pupils are black, and his facial features are somewhat Asian in style, and he looks a bit like Meiqing. He looks like a mixed race.

He walked up to Meiqing and yelled with a smile, “Mom, is this your college classmate?”

Meiqing hurriedly pulled him and introduced Jacob, “Jacob, let me introduce to you. This is my son, Paul.”

Jacob took the initiative to stretch out his hand and smiled: “Oh, Paul, hello!”

Then Jacob quickly introduced Charlie, saying: “Meiqing, Paul, I will introduce you to this man, this is my son-in-law, Charlie!”

Paul took the initiative to stretch out his hand to Charlie, smiled and said, "Hello, Mr. Charlie!"

Chapter 849

Jacob hurriedly said: "By the way, Meiqing, I have booked a box at Shangri-La Hotel. Let's go to have a meal first, and pick up the dust for you and your son!"

Meiqing smiled and said, "Thank you so much, Mrs. Jacob and son-in-law, who came to pick us up from afar and invited us to dinner..."

"It should be!" Jacob smiled awkwardly, and couldn't wait to say: "It just so happened that we were driving there, let's go directly!"

"Okay." Meiqing nodded, and then said to Paul: "Son, tell your driver, we won't take the company car, let's take your Uncle Willson's car."

Paul smiled and said, "Okay mom, I'll call the driver and ask him to send the luggage to the hotel room first."

"It is good!"

Paul politely said to Jacob and Charlie: "Uncle Willson, Charlie, wait for me first, I'll make a call, sorry!"

Jacob hurriedly said: "Oh, Paul, look at you child, you are too polite, you don't need to be so polite with your uncle."

Paul smiled and said, "I should be."

After speaking, he took out his mobile phone and walked aside to make a call.

Jacob then asked Meiqing curiously: "Meiqing, you and your son returned to China, and did you arrange a driver in China?"

Meiqing nodded and said: "After Paul's father passed away, I always want to return to the country to settle, but his father left a company. Paul said that he can't throw away

his father's life's hard work, so he began to gradually start business transfer to China six months ago."

Jacob asked in surprise: "Did you transfer all the industries to China first?"

"Yes." Meiqing said: "But I don't participate much in these things, it is Paul taking care of it."

Jacob nodded lightly, feeling a little inferior in his heart.

Meiqing and her son returned to settle in China, and even transferred the business. An enterprise worth such a lot of trouble is probably not small in scale. From this point of view, Meiqing's current economic strength is very strong.

"In contrast, I am a little embarrassed. After all, the Willson family is now down, and I have no source of income. It can even be described as penniless. The only one who can do it is Tomson First Grade. The villa is now, but this villa is still owned by Charlie."

Thinking of this, Jacob felt a little bored.

Given his current situation, would Meiqing look down on him?

It's been half a lifetime, and most middle-aged people have at least a certain career, industry and family business, but he still have nothing to do now, which is too shameful!

Charlie also saw that Jacob's expression was a little upset, knowing that he must think that Meiqing is too good, and he is not worthy of others, but he did not break it either.

At this time, Paul finished the call and said with a smile: "Mom, Uncle Willson, and Brother Charlie, I have already told the driver, let's go."

"Okay." Charlie said with a smile: "Then let's go."

The four people went out of the airport together. A brand new Rolls-Royce Phantom stopped in front of them. A foreigner got out of the car and respectfully said to Paul: "Hello, general manager!"

Paul nodded slightly.

The foreigner driver said to Meiqing, "Hello, Chairman."

Meiqing nodded and smiled, and said, "Mike, you help me deliver my luggage to Shangri-La, and directly ask the front desk to send the luggage to my and Paul's rooms."

Chapter 850

The foreigner driver nodded hurriedly and said, "Okay chairman, I will go now!"

Then, he opened the trunk of the Rolls-Royce Phantom, took all the suitcases in Paul's hand, and stuffed them into the trunk.

After doing this, he asked Meiqing again: "Chairman, don't you and the general manager want to go in this car?"

Meiqing nodded and said, "I'll take my old classmate's car, you can go."

Jacob looked at the brand new and luxurious Rolls Royce, feeling particularly uneasy.

He can see the value of this car.

The bare car costs eight or nine million, and this car is equipped with a pure gold little golden man logo, and it costs more than two hundred thousand!

Therefore, Jacob felt even more inferior.

He couldn't help but said to Meiqing, "Oh, Meiqing, you should take this Les Royce over there. My car is not up to grade. I'm afraid that you won't get used to it and you will be wronged again."

Meiqing said seriously: "Jacob, we have known each other for so many years, do you think I am the kind of person who loves vanity?"

Jacob was suddenly embarrassed.

He hesitated and said: "My car is just an ordinary BMW 5 series. I'm afraid I will wrong you..."

Meiqing was a little angry, and said, "Jacob, why do you care about these things so much now? Rolls-Royce and BMW 5 series are all the same, even if it is still the kind of 28-year-old bicycle popular among your male students. Are they all a means of transportation? Don't talk about the BMW 5 Series, even if you are riding a big 28 to pick me up today, I am willing to ride."

As she said, Meiqing said with a smile, "But I guess it's a bit hard for you to ride a bicycle at your age now?"

When Meiqing said this, Jacob felt a lot more comfortable.

He was really afraid that Meiqing was used to being a Rolls-Royce and would feel a little uncomfortable when sitting in his BMW fifth series. If it made her feel uncomfortable, he would have trouble.

However, Paul suddenly said to Meiqing in a low voice at this time: "Mom, maybe you should take this car. The comfort of the BMW 5 Series is very poor, I am afraid you can't adapt."

Meiqing waved her hand, and also whispered: "When you see my old classmates in the future, don't drive this public car. Ask if your company has the most common commercial car, like the Buick gl8 two or three. A hundred thousand cars, I don't want to come back after more than 20 years, to make everyone feel too distant."

Paul reluctantly said: "The company really doesn't have such a cheap car. The most common commercial vehicles are Toyota Elfa with more than one million..."

Meiqing said: "Then just buy a car worth two or three hundred thousand."

Paul had no choice but to nod his head and said, "Well, since you have ordered, then I will arrange it."

After speaking, he stepped to the driver and told him: "Go back and buy a Buick gl8."

The driver was taken aback for a moment and said, "General Manager, our company doesn't have such a low-end car."

Paul said, "It's okay, just go buy one and come back."

"Okay, Sir."

Because Charlie's physical fitness far exceeds that of ordinary people, he couldn't help but admire Meiqing very much when he heard the whispers among them.

This aunt is not only beautiful and extraordinary, but more importantly, her emotional intelligence is too high.

Such a woman, for a middle-aged man, is even more goddess than the goddess of his dreams.

He can even have a foreboding that Jacob, the Old Master, should soon be completely fallen...
