

The Charismatic Charlie Wade Chapter 861 – 865

Chapter 861

Shangri-La's meal was a joy for the guests. Charlie's father-in-law was naturally very happy, and Meiqing was also in a very good mood. Her husband passed away some time ago, and she has been a little sad. At this time, it feels like the rain has passed the day. .

Paul looked very pleased when he saw his mother in such a good mood.

As for Charlie, he just hit the Old Master who felt sorry for him.

Because Meiqing is so good, he can't imagine how many old men in Aurous Hill will pursue her crazy after such a beautiful, temperament, single and golden Lady Willson returns to Aurous Hill. It is estimated that the old man will only be troubled in the future. Increase, not decrease.

The mother and son came to China on the plane for so long, and their bodies were already a little tired, so after dinner, Jacob and Charlie sent them to the room they had opened in Shangri-La without too much interruption.

When he arrived at the guest room department, Jacob was again irritated, because Meiqing and her son both opened super luxurious executive suites.

Shangri-La's luxurious executive suite is second only to the presidential suite. It can accommodate four people and the rent per night is tens of thousands. It can be said to be very luxurious. You can live in this type of room if you can go out, and it's a set per person. The financial capacity of Meiqing's family is very strong.

After bidding farewell, Charlie and Jacob left the hotel together.

As soon as he left the hotel door, Jacob couldn't help but take a deep breath, then he couldn't help but sigh again.

Charlie sighed with emotion when he saw him next to him, and couldn't help asking: "Dad, what are you sighing for?"

Jacob said with a sad face: "I really didn't expect it. I really didn't expect Meiqing to have such a good life in the United States. I didn't expect that their family even had a law firm of their own. Compared with her, I am really useless..."

Charlie smiled slightly and comforted: "Dad, I don't think Aunt has any intention of despising you, and Aunt is really low-key and very humble. She is definitely not that kind of special material woman. Don't worry too much about these material gaps."

Jacob sighed, and said helplessly: "I understand what you are saying, but as a man, I always feel that such a face is particularly shameless."

Charlie said with a smile: "Dad, you think too much. Look at me. When Claire and I got married, I had nothing. I wanted money without money, status without status, ability without ability, status without status. At that time, the gap between me and Claire was much larger than the gap between you and Aunt, but Claire didn't get along well with me?"

Jacob was stunned suddenly, and after thinking about it carefully, it was really true.

He thinks so much now, it doesn't make any sense, because with his current ability and current family background, it is impossible to surpass Meiqing.

Is it because he can't surpass her, he can never be with her?

of course not!

Jacob could see that after so many years, Meiqing still has feelings for him, and she also said when she was at the airport, even if she was riding a 28 bicycle to pick him up, she would not have any opinion.

This is enough to see that Meiqing doesn't care about material things.

Thinking of this, he finally breathed a sigh of relief.

But then, another problem came to his mind.

Chapter 862

He suddenly turned his head and looked at Charlie, and asked worriedly: "Charlie, do you think your mother can come back in this life?"

Charlie couldn't help but asked him awkwardly: "Do you think I should say yes? Or not?"

Jacob was startled slightly, and said in embarrassment, "Hey, in fact, I know that you have very big opinions on your mother just like me in your heart, right?"

Charlie said hurriedly, "Dad, I haven't said this before!"

Jacob hurriedly said: "Let's talk, you don't have to hide with me. After all, Claire is not here, what can we say, can't you?"

Charlie knew what Jacob was thinking.

He must be looking for a comrade in arms now.

Because he didn't want his mother-in-law to come back, but his wife was very eager to find her mother to return home as soon as possible.

Therefore, a psychological confrontation formed between the father and daughter.

The current situation is 1:1, and he acts as a neutral party, so now the Old Master urgently needs to win him over.

After all, there are only three people left in a family. If two people want that woman not to come back, then his psychological appeal will take the lead.

So, he looked at Charlie and further induced: "Charlie, your mother has scolded you every day for the past few years, and even asked Claire to divorce you repeatedly. I see it all! To be honest, Many times, as an Old Master, I feel sad for you. As the saying

goes, a son-in-law is half a son! When did you mother treat you as half a son? You are not as good as an outsider in her heart! “

Charlie looked at Jacob with a sincere face, and said seriously: “Dad, mom will come back or not, it doesn’t depend on whether we two want her back, even if neither of us wants her back, she might be there tonight. Suddenly return home, maybe even when Aunt is cooking, she suddenly rush into the kitchen to fight with Aunt. The legs are on Mom’s body. If we really want to come back, we can’t stop her. Can we?”

In fact, Charlie himself can decide everything about Elaine, but he can only say that to Jacob.

As soon as Charlie said this, Jacob’s face immediately became extremely frightened. He looked at Charlie and asked with a trembling voice: “You said this would not be so coincidental? Ask your Aunt to eat at home tonight, if Your mother suddenly came back at this time, and the house must be fried. According to your mother’s character, she is going to kill people...”

Seeing that Jacob was so frightened and worried, Charlie hurriedly said: “Dad, I don’t think Mom will be back tonight, so please feel free to invite Aunt to home for dinner.”

Jacob was said to be scared by him, and blurted out, “How can you be sure that your mother won’t come back? Like you just said, the legs are on her body. What if she does come back? “

Charlie, in his panic now, smiled calmly and said: “Don’t worry, Dad, I promise you that Mom will not come back tonight. If she comes back tonight, I will turn her head off and kick her for you.”

Jacob hurriedly said: “Oh, I don’t want her head. I want your Aunt to be able to eat a meal in our house with peace of mind.”

After that, Jacob said again: “I thought of a good way, good son-in-law, you must help me!”

Charlie smiled and asked, “Dad, tell me, what is the good way? What do you want me to do?”

Jacob hurriedly said: “After your Aunt arrives in the afternoon, I will lock the door of the villa from the inside. In the meantime, if your mother comes back, you will go out and help me with it. You are strong, even if you carry her, You have to carry her away. If you can’t carry her, you will knock her out! In any case, you must never let her come in and meet your Aunt!”

Chapter 863

Charlie had never thought that his old man would be such a devil before.

But he can also understand the feelings of the Old Master.

After all, his first girlfriend that he haven’t seen for more than 20 years, and she is still so perfect now. If she were his own, she would not dare to make any mistakes in this matter.

Moreover, Elaine’s character is indeed a super time bomb. Once such a person initiates a fire, it is possible that the power of nuclear weapons will really burst out.

So there is nothing wrong with him being so cautious.

But he didn’t know that Elaine was currently in the detention center, suffering from inhuman torture. If she didn’t nod her head, she would never come out.

Jacob and son-in-law drove home, and Claire had just returned.

Upon seeing her, Charlie hurriedly asked: “My wife, have you gone to the police station? What did the police say, is there any news about mom?”

Claire’s face was a little pale and said: “The police told me that they have issued a notice of assistance in the whole city, and even communicated with the person in charge of the Blue Sky Rescue Team, but the current feedback is that no one has seen her. I couldn’t find any clues about her whereabouts.”

Elaine was taken away by the police directly when she was withdrawing money from the bank. Issac had already said hello, so it was definitely impossible for them to reveal any clues.

And when Elaine was at the bank, she was always in the VIP reception room, so in the process, she didn't contact any outsiders at all. Issac at the bank also said hello, so the outside world could not have any clues. Blue sky It is impossible for the rescue team to find her.

He comforted Claire and said, "My wife, don't worry. Mom hasn't been missing for more than 24 hours. We can wait a little longer."

Jacob on the side also hurriedly agreed: "Yes, Claire, your mother only went out yesterday afternoon, and now it's barely a day and a night, so I don't think you need to worry too much."

Claire shook her head and resolutely said: "No, I must go and look for her again, otherwise I will always feel uneasy."

After speaking, she looked at Charlie and blurted out: "Charlie, you will help me look around in the afternoon and inquire everywhere, especially in places like the chess room of Mahjong Hall. My mother likes to go to that kind of place."

Charlie immediately agreed and said, "Then I will look for her!"

Claire hurriedly ordered: "You must never deal with errands like yesterday, and then come back to deceive me!"

Charlie promised again and again, "My wife, don't worry, I will definitely not. Today I will be careful and look for Mom in all the mahjong halls and chess rooms in Aurous Hill!"

Claire immediately said, "Then in every one of them must take a picture for me when you look around!"

Claire felt a little depressed when she thought of last night when he said he was going to find her mother, but in the end he went to eat and drink with his dad.

Although she knew that all of this should be Dad's idea, she was still a little disappointed in her heart.

Chapter 864

Charlie hurriedly asked her: "Wife, where are you going to find this afternoon?"

Claire said: "I am going to meet my mother's friends, as well as the beauty salon where they often go, and the club where they often go to spa."

Jacob hurriedly said at this time: "Claire, Dad will not go out to see your mother in the afternoon, because Dad invited Dad's old classmates to eat at home, and my old classmate wants to show her hand to our family, so I will go in the afternoon. Buy some ingredients, and then tidy up the house and prepare."

Claire asked in astonishment: "Dad, haven't you and your old classmates already had dinner at noon? Why do you have to make another appointment at night?"

Jacob explained: "Eating at noon is at noon, and noon has already passed. People have returned home from a long distance, so we should always invite others to sit at home and have a home-cooked meal. This is to entertain friends. The serious way!"

Claire said angrily: "Dad, even if you want to entertain classmates, you have to divide the time. Now that mom is missing, why are you still in the mood to invite your old classmates to eat at home? You can't wait for mom to come home. Will you treat them afterwards? After all, my mother is also your old classmate. Wouldn't it be better for you three old classmates to meet?"

"What a sh!t." Jacob muttered in his heart: It is because your mother is missing that I feel in the mood, and I have the courage to invite my old classmates to eat at home, otherwise I would be killed, I would not have the guts.

However, he must not say this in front of his daughter, so he hurriedly waved his hand and said, "Oh, you don't understand. She has been to the United States for more than 20 years. She has finally returned. I will definitely do my best as a landlord. One thing must be done on the day when someone comes back to have a sense of ritual! How can someone wait for someone to come back for a few days before picking up others? What is it? Others will think that your dad can't handle things. ."

Then, Jacob said again: "And they did not come back alone. She also brought her son with her. The son is about the same age as you and Charlie, and he is still a well-known American barrister who runs a Well-known law firms, you young people know each other, and there may be great benefits in the future. How rare is this opportunity!"

Claire said angrily: "I don't think there is anything rare. I don't want to know your classmate and your classmate's son. I just want to find my mother as soon as possible and bring her home."

Jacob couldn't help but scolded, "Why are your kid so ignorant? It's just a dinner, can't you not find her later? Don't you eat dinner anymore? I think you are clearly trying to fight against your dad! "

"I don't!" Claire said anxiously: "I just don't feel in the mood to meet strangers at this time, and I am not in the mood to meet strangers."

Jacob said angrily: "That's Dad's old classmate, even if you look at your dad's face, you can't say such things!"

In fact, there was something in Jacob's subconscious that he didn't say, and he didn't dare to say it.

The sentence is: If your mother doesn't come back in this life, my old classmate is probably your stepmother! Her son may be your brother in the future! It's always good to meet in advance!

Charlie also persuaded at this time: "Yes, my wife, Aunt is Dad's old classmate after all. Dad should try his best to be a landlord. As children, we must also cooperate with each other."

After all, he hurriedly said: "Well, let's go find mom in the afternoon. Anyway, I don't need to cook tonight. Aunt is here to cook. Then let Dad go shopping in the afternoon, and then Aunt will Come to cook at home, we will come back to eat directly after we finish looking for mom, we can go out to look for after dinner, then it won't take up our time to find mom too much, don't you think?"

Claire also felt that her speech was a bit heavy just now, and was worried about how to end the scene. Seeing that Charlie was coming to fight the fire at this time, she followed his words, nodded and said, "That's it, just as you say."

Jacob let out a sigh of relief, and couldn't help but give Charlie a grateful look...

Chapter 865

At this moment, in Aurous Hill Detention Center.

Elaine watched everyone finish their lunch, and watched Gena Jones finish her lunch, almost collapsed in sadness.

She hasn't eaten anything for more than 24 hours, and after a few more beatings, she was forced to sleep all night in a cold and humid toilet. Now she is dizzy with hunger, and she is on the verge of fainting.

But she dared not express any dissatisfaction, because Gena Jones might come up to beat her again at any time.

Old Mrs. Willson had a small appetite, and after she was full, half of the rice was left in the lunch box.

She deliberately carried the lunch box, paced to Elaine, handed the lunch box to Elaine, and asked with a smile: "You haven't eaten anything for one night a day. It's uncomfortable to go hungry? Would you like to have two bites?"

Elaine looked at the Lady Willson incredulously, and asked cautiously: "Mom, do you really let me eat it?"

The Old Mrs. Willson nodded and said, "Seeing that you have been hungry for so long, I still feel uncomfortable. As long as you don't think I am dirty, just eat my leftovers."

The food at noon in the detention center was not good, just a stew and a rice, and there was nothing fishy in the stew.

But even so, Elaine was still drooling when she smelled the scent of the food.

She still cares about whether the Lady Willson is dirty or not. As long as she eats a bite, she can accept it as long as she doesn't let herself lick from the ground.

So she hurriedly said gratefully: "Thank you mom, thank you!"

After speaking, she had to reach out to pick up the Lady Willson's lunch box.

Just when her hand touched the lunch box, the Lady Willson directly dumped all the leftovers and rice soup on her head.

Afterwards, the Old Mrs. Willson looked at her and sneered: "You don't think I am dirty, I think you are dirty, you are a shameless b@stard woman who deserves to eat my leftovers. Pooh. If I throw it away or feed the dog, it won't be for you!"

Only then did Elaine realize that she was being tricked by the Lady Willson. She didn't care about wiping off the food on her head. She broke down and cried: "When will you stop to torture me? I've been so miserable, why are you still? Can't you let me go? Even though we two have not dealt with each other for so many years, have I hit you? Have I touched you? But what did you do to me? You want to kill me!"

Mrs. Willson coldly snorted, and said disdainfully: "Do you have to beat me before I can beat you? If you are in awe of me and are honest and polite, invite me into Tomson's villa, would I still do this to you?"

Elaine cried and said, "I know I was wrong. I really know I was wrong. If I have a chance to go out, I will use the eight-lift sedan chair to carry you back to the villa of Tomson, and I will give the best Room for you to live in."

After speaking, Elaine said again: "Didn't I have written you a letter? You just have to wait until your 15-day detention period expires and take that letter to find Claire, she will definitely be in the first-grade Tomson arranged a room for you in my villa! You can enjoy the good fortune in Tomson, why are you still having trouble with me now?"

Old Mrs. Willson gritted her teeth, directly used the aluminum lunch box, slammed it on top of her head, and said sharply: "Why am I having trouble with you? I tell you, I can't wait to kill you! Don't say beat you. Pause, even if I kill you and take your skin off, I won't get rid of my hatred! I have come here in my life, when have I suffered such humiliation? All this is thanks to you, you think I will forgive you?"
