

The Charismatic Charlie Wade Chapter 951 – 955

Chapter 951

Chapter 951

When the three of them came out of the orphanage, just about to go to the restaurant, a pleasantly surprised voice suddenly sounded in their ears: “Charlie, Xiaofen!”

When the two turned around to look, they saw several figures walking towards them.

These people are all the little friends who grew up with him in the orphanage.

However, for Charlie, there are many people in it, and they have basically never seen him since he left the orphanage.

The only one who still had contact after leaving the orphanage was his little friend, Zhao Hao.

In the early years, when Charlie was living in the orphanage, due to the accidental death of his parents, his personality became reticent, even a little withdrawn, and he might not speak a word to others for days.

Because of his incompatibility, he is often isolated by other children.

Charlie remembered that whenever he was isolated, Zhao Hao, who was a little older than him, would always be the first to stand up and play with him.

So over the years, the relationship between the two has been very deep.

Zhao Hao and Charlie are the same age, but Zhao Hao is a few months older than him.

The two people came out of the orphanage, and then they both chose to go to the construction site to work together, suffer together, becoming standard hard brothers.

However, the difference between Zhao Hao and Charlie is that Charlie made money, and all of it was secretly given to the orphanage, while Zhao Hao saved some money himself, then left the construction site and went to Haicheng to do a little business. .

For Charlie, Zhao Hao's approach is understandable.

After all, everyone is an orphan, and most of them are helpless when they come out of the orphanage.

Everyone wants to make some money to lay a foundation for themselves, because orphans are not like others. Others have parents, relatives, and a house that can shelter from wind and rain. Orphans have nothing.

If you run out of money today, you won't be able to eat today, and you can only sleep on the street at night.

The reason why Charlie didn't think about him after leaving the orphanage was mainly because of his father's teachings to him that year, which made him feel that he could live to be 18 years old. It was already the orphanage and Aunt Lena's kindness to him, of course. Find a way to repay.

Moreover, this has a lot to do with Charlie's childhood education.

In his childhood, Charlie was the young master of the Wade family from childhood. He received the education of Confucianism and classic Chinese studies. Therefore, in his bones, there is a kind of dedication spirit of ancient Confucianism and compassion.

This is what makes him different from everyone in the orphanage.

At this moment, Zhao Hao stepped forward with excitement, and said excitedly: "Charlie, my good brother, we haven't seen in a long time!"

Back then, he and Charlie slept in the shed on the construction site together, carried cement together and moved bricks together. The two supported each other and walked all the way for several years.

Later, Zhao Hao saved tens of thousands, and met a girl he liked on the construction site, and followed that girl to Haicheng.

After a few years of absence, Charlie couldn't help feeling a little excited, saying, "Zhao Hao, we haven't seen each other for three or four years? How have you been in Haicheng over the past few years?"

When Zhao Hao heard Charlie's question at this time, he laughed and said, "I am okay, I am okay! Let's say, have enough food and clothing!"

Charlie asked again: "Where is the girl you met on the construction site? Are you two married?"

"Hey." A trace of sadness flashed between Zhao Hao's eyebrows, but he smiled indifferently: "Get married. It's been a relationship for two or three years, but this is not about marriage, I can't afford it. What kind of gift, I can't afford to buy a house. The woman's parents look down on me, and they often blow the wind around her ears, and she won't look down on me when she listens to them, and then she broke off with me."

Charlie frowned and asked, "When is this?"

Zhao Hao smiled slightly and said, "Just last month."

Charlie nodded and said, "It is her loss for not choosing you."

Chapter 952

After finishing speaking, he said: "By the way, I haven't asked you yet, aren't you in Haicheng? Why did you come to Aurous Hill so quickly?"

Zhao Hao smiled and said: "It's very coincidental that the unit arranged for me to come over for a business trip. I just arrived in the afternoon. I just got off the bus and saw that you were chatting in the group, and then I hurried over."

Charlie asked curiously: "Aren't you doing business by yourself? Why did you work again?"

Zhao Hao smiled bitterly, and said, "Business has been dry, how can the business be so good now, especially in the past two years, the economic situation is not good, and it is not easy to do anything."

After speaking, he looked at Claire and smiled: "Charlie, is this your...?"

Charlie nodded and said, "This is my wife, Claire."

After speaking, he introduced Claire again: "Claire, this is Zhao Hao, my best friend in the orphanage."

Zhao Hao smiled and said, "Charlie, you are really blessed, your wife is so beautiful."

Claire smiled and said, "Thank you."

Zhao Hao nodded, and then pretended to complain to Charlie: "Charlie, you are not kind! You haven't taken the initiative to contact us for several years. After Aunt Lena suffered from uremia, I heard Aunt Lena say, You often visit her, but you avoid our brothers and sisters every time, why?"

Charlie smiled and said seriously: "The past few years have not been very good, I didn't want everyone to see it."

Charlie also has self-esteem. Since marrying Claire, he has often been ridiculed by people, saying that he is a Rubbish, a rag, and a live-in son-in-law. Although he is not surprised how people think of him, he does not want to let him be with him since childhood. These little friends who grew up together know their dilemma.

Zhao Hao said seriously: "My dear brother, we lived in a shack on a construction site for a long time. A steamed bun can be broken in half and a person can break in half. Why are you embarrassed in front of me? Brother, I've been unhappy in the past few years. Look at me, don't I still laugh every day."

Charlie nodded slightly.

At this time, Xiaofen also looked at Zhao Hao with a smile, and said, "Brother Zhao Hao, why don't you say hello to me?"

Zhao Hao saw Xiaofen and observed at her for a long time before he was surprised and said, "You...you are Xiaofen?!"

Like Charlie, Zhao Hao has never returned after leaving the orphanage when he was eighteen.

At that time, Xiaofen was only thirteen or fourteen years old, and she was still a yellow-haired girl, but now Xiaofen has become a decent beauty, and the gap is still very obvious.

Xiaofen smiled and said, "It's me, why are you so surprised!"

Zhao Hao laughed and said: "It's really a big eighteen woman. At that time, you were yellow and thin, and short. You looked like a tomboy every day. I didn't expect you to become so beautiful now!"

Xiaofen replied shyly: "Brother Zhao Hao, don't praise me. I have a sister-in-law here, I can't be considered pretty."

As she said, she couldn't help but look at Claire, and the envy on her face was even more expressive.

Zhao Hao smiled and said: "Don't be so arrogant, you are also a beautiful woman out of a million."

Xiaofen was embarrassed not knowing how to speak, and suddenly received a call.

She picked up the phone and listened, her face immediately became anxious, and she said to everyone: "The owner of the restaurant called and said that the hotel's wiring was aging, and the power was skipped. It can't be repaired today, and it has to wait for tomorrow, so it can't be opened."

"Huh?" Zhao Hao blurted out: "Then we have to find another place!"

Xiaofen said anxiously: "Now it's time for dinner, I'm afraid it will be difficult to find a box temporarily..."

As soon as Charlie heard this, he was about to call Mr. Orvel to ask if there were any boxes in Classic Mansion.

At this time, a black Mercedes-Benz car stopped beside everyone...

Chapter 953

The window of the Mercedes-Benz car was lowered, and Charlie glanced at it and recognized the man driving.

This person is Jiang Ming who took the initiative to organize a gathering in the group today.

However, Charlie didn't have much friendship with him.

Jiang Ming was dressed in a suit and leather shoes with a slightly fat figure. When he saw the crowd, he stopped the car, poked his head out of the car, and said, "Oh, I'm so sorry, everyone has been waiting for a long time."

With that said, with a arrogant and complacent look between his eyebrows, he deliberately explained: "Hey, there is a traffic jam on the road. It was delayed for a while, and I am late."

Someone exclaimed and said, "Jiang Ming, you all drive Mercedes-Benz? When did you buy it?"

Jiang Ming laughed and said, "I just bought it two days ago."

Charlie suddenly realized it, no wonder this guy was so active in organizing parties, it turned out to be showing off his childhood friends who just mentioned a new car and wanted to find him!

At this time, someone asked: "Jiang Ming, what model is this car? A lot of money, right?"

Jiang Ming smiled triumphantly, and pretended to be modest, and said: "Oh, it's just a Mercedes-Benz e300l. It's not a good car, it's just over 500,000."

“Oh!!”

Everyone exclaimed.

Someone said: “Oh, Jiang Ming, you are too good. You have only been out of society for a few years, so you can afford such an expensive car!”

“Yeah, we are still taking the bus, and you are already on the big run. It’s really more than human to throw away!”

“That’s more people to die than people to shop around!”

“Oh, one meaning.”

To be honest, the children who come out of the orphanage are basically helpless people.

Their starting point is much lower than most people, if others start from 0, then they start from negative.

Up to now, most of the children who came out of the orphanage in the same period of the year are still struggling with food and clothing. They will not have any good jobs, let alone good opportunities, so everyone basically All are pretty poor.

Except for Charlie and Jiang Ming, none of the other orphanage friends can afford a car.

So when everyone saw Jiang Ming buying a Mercedes-Benz, they were very envious and admired.

Jiang Ming smiled triumphantly, waved his hand and said, “It’s okay, it’s all small money to me, it’s not worth mentioning!”

As he said, he suddenly saw Charlie standing in the crowd, his face changed slightly.

Unexpectedly, Charlie’s rival was actually one step ahead of him.

When he was in the orphanage, he looked down on people like Charlie, and wanted to teach Charlie many times, but because he couldn't beat him, he was finally repaired by Charlie.

With the increase in frequency, Charlie has become his psychological shadow, and he still can't let go of it.

He once thought that even if Charlie was able to fight when he was in the orphanage, as long as he entered society, people like Charlie would definitely get mixed up very miserably.

After he glanced at Charlie's clothes, he couldn't help but sneered in his heart. He was dressed in miscellaneous goods, and he didn't know anything about it.

However, when he saw Claire, his eyes lit up, and he was suddenly shocked!

He has never seen such a beautiful woman in real life.

Chapter 954

This made him wonder, could this beauty be a small partner in the orphanage?

But no matter how he thought, he couldn't think of any memory fragments related to this beauty.

Thinking of this, Jiang Ming still had a smile on his face, first with a bit of arrogance, and said hello to Charlie: "Yeah, isn't this Charlie? Long time no see!"

Charlie smiled and said, "Big bullsh*t pocket?"

Big bullsh*t pocket is Jiang Ming's nickname in the orphanage at the time, because this kid is fat and can eat, so he likes to amplify bad f@rts.

The key is that this kid f@rts. He never pays attention to the occasion. It is used when playing games in class, when eating, and when sleeping.

At that time, the little friends were troubled by his bullsh*t, and he was miserable, so he left with nickname, called Big bu.tt bull.

Jiang Ming didn't expect Charlie to mention his previous nickname as soon as he came up, and suddenly his face felt a little uncontrollable.

Before he could say anything, a young man behind him said displeasedly: "Hey, Charlie, how do you talk? How dare you called Mr. Jiang Ming's nickname? Mr. Jiang Ming is now an executive of a listed group. , You have to be respectful when you speak!"

Charlie glanced at the person who spoke, and vaguely remembered that the other person was Ronnel, who was one of Jiang Ming's dog legs back then. He didn't expect that after so many years, he would still follow Jiang Ming's a**.

So, he frowned slightly, and said faintly: "I'm sorry, I have called him a big a** since he was a child, and he has become used to it."

Jiang Ming glanced at Claire, and found that Claire looked a little bit uncontrollable about his nickname. He was immediately a little angry, and counterattacked: "Charlie, look at you like this. It's not bad to be a guy. What car did you drive over? "

Ronnel immediately took the conversation, laughed, and said, "Oh, Mr. Jiang Ming, what you said is a bit too much. I heard that Charlie went to be a live-in son-in-law, and he was supported by his wife. It would be nice to have a hot meal. , You also asked what car they drove over. Didn't you slap them on purpose..."

"Oh, slip of the tongue!" Jiang Ming slapped his head and deliberately said, "I'm sorry Charlie, I'm a bit straight, I hope you don't mind."

That's what he said, but he was already laughing in his heart, Charlie, Charlie, let me see how you step down!

Charlie smiled and said, "Big bullsht *pocket*, *I always thought that you love to bullsht* because your intestines are straight. I didn't expect you to speak straight. You use the trachea to speak, just like your intestines. The pipes are all straight!"

When everyone heard his ridicule, they laughed suddenly.

Jiang Ming's face became very ugly by the way.

He really didn't expect that when he said something straight, Charlie caught the handle, it was a sarcasm.

Jiang Ming's face suddenly became difficult to look.

He couldn't care about being angry now, mainly because he was afraid that Claire would have a bad impression of himself because of Charlie's words.

So, he hurriedly looked at Claire and asked with a smile: "Oh, this beauty looks a little strange. Maybe it's because I haven't returned to the orphanage for so many years. Why can't I recognize you? Can't tell me, what's your name?"

Xiaofen on the side said dissatisfied: "Hey, Jiang Ming, do you have any insight? Do you know who this is? This is my sister-in-law, my brother Charlie's wife!"

"what?!"

Jiang Ming was struck by lightning and killed him. He couldn't believe that this super beautiful woman who made her look at him was actually Charlie wasteful's wife!

He couldn't help but look at Charlie, and found that Charlie's clothes all over his body were not as expensive as his own coat. This Armani coat of his own, let alone buy him, and spare half!

Looking at the beautiful and moving Claire standing tall and tall next to Charlie, he couldn't help but feel extremely annoyed.

Oh sh!t!

Claire is such a beautiful woman, with an exquisite figure, she is simply the best among the best, and she is a hundred times, a thousand times or even ten thousand times stronger than the women he has ever seen.

As a result, she turned out to be Charlie's wife, God is so f*cking blind!

Chapter 955

When he thought that Charlie could find such a beautiful wife, Jiang Ming felt even more unbalanced. With a smirk on his face, he sarcastically said to Charlie: “Charlie, I don’t think we two have seen each other in a few years. You have changed quite a bit. Yes, it looks like oily noodles. It’s really a standard little white face, natural for soft rice!”

As he said, he looked at Charlie up and down, and pretended to be ashamed and said: “If I knew it was so easy to be a live-in son-in-law. Then why have I worked so hard in the past few years? Look at me. After being broken, I earned the position of director. Compared with you, the soft rice king who can only eat and wait to die, I am really ashamed!”

The reason why Jiang Ming was so cynic on purpose was that he wanted to show off his identity and status in front of Charlie and others, so as to attack Charlie.

After saying this, he couldn’t help looking at the young and charming Xiaofen.

Now that such a super beauty like Claire is out of play, Xiaofen, a tender little sister who can pinch the water, can still develop well!

“When was in the orphanage before, why didn’t I realize that this little girl, Xiaofen, was so beautiful.

If I had known it earlier, I should have dealt with her in the orphanage back then.”

At this moment, the few people behind him laughed at Charlie when he heard him ridicule Charlie.

But Charlie still stood calmly in place, without any angry expression on his face.

Claire was a little angry, and said coldly: “This gentleman, my husband didn’t recruit or provoke you. Why do you speak rudely and ridicule him? Besides, what does it have to do with you whether my husband eats leftovers? Did he eat a grain of your rice?”

Jiang Ming didn’t expect Charlie’s wife to be so towards him!

He suddenly felt that God was unfair!

Why is there no such a wife when he is so good and so hard?

Is it true to the old saying that a good man has no good wife? Good wife but no good guy? !

So he got even worse in his heart, sneered and said: “Beauty, I am not ridiculing your husband, I am telling the truth, a beautiful woman like you, marrying this kind of rag, it is really a flower on the cow dung!”

Claire said coldly: “You are an outsider in the matter between me and my husband, and you don’t have any qualifications to judge! It’s enough to manage your own affairs!”

Jiang Ming was choked and speechless, and Claire was so beautiful. The key is that she still loves her husband so much, and is so envious of her husband!

At this time, Xiaofen couldn’t help but scolded angrily: “Hey! Jiang Ming! What do you mean by this person? Did my brother Charlie recruit you? You are here to be sarcastic to him! I see you as a human being. Too much time! Nothing has changed from before!”

When Jiang Ming heard this, his heart suddenly became annoyed.

Why is this Xiaofen facing Charlie like this? What is so good about this hanging wire? Why are all the beautiful women facing him?

Claire, as his wife, is fine with him. This Xiaofen didn’t have a relationship with him for no reason, so why is she doing this?

Moreover, the more Jiang Ming looked at Xiaofen, the more he felt that this girl was really the best!

At the age of early twenties, the figure is already so tall, and this is what should be convex and curled, feel impeccable no matter how you look at it!

Moreover, the appearance of pouting in anger is even more confusing, and he can’t wait to kiss them in his arms immediately!

It would be really cool if he could get started with such a young girl!
