

The Charismatic Charlie Wade Chapter 1336 – 1340

Chapter 1336

As he said, Jiro sighed again with a deep annoyance, and said regretfully: “I just arrived in Aurous Hill this morning. After completing the immigration procedures, I came here directly. I didn’t have time to go to the gym to watch Miss Ito’s game today. I heard Miss Ito defeated her opponent in just one round, and it’s a shame that I couldn’t see her below!”

Nanako said, “Mr. Kobayashi is too kind.”

“From now on, in every game of Miss Ito, I will definitely be there to cheer you up!”

“Actually, the next Kobayashi Pharmaceutical sponsored the finals of this competition. By then, I will personally present the trophy to the champion of the competition. I can’t wait. Looking forward to the day of the final, I will give the trophy to Miss Ito!”

Nanako said humbly: “Mr. Kobayashi, before the game is over, no one knows who will win the championship. Although I have the confidence to win, I dare not say that I will win the championship.”

Jiro quickly said, “I believe Miss Ito must be fine!”

Nanako smiled, remembering his father’s order, and said: “Mr. Kobayashi, it’s noon now. Why don’t you stay and have lunch together.”

As soon as Jiro heard this, his whole heart was trembling with excitement, and he said excitedly: “It is a great honor to have lunch with Miss Ito!”

Nanako said to Koichi Tanaka: “Tanaka, please follow us to the restaurant in this suite, and serve lunch for me and Mr. Kobayashi by the way.”

In fact, although Nanako is the eldest lady of a top big family in Japan, she has always been independent, and rarely needs a lot of people to wait for her like other rich second generations.

Therefore, she would never allow Tanaka to serve by her side at ordinary times, but today she really does not want to be alone with Jiro, so she is prepared to keep Tanaka by her side, which is also a buffer.

When Hiroshi Tanaka heard the order from the eldest lady, he naturally nodded without hesitation. Jiro thought that Nanako was used to being served during meals, so he didn't take it to heart. After all, even if he went out to eat in a restaurant, it was there are waiters around to serve.

When they came to the restaurant, Nanako sat across from Jiro.

Because of the large area of the presidential suite, the restaurant is also very spacious and luxurious. One of the rectangular western dining tables can accommodate at least 12 people for dining together.

So the two sat opposite at the western table, and the distance was guaranteed to a certain extent, which made Nanako feel a little more at ease.

After sitting down, Jiro took the initiative to find a topic to chat with Nanako, and said: "Miss Ito has been here for a long time, right?"

Nanako nodded and said, "It's been twenty days since I came."

Jiro asked again: "Then I wonder if you have had a good time in Aurous Hill? This city is still very beautiful."

Nanako asked faintly, "Mr. Kobayashi has been to Aurous Hill before?"

"Oh, the first time." Jiro sighed and said, "Actually, Aurous Hill is not an interesting place for me, it has worst memories in fact. If it weren't for Miss Ito, you are here to participate in the competition. No matter how beautiful the city is, I will definitely won't come."

Nanako asked in surprise, "Mr. Kobayashi, what do you say that for?"

Jiro pretended to be sad and said: “There is a big rebellious elder brother, who is so obsessed with his heart and poisoned our common father with poison...”

“Our Kobayashi family issued a killing order in order to clear the door. My brother was killed by a bounty hunter in Aurous Hill some time ago. I don’t even know where his body is buried now...”

Chapter 1337

Nanako didn’t expect that Jiro’s elder brother died in Aurous Hill. She said with some embarrassment: “I’m sorry, Mr. Kobayashi, accidentally provoked your sadness.”

Jiro quickly waved his hand and said seriously: “It doesn’t matter, although this matter is sad, but Ms. Ito is not an outsider after all, I can also relieve my sadness by listening to you...”

Thinking of his elder brother Ichiro, Jiro didn’t feel sad at all. On the contrary, he was very happy.

The idea of Japanese eldest son inheriting family business is deeply ingrained.

Regardless of the big family, the eldest son will eventually inherit the family business. Even if the eldest son’s ability is not as good as the second or other sons, he will still be the head of the family, and then let other capable younger brothers assist him.

Originally, after the death of his father, Jiro’s fate was to assist his brother, Ichiro, to carry forward Kobayashi Pharmaceutical and the Kobayashi family.

Even if his ability is stronger than his brother, even if his credit is greater than his brother, he must follow the Japanese rules of growing up.

If he dares to snatch the inheritance of the family from his elder brother, then it will become a rebellious existence in the eyes of the entire Japanese society.

Unexpectedly, one of his elder brother Ichiro’s sorrow operations actually gave himself the position of heir to the family.

More perfect, the magical medicine he sent back killed the two common fathers. Not only did it directly solve the father of the two people at the time, but also caused him to bear the crime of paternicide, and finally returned it. Gave himself a reason to kill him.

Speaking of it, this is simply a gift of thousands of miles, and it also gave the whole family to himself.

The cost of killing this big brother was too high.

The b@stard surnamed Wade asked him for 10 billion as soon as he spoke.

And these 10 billion are not Japanese Yen, but RMB!

This money really hurt him for a while.

But fortunately, he does have extraordinary abilities. Some time ago, he led the development of Kobayashi Weisan from ancient Chinese prescriptions, and now it has become the best stomach medicine in Japan.

The global marketing of this stomach medicine is just around the corner. At that time, let alone RMB 10 billion, even RMB 10 billion or RMB 100 billion is nothing in his eyes.

Moreover, if he can marry Nanako and become the son-in-law of the Ito family, then Kobayashi Pharmaceuticals will be able to get greater assistance and achieve faster development.

It won't take long for Kobayashi Pharmaceutical to surpass JNJ in the United States and become the largest pharmaceutical group in the world!

On that day, he will be able to stand on top of the world.

Thinking of this, he looked at Nanako eagerly, and asked with a smile: "Miss Ito will soon graduate this year, right?"

"Yes." Nanako nodded and said, "Graduated in the summer."

Jiro smiled and said, "Oh, the senior year is really like a flower. Many girls choose to get married after graduating from college. I wonder if Miss Ito has any ideas in this regard?"

Nanako shook her head: “My mind is on martial arts, and I haven’t thought of falling in love in a short time.”

Jiro was not discouraged, and asked, “Then what kind of men does Miss Ito like more?”

Nanako said: “I haven’t considered this issue because I haven’t liked any man.”

Chapter 1338

Jiro did not give up, and continued to ask: “Then think about it now, what kind of man can meet your criteria for mate selection?”

Nanako thought about it, and then said: “First of all, he must be stronger than me!”

“Better than you? In what way? In career? In education? Or achievement?”

Nanako said very seriously: “It is the strength of martial arts! I don’t want to find a man who can’t beat me in the future.”

Jiro coughed awkwardly, and thought to himself: “This Nanako

It doesn’t seem to be quiet, but he didn’t expect to be so competitive in his bones.

She likes martial arts and pursues martial arts. Why do you want to find a man who is stronger than yourself when you fall in love?

That is to say, a person who has no power to bind a chicken, doesn’t it mean that he has already lost some opportunities when he comes up?

Thinking of this, Jiro said hurriedly: “Miss Ito, is your condition not a bit harsh? There are so many good men in the world, but they may not all practice martial arts, and many martial arts masters are very old. Just like your coach Mr. Yamamoto Kazuki, Ms. Ito would not want to find such a boyfriend, right?”

Nanako shook her head and said: “Of course not. The strength is stronger than me. It is only the first requirement. I also have the second requirement. He must conform to my

aesthetics and values. In addition, his age must not be older. Over three years old, not more than that old, and he must be upright and kind.”

Jiro asked again: “What about the assets? What are the requirements?”

Nanako said: “There are no requirements for assets.”

Jiro felt a little depressed.

My biggest advantage is my assets. I am the chairman of a family business at a young age. This is rare in Japan. After all, the older generation of entrepreneurs who are normally as old as my father have not retired, and their children are also Haven't even begun to inherit the family business.

However, he did not expect that Nanako would not care about the other party's assets at all.

Could it be that even a pauper, as long as he meets other conditions, she is willing to follow?

Depressed, Jiro couldn't help saying: “Miss Ito, President Ito should have certain requirements for your future spouse selection? After all, you are the eldest lady of the Ito family. At this point, you should also consider the opinion of Chairman Ito.”

Nanako shook his head: “Everything else can be considered father's opinion, but I will not consider the matter of choosing a spouse. This is not only about a person's freedom, but also about the happiness of a person's life. Don't point fingers.”

Jiro frowned involuntarily.

It seems that this super-rich second-generation beauty and super rich in front of her is very difficult to chew!

Just when Jiro didn't know how to cut in, how to pursue Nanako, Charlie had already galloped back and forth on the lake with Aoxue.

Aoxue had enough fun, and the chef of the Qin family had prepared a sumptuous meal and banquet, so she drove the boat back to the dock.

Later, she returned to the villa with Charlie, and Qin Gang warmly invited Charlie to sit in the luxurious Chinese restaurant in his villa.

When Qin Gang arranged the seats, he specifically asked Aoxue to sit next to Charlie. At the same time, he opened a bottle of top-quality Moutai that had been kept for many years and handed it to Aoxue. Don't let Master's cup empty."

Aoxue took the wine bottle and said softly: "I know Dad, don't worry."

Qin Gang smiled again and said, "By the way, Aoxue, the first time Master comes back to our house for dinner, you also accompany Master for a drink."

Chapter 1339

Aoxue smiled shyly, and said obediently: "I know Dad, then I will drink a little with Master."

Charlie smiled slightly and said, "Aoxue, after eating, I will help you absorb the power of the magic drug, so you are not suitable for drinking. If you really want to drink with me, just wait for you to win the championship."

Aoxue bit her lower lip lightly, and said unconfidently, "Master, to be honest, if I were to fight Nanako, I wouldn't even be 20% sure... This Nanako really is very powerful, there is no rival among people of the same age."

Charlie smiled and asked, "Is Nanako really so amazing?"

Aoxue said: "Nanako started martial arts when she was 5 years old, and she has been learning from Japan's top masters. What's more, she practiced a variety of martial arts since childhood, including Sanda, fighting, karate, and even Jeet Kune. A talented player."

"And I, I only started practicing Sanda fighting when I was ten years old. I have five years less skill than Nanako. The gap is too big. Even if your magical medicine can improve my physical function, I may not be able to beat her, because Sanda Fighting games are not only about physical strength, agility and speed, but also experience and tactics. Experience and tactics are accumulated over time and little by little. It is also the biggest gap between me and Nanako."

Speaking of this, Aoxue continued with a little sullenly: "It's like your men's favorite football, whether it is Messi or Ronaldo, what they are really good at is their skills and consciousness, and experience, not their bodies. How strong they are, or how strong their stamina is. Messi is so short and there are too many football players who are stronger than him, but there are basically no active football players with experience and skills comparable to him. , This is the key point."

Charlie nodded and said, "You are right. Experience and tactics do require years of actual combat. However, don't worry too much about this. I will definitely help you analyze the strengths and weaknesses of your opponents carefully. Help you develop tactics."

Aoxue nodded excitedly: "Great Master! Then I will rely on you!"

After eating, Aoxue took Charlie to her special practice room.

Aoxue's exercise room is much larger than the living room of an average person's home. It has all kinds of training equipment and a standard arena.

Aoxue invited Charlie to do it in the rest area of the practice room, and then said to him shyly: "Master you sit first, and I will change into training clothes."

Charlie: "Okay."

Seeing Charlie nodded, Aoxue turned and went to the next room first.

A few minutes later, she walked out wearing brave sportswear.

Said it is sportswear, it is actually a sports underwear.

Sports underwear can cover very little skin, nothing more than the key part.

So Aoxue's pink neck, slender arms and long legs, and flat belly with two vest lines were all fully exposed to the air.

Unlike when he saw Aoxue on the field today, Charlie saw her now in a closed and private environment. In this environment, there was no other person besides the two of them, so this made him feel a little bit unnatural.

Aoxue also kept answering in shame, always feeling that in private, she dressed like this for Charlie to look at, feeling a little shy and unbearable in her heart.

However, she didn't panic at all, because she was very confident in her figure, and deep in her heart hoped Charlie can see more of her shining light.

Charlie tried his best to look at Aoxue's eyes without any impurities, and said seriously: "Aoxue, where is the medicine I gave you before?"

Aoxue immediately opened her palms and exposed a pill in a transparent plastic shell, and said, "Master, the magic medicine is here..."

Chapter 1340

Charlie nodded and said: "Okay, you take the medicine now, and I will guide you to absorb the medicine quickly."

This medicine itself is a good medicine for the treatment of physical injuries. Because of its aura, the effect of the medicine has been qualitatively sublimated.

Middle-aged and elderly people have many embarrassments in their bodies, and their organs and bodies also have a certain degree of regression. Therefore, when taking the medicine, the effect of the medicine will directly act on these patients for repair, and there is no need to guide them by themselves.

However, young people's bodies are strong, and their organs and bodies are generally at their peak. At this time, blindly taking medicines will cause powerful medicine effects and nowhere to absorb them.

If the human body is compared to a sponge, the body of the middle-aged and elderly people is a sponge that has lost a lot of water and is even about to dry up.

At this time, giving them enough water will quickly replenish the water they lost and regain their youthful state.

But if the young man's body is not injured, it is a sponge filled with water. In this case, if he is blindly hydrated, it is basically impossible for him to absorb it.

Even, maybe there is a strong but unabsorbable medicinal effect, which in turn damages the body.

When Charlie gave Aoxue the medicine, his intention was to leave her as an insurance, so that she could use this medicine to save her life when she was injured or seriously ill.

But now he want to use this medicine to help her improve, so he must help her guide the absorption of the medicine.

Aoxue immediately took the medicine out of the box after hearing what he said, then looked at Charlie, and asked with a cunning face, "Master, can I just take the medicine?"

Charlie nodded: "Sit down cross-legged, and then take the medicine directly."

Aoxue obediently followed suit, sat cross-legged on the soft training mat, and then put the pill into her mouth.

The power of this medicine is very pure, so as soon as Aoxue put it in her mouth, the pill immediately turned into a strong warm current and entered her internal organs.

Immediately afterwards, Aoxue felt extremely hot all over her body, and every pore seemed to be sweating desperately.

The key is that this kind of sweating is completely different from what she usually does after exercising.

She felt her sweat, like being squeezed out of her body by a powerful force.

Moreover, the sweat that flows out is much denser than usual, and it feels sticky as if it was just soaked in a bucket full of glue.

Charlie immediately used the spiritual energy in his body to help Aoxue guide and absorb these medicinal powers.

The powerful medicinal power was melted into Aoxue's body by Charlie, causing her body to undergo earth-shaking changes.

Aoxue felt a bit painful and unbearable at first, but in the later stage, she felt indescribable and comfortable all over her body, and she felt like she was completely reborn!

The most bizarre thing is that she can still feel an unprecedented sense of comfort, like being held tightly in her arms by Charlie, warm and comfortable, and she can't help but feel ripples in her heart...
