

# The Charismatic Charlie Wade Chapter 151 – 155

## Chapter 151

Steven was eye-catching at this time, and he hesitated for a moment, but his reason still defeated his impulse.

He said angrily: “I give up!”

“cut!”

“Force!”

“What a shame!”

“What a f\*cking shame!”

There was a burst of scolding and laughter at the scene, making Steven face lost.

He even regretted coming out today, otherwise, he wouldn't be so embarrassed.

Feeling extremely embarrassed, Steven was very angry for a while, turned his head and saw Charlie's teasing eyes, even more furious.

He couldn't help rushing out of his private room and walked to Charlie to question.

“This rug Wade, did you deliberately fix me?”

Charlie slowly picked up water on the table, took a sip, and said, “No one is forcing you to bid with me. You are the one who insists on doing it against me. If you do, you become angry and pathetic?”

Warnia on the side also said coldly: "Mr. Steven, the auction rules are like this. I would like to accept the bet and don't come if I can't afford it."

Steven gritted his teeth with anger, but he didn't dare to offend Warnia.

"Not done with you!" Steven pointed at Charlie fiercely with his hand, and returned to the box angrily.

Charlie couldn't help but shook his head. With Steven, the prodigal son, the Qin family thought it would be difficult.

Under everyone's gaze, Charlie continued to swipe the premium card to pay.

Anyway, it was Qin Gang's money, and it didn't hurt at all to spend it.

anyway.

If Qin Gang knew that he had spent so much money because of the prodigal Steven of their Qin family, what would he be like?

The man might Steven to relieve the anger?

Really interesting

One hour later, the auction was nearing completion.

During this period of time, Steven didn't bid even once, and he was probably afraid of Charlie.

At this moment, several waiters struggled to push a trolley onto the stage with a huge object on it.

Charlie suddenly held his breath and looked up to the stage.

He felt a strong aura! !

At this moment, Mr. Jinghai in the next box was also refreshed, staring at the lot.

This is the final treasure!

However, when Fungui Bao opened the curtain covering it, the crowd showed disappointment.

Because what was on the cart turned out to be a big, tattered reef with seaweed and dried shells attached to it! !

There was a lot of discussion in the audience, and they didn't understand why Treasures regarded this broken stone as the finale.

At this time, Fungui Bao explained.

“Don't worry, everyone, this is the final product of this show, natural clams!”

“This clam is naturally generated on the seafloor. It has been identified that the shellfish has been 100 years old and has been soaked on the seafloor for thousands of years after death. The shell has shown a natural pattern making it definitely a unique treasure.”

After speaking, he ordered the courtesy lady to wipe off a piece for everyone to watch.

Sure enough, the exposed palm-sized area showed a transparent gold-red color like amber which was beautiful.

This time the venue was a complete sensation.

The price of crustaceans in the international arena ranges from 30,000 to 50,000, and the life span of shells is only 20 to 100 years, and this clam has a hundred years of age. It is not easy and it is definitely among the treasures. the best treasures.

It is even more rare than it has slept on the seabed for thousands of years, the color is golden red and transparent, and there is a natural 4D pattern. It can be said that it has an excellent meaning and is the top treasure among the clams.

The starting price of this clam is nine million.

## Chapter 152

Crowds bid, and soon the price drove up to 12 million.

Many people retire when they knew the difficulties, but there are still people who know the goods persevering.

At this moment, Mr. Jinghai stood up and said loudly: "I'm out of 15 million!"

After speaking, he turned around and bowed his hands to everyone, smiling: "Dear friends, I am here at this auction today, it is for this clam, please give Jinghai a certain noodle, let Jinghai a certain time, later I will give everyone a peace symbol as a gift of gratitude."

Most of the guests present were the bosses. Knowing the reputation of Mr. Jinghai, they did not dare to offend casually.

If it doesn't work well, people can make a fool of themselves, and it will make you jump around.

Besides, giving away two hundred thousand one peace charms is not in vain, so although many people are unhappy, they still choose to bear it.

Although Fungui Bao's face remained silent, he was really unhappy in his heart.

Originally, the auction was for the higher bidder, but Mr. Jinghai broke the rules.

If the 15 million were taken away by him, it wouldn't be a big deal for him to make less money, but after the reputation spreads, the prestige of Treasure Pavillion in the industry will surely be damaged.

But Fungui Bao also knew that Mr. Jinghai was very strong and very skilled, so he couldn't easily offend him, so he could only give up.

Mr. Jinghai was so proud that he couldn't hold back his excitement.

For this clam, he did not hesitate to fly to Aurous Hill, after several setbacks, he finally got what he wanted!

What is a mere 15 million?

As long as things get into his hands, he can definitely make a fortune!

Moreover, the scene was indeed silent. It seemed that he had made a move with Master stroke, and no one dared to bid with him!

This is face, this is majesty!

All over the country, who wouldn't give a bit of a thin face to Mr. Jinghai?

It seems that this piece of crustacean, he has picked up a big leak of 15 million!

At this moment, a faint voice sounded again.

"I pay 30 million!"

As soon as this sound came out, the venue was quiet.

Everyone looked at the bidder in unison, with surprise in their hearts.

It's him again!

It was the young man in ordinary clothes. At first glance, there was nothing extraordinary, but the two bids with Steven were impressive!

The point is that he bid sky-high prices twice and swiped his card for payment both times. It was so awesome!

However, no one thought that this guy would dare to challenge Mr. Jinghai?

Mr. Jinghai saw him at a glance, and his face suddenly sank.

At this time, Steven stood up in shock and rubbed his eyes vigorously.

Warnia didn't expect that Charlie would suddenly make an offer with Mr. Jinghai.

She only knew that Charlie had the ability to appraise treasures, but did not know how many assets Charlie had.

She couldn't help thinking to herself that she didn't even want to offend Master Jinghai, this Charlie, wouldn't he worry about Mr. Jinghai's revenge?

It was Jacob who recovered first, and hurriedly pulled him: "Charlie, what are you doing, sit down!"

"Dad, I have a sense of measure."

Charlie turned his head and said lightly, then raised his head again, his eyes extremely calm.

"Charlie, what do you mean? Want to grab Master Jinghai's stuff?" Steven took the initiative and asked coldly.

Charlie smiled slightly: "This is an auction. Everyone can shoot. How can you say that you are robbing others? You are so big, don't you understand the rules?"

After speaking, Charlie sneered again: "You, you should just sit there and stop talking. Don't you feel blushing just after losing your face?"

When Steven heard this, he was immediately embarrassed and immediately sat back with a guilty conscience and stopped speaking.

Mr. Jinghai sullenly, staring at Charlie like an awl, coldly said: "It's you again! Do you know where I came from? Do you dare to snatch things from Jinghai?"

Charlie sneered and asked him: "I care not what kind of chicken bully you are, I will snatch it from you today, what I think is mine?!"

## **Chapter 153**

Mr. Jinghai is going crazy!

He enjoys a great reputation both at home and abroad. Everyone present respects him, but this kid is extremely arrogant. He demolished his platform several times, which is really annoying!

What's even more exaggerated is that he dare to scold him!

This is simply looking for death! ! !

The people present were also shocked!

What the h\*ll is this grandson? How dare you be so tough? Scold Mr. Jinghai? Tired of life, right? Mr. Jinghai, a feng shui master, has 10,000 ways to kill him without drawing blood!

However, even though Mr. Jinghai was angry in his heart, in order to get the clam at a low price, he still maintained his demeanor on the surface and smiled and said, "This friend, you and I had a little misunderstanding at the door just now, but just a little thing. Just open it. If you bid with me for revenge, it would be too cautious, right?"

Mr. Jinghai himself is preparing 15 million to take this clam, but if he and Charlie are firm, the next bid will exceed 30 million.

He doesn't want to spend so much money!

Therefore, he swallowed his breath and hoped that Charlie could withdraw his bid.

After he gets the 15 million clams, he will slowly settle accounts with him!

Charlie had seen his motives a long time ago, and said contemptuously: "Don't talk nonsense with me, I am also fond of this clam, if you can afford it, you can pay, and you can play with it if you can't afford it, let me take it!"

The scene is crazy again!

d\*mn it!

This buddy actually let Mr. Jinghai play eggs.

Is it too kind?

Mr. Jinghai kept a cold face, but in order to save money, he continued to speak: "I really like this clam, can you give me face?"

Charlie glanced at him and said flatly: "Give you face? Do I know you?"

After speaking, Charlie asked again: "Hey, just tell me, can't you afford to pay?"

Mr. Jinghai's face is extremely ugly, so far no one has dared to speak to him like this!

Moreover, the other party looked as young as twenty or so, younger than his own disciples and grandchildren!

Under the annoyance, Mr. Jinghai was too lazy to maintain his demeanor, and said coldly: "Unexpectedly, my face would be so despised by others! Well, since it is fair competition, then the higher price will naturally get! I want to see how much wealth you have, come and grab this clam from me!"

After he finished speaking, he raised his head and shouted: "I'll pay 50 million!!"

The loud voice made the audience noisy again!

The bidding became a big bet, and the atmosphere in the venue quickly became warm!

The rules are simple!

Who has more money!

Who is the king of this battle!

Mr. Jinghai's thinking is very simple. If he fights with him a little bit, he is afraid that he will go on endlessly. Therefore, he must bid a price that can bluff him, and directly ask him 50 million. He must not dare to follow!

However, no one thought that Charlie's face remained unchanged, and two words were spit out in his mouth.

“One hundred million!”

The auction price doubled again!

The atmosphere in the venue is boiling!

In just a few minutes, the price of this lot has even doubled tenfold, which is the focus of auction history!

Steven couldn't help shouting, “Charlie, you don't pretend to be there, do you have the money?”

Charlie couldn't help laughing, and said: “It's true, why do you drop it? You are not convinced? I might as well tell you the truth, this card I use is from your Qin family, and it was given to me by your second uncle. So, is it unexpected? Are you surprised?”

## Chapter 154

“You! You!” Steven's face flushed, “You b@stard, dare to waste Qin family's money! Sooner or later, I'm going to smash you, a liar!”

Mr. Jinghai turned his head, looked at Steven, and asked, “Mr. Steven, do you know this person?”

Steven snorted coldly and said, “He is a live-in son-in-law of the Willson family, and he doesn't have a job. He eats his wife's soft rice at home. Recently, he has some money by tricking my second uncle.”

“is it?”

Mr. Jinghai raised his eyebrows, as if taking a reassurance pill, and snorted coldly.

“Slap a swollen face to fill a fat man, young people, I advise you not to be too arrogant, otherwise you are the one who suffers, not that I despise you, can you get one hundred million?”

Charlie's face was slightly cold, and he said lightly: "I can't get it, don't worry about it, you can continue to bid if you have seeds, and shut your mouth if you don't have them!"

Mr. Jinghai couldn't stand it any longer and cursed: "Boy! You are looking for death!"

Charlie laughed and said, "I'm looking for death? It's up to you? You can't even afford to buy things, and you want to kill me? What a fool!"

Mr. Jinghai was repeatedly ridiculed by Charlie and could no longer maintain his demeanor. He sullenly shouted, "Young man, you'd better give me enough! Obediently let things out, otherwise you will have your life to buy, and your life will be useless!"

Fungui Bao's expression suddenly changed as soon as these words were spoken. This is a clear rule to smash the treasure pavilion!

His face was sullen, but he didn't dare to refute Master Jinghai, and he was very uncomfortable.

Charlie smiled slightly: "If you want my life, you have to wait for the auction to end, right? Now the auction is not over, I just paid 100 million, please continue to bid!"

Warnia was very surprised, Mr. Jinghai is not an ordinary person, even with the Song family backing, there is no guarantee that she can deal with Mr. Jinghai.

But what did Charlie mean by offending Master Wade so much? Where does the confidence come from?

Jacob fell on the sofa and was shocked to cover his heart, panting, thinking: "It's over, this time is over, my son-in-law is over, and my family will be over."

Mr. Jinghai's face was stiff, Charlie didn't put him in his eyes at all, these words were undoubtedly slapped him in the face!

However, Charlie was right. This was at the auction. If he wanted to get the clam, he had to continue bidding.

But, one hundred million

Who the h\*ll can afford it!

Everyone's eyes are on Master Wade, to see how he responds.

Mr. Jinghai's face was green and white, but for that clam, he suppressed his anger and said in a low voice to Charlie:

"My friend, if I offended you just now, it was really unintentional, please forgive me."

"But this clam is really useful to me. Please raise your hand and let me give you a favor. My favor is more valuable than this clam!"

The cold light in his eyes flickered, and this hairy boy dared to make himself so embarrassed. When this matter is over, he must kill him!

Charlie said faintly: "I'm sorry, I can use it to be useful, so I can't let you have it!"

"Moreover, I just said that you are a chicken bully in my eyes, and your favor is worthless to me!"

Mr. Jinghai broke down!

He has only one thought now: When the auction ends, he will kill Charlie by finding a way!

Must kill him! ! !

Seeing that Mr. Jinghai was counseled, the people at the scene couldn't help but sigh. They didn't expect that this young man had just gone all the way to the end, and even Mr. Jinghai had tasted his defeat!

With the final hammer drop of the auctioneer, Charlie finally succeeded in taking the finale of the clam at a price of 100 million.

Mr. Jinghai was so angry that he glanced bitterly at Charlie, his face was green and he left the scene directly.

He wants to kill Charlie right now, but circumstances don't allow it. This matter will be solved slowly!

Looking at the back of Mr. Jinghai leaving, Warnia reminded Charlie: "Mr. Jinghai is not an ordinary person. I don't think he will give up and will make trouble for you. You must be careful these days."

Charlie smiled and said: "I'm afraid he won't come!"

## **Chapter 155**

One hundred million smashed in and replaced it with a clam.

Everyone thought Charlie was crazy, but only Charlie didn't care about it at all.

On the way back, Charlie explained to Jacob about the auction, indicating that the one hundred million was authorized by the Qin family, so that the Old Master could not bear it and frightened him again.

After arriving home, Charlie immediately began to study the clamshell while Claire was not off work.

This clam is as big as a wheel, it has been cleaned up, and after a simple polishing, a golden-red smooth shell surface is revealed.

Charlie broke it into several pieces with a little effort.

He picked up a piece and looked at it.

Sure enough, three white beads were exposed in the thick shell.

This is the essence of clams.

The clam is one of the seven treasures of Buddhism, and the pearl of this clam is even more spiritual.

And only shellfish that have a life span of more than a hundred years and have been psychic will have them, and they are formed by absorbing the essence of the ocean.

This is the best in the refining device, and it can be met but not sought, which is why Charlie must take it at the expense of a large price.

Charlie found three sea spirit orbs from the clams, and he was quite satisfied.

Afterwards, Charlie took the bleeding dragon and thundered the wood, and according to the method in the Nine Profound Heaven Scriptures, he punched a few handprints in with spiritual energy.

As soon as the handprint entered it, it immediately elicited the strongest thunderous breath inside.

As soon as the clam encountered this thunderous breath, it burst out with a slight golden light, and quickly absorbed the escaped breath.

Charlie picked up the Sea clam and began to refine the magical artifact.

Soon, the Sea clam gradually formed in his hands.

He took out the pearl necklace that he had bought at the auction today, took some pearls from it, and refined them with the sea spirit beads, and finally refined them into a bracelet.

The remaining clam shells are also top grade.

He took one of them, refined it into a “scare talisman”, and planned to take this to Qin Gang.

The shock talisman made with a clamshell shell blended with the thunderous breath that specializes in breaking the evil spirits, and it was enough for the Qin family to deal with that evil spirit.

After finishing these refining, Charlie saw that there were still a lot of crustacean fragments left, and seeing that it was still early, he held the clamshell fragments to refine his hands and tried to refine a “thunder order”.

According to the records in the Nine Profound Heavenly Scriptures, this thunder stunner is a low-level magic weapon, mainly used to summon thunder and rain.

However, he added the thunder energy of the blood dragon thunder strikes the woods, and doubled its effect. It can be used to expel ghosts and suppress evil, as well as attack and fight.

As soon as he finished practicing the Thunder Order, he heard movement from downstairs.

The wife is back.

Charlie hurriedly took the remaining shards of clams under the bed, and walked out of the bedroom with the freshly made sea spirit beads.

As soon as he looked up, he saw Claire standing in the living room, talking helplessly to her mother Elaine.

Charlie walked over and saw Elaine shaking her wrist. On her wrist, it was the jade bracelet that Qin Gang gave him.

Elaine said with joy: "Claire, this bracelet is really good, I wear it out, everyone praises it as a good thing, not to mention it's more face-saving!"

Claire said helplessly: "Mom, didn't Charlie leave this bracelet at home a few days ago? Why did you wear it without saying anything? I thought I lost it."

Elaine glared: "I'm your mother, what's wrong with wearing one! Give me a few more days to wear it, go out and show it off!"

Seeing the two mother and daughter arguing, Charlie hurriedly walked over and said roundly, "Claire, let her wear it if she like it. I just made a new bracelet and I plan to give it to you.

"What bracelet?" Elaine grabbed it like a treasure.

But when she saw it was just a string of shell beads, she immediately handed it to Claire out of anger: "It's this kind of worthless thing again."
