

# The Charismatic Charlie Wade Chapter 1531 – 1535

## Chapter 1531

In the top ward of Gu's Hospital.

Yanzheng, the second child of the Gu family, and Yangang, the third, received the first stage of treatment after taking CT of the affected area.

CT showed that Yanzheng's wrist was broken and Yangang's bladder was damaged. Although neither of it is life-threatening, they need to be treated for a while.

And these are all thanks to Charlie.

This Gu's hospital is a private high-level hospital invested and run by the Gu family.

Although the overall strength is not comparable to a top-tier tertiary hospital such as Union Medical College Hospital, it is definitely a leader among private hospitals.

The top families of Eastcliff actually each have their own private hospitals.

Although these hospitals are external in name, in most cases, they do not receive patients from outside at all.

Basically, they are exclusively for internal family use.

Now, except for the two brothers Yanzheng and Yangang, all the other people who were driven away from Philip's house by Charlie have also come here, discussing countermeasures with black faces.

What happened today was a huge accident that they never dreamed of.

They didn't expect that there would be a strange man in the house of Philip;

Second, they didn't expect the strength of this strange man to be terribly strong.

A God of War and a realm master that Yanzheng has hired heavily, have been diagnosed with severe symptoms of muscle weakness by the hospital.

This disease is very mysterious, and the medical community has not figured out what this ghost disease is.

Once sick, the muscles of the whole body will gradually lose their strength, and the skeletal muscles are very easy to fatigue, that is, the body is weak and tired.

If the condition continues to worsen, a young male laborer may not even be able to hold a bottle of water.

In more serious cases, you can't even control your eyelids.

The doctor in the hospital conducted a very systematic examination on the God of War and the realm master, and found that there was a big obstacle in the neuromuscular transmission of the two, which was a typical symptom of muscle weakness.

In fact, this was mainly because Charlie used Reiki to seal the meridians of the two of them, but the doctor could not explore the existence of Reiki, and could only determine that they had muscle weakness from the clinical manifestations.

This makes Gu's second and third sons unable to understand.

what happened?

Obviously he is a master of masters. When he arrived at Gu's house, he was lifted up by the kid like a chicken, and then he became weak?

This is too d\*mn mysterious, right?

Is that kid a hidden master?

## Chapter 1532

But Master of the hidden world pretends to obey the Basic Law as well. Why do they cause muscle weakness by pinching their necks?

It's like touching other people's faces and turning them into impotence. It's unreasonable!

The two families are very sad and want to find a chance to teach the kid from the eldest brother's family, but they don't know what is his last name, let alone where he comes from.

In fact, the most important thing is that the God of War and the realm master did not have a trick under the hands of others. Who else could they find to help kill them?

Yanzheng was even more depressed. Not only did he lose a God of War and a realm master, he was also broken by Charlie, which can be said to be a heavy loss.

When has he been so wronged?

At this moment, he even wanted to kill Charlie's family.

It's a pity that he couldn't think of how to avenge the blood and hatred at this moment.

Yangang was clutching his aching bladder. Seeing that his second brother was frantically licking his teeth, he hurriedly offered a plan: "Second brother, I say this, in fact, you don't need to retaliate in a hurry. Let's take the shares in the hands of the older brother first!"

"Yes, dad!" Yangang's son Weiliang also said, "My third uncle is right. We should get the shares and family property now. This is the top priority!"

Yanzheng said coldly: "That's right, I think your uncle will not be alive within a few days, at most two or three months. Let's get the money first, and then find that kid to settle the account!"

Yangang hurriedly asked, "Second brother, what good idea do you have for the board of directors tomorrow?"

Yanzheng sneered: "I have already told several other shareholders that half of them are willing to cooperate with us to seize power. Although the remaining half are still thinking about the good of elder brother, it is not to be afraid, because we are now united. The share of rising has exceeded 51%!"

Yangang asked: "Then we will force the eldest brother to hand over the position of chairman tomorrow?"

"Yes." Yanzheng gritted his teeth and said: "At that time, I will come directly to the board of directors to force the palace. With the equity of the two of us and those who support us, we will directly vote to abolish his chairmanship and recommend me to do it. The new chairman! This will be able to reasonably and legally take over the Gu Group!"

As he said, Yanzheng couldn't help but smile and said, "When I get the chairman's seat, I will begin to transfer the assets of the Gu Group."

Yangang smiled and echoed: "After the assets are transferred to other company shells, the big brother's shares will be empty and have no value at all."

Weiliang hurriedly asked: "Dad, what about uncle's personal assets? He has so many deposits, mansions, luxury cars, private islands, private jets, private yachts, and a large number of antiques. It is said that he has collected celebrity calligraphy and paintings over the years. That adds up to billions?"

"Billions?" Yanzheng curled his lips: "You too underestimate your uncle! The calligraphy and paintings in the hands of President Wanda are almost over 10 billion. The calligraphy and paintings in your uncle's hands are less than two or three hundred. Hundreds of millions! These are all held in the bank vault."

Weiliang's eyes flashed greedily, and he said excitedly: "Dad! We must get this batch of calligraphy and paintings! Real estate can't rise now, and future income is limited, but the appreciation of antique calligraphy and paintings is really too much. Look at the famous paintings of the world's famous artists, which one can't start with a hundred millions?"

Yanzheng nodded and said coldly: "Don't worry, I already have a complete plan. I will first take the position of chairman, then transfer all the assets of the group, and then force your uncle to make a will and the property is given to us, otherwise, I will never make him feel better! Even if he dies, I will not make his wife and daughter feel better!"

Yangang rubbed his hands in excitement: “Then wait for the board meeting tomorrow, and give my dear eldest brother a good show!”

Yanzheng smiled and said: “At that time, Zhao Kuangyin and Issac Qiao mutiny and Huang Pao was added to force Gong Chai Xunzong to meditate and establish the Song Dynasty. Tomorrow, Yanzheng will launch a cultural change on the board of directors to force Philip to give way and rebuild a more prosperous Gu Group!”

Yangang licked his face and said, “Second brother, don’t forget your brother when that happens. You will be the only one looking forward to everything in the future for your brother!”

“That’s natural!” Yangzheng patted Yangang’s shoulder with his left hand, and smiled: “You and I have been living in the shadow of the boss for so many years, and it’s time for the two of us to get started!”

## **Chapter 1533**

When Yanzheng and Yangang are planning a bright future, Weiliang and Weiguang on the side also have their own thoughts.

The three Gu family brothers gave birth to eight children in total.

Philip has only one daughter, Sara.

And Yanzheng has three children, two daughters and one son, Weiliang.

Yangang has four children, three daughters, and one son, Weiguang.

Because other males are not very promising, Weiliang and Weiguang, respectively, will undoubtedly be the only heirs to their father’s property in the future.

Weiguang saw the cordial enthusiasm between his father and his second uncle, and couldn’t help but look at himself and his cousin Weiliang next to him, and wondered in his heart: “When I inherit my father’s family property and shares in the future, will I have to be like my father cheating on the second uncle? , Go to cheat my cousin? If I need to stick to him in the future, shouldn’t I just start to suck him up now?”

And his cousin Weiliang thought, the cousin Weiguang next to him is actually not very clever, and he is not a compatriot with him. To be honest, the relationship is not deep.

My father, my third uncle, and even the eldest brother who is a naughty compatriot can cheat, so in the future, can I also learn how to cheat Weiguang?

Thinking of this, he felt that the nature of this matter was actually very interesting.

First, the family property was divided into three, and the second family and the third family joined forces to annex the old family.

Then the second family looked for a chance to annex the third family. Then, wouldn't the entire Gu family fall into his own hands?

At this point, Weiliang couldn't help getting excited!

Don't look at Gu's family in the entire Eastcliff, it can only be ranked third.

However, if you can sit on the entire Gu family alone, you can become the richest person in Eastcliff, not one of them.

Even if it was the top two big families of the Wade family and the Su family, it was impossible for anyone to be richer than the Gu family.

At that time, I said that I could not be a real Chinese richest man!

Weiguang didn't know that his cousin who wanted to hurry up was actually starting to plan how to cheat him.

He deliberately had nothing to say, and said to Weiliang with a smile on his face: "Hey, Brother, is that man at uncle's house, is he the boyfriend of the daughter?"

Weiliang shook his head: "Don't know. The girl is also a public figure. If she falls in love, the paparazzi will definitely dig it out, right? But I haven't heard anything."

Weiguang chuckled and said, "Do you remember that this dog ran the train with his mother's mouth full, and said that we will be infertile in the future. f\*ck, when I get the chance, he must get rid of his stuff. Let him know what is true infertility!"

Weiliang snorted coldly: “*dmn, Master is very capable in that aspect. He is well-known in the upper circle of Eastcliff. Dare to say that it makes me infertile? fck, the woman I played with is better than him. Have seen so many!*”

“Yes!” Weiguang complimented: “Brother, how does that female celebrity you got started two days ago feel?”

“It’s okay.” Weiliang said casually: “It’s not bad, it’s a bit poor, and too thin.”

Weiguang hurriedly said flatteringly: “Brother Abner, I have a brother who runs a brokerage company that specializes in cultivating high-end models. There are several great European g!rls. Are you interested in getting started and changing tastes?”

Weiliang frowned, a trace of lust flashed in his eyes, and asked, “When?”

Weiguang hurriedly said, “It’s better to hit the sun if you choose another day, just chant today! Later you will take my car and I will take you directly, how about it?”

## Chapter 1534

“Yes!” Weiliang nodded without hesitation.

Today, he was humiliated by Charlie. He was in a depressed mood. Unexpectedly, Weiguang immediately arranged an opportunity for him to vent the fire, and naturally he immediately agreed.

.....

In the evening.

Brothers Weiliang and Weiguang came out of the hospital. They drove a car and went to an extremely high-end club in Eastcliff.

The name of this club is very popular, it is called No.1 Mansion.

If you want to set up a VIP in Mansion One, you have to shoot at least 10 million.

Because here, VIP has its own luxurious suites, which not only include restaurants, KTV, bathing hot springs and spa services, but also bedrooms, meeting rooms, chess and card rooms.

In addition, VIP also has its own personal butler and personal attendant. Once you come here, you can enjoy the dedicated imperial service, which is more chic than the ancient emperor.

In other words, the members who have organized here can not only eat, drink and have fun, but also hold business meetings and banquets, which have a wide range of uses.

Moreover, the privacy here is excellent, so you don't have to worry about leaking your privacy.

Because of the many benefits of No.1 Mansion, it is deeply loved by the rich people of Eastcliff.

Both Weiliang and Weiguang are members here, but they rarely play together, they all play their own games.

Today, in order to please Weiliang, Weiguang asked his friend who started a brokerage company to bring four young European models over, and he was ready to let Weiliang have a good time. It was also considered as laying the foundation for his future.

Weiliang was holding his stomach and couldn't vent, just planning to have a good time here tonight.

Soon, four young blond models were brought over, and each one was beautiful and moving, which made Weiliang excited.

He immediately and unceremoniously chose the two most beautiful and best figures, and went to the luxurious bedroom in the suite.

And Weiguang also took him to pick the remaining two and went to another room.

Five minutes later, the brothers ran out of their rooms in a panic.

The two looked at each other at the door, or Weiliang spoke first: “Weiguang, can you do that?”

Weiguang was crying and shook his head. He spoke with tremors and crying voices. He choked up and said, “Brother, I’m not working anymore... I have no feeling or reaction at all. I’m so f\*cking infertile... .”

After speaking, he looked at Weiliang and asked him: “You brother, do you still have it?”

Weiliang sat down on the ground and muttered: “*dmn, I am gone...what the hll* is going on, this is...I’m only in my twenties. How can I say that I can’t do it?”

Weiguang asked, “Brother, do you feel like that part has been completely disconnected from the body?”

Weiguang nodded brightly and said with red eyes: “d\*mn, that’s how it feels...”

Weiguang was crumbling, pressed against the wall, and slowly slipped to the ground, desperately saying, “Brother, what do you say about this...”

Weiliang said in a flustered manner: “Could it be that the kid today was right? No way! We have to go to the hospital and check it out. What’s going on!”

## **Chapter 1535**

The two brothers had just slipped away from the hospital more than half an hour ago, and hurried back soon afterward.

To find out this kind of hidden disease, they only trust their own hospital, because if they are in other hospitals, it is likely to leak the wind.

If Eastcliff’s dudes knew that the two young masters of the Gu family had suddenly lost their ability in that respect, it would not only be shame for them, but the entire Gu family would be embarrassed because of them.

Become the object of ridicule for the entire Eastcliff talk after dinner.

The two returned to the hospital, ignoring their father, who was still training in the ward, and rushed directly into the office of the hospital director.

The dean was preparing to get off work at this time, and suddenly saw the two young masters of the Gu family coming, and immediately asked compliments: "Mr. Weiliang, Mr. Weiguang, what can you do with me?"

Weiliang blurted out: "Dean, quickly arrange for someone to check it up for us. We are both sick!"

The dean asked in surprise: "What is wrong? What is the problem? You two will probably introduce me, and then I will arrange related experts to check on you two immediately!"

Weiliang looked around. There was no one else in the office, and the doors and windows of the room were closed. So he gritted his teeth and resisted embarrassment and said, "I don't seem to feel anymore!"

"There? Where?"

Weiliang pointed to his cr0tch: "*dmn, here, where the hll* could it be, do you know it?"

The dean hurriedly waved his hands in fright: "No, no, Mr. Weiliang, how come there is no feeling there? Is it because you have encountered a functional obstacle?"

"It's a hindrance to your mother!" Weiliang cursed, "I don't feel it at all, understand? It's just like a f\*cking disconnect! I can't feel it anymore!"

"No?!" The dean exclaimed: "I have never encountered this kind of thing. It stands to reason that this is unlikely. If the ability is damaged, there may be some obstacles, but it is impossible. I can't feel it at all!"

Weiliang slapped him and scolded, "I f\*cking need you to repeat what I have said with interrogative sentences? Hurry up and arrange an examination for me. If the best treatment period is delayed, I will kill you!"

When Weiguang saw his cousin start his hand, he immediately stepped forward and kicked the dean, gritted his teeth and said, “f\*ck you not in a hurry? Believe it or not to fire you tonight?”

The dean was extremely aggrieved, but dared not to speak, so he respectfully said: “Two young masters, wait a minute, I will arrange for an andrology expert to come over!”

Soon after, the andrology specialist from the hospital came to the dean’s office.

After understanding the relevant situation, he immediately took the two young masters of the Gu family to the examination room for examination.

Ten minutes later, the andrology expert group of the entire hospital gathered in the examination room.

Some have already driven a few kilometers away after getting off work, and some are simply taking a break today, but because of the important matter, they are still called over.

The expert team of seven or eight people was at a loss for the situation of the two young masters of the Gu family.

They used various means to check and found nothing abnormal, but the two always insisted that they didn’t feel anything at all.

This incident disturbed Yanzheng and Yangang who were resting in the intensive care unit.

The two heard that their sons had some problems, so they hurried over.

After inquiring about the situation, the two were shocked!
