

The Charismatic Charlie Wade Chapter 1556 – 1560

Chapter 1556

Hearing the last question of the eldest brother, he subconsciously said: “I remember him, he was the Wade family’s best...”

Speaking of this, his whole body was instantly shocked, his eyes widened to the extreme, staring at Charlie forever!

At this moment, two figures that would have been twenty years apart overlapped in his mind.

Only then did he realize that the vigorous young man in front of him looked so much like that vigorous young man back then!

Reminiscent of Mr. Wade, and his relationship with his elder brother so close, he immediately seemed to be struck by thunder, trembling and pointing at Charlie, and asked Philip in a trembling voice: “Big brother, he...he ...Is he the son of Brother Changying, the second master of the Wade family?!”

The second master of the Wade family, he was talking about Charlie’s father, Changying!

The word Changying is taken from the classic poem of a great man: “Today Changying is in hand, when will the dragon be bound!”

And Changying’s implication is: Wade family has a son, can tie the beast named Canglong!

And he was the second child of the Wade family heirs.

Although he was not the eldest son, his ability was the strongest of the Wade Family. At a young age, he could plan tactics and win a thousand miles in the market!

Under his leadership, the Wade family had even fought back and forth with the Rothschild family in Europe and the United States, which has a history of hundreds of years, and even made the other party suffer a compromise in the end!

In those days, countless rich second generations of Eastcliff regarded him as their idol in life!

Countless rich generations looked at him with grief and sighed like Changying had a child!

Countless wealthy daughters admired him so much that they regarded him as the best candidate for the wishful man!

When you marry Changying, this is the most familiar sentence in the circle of Eastcliff celebrities!

I think back then, there were all good women seeking great families, but who has ever seen the grand occasion of good men seeking great families? !

Back then, the big business figures who came to Wade's house and hoped to marry their daughter to Changying are too numerous to count!

Yanzheng couldn't help thinking back then, that Changying used the light of one person to cover the edge of all Eastcliff's peers!

At that time, everyone was sighing in their hearts, why were they born in the same era as Changying? Changying was like a bright moon in the night sky, who can compete with him?

Thinking of this, Yanzheng can already conclude that Charlie is Changying's son!

He thought of Changying's heroic posture, and his heart was immediately panicked. Looking at Charlie, he suddenly knelt on one knee and blurted with all his face: "Master, please forgive me for being clumsy. I didn't realize that you are actually the son of Brother Changying!"

Although Yangang hadn't spoken for a while, seeing his second brother kneeling on one knee, he immediately followed him and knelt down on one knee.

Both Weiliang and Weiguang were blinded. They were young and didn't know Changying's glorious deeds back then. Seeing that their father actually knelt for Charlie, they were stunned.

Weiguang immediately wanted to protest loudly, but was grabbed by Weiliang, who had a higher vision, and covered his mouth.

This is, Yanzheng, who knelt on one knee, actually choked up and sighed: "When I was young, I secretly made a dream in my heart and bowed my head to worship Changying! It's a pity that brother died young, so I never had the opportunity to learn a thing or two by his side. If I had the opportunity to learn a little by his side, I wouldn't be so dull today..."

Chapter 1557

The mention of Changying's name still makes many middle-aged people in the Eastcliff family sigh.

Because for these big families, no wealth is as important as a powerful offspring who can go straight ahead.

Business world is like battlefields. Sometimes a slight deviation may lead to the annihilation and the destruction of the entire army. This is why many families have ups and downs in the game, and many even directly launched the stage of history.

If a family wants to be prosperous, it doesn't matter how much money is in their hands, or how much land is in their hands, it doesn't matter how much land is in their hands. What matters is whether his descendants can continue to produce dragons and phoenixes.

The prosperity of the Wade family today is inseparable from the solid foundation that Changying laid 20 years ago.

That's why people remember Changying and regard him as a bright moon in their hearts.

Charlie didn't expect that brothers Yanzheng and Yangang would kneel on one knee when they heard his father's name. Seeing that the two people's respectful expression was not hypocritical, the anger towards the two of them was slightly relieved. It took a few minutes.

At this moment, Yanzheng turned his head and looked at his son Weiliang and the third son Weiguang, and blurted out: "You two, seeing the blood of Brother Changying, don't hesitate to kneel down and admit your mistakes!"

Weiliang understood in his heart.

Although he hadn't heard too many rumors about Changying, he guessed that Charlie was a descendant of the Wade family of Eastcliff.

Don't care about the Gu family and the Wade family belonging to one of the three major Eastcliff families, but the weaker ones are not even a little bit.

Some people joked that the so-called three major Eastcliff families are actually nothing more than "two dragons playing beads".

The dragons refers to the Wade family and the Su family. As for the Gu family, it's just the bead.

The Wade Family's strength is much stronger than that of the Gu Family.

Even if the brothers Philip, Yanzheng, and Yangang are tied together, in front of the Wade family, they are not enough.

What's more, Philip, the boss of the Gu family, stood with Charlie at this time.

It is equivalent to the fact that the brothers Yanzheng and Yangang are not only facing the Wade family, but more than half of the Gu family!

After all, Philip, the current eldest brother, seems to have recovered. He really needs to break his wrists. The second and third can't even break off the eldest son. Why are they talking about the Wade Family?

Therefore, Weiliang did not dare to delay. He came to his father Yanzheng in three or two steps. He knelt on one knee and said devoutly: "Mr. Charlie, please forgive me for being clumsy, I didn't know Your excellency!"

Weiguang's brain is not as good as Weiliang's, but seeing that, he didn't dare to ask more. He came forward and knelt on the ground, learning from his cousin in a decent way, and respectfully said: "Mr. Charlie, please forgive me for being clumsy!"

Charlie nodded slightly, and said coldly: "For your respect for my father, you just insulted me, I won't pursue it for the time being."

The four of them breathed a sigh of relief at the same time.

But Charlie immediately said: "However, your two brothers were embarrassing, trying to seize the assets of my Uncle, and also released news that Uncle was seriously ill, and many directors wanted to usurp power on the board of directors. , You must give Uncle a clear solution, otherwise, I will not let you go!"

Yanzheng knew in his heart that this power-seeking plan had completely failed.

Not only can they not beat eldest brother now, but they are also distracted from the board of directors. Relying on himself and my third brother, he wants to continue to fight against eldest brother. It is simply a dream. The best solution is to immediately recognize the counsel and strive to return to the previous state.

So, he immediately looked at Philip and said sincerely: "Brother, this matter is my passion. I confessed my mistakes and punished. From today onwards, we will completely eliminate all attempts to refrain from returning, and wholeheartedly assist you in running the Gu Group!"

Chapter 1558

The third, Yangang, also quickly admitted his mistake: "Big brother, just like the second brother, I apologize to you! If you have any instructions in the future, I will definitely take the lead and dare not follow!"

A trace of melancholy and hesitation flashed across Philip's expression.

In fact, he did not expect that the second and third would give up resistance so quickly.

Originally thought they would resist stubbornly, but what he didn't expect was that Charlie and his father Changying's identity completely frightened them.

Therefore, a complete victory was achieved at once, and both of the younger brothers confessed their mistakes with great concentration, and he did not think about how to deal with them.

At this time, Charlie said: "Since you want to admit your mistakes, you must at least express it. Although I am an outsider, I also make a little suggestion here. Please listen and see if it is feasible."

Philip hurriedly said, "Charlie, you say!"

Charlie smiled and said, "Uncle, these four people are all blood relatives of your same clan. In my opinion, knowing your mistakes can make corrections."

When Yanzheng and Yangang heard this, they were happy and hurriedly nodded in agreement: "Yes, big brother, we are all brothers. For the sake of blood relationship and our sincere regret, forgive us this time!"

Charlie said again at this time: "Don't worry, you can be forgiven, but forgiveness is also conditional."

Yanzheng of course knew that Charlie could not be so good, and took the initiative to intercede for them. There must be other conditions in exchange for them, so he immediately clasped his fists and said, "Master, please say!"

Charlie said indifferently: "You are both shareholders of the Gu Group, and you have shares in the Gu Group. Since you want to follow Uncle with all your heart, you must be bound firmly with him, so my suggestion, you two, immediately transfer the voting rights corresponding to all the shares in your hands to Uncle forever!"

What Charlie wanted was the voting rights corresponding to their shares, but not their shares.

In other words, how much should they hold, how much should they not hold, how much should they earn, and how much money should they not earn, but after the voting rights of the shares are handed over, they have no right to speak in this board of directors, and everything must be ordered by the controlling party's decision-making.

In this way, Philip's voting rights have reached the 51% absolute control requirement!

In the future, he will be one of the best in the Gu Group!

Even if all the remaining shareholders unite, they will only have 49% of the voice at most, so it is impossible to shake Philip's control.

When Philip heard this, his heart was clear.

Unexpectedly, Charlie not only saved his life, but also wanted to help him regain control of the Gu Group.

This kid acts cleanly and decisively. He really has the shadow of his father back then!

Thinking of this, Philip sighed besides being grateful, sighing his big brother!

Charlie had been in Aurous Hill for many years. He hadn't received a good education or experienced good conditions. He struggled to get up from the grassroots mud pit by himself, but he did not expect that he was already quite a general.

If the eldest brother was still alive these years, and if Charlie can be carefully nurtured under the hands of his father Changying, then Charlie is afraid that it has become a shining existence in the world!

Unfortunately, this beautiful vision can only be exchanged with a sigh.

However, the more he looked at Charlie, the more pleasing he felt.

If he can become his son-in-law in the future, he will be able to give his daughter a lifetime of happiness, and he and his wife can be completely relieved!

Chapter 1559

At this moment, Yanzheng felt a pain in his heart.

Charlie's words made him realize that this is helping the eldest brother and disarming him.

In a company, it doesn't matter how many employees or departments you have under your hands. What is important is how much power you have in the company.

The voting rights corresponding to the shares are tantamount to the company's internal struggle for power and profit.

If I let myself surrender all voting rights now, it would be tantamount to letting myself surrender all weapons and completely give up the possibility of resistance.

To be honest, he didn't want to be so controlled by others.

However, thinking about it the other way round, he has nothing to do.

Disagree?

There is no way to disagree. After all, the eldest brother is recovering now, and Charlie is supporting him, so he is not an opponent.

Now he is still playing a criminal plot with himself, actually letting himself surrender the gun and not kill. If he doesn't agree, then they may change their routine to play the conspiracy. At that time, they will not surrender the gun but never kill the endless trouble!

Thinking of this, he sighed softly and said, "Master, I agree to your proposal and hand over all voting rights!"

Yangang has been waiting for the second brother to express his opinion. He has a weak personality and has no opinion. Anyway, he and the second brother have tossed this matter together, so naturally he has to follow the second brother to advance and retreat.

So he hurriedly said, "Master, I have no objection!"

Charlie nodded with satisfaction, and said to Philip: “Uncle, in this case, let the legal affairs come over and draw up the voting rights transfer agreement. After signing the agreement, you can just go to the press conference to hold a press conference in the release hall and put this matter public.”

After speaking, Charlie checked the time and said, “It’s ten o’clock now. If you move fast, hold a press conference before 11:30. That morning, before the stock market is closed, the Gu Group’s stock price should respond and turn positive by the end of the business day.”

“Yes!” Philip nodded loyally, and immediately said: “Just do what you said Charlie!”

After speaking, he immediately took out his mobile phone and called his assistant: “Call all the legal department immediately!”

Yanzheng gave up resistance and felt relieved. Then, he thought about the inexplicable loss of fertility between himself and his younger brother, son, and nephew. He hurriedly pleaded: “Master, the four of us suddenly lost that. In terms of ability, to be honest, the Gu family’s blood is all in us and nephews, so please raise your hands high...”

Philip was a little surprised and didn’t understand what it meant when Yanzheng said that the four people lost that ability.

At this time, Yangang, Weiliang, and Weiguang all looked at Charlie with pleading eyes, hoping that he could restore the ability for everyone.

Charlie said indifferently at this time: “First of all, I must tell you clearly that this matter is reversible to me. If I am in a good mood, I can restore all four of you to the original.”

When the four of them heard this, they were immediately overjoyed.

What everyone fears most is that all this is irreversible.

In case it is really irreversible, then all is over.

Even if he compromises, concedes defeat, and surrenders the right to vote, he still can’t enjoy the pleasure of a relationship.

But Charlie's reversible sentence immediately ignited hope in their hearts.

However, Charlie changed his words and said lightly: "Although it is reversible, when it is reversible, it depends on your performance and my personal mood. If you perform well and satisfy me, I will consider it."

The faces of Yanzheng and others suddenly turned into four bitter gourds.

Can't recover temporarily?

Chapter 1560

So everyone can only continue to live this life as a living eunuch?

When is the leader in such days?

However, since Charlie had already said so, everyone really didn't dare to disobey him.

Otherwise, if he is unhappy and just doesn't recover, wouldn't it be the end of the whole life?

Therefore, Yanzheng could only respectfully say: "Please rest assured, Mr. Charlie, I will do well and I will wait!"

Charlie nodded lightly, and said lightly: "Get up, and the legal affairs will come in for a while and see this scene, it must be quite strange."

When the four heard this, they stood up.

Later, Charlie said coldly: "My identity, before I take the initiative to disclose it to the outside world, the four of you are absolutely not allowed to say a word to the outside world, otherwise, I will definitely not spare you."

Yanzheng knew that he couldn't afford to provoke Charlie. Not only he is Wade Family's Young Master but also his eldest brother supported him. More importantly, the "lifelines" of the four were completely controlled by him, even if he killed himself. He never dared to offend him.

Therefore, he agreed without hesitation and said, “Master, don’t worry, we will never reveal a word about you!”

The other three people also nodded in a humble manner.

Seeing their sincere attitude, Charlie nodded slightly and said to Philip: “Uncle, I will be an audience below at the press conference, so I won’t show up in front of the media.”

Philip nodded and said, “Okay Charlie, I’ll let the secretary arrange a seat for you in a moment.”

Soon, more than a dozen people came up from the legal department of the Gu Group.

These dozens of people are all top domestic lawyers and legal workers.

They use their professional abilities to protect the legal rights of the entire Gu Group. They are all elites.

The agreement for the permanent transfer of voting rights is very simple and clear in itself, and there are no twists and turns, so they quickly drafted a contract with no flaws.

Once the contract is signed, it means that Yanzheng and Yangang will permanently transfer 100% of the voting rights corresponding to their shares to their eldest brother Philip for free.

Even if they died and the heirs of their shares must continue to recognize this agreement.

Even if Philip dies, his heirs will naturally inherit all the voting rights corresponding to the shares of Yanzheng and Yangang.

In other words, even if the Gu family’s three brothers passed away decades later and their shares were inherited by their own children, Sara could still control the Gu family group completely, not afraid that the second and third wanted to seek power.

The two did not have any tempers at this time, and obediently signed their names on the agreement.

Each agreement is in five copies, one of which is kept by Philip, and the other by Yanzheng or Yangang.

There are three remaining copies, one for the legal department, one for the notary department for filing and custody, and one for the bank safe.

In this way, the possibility of someone trying to destroy all contracts is avoided.

When the contract was signed, the second and third of the Gu family officially and permanently gave up resistance.

In the future, they can only honestly follow Philip to make money and take dividends. If Philip does not let them speak, they will not even have the right to speak on the board of directors.

After the contract was signed, Philip stood up and said, "Come, let's go to the conference hall, friends from the media and reporters who came here early in the morning, shouldn't wait a long time."
