

The Charismatic Charlie Wade Chapter 1551 – 1555

Chapter 1551

When Philip was clanging like an abacus, the door of the office was pushed open vigorously.

Immediately afterwards, Philip, who was full of red face and not irritable, walked in.

Charlie followed him closely and entered the meeting room.

Everyone in the conference room, including Yanzheng and Yangang, was shocked and stunned after seeing Philip's spirited appearance!

Yanzheng and Yangang looked at each other. Although the brothers did not communicate at all, they were thinking the same question: "The sick eldest brother yesterday suddenly became radiant today?! But it was just a night after that. Isn't it too obvious?"

The other board members, because they haven't seen Philip for a long time, and seeing news reports, thought he was really dying, or even dead.

They were even mentally prepared, and felt that Philip might be pushed in by someone in a wheelchair, sucking oxygen.

Therefore, when they suddenly saw his vigorous appearance, everyone was extremely shocked.

Is this the chairman who is said to be critically ill in the media report?

The current chairman seems to be in a much better condition than before he fell ill.

Is this what people often say?

But it's not like it. He looked like a middle-aged man who can no longer be healthy!

Yangang just secretly stabbed Yangzheng and asked with a dazed expression: "Second brother, this...what is going on..."

Yanzheng gritted his teeth and shook his head: "I don't know either!"

At this time, Philip had already arrived at the special seat in the center in front of the conference table, and let Charlie sit on his right hand.

After sitting down, Philip looked around with fierce eyes for a long time, and said in a somewhat strong voice: "Everyone, I apologize to everyone here. I rarely came to the group during this period. The group operated normally. You have worked hard."

Everyone looked at him and he looked at them, and they didn't know how to respond.

This is mainly because many small shareholders in it have been bought by Yanzheng and Yangang, and they are ready to remove Philip from the board of directors today.

However, seeing Philip in excellent condition, they didn't know what to do at once.

Seeing this, Yanzheng felt a little flustered in his heart, but he also knew that if he didn't quickly find a way to suppress the situation at this time, then all of his plans today might be aborted.

So he immediately opened his mouth and said: "Chairman, you haven't been in charge of the group's affairs for so long. Everyone here has paid a lot for the group. Are you as the chairman of the board a bit too incompetent?"

Philip nodded and smiled, and said: "You are right. I am indeed not competent enough during this period of time, so I didn't say anything just now. Thank you all. This is my true feelings to you. This is a hard time for everyone."

After speaking, Philip said again: "In the past 20 years, everyone has been by my side and accompany me in the business. I am also fortunate to live up to everyone's expectations and to make the group stronger and stronger. In those 20 years of rapid

progress, I have never taken credit for arrogance and never abandoned any comrade-in-arms. During this time, I was left behind for a month or two due to personal reasons. Everyone thinks of my hard work over the past 20 years. Should I be blamed?"

As soon as this was said, the other shareholders around him waved their hands subconsciously and said in unison: "How can it be, Chairman, why can we blame you!"

Chapter 1552

Charlie listened beside him, and couldn't help but admire Philip.

Philip's remark just now seemed to be a demonstration of weakness, but it was actually a demonstration to them.

He deliberately talked about how he led the group to advance by leaps and bounds in the past 20 years. On the surface, he wanted to make everyone think about the old feelings, but in essence, he was reminding this group of people that in the past 20 years, he was able to lead the group to advance by leaps and bounds. In the next twenty years, he can still make this group develop rapidly.

If this group of people wants to exclude him, they must consider the actual situation of the group's development in the past two decades, and who can do better than Philip.

This group of people realized it instantly.

Originally, they wanted to elect second child of Gu family, Yanzheng, as chairman together.

However, after Philip's reminder, they couldn't help but revisit the game.

In the past two decades, Yanzheng's performance in the group has found that this person has not actually made any outstanding achievements, and can only be said to be in the middle distance.

Therefore, his overall strength is far worse than his brother.

That being the case, why should everyone squeeze out the current chairman of the board and let a second child with poor ability take the post?

When the second child fooled everyone, he said that the boss was about to die.

But now, the state of the boss looks so good, it doesn't look like a person who will die in a short time.

And everyone believes that he can live for another 20 to 30 years in his state.

Therefore, at this moment, the hearts of those small shareholders have already turned their backs.

They decided to continue to support Philip as chairman, because only he can lead everyone to make more money!

When Charlie saw this, he couldn't help but admire, Uncle's hand was nothing short of a thousand kilograms!?

At this time, Yanzheng felt sad.

The eldest brother is really the eldest brother, and a few words can wipe out all the efforts he has made over the past few months.

The key is, how did he get rid of the illness? In just one night, he changed from a person who looked like he was about to die to a healthy person. This is... what a h*ll!

Thinking of this, he suppressed the anger in his heart and asked: "Chairman, although I am your brother, but out of responsibility to the entire group, I still have to ask, how is your condition now?"

Yangang on the side also came to assist: "Yes, Chairman, as you know, the Gu Group is a super-large group with a comprehensive market value of more than one trillion. There are many listed groups under it, most of which have a market value of more than 10 billion or more than 100 billion. We must be responsible for all shareholders and investors! What will the group do if you die one day? What should we do? What about shareholders?"

Philip wiped out a smile on his expression, and said calmly: "Good question, I actually want to solemnly report to you about my physical condition."

As he said, he cleared his throat and said with a smile: “I did suffer from pancreatic cancer before. Domestic hospitals have relevant medical records, and overseas hospitals also have my major medical records. This is definitely not a fake.”

Immediately, he sighed and continued: “Initially I thought I was running out of time, but sometimes life is twisting many times, the tumor on my body disappeared miraculously, so now I have regained my health again, and everyone should be able to see that my condition is much better than before, so don’t worry, I will definitely lead the Gu Group to the next glory!”

Chapter 1553

When Philip finished speaking these words loyally and vigorously, other people heard this as if they had taken a reassurance pill immediately. Not only were they relieved a lot, and even an excited smile filled their faces.

A few people even clapped involuntarily.

As a result, everyone else happily applauded and agreed.

Everyone participates in the Gu Group, in the final analysis, to make money, and they don’t want to engage in gangs and intrigues, they just want to follow the person who can lead them to make money, nothing more.

Since a miracle happened to Philip and his serious illness has been healed, why not continue to support him, stand by his side and make more money with him under his leadership? is not it the best approach?

The expressions of Yanzheng and Yangang were suddenly ugly to death.

After carefully preparing the plan for such a long time, could it be completed right after the first step?

This feeling is really uncomfortable.

It is as if you have been practicing martial arts for decades in order to challenge the leader of the martial arts, thinking that I am invincible in the world.

As a result, when he arrived in front of the leader of the martial arts, the leader of the martial arts only made one move and he was completely defeated.

The blow to the two of them was tremendous.

At this time, Yanzheng was still unwilling to admit defeat!

He sternly said: "Big brother! You don't want to take everyone here, how can advanced pancreatic cancer be cured? Do you think we are all three-year-old children? Didn't Apple's Jobs also leave? You said Now that you are healed, who believes it? In case you are playing tricks on everyone, when the time comes for investors to know, they will completely lose confidence in the stock price of our group, and the stock price will collapse all the way."

Philip was not angry either. He stood up and turned around and asked with a smile: "Second, you see for yourself, is my current state like I'm sick?"

Yanzheng played a rogue, and said, "What's the use of seeing? My eyes are not CT. I can't see where the tumors on your body are. Maybe you are looking back."

Philip snorted coldly, suddenly raised his hand, and slapped his hand to Yanzheng who was sitting on the left hand side.

There was a pop in the conference room, loud and crisp, and even a few echoes were formed in this huge conference room.

He was slapped with a Venus star in his eyes. The tremendous force made him leaned back uncontrollably. Then his chair lost balance and fell to the ground with a loud noise.

Yangang, the third sitting next to him, hurriedly stepped forward to help.

Yanzheng was under his support, holding his head and getting up, yelling angrily, "Big brother, what do you mean? Why do you beat me? You dignified chairman, you beat people on the board of directors, and you are not afraid of being laughed at by outsiders?"

Philip smiled slightly and said: "Second, don't you want to know if I have recovered? It was a slap just now, how do you feel? It looks like it was shot by a sick person?"

“You...” Yanzheng didn’t expect that he would say such a thing after hitting him, and even ridiculing him by accusing, he was suddenly angry!

However, at the moment he has nothing to do. He can’t beat him with his hands. He can only gritted his teeth and said: “Big brother, there is no point in saying this. If you want to reassure me and investors, you should publish your latest update. The medical examination report must be a report issued by an authoritative medical examination institution.”

Philip sneered and said, “You can’t cry if you don’t see the coffin, right? Yes, after the board of directors, I will call up the reporters waiting outside and hold a press conference. After the press conference, I will go to the Fairview for an examination. Now I have a whole body CT scanning, the results will come out very quickly, if the fastest, the results can be announced this afternoon.”

Chapter 1554

Yanzheng saw that he had promised to be so refreshed, and he couldn’t continue to find reasons for the trouble, so he gritted his teeth and said, “Okay! Then wait for the results of your physical examination! If you haven’t recovered, then I think your physical condition, no It is suitable to continue to be the chairman of the board, so you should give up the position of chairman and let a healthy person take it!”

Charlie, who had not spoken all the time, smiled at this time and said: “If the position of chairman must be filled by a healthy person, I believe that neither you nor your brother meets this requirement.”

Yanzheng blurted out and shouted: “You *fcking don’t bullsht* here! My body is very healthy!”

“Really?” Charlie sneered: “If I guessed correctly, you should have lost fertility now? You don’t even have fertility. You still have the face to say that you are very healthy? For you, fertility is an ability not important at all?”

Yanzheng had been holding back because of the loss of fertility. His previous character may have long been unable to bear to find Charlie to settle the account.

The reason why he has been forbearing, he has not spoken to Charlie until now, is also because he has always put the matter of taking over as chairman of the board first.

But he didn't expect that he hadn't found Charlie to take the trouble, this guy actually took the initiative to ridicule him with this incident, which made him suddenly unable to suppress his anger, and blurted out: "You Charlie, I *fcking have already treated you to the bottom line of your life, the investigation is clear! Don't think I don't know what your background is, aren't you the fcking son-in-law of a third-rate family in Aurous Hill?* What are you pretending to be in front of me?"

Seeing that Yanzheng had exploded, Yangang also stood up and gritted his teeth and cursed: "You fl!th, what method did you use? If you don't let us return to normal today, don't blame me for being rude to you! Even if it is. The boss covers you, and we will not spare you!"

Weiliang and Weiguang, who were sitting at the farthest point in the conference room, kept suppressing their anger towards Charlie. They didn't say a word, just because they were afraid of ruining Yanzheng and Yangang's good deeds. Now seeing that they both attack Charlie, so stood up immediately.

Weiliang said viciously: "Charlie is it! If you don't give us a satisfactory solution to this matter, I will let you lie in the urn back to Aurous Hill!"

Weiliang was also not to be outdone: "Lying in the urn, don't even think about going back, I just lift your ashes!"

Philip screamed with a black face, "It's your turn! Do you think I can't take you home? Do you think I have a disease, you can ride on my neck and sh!t?"

Charlie smiled slightly at this time and said faintly: "Uncle, you have recovered from a serious illness. Don't get angry with these people, let me have a chat with them."

After finishing speaking, he looked at the other shareholders and said kindly: "Everyone, the next thing has nothing to do with the board of directors. Please avoid it first."

Everyone looked at Philip.

Philip nodded and said, "Okay, let's all go. There will be a reception in the press hall downstairs later. You can move there and wait first."

Everyone stood up almost without thinking and left the meeting room in an orderly manner.

As the door of the conference room closed again, Philip said to Charlie: "Charlie, it has been specially soundproofed inside, so even if the gun is fired inside, you can't hear it from outside, so you can play freely."

Charlie smiled and said, "OK, Uncle."

When Yanzheng and others heard this, their faces paled in shock.

They knew that Charlie was very strong, and neither God of War nor Realm Master was his opponent.

If he had to do it right away, the four of them would not be enough to watch.

Therefore, Yanzheng pretended to be calm and shouted: "Listen to me, I am the second master of the Gu family! My identity is beyond your reach in this life, so you'd better not offend me to death, otherwise If you do, you are at your own risk!"

Charlie didn't get angry when he heard it. He laughed, and asked him: "Don't tell yourself so arrogantly. At the very least, you have to figure out who I am!"

Chapter 1555

"Find out who you are?!"

Although Yanzheng was a little afraid of Charlie's strength, when he heard this, his face was still full of disdain.

He looked at Charlie and sarcastically said, "I said, I have already found out your details a long time ago. Aren't you just the live-in son-in-law of the Aurous Hill's Willson family? It's a poor family in a small city. What is it about you?"

“Yes!”

Yangang immediately said coldly, “You have to figure it out. Pull out all the big families in Aurous Hill and add them together. It’s less than half of our Gu family!”

Yangang’s words are somewhat arrogant and exaggerated, but fundamentally speaking, there is nothing wrong with his words.

Compared with Eastcliff, Aurous Hill is indeed not a big city.

Moreover, the Song family, Aurous Hill’s first family, has assets of more than 100 billion, which are far from the Gu family.

Therefore, Philip has the confidence to say such arrogant words just now.

At this time, Charlie smiled calmly and asked, “You didn’t think about it. How could I have met Uncle if I were just the son-in-law of a poor family in a small city?”

Philip nodded, looked at his two younger brothers and two nephews playfully, and smiled.

Yanzheng coldly snorted, “Do you think don’t know what you do? Aren’t you just a d*mn liar who looks at Fengshui?”

As he said, Yanzheng was full of disdain: “I know, you did fool a few local turtles in Aurous Hill, but you know, this is the f*cking Eastcliff, not Aurous Hill! This is where the dragon and the tiger are really hidden, you If you can eat well in Aurous Hill, you think you can eat well in Eastcliff? There are many people here, and there are as many dragons and phoenixes as the crucian carp that crosses the river. An old fortune-telling man will drop down from the walls of the Eastcliff, I am afraid he is better than you!”

Charlie nodded and sighed: “Oh, what you said really gave me the initiation. If you weren’t talking about the difference between Aurous Hill and Eastcliff, I almost forgot about it, I am not from Aurous Hill at all, I am actually from Eastcliff!”

“What?” Yanzheng frowned, “Are you from Eastcliff?”

“Yeah.” Charlie smiled and nodded, patted his chest, and said: “I am a native of Eastcliff. I left Eastcliff to Aurous Hill when I was eight.”

When Yanzheng heard this, he immediately sneered: “Could it be that you had no foundation in Eastcliff before you were eight? You left Eastcliff at the age of eight, and now you come back after such a long time, you dare to run wild in front of me?”

Philip smiled and asked him: “My second child, don’t you see that Charlie is somewhat familiar? Don’t you think he looks like someone?”

Yanzheng squinted his eyes to look at Charlie carefully, and said, “Does this kid have anything special? He’s just plain and ordinary, not as handsome as when I was young.”

Philip laughed out loud: “Second, I didn’t expect you to be under my protection. After so many years of pampering you, your whole person will become more and more regressive. It’s a waste of more than 40 years!”

Yanzheng was startled, and subconsciously asked, “What do you mean? You don’t have to tell me about it here, just say what you want!”

Philip nodded: “Okay! Then I’ll speak straight!”

After all, Philip stood up and said in a haughty tone: “Do you remember that I had a elder brother who became a legend, and the Gu family can have today, thanks to his promotion all the way more than ten or twenty years ago! Even when the Old Master was alive, He was a guest of honor and respected him. At that time, you were a dude with a half-bottle of water. The Old Master would not allow you to have much contact with my eldest brother, for fear that you would lose the Gu family’s face in front of him. What is my eldest brother’s surname?”

Yanzheng had forgotten Charlie’s father for many years. After all, the deceased has passed away, and many relatives may not be able to remember the deceased for more than ten years, let alone Yanzheng and Charlie’s father with no friendship.

Back then, Yanzheng just watched his elder brother worship the brightest star of the Wade family, and he was jealous, but after the death of Charlie’s father, he gradually forgot about it.

However, now that the eldest brother was so directly named, he immediately thought of the handsome and generous figure.
