

The Charismatic Charlie Wade Chapter 1566 – 1570

Chapter 1566

In Philip's eyes, the Wade family and the Su family were two dragons competing.

The difference in strength between the two is not too great, but the Su Family still beats the Wade Family.

In fact, in the early years, the strength of the two companies can be said to be almost the same.

Had it not been for Changying's untimely death at a young age, the Wade family might have already surpassed the Su family under his leadership.

But it was precisely because of the fall of Changying's genius that the Wade family had no successors, so that the Su family gradually opened up a bit of status.

However, Philip believed that if Charlie came to inherit the Wade family and then married his daughter, Charlie would have both Wade and Gu in his hands by that time.

Even in the future, the two can be deeply merged together.

In that way, Charlie would be able to beat the dust in the entire business community.

However, he didn't know when Charlie could deal with all the matters of Aurous Hill, and then he returned to Eastcliff to marry his daughter.

However, Philip did not mention this matter, let alone urge him, but took a deep look at him, then patted him on the shoulder, and said seriously: "After leaving, let's go see your parents. !"

Charlie nodded gently and said, "Uncle, I want to buy them two bunches of flowers. Is there a flower shop nearby?"

"You don't need to buy it." Philip said: "After we go out, your Aunt Lenan has started to prepare. Now they are all ready. Let's go home directly, and after meeting with them, we will go to Waderest Mountain together!"

Charlie said gratefully: "It's really hard work for Aunt Lenan. These things should have been handled by me..."

Philip waved his hand: "Lenan, you mother had the same relationship as sisters, and your father and I had the same brotherhood, and we have always regarded you as our own. Therefore, our two families are originally one family, and it is the same who manages them!"

.....

Philip's motorcade drove out of the Gu Group neatly.

The convoy returned to Gu's villa first, and the driver at home drove a black Rolls Royce out again. Lenan and Sara were sitting in this car.

Although the Rolls-Royce looked very large, it only had two seats in the back row, so the four people were divided into two cars, and under the escort of bodyguards, they quickly drove out of the city to the western suburbs of Eastcliff.

Eastcliff is surrounded by mountains on three sides and is full of endless Yanshan Mountains.

Yanshan is steep and steep, easy to defend and difficult to attack. From this point, the Great Wall of China began to extend in both directions, east to Shanhaiguan, and west to Jiayuguan.

Waderest Mountain is an ingot-shaped green hill in the Yanshan Mountains.

This place was originally deep in the mountains, with no people or roads. After the Wade family chose to build the ancestral tomb here, they built a road leading to the foot of the mountain and built a winding road to the mountainside. The investment was huge.

In the past, this mountain and this road were closed. Because the property rights were bought and the road was invested independently, other social vehicles and people were not allowed to enter. Philip's motorcade could enter. This was because they had followed Wade in advance. Because the family said hello!

At this moment, Charlie was sitting in the Rolls Royce, getting closer and closer to Waderest Mountain.

In ten minutes, he will be able to see his parents who have been separated for nearly eighteen years from him.

Even though yin and yan are separated, he still can't restrain the tension in his heart.

He looked at the mountain, and said silently in his heart: "Parents, your son has finally come to see you..."

Chapter 1567

Waderest Mountain.

This mountain, which can be called a treasure of feng shui, is not only better than ingots in shape, but also better. It is surrounded by a continuous river with excellent water outlets.

The ancients loved mountains and water. Water not only cleans everything, it is also the source of life. Therefore, water must be indispensable for the so-called feng shui treasure.

The water of Waderest Mountain is indeed beautiful from heaven. Not only does the heavenly gate open and the land is closed, but it also perfectly matches the trend of the fortune to the river and the position and orientation of the mountain itself, forming a "water bureau Xinlong" feng shui array. .

Such a feng shui formation can guarantee the prosperity of the family and the prosperous future generations, and more importantly, it can break the situation of the Dragon Shoal before the Wade family.

Charlie has a deep knowledge of Feng Shui mystery because he has studied the “Nine Profound Sky Classics”.

Although he didn't know why the old Feng Shui said that Waderest was trapped in the shoal, he could perceive that the ancestral grave of Waderest Mountain not only blessed the descendants and prospered family business, but also faintly soared into the sky.

This made him amazed. The Wade Family really had a lot of money. Not only could they buy such a feng shui place, but they could also invest so much money to make a big investment here.

The geomantic omen here is very good, and if the descendants are a little bit more vigorous, the Wade family will definitely continue to prosper.

When approaching the foot of Waderest Mountain, Philip reminded Charlie: “Charlie, I will ask the driver to pull over and you can drive.”

Charlie didn't want to be exposed in front of the Wade family for the time being, so yesterday he had already agreed with Philip, acting as a driver and assistant and going with him to worship his parents.

So he nodded and said, “OK, Uncle, I'll drive.”

The driver pulled the car over, handed the sunglasses to Charlie, and said, “Mr. Charlie, here, this is for you.”

Charlie took the sunglasses and put them on, took out a disposable mask from his pocket, and then sat in the cab.

The driver did not stay in this car, but went to one of the other vehicles behind.

Charlie drove on and continued forward. When he reached the bottom of Waderest Mountain, a mighty white marble gate tower stood in front of him, and under the gate tower, the electric gate was closed tightly, and several security personnel stood on both sides as if standing guard.

The leading car stopped in front of the gate, and then the convoy stopped one after another.

A security guard walked up to Philip's car from the front. Philip put down half of the window. The other side respectfully said, "Mr. Gu, please ask the driver to park the car in the parking lot nearby. There are too many cars for fear of disturbing the ancestors of the Wade family. You can go in the car with your wife and young lady."

Philip nodded and said to the assistant on the co-pilot: "Go and coordinate and let them wait in the parking lot."

The assistant hurriedly asked: "Chairman, what about your safety issues..."

Philip said earnestly: "This is the site of the Wade Family, and there is absolutely no problem of safety issues."

The security guard outside the car bowed respectfully: "Thank you Mr. Gu for your affirmation."

Afterwards, while the assistant pushed the door to get out of the car, he opened his mouth and said to Charlie sitting in the cab: "Mr. driver, after going into the mountain, please don't honk the whistle or accelerate quickly, and keep the engine speed as low as possible. Below two thousand five hundred revolutions, so as not to make too much movement and disturb the ambiance."

Charlie nodded.

Naturally, the mausoleum should be as quiet as possible, not only can he not honk the horn, nor make noise.

Moreover, the sound of a car engine is the greater the speed, the greater the noise.

Chapter 1568

Whether it is an ordinary family car or a luxury car, when the engine speed is below 2,500 rpm, it will not make much movement, but if the speed is increased to three or four thousand, or even four or five thousand, the noise will immediately increased several times.

Therefore, as a driver, you must be gentle when stepping on the accelerator.

At this time, all the vehicles carried by the security personnel drove into the parking lot beside the entrance building.

There are only two black Rolls Royces left, the one in front is driven by Charlie, and the one in the back is another driver from the Gu family.

The electric door below the gate opened to both sides, and the security personnel made a gesture of asking. Charlie stepped on the accelerator lightly and drove slowly into the gate building.

When he drove the car into the winding road of Waderest Mountain, he became more and more admired for the Feng Shui master who selected this treasure.

There are countless mountains in the Yanshan Mountains, and he can find them among the thousands of mountains, and he is indeed quite capable.

The two cars were winding upwards on the road, and Charlie no longer paid attention to Feng Shui. He could already see a large white marble mausoleum on the mountainside. There was the current ancestral grave of the Wade family.

Soon, the Rolls Royce he was driving went to the flat ground not far below the tomb.

This is a specially opened parking lot. Several men in black suits are standing here, it seems they should be the security personnel of the graveyard.

The larger the family, the more attention is paid to the safety of the ancestral grave.

The top families can flourish and prosper, and the feng shui of the ancestral tomb must have played a considerable role, just like the ancient royal dragon veins, which is of great significance.

If it is a foe or a competitor who has misconceptions and deliberately destroys his family's ancestral grave, the wealth will be lost, or the family will be destroyed.

Therefore, there are as many as a hundred security personnel deployed by the Wade family in Waderest Mountain. In a year, the maintenance and security expenses of the ancestral grave alone will cost at least several hundred million.

At this time, the security personnel guided Charlie, and after stopping the car in the designated parking space of the parking lot, Charlie immediately got out of the car and went to the back row to help Philip open the door.

In the car behind, Lenan and Sara also got out of the car.

Afterwards, the driver of that car opened the trunk, and Lenan and Sara carefully took out a few bunches of flowers from inside, beckoned to Charlie and said, "Tenneria, come here, and help hold the flowers."

Charlie knew this was the call for him, so he understood it, hurried to the front, and took two bouquets of flowers from the hands of the two.

Lenan took out two more bundles from inside, and she and Sara each held one.

Philip also stepped forward at this time and said to Charlie: "Come on, Tenneria, give me a bunch."

Charlie hurriedly handed him one of them.

Philip deliberately sighed at this time, rubbed the knee of his right leg, and said, "Some time ago, during chemotherapy, the knee of the right leg caused by the medicine seemed to be still a little uncomfortable. There are more than 100 steps, Tenneria Just help me up."

Charlie naturally nodded and agreed: "OK, Chariman Gu!"

Philip said to the other driver: "Jos, just let Tenneria help me over. You are waiting in the car."

The driver nodded immediately: "Okay Master!"

At this moment, the security officer said with some embarrassment: "Mr. Gu, this does not meet Waderest's regulations. According to the Wade Family's regulations, only you,

your wife, and the young lady can go up the mountain. Even we can't accompany you. It's still troublesome Sir, he'll stay in the car and wait for you!"

Chapter 1569

The management of Waderests grave has always been extremely strict.

According to the Wade family's regulations, in addition to immediate family members, collateral blood relatives who want to come to the ancestral tomb to worship must have the permission of the Wade family.

The requirements for outsiders are even stricter.

It must be a family or individual who has a deep connection with the Wade family to be allowed to enter.

Like Philip, he and Changying were like brothers. Therefore, their family of three will be approved to worship.

But his entourage does not have the qualifications to approach Waderest's graves.

After all, just three words, not worthy.

The Wade family buried here, whichever is placed outside, is a dragon and phoenix among the people, and who are the drivers, entourage, and assistant who are qualified to worship.

Not to mention other people's servants, even the Wade Family's servants and the Wade Family's security here are not eligible to enter the tomb area.

This area is cleaned and maintained three times in the morning, noon and evening every day, and the person responsible for cleaning and maintenance is not the subordinates of the Wade family, but the collateral relatives of the Wade family.

Of course, even if it is a collateral relative, it must be a talented person named Wade.

Therefore, the security personnel stopped Charlie, naturally because of this.

Philip saw that the other party was about to stop Charlie, and immediately said: “Young man, I have just recovered from a serious illness, and my body still has some sequelae. It is really inconvenient to move. Let my driver help me up. Your Waderest graves were not so strict before. At that time, the entourage could also accompany in.”

The security personnel looked sorry, but said in a very firm tone: “I’m sorry, Mr. Gu, this is the new rule set by the family owner after the ancestral grave moved into Waderest Mountain, and we must abide by it and never exceed it, so please Please forgive me.”

Philip suddenly became anxious.

It was for Charlie to personally worship his parents, so he made a special trip to bring him here.

Charlie didn’t want to reveal his identity, so he could only pretend to be a driver, but what he didn’t expect is that Waderest’s current management is so strict.

He, the chairman of the Gu Group, even put a pleading tone to the security personnel, saying: “Young man, I am indeed suffering from physical inconvenience. Please also look at the face of my relationship with the Wade family. Open up a side for me, you don’t want to watch me roll down the stone steps without standing still, right?”

Seeing this, the security personnel hurriedly bowed deeply: “Mr. Gu, there is really no way to accommodate this matter, otherwise, the job I have cannot be kept.”

Philip was a little annoyed, and questioned a bit angrily: “Your rules are too unreasonable, right? Our two are family friends, how can you make me look like an outsider?”

The security staff said embarrassingly: “Mr. Gu, let’s tell you that this rule is set by the old master, and the owner treats the old master’s words as a standard, so we must strictly observe and not violate it. Please forgive me!”

Philip angered and anxiously blurted out, “Then this is not accommodating, right? Should I call Elder Wade now?”

The security personnel nodded hurriedly and said, “Mr. Gu, you should call the owner of the house. If the owner allows, we will never stop him!”

Philip knew that he couldn't persuade the other party, so he sighed and said, "Yes, I will call Elder Wade."

Although he said so, he had no bottom in his heart.

He knew about the Wade family, and knew that the Wade family moved the ancestral tomb to Waderest Mountain because of an expert, and that expert should be the old master of the security staff.

If it was the request made by the old master, I believe that the Old Master would never open any back door to him for his own Feng Shui.

Could it be that Charlie could not be allowed to worship his parents in person today?

Chapter 1570

He has been separated from his parents for 18 years!

Charlie was also anxious at this time.

In fact, since he got the "Nine Profound Sky Classics", he hasn't felt this panic and eagerness for a long time.

His parents were buried in one of the Carden mausoleums not far away. As long as they stepped up to more than one hundred stone steps, they could go to the parents' graves to pay homage, fulfilling the biggest dream of eighteen years.

However, if these people don't let him go, can't go all the way, right?

Or, does he have to identify myself from the Wade family?

However, although he can make himself honorable to worship parents in that way, after that is the real trouble.

At this moment, a loud voice sounded: "Let him go"

Everyone followed the prestige, only to see an Old Master with an old-fashioned, completely white hair, beard, and eyebrows, walking slowly over with a cane.

When Charlie saw this person, he felt that he should be a hundred years old. Although he was very old, his walking posture was surprisingly stable with the help of crutches.

It is the twelfth lunar month of winter. The Old Master is only wearing a white Tailored suit, but he can't see that he is half cold.

And his crutches seem to be a bit different.

Charlie has seen many old people's walking sticks, with dragon heads carved on the top, but there is a python carved on his walking stick.

After taking a few glances at the other party, Charlie couldn't help but wondered in his heart: "Could it be that Uncle said this person, the old Chinese Fengshui master invited by the Wade family from the United States?"

Later, he couldn't help thinking: "Why did he agree to let me go up? Could it be that he saw through my identity? Is his insight so strong? Or is there any other way he can figure out my identity?"

Just when he couldn't think of the whole story, the person in charge of security asked in surprise: "Old Master don't you mean that outsiders are not allowed to go up except Wade Family's best friend?"

The Old Master smiled slightly, looked at Charlie and said, "He is not an outsider."

The security staff was even more puzzled: "Old Master what do you mean? Why don't I understand?"

The Old Master smiled and said, "I think this person should have a deep connection with the Wade family in his previous life, so he's not an outsider, let him go up."

"Have a relationship in the previous life?" The security personnel were naturally a little unbelieving, but the thought of feng shui was very mysterious at first, maybe this thing might be true.

So, he said embarrassingly: “Old Master Patriarch meant...”

The Old Master replied: “Have your Patriarch said that as long as I am on this day, I will have the final say here?”

The security personnel hurriedly and respectfully said: “The owner did say that!”

The Old Master asked again: “Then your Patriarch has said that even if I ask you to tear down Waderests tomb, you must not disobey?”

The security staff is more respectful: “The owner did say it!”

The Old Master nodded and asked: “Then I let him go up, do you have any comments?”

The security staff took a step back subconsciously and respectfully said: “Going back to the old master, I have no opinion! Everything is subject to your opinion!”

The Old Master nodded in satisfaction, and then made a gesture of inviting Charlie, saying, “Gentleman, please.”
