

The Charismatic Charlie Wade Chapter 1581 – 1585

Chapter 1581

At this moment, Charlie followed Elsa into the villa.

The residences of big families like Eastcliff are very luxurious. When you enter the door, the living room is almost the size of a small banquet hall.

At this time, there were a lot of people inside, and many of Eastcliff's more prestigious figures gathered here at this time, chatting eagerly in groups.

Accompanied by her husband, Mrs. Dong was talking and laughing with a few old friends of the same age.

Elsa hurriedly said to Charlie: "My grandma is over there, I will take you over to see her."

Charlie nodded and smiled: "Then just give the gift I prepared to your grandma."

When the two came to the old couple, Elsa smiled and said to them: "Grandpa and grandma, let me introduce you. This is my university classmate, his name is Charlie!"

The Old Lady hurriedly smiled and said: "Oh, it's Elsa's college classmate! Welcome!"

After that, the Old Lady asked again: "By the way, Elsa, I remember that among your college classmates at the time, there was a girl who had a very good relationship with you. She was called Claire, right?"

At this time, Charlie said: "Hello, Grandma, I am Claire's husband. In fact, Claire always wanted to come to you in person for birthdays, but there are indeed many things in the

family that cannot allow her to travel currently, so she asked me to take her place. I came here, please forgive me!”

The Old Lady smiled and said: “Oh, that little girl Claire is already married now!”

After that, she looked at Elsa again and said seriously: “Elsa, look, your college classmates are getting married one after another, but you don’t even have a boyfriend up to now, you just listen to what grandma said. Don’t go to Aurous Hill anymore. Find a boyfriend in Eastcliff, and get married early and grandma will feel at ease!”

Elsa had mixed feelings in her heart at this time.

She likes Charlie, and it is the kind of love that goes deep into her bones, so in her heart, she has already decided not to marry anyone other than Charlie.

But unfortunately, Charlie is the nominal husband of her good best friend, and now even her family knows it. Wouldn’t it be even more impossible for her and Charlie in the future?

Although the Dong family is not a top-notch family in Eastcliff, it is still sturdy. How could it be possible to let their granddaughter be with a married man?

Even if he is divorced, it will be his second marriage, and it would be embarrassing to spread it out.

Thinking of this, she felt extremely disappointed.

At this moment, a discordant voice came: “Grandma! Grandpa!”

Elsa turned her head to see, her cousin Delon walked over with a look of sadness.

She subconsciously asked: “Cousin, I heard that you had an operation some time ago? How is your recovery now?”

When Delon heard her ask about the operation, he couldn’t help being a little annoyed, and said angrily: “Don’t talk about the operation this messy thing with me, thinking of it, I get f*cking angry!”

Mrs. Dong said distressedly: “Elsa, you don’t know, your cousin suffered a serious crime some time ago!”

Charlie didn’t look back at this time, but he heard the voice really familiar.

After thinking about it carefully, he caught the identity of the owner of this voice in his mind.

Isn’t this the Young Mr. Kevin, Delon who was forced to swallow a string of gemstone necklaces in Warnia’s house at that time?

how? Is he Elsa’s cousin?

Moreover, Delon called Elsa’s grandmother grandma, which means that he is the child of Elsa’s aunt.

This is really interesting.

Chapter 1582

At this moment, Elsa said to Delon: “Brother, let me introduce you to my college classmate!”

As soon as the voice fell, Charlie turned around with a smile on his face. The moment Delon saw him, he felt like he had seen a ghost!

He was surprised for a long while before he came back to his senses, and then he began to gritted his teeth: “Okay! The name is Wade! I’m so *fcking worried that I can’t find you. You dared to come to my grandma’s house. You won’t make it out today. dmn you!*”

Elsa was startled and blurted out: “Brother, what do you mean? Charlie is a guest, why are you talking to him like this?”

Delon gritted his teeth and said, “Do you know why I had an operation?”

Elsa blurted out: “I heard mom say that you swallowed a necklace.”

“Yes!” Delon said angrily: “Why I swallowed the necklace? It’s because of this b@stard!”

Charlie snorted: “Mr. Kevin, speak rationally and be kind, did I force you to swallow the necklace? Or did I break your mouth and stuff it into your stomach?”

Delon did not speak.

How to say?

Charlie didn’t have any problems with these words. He really didn’t force him to swallow the necklace, but he lost the bet with him and couldn’t get off the stage, so he bit his teeth and swallowed it.

But isn’t he the culprit?

Thinking of this, Delon cursed sternly: “Charlie! You’re f*cking here to break this with me! I just want to settle this account with you!”

Charlie ignored him. Instead, he looked at Mrs. Dong, handed over the gift box he had brought, and said seriously: “Grandma, this is a birthday gift that Claire and I have prepared for you. Please accept it.”

The Old Lady didn’t understand the contradiction between Charlie and her grandson, but after all, she was an elder of a big family and she was very polite, so she reached out and took the gift and said, “Thank you for talking to Claire. Please carry my thoughts.”

Delon looked at Charlie ignoring him, his whole body almost exploded.

He snatched the gift box from his grandmother’s hand, and then dropped it directly to the ground, pointing at Charlie and cursing: “Charlie, get out of here now, and then return to Aurous Hill to give it to me. Be prepared and wait for death, I will come to Aurous Hill to kill you personally in two days!”

Charlie didn’t get angry, but said indifferently: “Delon, for Elsa’s face, I call you Mr. Kevin, but you shouldn’t push your nose on your face, otherwise, don’t blame me for disregarding Elsa’s affection!”

Elsa was also very angry, and angrily said: “Cousin, what are you doing?! Charlie is a guest! Why are you driving people out? Why are you throwing away the gifts they gave grandma?”

After speaking, she bent down and picked up the gift box that had been smashed open and the fan in the gift box out.

Delon said contemptuously: “This kind of sl*t, what good can he give grandma to his mother? It’s just a broken fan, and he can handle this kind of rag!”

Mrs. Dong sighed helplessly.

The Old Lady knew exactly what virtue her grandson was.

Although she heard that Charlie might be inseparable from his grandson’s operation, but looking at what this means, 80% of her grandson’s own blame and asking for trouble, the responsibility may not lie with Charlie.

So, she said seriously: “Delon, such a big person, why is his speech so shallow? Gifts represent the mind, regardless of high or low.”

When Delon heard this, he immediately took out a gift box from his pocket. After opening it, it contained a Maitreya Buddha carved with green jade.

At first glance, the jadeite is an imperial green with excellent water. The material is excellent, there are no flaws, and the carving is perfect. There is also a circle of diamonds next to it, which is quite dazzling.

He handed the jade necklace to Mrs. Dong, and said unconvinced: “Grandma, this jade Buddha is Laokeng Emperor Green, worth at least 30 million. The broken fan is a few hundred. There are so many like that, these two things are placed together, and the judgment is made! Rubbish is rubbish, and no matter how good the packaging is, it can’t be valuable!”

Chapter 1583

Seeing Delon still having this face, Charlie couldn't help but sneered: "I said Delon, you also remember whether you eat or not. Have you forgotten the necklace you swallowed last time?"

The main reason why Delon was forced to swallow that string of gemstone necklaces last time was because he lost the bet to Charlie.

At that time, he felt that he had taken a string of tens of millions of necklaces that were already great, and at the same time the rejuvenation pill that Charlie gave to Warnia was worthless.

But he didn't expect that a rejuvenating pill would be directly sold at a sky-high price of 2 billion at Warnia's birthday party.

However, after Delon came back, he has been pondering this matter, and the more he pondered, the more he felt that something was wrong.

He always felt that it was impossible for anyone to be willing to spend 2 billion on such a stupid thing.

So the greatest possibility, in fact, should be that Tailai and Charlie joined forces to sing a double song!

Although Tailai had spent 2 billion on the surface, it was very likely that Charlie would return the money to him after turning around.

Therefore, he hated Charlie even more.

It turned out that he was planning to go to Aurous Hill to settle accounts with him after the new year, but he unexpectedly came to Eastcliff and his grandma's house on his own initiative, which made him hate him immediately.

If it wasn't for the birthday banquet at this time, he would even wish to call someone over immediately and directly beat Charlie to death.

Therefore, he immediately yelled at Charlie: "Charlie, you f*cking calculated my account last time, I haven't settled it with you yet, now you dare to come to Eastcliff and pretend to be a righteous?"

As he said, he asked angrily: “You tell me the truth, was that Tailai colluding with you last time?”

Charlie snorted disdainfully, and said: “If you can’t afford to lose, just say it straight, not shame in it, but you can’t afford to lose and you are still playing a rogue, that would be a bit of shame.”

Delon suddenly became angry, gritted his teeth and said: “You *fcking said I can’t afford to lose? I’m the fcking can’t afford to lose?*”

Charlie smiled and asked, “If you can afford to lose, then let’s gamble again.”

Delon said immediately: “Okay! What to bet, you say it!”

Charlie said, “Didn’t you say that the fan I gave is only worth a few hundred? So, if my fan is better than your jade, you will eat your jade, just like the last time you ate gems necklace.”

“Grass!” When Delon heard that he mentioned that he had swallowed the necklace, he was immediately angry: “Boy, are you *fcking looking for death, are you? Believe it or not, I fcking let people kill you!*”

Elsa said angrily: “Cousin, Charlie is my friend, don’t go too far!”

“Far?” Delon snorted coldly: “It’s not so good, you think it’s too much? I tell you, new hatred and old hatred, I will definitely kill him this time!”

Charlie smiled and said: “Look, if I say you can’t afford to lose, you still don’t admit it. You have jumped the wall in a hurry, and your mouth is stiff? What’s the matter, don’t you dare to bet?”

“I don’t dare to bet?” Delon said contemptuously: “My *dmn carefully selected emperor green jade pendant is not as good as your dashed fan? What a dmn international joke!*”

After that, Delon asked sternly: “What if you lose? Dare to eat your fan?”

Chapter 1584

Charlie nodded: "Yes, then let's just say that. If I lose, I will eat the fan. If you lose, you will eat the jade pendant."

"Grass!" Delon gritted his teeth: "Okay! I don't believe it anymore! That's it! My jade was sold for 24 million. I have transaction records as proof. How much is your broken fan worth?"

Charlie didn't know how much the fan was worth.

However, he knows that Qi Baishi's paintings have been rising rapidly in recent years, and the price increase rate of his works is much faster than that of jadeite.

Although this is just a fan, it is by no means a random graffiti, but a picture of Fushou drawn very carefully.

Qi Baishi's top painting "High Litu of Pines and Cypresses" was auctioned for a maximum of more than 400 million, and this is still the auction price ten years ago. If it is auctioned now, it may even exceed 800 million.

Philip is no ordinary person at first, and the things he collects, even if it is a fan, must be the finest work of Old Baishi.

Since it is a superb work, it would cost tens of millions for a fan alone, plus this superb fan bone with a perfect golden tumor scar, the price must be far above 24 million.

So Charlie opened his mouth and said: "You can ask someone who knows how to paint to identify how much this fan is worth."

"Fan?" Delon curled his lips: "What the h*ll, it's so ugly!"

A knowledgeable person next to him immediately exclaimed: "Oh! This seems to be a painting by Qi Baishi! Fushou Tu fan, this fan is very famous!"

"Yes!" someone echoed: "This fan seems to have been auctioned at Christie's in the past few years. If I remember correctly, it should have been auctioned off by Chairman Gu of the Gu family for 48.88 million!"

“Chairman Gu? Is it the Chairman Gu who announced his recovery in a high-profile manner yesterday and returned to the control of the Gu Group?”

“Yes, it’s him!”

“It’s weird, how could this young man have Chairman Gu’s collection in his hand? Could it be stolen?”

“Stealing? It’s impossible, but it’s also impossible to be authentic. I guess it’s an imitation, or it was copied by a contemporary expert.”

Delon heard these conversations, with a sneer at the corners of his mouth, and said to Charlie: “Okay, Charlie, even f*cking fooled my grandma with fakes, you are really looking for death!”

Delon’s grandmother said embarrassingly, “Oh, you two shouldn’t fight here like you are kids. The courtesy is light and affectionate. Why bother to explore the real price? Delon, you take a step back. After all, Charlie is a guest. , And come from afar!”

“How do you do that!” Delon gritted his teeth and said, “Grandma, this grandson has pitted me so badly. I will definitely not let him go this time!”

As he said, he shook the folding fan in his hand and sneered: “Oh, I said Charlie, if your fan is real, it is indeed worth more than my jadeite, but your thing is a fake, it’s worth the f*ck. Three thousand is great, how about it, hurry up and eat it!”

Charlie smiled and asked, “Why do you say it is fake? Are you an expert in appraisal?”

Delon pointed to the crowd watching the excitement around him, and said: “What everyone said just now, you must have heard it too, don’t you want to be tough?”

After speaking, Delon said disgustedly: “This fan of authenticity is in the hands of Chairman Gu of the Gu Group. With your rag, can you still get his collection from Chairman Gu? ?”

Charlie smiled and said: “You’re right. Chairman Gu really gave this fan to me. I heard someone next to me saying that it was procured at a price of 48.88 million that year. It is already more expensive than your jade pendant. It’s more than twice as expensive now

to say the least, so I won't talk nonsense with you anymore, hurry up and swallow your pendant."

Chapter 1585

"I swallow y0ur sister!"

Delon yelled coldly: *"fcking your mouth when you die, even if you lie, you dare to bring Chairman Gu in. If Chairman Gu blames it, will you be the dmn bear?"*

Charlie smiled and said: "If you don't believe me, just call Chairman Gu and ask him if he personally gave this fan to me."

"I'm pooh!" Delon curled his lips: "Even as the young master of the Kevin family, I don't have the right to contact Chairman Gu directly. Do you f*cking know that I can't ask Chairman Gu to confirm the authenticity, so you're here unscrupulously? Pretend to be forced?"

Charlie smiled noncommitantly: "This kind of thing is boring to talk about. It's better to find a professional authority to come and see."

"No need." Delon sneered: "Tell you, I specially invited Weiliang, the eldest son of the Gu family, today. If this thing is true of you, then this is the collection of the eldest son of Gu, and you will know what the situation is. !"

Charlie laughed even louder when he heard this: "Okay, since you have to wait for the eldest son of the Gu family, then wait for him to come."

Delon didn't expect that Charlie was not scared at all, he was not even half empty, and he couldn't help being surprised.

If he changed himself to him, took a copy to pretend to be Chairman Gu's collection, and heard that Mr. Gu was coming over, then he would rush to avoid being caught by Mr. Gu.

But Charlie didn't mean to run at all.

This made him wonder, why is this kid so confident?

Although he is in Aurous Hill, he seems to have some connections, but he can't really get into Philip's relationship, right?

Who is Philip? The head of Eastcliff's third-largest family, the Gu family!

Not to mention Charlie, even his father can't get into this relationship. Why can this live-in son-in-law in a small place such as Aurous Hill place have a relationship with Philip? It's impossible!

At this moment, someone yelled: "Grandson of Gu's is here!"

All of a sudden, the spirit of twelve minutes was up.

Even Elsa's grandparents became serious in a hurry.

Don't care that Weiliang is just a young man in his twenties from the Gu family, but in the eyes of the Dong family and the guests from all walks of life, he can be regarded as the one of the most important at this birthday banquet. Mrs. Dong had to be polite and even flattering in front of Weiliang.

At this moment, Weiliang walked in with an arrogant expression under the gaze of everyone.

Elsa's father and uncle followed him with flattering faces, nodding and bowing, completely kneeling and licking without concealment.

Today, Weiliang didn't plan to come here, because his relationship with Delon is just normal. Although the Kevin family is a little stronger than the Dong family now, it is still much worse than the Gu family, so Weiliang doesn't look down on Delon at all.

But the main reason why he is still willing to come is that he heard from Delon that he has a really good-looking sister who just came back from Aurous Hill and wanted to introduce him to her.

Although Weiliang still couldn't do that, he still had the virtue of that dude in his heart. Although his ability was gone, he was still full of illusions and longing for the opposite sex in his heart.

In fact, this is also human nature. It is no secret that the ancient eunuchs often confronted the palace ladies in the palace.

In addition, Weiliang had long heard that Elsa, the granddaughter of the Dong family, was beautiful, and it happened to have a chance this time, so he wanted to come over and take a look.

As soon as Weiliang came in, Elsa's grandfather immediately took a step forward, enthusiastically and respectfully saying: "Mr. Gu, don't know if you are coming here, if I have missed it, please forgive me!"

Weiliang faintly waved his hand and said, "I also heard Delon say that today is his grandma's birthday and invited me to join in, so I rushed to interrupt."

Elsa's grandfather said hurriedly, "Gu Master you come and let Dong family's residence shine, how can it be an interruption!"
