

# The Charismatic Charlie Wade Chapter 1591 – 1595

## Chapter 1591

In order to please Charlie, Weiliang put away the little sympathy in his heart for Delon.

He sternly said with a cold expression: “Delon, everyone is an adult, so you should be willing to bet and lose. I don’t think you will be haggling here anymore. Hurry up and swallow this jade!”

Delon’s expression immediately turned into a bitter face that was too bitter.

Weiliang said coldly: “I’m telling you, please feel lucky in your heart. Last time you swallowed a necklace. This time it is just a pendant. Fortunately, I didn’t match this pendant with a chain, otherwise you have to swallow it with the necklace.!”

Delon was crying and looked at his cousin Elsa, and pleaded bitterly: “Elsa, my good sister, please quickly plead with Mr. Charlie, let Mr. Charlie let me go this time, I really know I was wrong. From now on I will never do it right with him again. From now on, I will be his dog. I will do what he asks me to do. Even if he lets me bite, I will never hesitate, but ask him to forgive me this time. ....”

Elsa’s heart was also very tangled at this time.

The cousin was so dissatisfied with Charlie just now.

Women are like this, don’t think Delon is Elsa’s cousin, the relationship between the two people was really good when they were young.

But Charlie is Elsa’s long-time lover, so if these two people are placed in front of her, she must be biased towards Charlie in her heart.

Now Delon asked her to intercede with Charlie, and she suddenly didn't know what to do.

When Juanita saw this, she ran to Elsa and knelt down while crying, and wailed and said, "Elsa, give auntie face, please beg Mr. Charlie, he can raise his hand and spare your cousin once, you aunt kneels down for you!"

Elsa wanted to stretch out her hand to help, but Juanita wanted to kneel down, and the two of them were so deadlocked.

Elsa really couldn't bear her aunt to kneel to herself, so she hurriedly looked at Charlie, apologized, and asked a little pleadingly: "Charlie, please look at my face. Just forgive my brother this time. ...."

Charlie hesitated for a moment, and said to Elsa: "Let's take a step to talk."

Elsa nodded hurriedly, followed Charlie to the side, looking at Charlie nervously, for fear that he would be angry with her.

Charlie looked at her and asked, "When in Aurous Hill, a pair of brothers named Oliver and Vincent tried to assassinate you. Does it have anything to do with Delon?"

Elsa waved her hand quickly: "It was not my cousin who did that thing, it was my other cousin..."

"Your cousin?" Charlie frowned, "Is he here?"

Elsa shook her head and said: "It is said that after the incident last time, someone with a lot of background warned the Dong family that my cousin had a guilty conscience and hid abroad and never came back. This time my grandma passed her birthday. He did not come even today."

Charlie nodded lightly, and then asked, "So, you and your cousin Delon have no contradiction, right?"

"That's right." Elsa said hurriedly: "My cousin is...how to put it, ego is built a little bit, and he doesn't know how to learn, but he hasn't done anything that hurts the world, just he just likes to boast..."

Speaking of this, Elsa pleaded diligently: “So, Charlie...you don’t have trouble with him today with this matter. Give me a face, okay?”

While talking, Elsa already grabbed Charlie’s arm with both hands, shook it gently like a baby, and her face was full of pleading and shyness.

Charlie was helpless, knowing that since Elsa had pleaded with him, he couldn’t continue to embarrass her cousin even if he was looking at her friend’s face.

However, Delon’s pretended to be a bit too big, if he were to spare him like this, it would be too cheap for him.

Thinking of this, he said to Elsa: “Well, since it is your cousin, then I have to give you face in whatever you say.”

## **Chapter 1592**

Elsa was overjoyed and said excitedly: “Thank you so much Charlie!”

Charlie said hurriedly: “Wait a moment, I don’t need to ask him to swallow that string of pendants, but he still has to accept other punishments, otherwise I’m afraid he won’t remember it.”

Elsa hurriedly asked, “Charlie, what punishment are you going to make him accept? It won’t be more serious than swallowing a pendant, right?”

“No.” Charlie smiled faintly and said: “You can rest assured that my punishment is a good thing for him.”

Elsa just relieved her heart and said affectionately: “Charlie, thank you, you forgave my brother for me, then give me a chance and let me repay you...”

Charlie asked in surprise: “How do you want to repay me?”

Elsa blinked and smiled deliberately: “Of course I promise, and then gave you a fat boy, what do you think?”

Charlie said solemnly: "In the future, don't say anything like this, I am your girlfriend's husband!"

Elsa nodded and said seriously: "I know, you two are having a fake marriage! There is no marriage in fact. In fact, the best solution for you two is to give each other freedom."

Charlie shook his head helplessly, and said, "I won't tell you this anymore, I'm also playing the piano to the cow."

After speaking, he turned back to the crowd.

Seeing him coming back, everyone hurriedly consciously stepped out of a channel.

Delon knelt on the ground, waiting for Charlie's sentence.

Charlie said indifferently: "Delon, because you are cousin of Elsa, I can give you a chance this time, but it depends on whether you can grasp it."

When Delon heard this, he immediately burst into tears and said: "Mr. Charlie, thank you for raising your hand. Don't worry, I will take good care of it and never pretend anymore!"

Charlie said: "It's useless to just say it. I can stop you from swallowing that jade pendant this time, but you have to use actual actions to prove that you can really change your mind!"

Delon nodded like smashing garlic: "Mr. Charlie, if you have any opinion, I can definitely do it!"

Charlie glanced at Elsa and said, "It's not easy for Elsa to be in Aurous Hill by herself. Let me say this. What about you, go to Aurous Hill and be a driver for Elsa for one year. You have to be honest this year. In Aurous Hill, if you dare to run or be passive, or if you dare to act with someone, I will feed you a piece of brick!"

When Delon heard this, his heart was very bitter.

Eastcliff's life is so moist, how can the small place in Aurous Hill have access to his own law?

Moreover, he still let him go there and be a driver for his cousin for a year, that too under Charlie's nose. If he really goes there, he can't even pretend to be important, and girls dare not to be... ..

However, when he thought that if he didn't agree, he would have to swallow the jade pendant, and Weiliang would definitely not let him go. He could only grit his teeth and agree, saying, "Okay, Mr. Charlie, I will definitely follow your instructions... .."

Charlie nodded in satisfaction and said, "Okay, I think you can prepare to set off after you have eaten this meal. The road is quite far away, and it will take more than ten days to talk about it."

"Huh?" Delon asked in surprise: "Mr. Charlie, it takes only two hours to fly from Eastcliff to Aurous Hill..."

"Flying?" Charlie said disdainfully: "It's up to you to be worthy of flying? You can ride a bike for me. Only tents and no hotels are allowed along the way. If you dare to take any other means of transportation, I will break your legs!"

## Chapter 1593

When he heard that he has to ride a bicycle all the way from Eastcliff to Aurous Hill, and then stay in Aurous Hill as a driver for one year, Delon wanted to die.

The key is that this road is almost more than 1,200 kilometers. If it is really cycling, it shouldn't be exhausting?

And in the twelfth lunar winter, you have to ride a bike all the way south, and you are not allowed to stay in a hotel by yourself. The requirements are too harsh, right?

Delon felt very wronged, and when he was not careful, tears rolled off his eyes.

What the h\*ll is this...

The Third Young Master of the Kevin family dignified, riding a bicycle to Aurous Hill.

With my small body, it is amazing to be able to ride fifty or sixty kilometers a day.

More than 1200 kilometers, co-authored to ride for 20 days!

But this is the twelfth lunar month!

He choked and said, "Mr. Charlie, if I go to Aurous Hill by bicycle now, it will be the first month when I arrive, and my sister will definitely have to go back to Eastcliff to celebrate the New Year. Wouldn't I be useless there?"

Charlie asked in a cold voice: "The first month is only here? Is your bu.tt growing like a leg? It's 80 kilometers a day, and it will definitely be there in fifteen days! Just like the end of the twelfth lunar month."

Delon was crying and he was riding a bicycle for eighty kilometers a day. Isn't this dying?

He usually says that the key point is that he has just finished the operation, and the movement range is large, and the knife edge is faintly painful, I will suffer the old sin...

Just when he was still trying to bargain, Weiliang on the side gritted his teeth and cursed: "You *fcking have an opinion, don't you? Believe it or not, I fcking make you not able to return to Eastcliff?!*"

Delon was so frightened that he trembled and nodded hurriedly and said, "I have no objection! I have no objection! I must be in Aurous Hill in fifteen days!"

After finishing speaking, he looked at Charlie again, choked up and said: "Mr. Charlie, can you let me leave after the New Year... Otherwise, I will come back to Aurous Hill again... "

Charlie smiled and asked him, "Delon, do you still want to come back for the New Year?"

Delon said blankly: "My sister will be back then, so I can't stay there alone, right?"

Charlie said: "After you arrive in Aurous Hill, the scope of your activities is limited to the administrative area of Aurous Hill City. Then I will ask someone to install a GPS locator on your ankle. As long as you leave Aurous Hill, I will send someone to catch you back. After the arrest, I will neither beat you nor scold you. Every time I arrest you, I will

extend your one-year period. If you run away more often, stay in Aurous Hill for the rest of your life!”

Delon shrank his neck and said hurriedly: “Mr. Charlie, don’t worry, when I arrive, I will never leave Aurous Hill...”

After that, he asked Charlie again: “Mr. Charlie, I have one more thing I want to ask you. You see that I grow up so much and spend every lunar year with my parents. Don’t let me be alone this year. Aurous Hill New Year...”

Before Charlie spoke, Weiliang spoke first. He gritted his teeth and cursed: “Delon! Are you f\*cking tired and crooked? Are you always bargaining with Mr. Charlie? Did Mr. Charlie give you a face?”

“No, no...” Delon gave up the last resistance and hurriedly waved his hand: “I won’t bargain...I will set off when the birthday banquet is over, and will not leave Aurous Hill within a year. ....”

On the side, Juanita, who is eager for her son. Seeing that her son has finally escaped the pain and danger of having another operation, she was really relieved and hurriedly calmed down: “Son, rest assured, mom will let people buy you the best bicycle and the best set in Aurous Hill. A good house and buying the best car will never let you suffer in Aurous Hill!”

Delon finally relaxed.

That said, the punishment is fine.

Anyway, when he goes to Aurous Hill, he only has to avoid Charlie’s sharpness, and could enjoy life in a low-key manner during the rest of the time.

## **Chapter 1594**

The only painful thing is the bicycle ride from Eastcliff to Aurous Hill.

But it’s okay, riding a bicycle for half a month is better than lying in bed for half a month after surgery.

Moreover, he suffered a serious blow during the last operation, and hasn't recovered yet. If this happens again immediately, the pain will be doubled.

But at this time Charlie said: "Let you go to Aurous Hill to make a good reformation. Do you think it is for you to enjoy the blessing? I tell you, this time to Aurous Hill, you can only ride the most ordinary old Phoenix 28 bicycle, other things You are not allowed to ride a car! Otherwise, I will let you go to Aurous Hill with a cart full of bricks!"

"In addition, after you arrive in Aurous Hill, apart from giving Elsa the time to drive, you can rent a single room in the shantytown of the village in the city at other times. Your monthly living expenses must not exceed 1,000, including the rent."

"Don't worry, when you arrive in Aurous Hill, I will let people observe you, dare to spend more, and the renovation period will increase by one day. If you spend tens of thousands there first, you will not want to leave in this life!"

When Delon heard this, he felt that the sky was about to collapse.

Let him dignified a Confucian master to live in the village in the city? ! And can't even spend more than 1,000 a month? !

Don't you want to let yourself eat the soil? !

He cried and said, "Mr. Charlie, one thousand, I am afraid that even the rent is not enough..."

Charlie said coldly: "Don't worry, Aurous Hill's consumption level is not as high as you think. The village in the city rents a single room for only 300 a month, and the remaining 700 is more than 20 per day. You will live fine."

Charlie himself had been at the bottom of the city for many years. He knew the poor people's lifestyle too well.

The rent in the village in the city was very cheap. Back then, a small bungalow was only 100, and meals were not expensive. In the fly house in the alley, a veggie stir-fry was only two or three, and steamed buns could buy four for one. One, enough for one day.

Now it has doubled at most. One thousand per person and one month are enough.

Of course, that kind of life, naturally, there is no standard of living, that is, enough to eat.

However, that kind of life is the best solution for a dude like Delon, and it can definitely cure his pretending illness.

Delon heard this, the whole person has collapsed.

A thousand is not enough to tell the truth a cigar each day.

Now that he wants to live for a month, isn't it equal to killing him?

Juanita was also distressed and cried, looking at Elsa, choked up and said: "Elsa, please beg Mr. Charlie again, don't push your brother to death!"

Elsa was also embarrassed at this time, what should she say? She has already asked for her cousin once, and at this time she is asked to speak again, and she is embarrassed.

After all, in the whole matter, her cousin was looking for trouble, and he didn't want Charlie to ignore him at all. In that case, wouldn't Charlie be wronged?

Charlie was her savior several times, and the only man she loved. She would rather be wronged by this hateful cousin than let Charlie make compromises for her.

So, she said embarrassingly: "Aunty, you can't always be so used to cousin, it will hurt him over time!"

Charlie said in a cold voice at this time: "Delon, I advise you to agree to it as soon as possible before I change my mind. Otherwise, I will arrange for you to carry cement at the construction site in Aurous Hill. Aurous Hill has a GEM listed company before. The boss, his name is Jones Jian, do you know what he is doing now?"

Delon shook his head in a panic.

Charlie sneered: "He is currently carrying cement at the construction site in Aurous Hill, and he will carry it for 20 years. Do you want to be with him?"

## Chapter 1595

When he heard that he was going to carry cement at the construction site, Delon immediately shook his head frantically!

In comparison, living in a village in the city and living expenses of 1,000 a month is just a bit of suffering. If you really go to a construction site to carry cement, you might have to leave half your life on the site.

Therefore, he almost nodded without thinking: "Mr. Charlie, I accept the conditions you gave and will never bargain with you again! Just don't let me go to the construction site..."

Charlie was satisfied, and said coldly: "When you arrive in Aurous Hill, do a good job of reforming. Don't be mad all day long. If you are a cynical second generation ancestor, stay in Eastcliff, maybe you will cause greater disaster. Come and kill the Dong family and the Kevin family!"

The brothers of the family on the side shrank their necks.

For them, Charlie's words had a certain initiation effect.

Delon's temperament, if he doesn't grind him twice, maybe he can really cause a catastrophe!

Today this incident is very representative. If he is not careful, he not only offends Charlie, but also offends Young Mr. Gu. If Young Mr. Gu really wants to be honest with him, the Dong Family will definitely be destroyed.

Especially the eldest son of the Dong family, was even more annoyed.

Delon is not from the Dong family. Although he is the child of his own sister, he is still a foreigner. If this foreigner confuses his family, he will really cry without tears.

So, he said with a stern tone: "Little dragon! When you arrive in Aurous Hill, you must make a good reform and try to get rid of all the stinky problems on your body. Don't make troubles like you are now. Do you understand?"

Delon vaguely said: "I understand the uncle..."

Juanita still feels a little dissatisfied. It's okay for her elder brother not to talk to his nephew at all. It is really chilling to say such things.

Elder brother also knew that Juanita must have an opinion in his heart, so he said to her earnestly: "Juanita, in the future, you must strictly discipline Delon, and don't just indulge him, otherwise, someday Delon cause trouble outside, it will cause trouble to the Kevin family. You daughter-in-law, in the eyes of the Kevin family, are also responsible for improper discipline, understand?"

When Juanita heard this, she suddenly realized that although the eldest brother's words were not very close to humanity, they were all facts.

In case Delon really gets into a disaster and hurts the Kevin family, she, the daughter-in-law of the Kevin family, will inevitably take the blame.

Most of the people are partial. Don't think that the Confucian elders and old ladies treat themselves well, but once Delon gets into trouble and has to be held accountable, they will definitely feel that they are more responsible for their children's education than their husbands.

If the Old Master of the Kevin family is really dissatisfied with him because of this, his status in the Kevin family will definitely be greatly affected.

After all, the current Dong family's strength is much weaker than before. His natal family is not strong, and his husband is not taken seriously in the Kevin family. Naturally, his status will not rise. If he is affected by the children's troubles, then Don't even think about raising your head to be a man in the Kevin family.

Thinking of this, she also said to Delon with a serious face: "Delon! You must get rid of all those stinky problems on your body in the future, understand?"

Delon could only nod honestly and agree.

Now he really doesn't dare to pretend to be forced.

A live-in son-in-law of Aurous Hill can make himself into such a miserable situation. If he really provokes the young master of the top family, he must kill him?

So he hurriedly expressed his position: "When grandma's birthday banquet is over, I will immediately set off on a bicycle to Aurous Hill. After arriving in Aurous Hill, I must reflect on myself..."

At this point, a farce finally came to an end.
