

# The Charismatic Charlie Wade Chapter 1766 – 1770

## Chapter 1766

The smiling man in front of her is indeed Charlie, whom she has missed, loved, and longed for a long time!

At this moment, in the depths of Nanako's heart, countless questions suddenly emerged:

“How could it be him?!”

“Why is it him?!”

“Why is he here?!”

“Am I dreaming?!”

“Could it be that I am already dead, and all this is an illusion after my death?!”

“Just now, I even felt that even if I could see Charlie before I died, I would die without regrets, but who would dare to believe that Charlie suddenly came to save me like a god from heaven?”

Countless thoughts in her mind gathered together, she was surprised and hesitant, nervous and excited, and her whole body was trembling to the point of speechlessness.

At this time, Charlie was the first to break the silence. He looked at Nanako, smiled, and asked: “Miss Ito, how are you doing now?”

Hearing Charlie's voice, Nanako finally made sure that everything in front of her was not an illusion!

She has been in love for a long time and even thought that Charlie, who would never have a chance to meet again, came to save her when she was in the most critical time of her life!

At this moment, Nanako finally realized the ultimate happiness of a woman.

She feels that in this life, there will be no more moment that can surpass every minute and every second of the present.

Even if it was to let her die now, she felt that her life had been completely fulfilled, without any regrets.

As a result, she couldn't control her emotions anymore and cried out loudly: "Master! I came back from Aurous Hill, looking forward to reunion with you day and night, I didn't expect you to really come..."

The four ninjas were on the verge of an enemy, and one of them gritted his teeth and scolded: "Boy, did you kill Qingtian?!"

Charlie smiled cruelly: "I killed him, what can you do?"

The man gritted his teeth and shouted: "b\*stard! Killed six members of the Tenglin family, I want your life!"

Charlie looked at the four ninjas, and said lightly: "You are a little bit noisy, since you want my life, don't bother other people in this mansion."

After speaking, he held his thundering order with one hand, and muttered in a low voice: "Thunder!"

Suddenly, a series of dull thunders suddenly sounded in the gloomy sky!

This series of thunders immediately caused a dog to bark around, and the originally quiet snowy night suddenly became noisy.

At this moment, Charlie sneered with contempt, and shouted: "Want to get paid, right? Come on! I will send you to meet them before they are far away!"

The man didn't know that the thunder was caused by Charlie, and he roared in anger, "b\*stard, you must die today!"

As soon as the voice fell, he raised the ninja sword high and slashed at Charlie at an extremely fast speed!

The other three are not far behind!

One of them jumped directly into the air, swiping a sword to Charlie from mid-air!

The other two quickly drew away to the sides and waved the ninja sword, preparing to besiege Charlie from the left and right wings!

As we all know, the katana and ninja swords are all tempered by top craftsmen with top-notch stainless steel. The blades are so sharp that they can be broken by blowing!

The four attacked together, and Charlie would be chopped into several pieces if he couldn't stand it a little bit!

These four people can be described as murderous!

Nanako saw four terrifying cold lights in the night sky and shouted in horror: "Master, be careful!"

## **Chapter 1767**

The four ninjas of the Tenglin family all felt that this time they would definitely be able to give Charlie a definite blow.

And Nanako also raised her heart to her throat, for fear of Charlie's accident.

For her, even if she died, she would never let Charlie hurt himself.

At this moment, Charlie suddenly retreated several meters on the spot. The speed made the four ninjas stunned!

They themselves are preemptive, and they are faster than Charlie in terms of starting time.

Moreover, they all have a ninja sword nearly one meter long in their hands, which undoubtedly further strengthens their attack range, allowing them to take advantage of the opportunity to move faster.

According to their understanding, it is almost impossible for anyone to escape at this moment.

It's like a bullet that is about to hit him that a normal person cannot escape!

However, Charlie did it!

At the same time Charlie retreated quickly, the Thunder Token was already in his pocket. Then, his left and right hands suddenly drew out two swords in his hand, and shot at the one in the air, and the one in front of the four people in front of him at high speed!

When the two heard the sound of shuriken breaking through the air, and seeing the cold light flying at extreme speed, they reminded each other: "Be careful!"

Immediately afterwards, the two of them were about to dodge to both sides, when they felt a sharp pain in their hearts.

The person who rose into the air fell quickly, and the person who first rushed towards Charlie also knelt to the ground instantly!

The two people who doubled on the left and right wings were shocked by the situation in front of them.

Who could have imagined that this person moved so quickly, completely exceeding them by more than one grade!

It was originally a team of four full of confidence, but they didn't expect that even the fur of the other party was not even next to each other, and he would break the two again!

Under this circumstance, both of them knew that there was no chance to win at all, and they continued to attack blindly. There was no other way but to die.

As a result, the two exchanged glances, and then suddenly stopped. At the same time, they took out a ball about the size of a ping-pong ball from their pocket and slammed it to the ground.

Immediately afterwards, the ball burst out with a dazzling light, and another burst of black and thick smoke lit up. The two took advantage of the cover of these two clouds of smoke, turned around and fled.

Charlie sneered, and took out the last two swords from the cowhide without hurry, and shot them at the two black veils of mist.

The two of them had actually run far away at this time, but they didn't expect that the sound of breaking through the air was still heard behind their heads, and the speed of breaking through the air was extremely fast, almost leaving them with a flash of light!

At this moment, there was only one thought in their minds: they were dead!

As predicted!

The swords in both hands pierced the backs of the two.

The poison smeared on the blade spread rapidly, and the two of them died in an instant!

At this time, the faint thunder in the sky continued.

Therefore, what happened in the courtyard of Nanako did not disturb other people in the mansion.

Seeing that these six people had completely died, Charlie finally breathed a sigh of relief, and at this moment, Nanako, who was not far from him, looked at him with tears, horror, and awe in her eyes.

## **Chapter 1768**

“Master Wade...”

Nanako choked, then turned the wheel of the wheelchair with both hands and came towards Charlie.

Charlie took a few steps quickly, came to her, and asked, “Miss Ito, are you okay?”

“It’s okay, I’m okay...” Nanako shook her head, and then she couldn’t control her face and started crying.

At this moment, her biggest feeling was not the rest of her life, but the great surprise that Charlie’s sudden appearance brought her.

Seeing her crying as if she was emotionally out of control, Charlie couldn’t help but stretched out his hand and gently touched the back of her cold hand, softly comforting: “Miss Ito, stop crying, it’s all right.”

Nanako wiped away her tears, shook her head and said, “I am not cry for what happened just now...”

After finishing speaking, she raised her head, did not hide the deep love in her eyes, choked up and asked: “Master, why did you come to Kyoto?”

Charlie smiled slightly: “I came to Japan to do something. I just arrived in Osaka. I thought that Osaka is quite close to you, so I came to see you.”

When Nanako heard this, the sweetness in her heart seemed to melt away instantly.

She asked excitedly: “Master, you...you came to see me because you missed me?”

“Uh...” Charlie was asked by her.

He wanted to find an excuse to conceal it, but suddenly he felt that he came here so far. This action is the most honest answer. At this time, what else can he lie?

So, he nodded lightly, and said somewhat unnaturally: “Forget it...”

Nanako was so happy to hear this!

Although there were still tears in the corners of her eyes, she smiled and said with great joy: "I didn't expect Master to still think of me...this is...this really surprises me... .."

Then she hurriedly asked Charlie: "Master, how do you know that I am in Kyoto?"

Charlie said: "I met Tanaka at Eastcliff Airport a few days ago and he told me."

"That's it!" Nanako said shyly: "Master, thank you for remembering me, and thank you for saving my life today..."

Charlie smiled slightly and said, "You don't need to be so polite, just raise your hand."

After speaking, Charlie asked her again: "I think you have been sitting in a wheelchair, hasn't your body recovered yet?"

"Yes." Nanako nodded gently: "Since the last time I finished the game with Aoxue, I was seriously injured. I was treated in Tokyo for a period of time. I am out of danger, but my body still failed to recover. The injury, may be possible, it will take a long period of recuperation to get better."

Charlie nodded and said seriously: "Actually, I came to see you this time mainly to help you heal your injury. I didn't expect to encounter such a thing..."

Nanako smiled gratefully, and said softly, "Master, my injury has been seen by the best doctors in Japan. What they mean is that it is very rare to save my face. With existing medical methods, it is very difficult. Let me recover again. If I can get rid of the wheelchair in a few years, it will be considered a medical miracle."

After that, Nanako raised her head again, staring at Charlie with fiery eyes, and said seriously: "Master, you came to see me, I am already very moved, this is more important than getting me to stand up again or to recover. ...."

"You don't know how much I miss you during this period of time, even I can't believe it, my biggest wish for such a long time is not to be able to recover, but to see Master Wade again..."

At this point, Nanako mustered up the courage, took Charlie's hand, and said affectionately: "Thank you, Master Wade! You are here, it is Nanako's blessing, if I can

hold hands with Master Wade in this place. Walking in the snow for a while, I will have no regrets in this life...”

Seeing her gentle eyes, Charlie felt a little distressed in his heart. He looked at her and said very seriously: “Nanako, I have a way for you to heal you and restore you to the state before the fight!”

## Chapter 1769

Hearing Charlie’s unwavering words, Nanako was a little dumbfounded.

She couldn’t believe that her injury still had the possibility of recovering as before, but when Charlie said this, she suddenly felt very trusting.

So, she asked Charlie in surprise: “Master, do you really have a way to heal my injury?”

Charlie nodded and said, “But before I treat you, I’d better treat these corpses.”

Nanako hurriedly said, “I’ll call the butler!”

“No need.” Charlie stopped her and said: “I had a little conflict with your father in Tokyo. If you tell the housekeeper about such a big matter, he will definitely notify your father immediately. It may not look good at that time.”

Nanako asked in surprise: “Master, did you see my father in Tokyo?! Why are you conflicting?”

Charlie shrugged his shoulders and said, “This matter is a long story. I will tell you later when I will treat you.”

Nanako stuck out her tongue and said with a smile: “It seems that my father must have suffered a lot with Master Wade...”

Charlie chuckled, “He didn’t take the pain, he just lost a little money.”

Nanako smiled and said, “It doesn’t matter, he is not short of money anyway, and it doesn’t matter at all to lose.”

Charlie coughed and said, "He lost 4.5 billion USD."

"Huh?" Nanako was shocked by Charlie's words and asked in shock: "4.5 billion USD? Master is not kidding, right?"

Charlie smiled and said, "I'm not kidding, it's true, but I haven't considered whether it really cost him so much."

Nanako said without hesitation: "Master you don't have to think about it. This money will be regarded as a token from my father for me. After all, you just saved my life. My life is in his eyes. More than four and a half-billion dollars."

Charlie laughed and said, "You are generous, so you are not afraid that your father will know that he is angry with you?"

Nanako shook her head and said seriously: "If he dares to be angry, then I will run away from home and go to China to join Master Wade, and then never come back!"

"Uh....."

Charlie was speechless at once.

He didn't know if Nanako was joking or was serious. If she was serious, he would naturally be willing deep in his heart, but he couldn't explain to Claire...

At this time, Nanako saw Charlie hesitating, and hurriedly smiled: "Master, I am making a joke with you, you don't have to be serious, and even if I really want to go to China, I must buy a house in Aurous Hill and settle down by myself. Will not cause trouble to Master Wade!"

Charlie sighed and said, "I'll talk about this later. I'll deal with these six corpses first. You have a lot of rooms in your yard. Which one is not commonly used?"

Nanako pointed to the west wing and said, "That room is a storage room, but since I haven't come back for a long time, it has been empty."

Charlie nodded and said, "It's cold, I will send you back to the room, and then deal with these corpses. When this is over, I will treat your wounds first. After the wounds are

healed, you will inform the housekeeper at home , Let them dispose of the body properly.”

Nanako hurriedly asked, “Master, are you going to leave after healing me?”

“Yes.” Charlie nodded and said, “I have to go back to Osaka. I will return to China after I finish my work there.”

Nanako looked a little lost, and murmured: “Then I hope...my injury will never be cured...”

Charlie blurted out: “Don’t talk nonsense, it’s bad luck.”

Nanako said earnestly: “In that case, Master Wade can stay here forever? Because you said, you can only leave if the injury is cured, and you can’t leave if the injury is not cured.”

Charlie looked at her with a helpless smile, and said, “Don’t worry, I will definitely cure you.”

## **Chapter 1770**

Nanako asked Charlie, “Master, do I have a chance to see you again in the future?”

Charlie nodded: “Yes, I now put part of my business in Japan, and I might come here often in the future.”

“That’s great!” Nanako said with joy, “Master, can you promise me one thing?”

Charlie said, “Say it.”

Nanako hurriedly said, “I hope you can tell me every time you come to Japan. If it is convenient for you, I hope you allow me to see you!”

“In addition, if I come to China, if Master is also convenient, please allow me to meet you, okay?”

Charlie smiled slightly: “No problem, I promise you.”

Nanako cheered like a little girl and said, “Then I will see Master Wade often in the future!”

Charlie was touched by her sweet smile, and her voice became gentle. He smiled and said, “Okay, I will send you back to the room first, and I will come to help you heal later.”

Soon, under Nanako’s guidance, Charlie pushed her wheelchair and sent her back to her room.

Nanako’s room has a typical Japanese classical layout. The whole house is made of natural wood flooring, which is clean and tidy and simple and elegant.

There is a tea table on the floor in the room, as well as a Japanese-style book case and flower arrangement table. On the wall of the room, there are many calligraphy works, which seem to be written by Nanako.

Charlie sent her back to the room and helped her into the room.

In order to prevent Nanako from falling, Charlie held her hand with one hand, and supported her waist with one hand. Such intimate contact made his heart beat faster, and at the same time made Nanako two red clouds float on her face.

Charlie just so supported Nanako, and at her request, he helped her sit down on the futon at the tea table.

On the tea table, there is a set of exquisite Japanese tea sets and a small incense burner.

After Nanako sat down, Charlie said: “Wait for me, I will deal with the bodies outside.”

Nanako looked at Charlie shyly, and said, “Master, I am in a bad health and can’t help you, so I’ll make a cup of tea and wait for you to drink.”

Charlie nodded, then turned and left the room.

At this time, the six corpses lying in the snow were half buried by the snow.

Charlie carefully moved the corpses to the storage room, and then stepped back to Nanako's room.

When he returned, the room was already ignited with a delicate and quiet sandalwood incense, and Nanako was carefully brushing the matcha powder with a Japanese-style tea bowl and brush.

Seeing Charlie coming in, she hurriedly said to him: "Master, please sit down!"

Charlie nodded and sat cross-legged on the futon in front of her.

While brushing the matcha powder, Nanako said to him: "The Japanese tea ceremony may not be the same as the Chinese tea ceremony. The tea here is brewed with matcha powder. don't know if Master Wade is used to drinking it."

Charlie smiled and said, "I tasted Japanese tea ceremony with my parents when I was young, and I felt pretty good personally."

Nanako nodded, smiled and said, "That's good!"

With that said, Nanako was about to make Charlie tea, Charlie frowned suddenly, lowered his voice and said to her: "Someone has come in over the wall!"

"Ah?!" Nanako's eyes widened in surprise: "Are you with the few people just now?"

Charlie shook his head: "don't know yet, but there is only one person on the other side. It may not be here to hurt you. Don't talk nonsense later, we will do what we do!"
