

The Charismatic Charlie Wade Chapter 1786 – 1790

Chapter 1786

“Okay!” Ryosuke Matsumoto said grimly: “Even if we die, some people will die with us! Anyway, we won’t lose!”

.....

At this moment.

After Charlie set the two-story building on fire, he returned to the Ito family residence.

He went from the same road to Nanako’s courtyard.

At this time, Nanako was sitting in front of the tea table with her eyes closed, her hands gently twisting a string of Bodhi beads, and she silently recited Buddhist scriptures to pray for Charlie.

Buddhism is not only prevalent in China, it has also been prevalent in Japan for a long time. Since Mr. Jianzhen traveled east to Japan, Buddhism in Japan has developed rapidly.

Although the Buddhism of the two countries is somewhat disimilar, there is almost no essential difference between the believers of the two countries in the matter of chanting and praying.

After reading silently for a long time, the incense in the incense burner had already burned. She felt the fragrance dissipate. When she opened her eyes and wanted to order another plate, she found that Charlie was already sitting opposite her.

Nanako was frightened, covering her mouth and exclaimed: “Master, you...when did you come back?”

Charlie smiled slightly: “Just now, five seconds ago.”

“Huh?” Nanako said incredulously, “Why didn’t I notice any movement?”

Charlie smiled and said, “Because I thought you were chanting sutras, so I didn’t disturb you.”

Nanako blushed, and said softly: “I was praying for Master just now, and I hoped the gods will bless Master to return safely...”

Charlie smiled slightly and said, “Thank you!”

Nanako smiled unnaturally and said, “Master, you saved my life, so why bother to thank me for this little thing...”

Charlie said earnestly: “I saved you out of my heart, and you prayed for me also out of your heart. The starting point is the same for everyone, so naturally there is no difference in size.”

Nanako couldn’t help sighing: “Master, you are really the only gentleman I have ever seen in my life, you are always considerate of others...”

Charlie smiled and said, “I’m not a gentleman, so don’t praise me.”

After speaking, Charlie said hurriedly: “By the way, give me your hand and I will check your injury.”

Nanako replied shyly: “Master, are you trying to signal me?”

“Yes.” Charlie nodded and said, “Don’t you want to go for a walk in the snow? I will help you heal your injury quickly, and let’s go for a walk on the snow in the yard. If you are not satisfied, I’ll take you outside!”

“Ah?!” Nanako asked dumbfounded: “Master, you mean my injury will be healed soon? Before the snow melts?”

Charlie said seriously: “You don’t need to wait for the snow to melt. You can cooperate with me. We can walk in the snow together before it stops.”

Chapter 1787

Nanako couldn’t believe that Charlie could really heal her.

But when she thought that the man in front of her who was eager to try to heal her was the one she loved, she was willing to give a try.

So she shyly handed her right hand to Charlie, and said shyly: “Master, then...please!”

Charlie nodded slightly, and stretched out his fingers to gently place her veins.

A trace of aura traveled through Nanako’s veins into her body, and within the blink of an eye, it completely wandered through her body.

After a while, Charlie took the opportunity to see the specific situation of Nanako’s injury.

From this look, he discovered that her injury was indeed serious.

Almost all of her organs have suffered serious internal injuries. Not only that, but the meridians and bones are also damaged. The whole person seems to have become a fragmented porcelain doll. A little carelessness may cause serious secondary injuries.

Although she has been rescued from danger to life after being rescued, her whole body has been in a state of very low safety.

She is currently less than one-fifth of ordinary people.

Someone who fell might be unharmed, stand up and dust the dirt and leave. If she falls, it would be life-threatening, and she would have to be sent back to the hospital for treatment.

Charlie could imagine how severe pain Nanako’s body would have to endure from such a severe injury, and the pain was continuous, even in her sleep.

Thinking of this, Charlie couldn't help but feel distressed, and said with emotion: "I told you at the time that martial arts is a kind of spirit. There is no need to care too much about winning or losing the game, let alone putting yourself in a dangerous situation in the game. , Why were you betting your life against Aoxue?"

Nanako said with some shame: "Master, I was not betting on her life, but hoped to go all out without leaving any regrets..."

Having said this, she sighed and smiled bitterly: "It's just that I didn't clearly realize the gap between myself and Aoxue. She was really too strong, incredible..."

Charlie shook his head helplessly.

At this time, he also has his own treatment plan.

There are two options for treating Nanako.

The first is to directly use the aura in her body to repair the damage suffered. Compared with ordinary people, her body is indeed seriously damaged, but for him, it is not a big problem. With the aura it will be repaired soon;

This method is simple, direct and convenient, with many benefits.

However, this approach has drawbacks.

If he directly repaired her injury with Aura, how would he explain it to her?

After all, Nanako doesn't have a deep cultivation base, and she can't realize the existence of aura. In her opinion, he may just touch her hand and heal her in a confused way. This may be too incredible for her.

And the second way is to let her swallow the rejuvenating pills.

The efficacy of Rejuvenating Pill is beyond doubt.

Chapter 1788

For ordinary people, this kind of medicine is simply a panacea. It can be used by the elderly to prolong life for more than ten or twenty years; young people take it, and the body can be more than many times stronger than ordinary people; the injured take it, even if only one breath is left. , And can definitely strengthen the opponent's body on the basis of restoring the original.

In the beginning, Orvel was almost completely killed by Regnar's men, leaving only the last breath, and he was saved with a rejuvenating pill.

That rejuvenating pill not only saved Orvel's life, but also made him a few years younger, and his body was better than before the injury.

This is mainly because the effect of Rejuvenating Pill is too strong. When Orvel was cured, there is still remaining effect to improve his body.

Although Nanako's injury was also very serious, in Charlie's view, at most half a rejuvenating pill could be enough.

If she takes a whole rejuvenating pill, it goes without saying that Nanako's strength will be upgraded by one or two levels at the peak state before!

Therefore, Charlie had a question in his heart.

Should I give half a rejuvenating pill for Nanako, or just give her one and give her a chance.

Charlie is not a stingy person, and the main reason why he is entangled with half or one is because Nanako is not his compatriot.

As the saying goes, people who are not of my race must have different hearts.

I dare not say that the other party must be harmful, but at least it is difficult to keep one mind with the people of the different race.

And Nanako is a martial arts master, has been participating in various international competitions, and originally planned to participate in the next Olympic Games.

If he allowed her to improve significantly, she would definitely pose a threat to Aoxue in the future.

If Nanako represented Japan and defeated Aoxue who represents China in the next international competition, wouldn't it be equivalent to handing over the champion's title that should belong to China to Japan?

Charlie's hesitation was based on this.

It stands to reason that he can give half a rejuvenating pill to Nanako, so that she can fully recover, which is equivalent to giving her a great good fortune.

However, considering that Nanako is obsessed with martial arts and has a pious mentality.

Therefore, in Charlie's own selfish heart, he also wanted to give her another chance so that she could study the martial arts she loved more deeply.

Thinking of this, Charlie looked at Nanako and asked her: "Nanako, if I can cure you, can you promise me a condition?"

Nanako said without hesitation: "Master, even if you can't cure me, I will agree to any of your conditions, and I will never hesitate!"

Charlie nodded and said seriously: "I want you to promise me that after I cure you, if you still love martial arts, just concentrate on studying it yourself, but don't participate in any form of international competitions, you can promise?"

"Yes!" Nanako said with a firm gaze: "After the last match, I deeply reflected on the principles you taught me before. Martial arts is a spirit, not a competition, so I myself have lost that kind of passion."

Speaking of this, she looked at Charlie affectionately, and said seriously: "Since I met Master, I have known what is the truth that there are people outside the world and the heavens outside the world. A real top expert like Master will not participate in the so-called competition, only throw Only with the desire for competition, victory and defeat, can we have the opportunity to achieve a more sophisticated martial arts

training. Therefore, if I really have a chance to recover from the beginning, I will definitely not participate in any competitions!”

Seeing what she said was serious and firm, Charlie felt relieved.

Immediately, he looked at Nanako, smiled slightly, took out a rejuvenation pill from his pocket, handed it to her, and smiled: “Nanako, if you take this pill, it will not only restore you to the original, but also your body strength will also improve!”

Chapter 1789

Although the effect of Rejuvenation Pill is very magical, it is very simple and unpretentious on the outside, but it is a black, round pill, and there is nothing special about it.

Nanako looked at this medicine, did not conceal her astonishment, and asked Charlie, “Master, can this really cure my injury?”

Charlie nodded and said with a smile: “If Master takes the shot, it will naturally cure all diseases and invalid refunds.”

“Master?” Nanako asked in surprise, “Is this Master the nickname for Master Wade?”

“You can say,” Charlie tried to take the discussion away from the topic.

“Hurry up and take the medicine. Didn’t you say you want to go out to see the snow? Don’t wait for a while and you haven’t taken the medicine yet. “

Nanako smiled and said, “The weather forecast says that the snow will fall until tomorrow.”

With that, she picked up the Rejuvenating Pill and looked at Charlie: “Master, is this eaten directly?”

“Yes.” Charlie said seriously: “After you take it, I will help you guide the absorption of the medicine.”

Nanako nodded gently, and put the pill in her mouth without hesitation.

At the moment of entrance, the pill immediately turned into a warm current, poured from the mouth into the stomach, and from the stomach to the whole body.

Nanako could clearly feel that her body was undergoing earth-shaking changes at this time.

She doesn't know how to describe this change. If she was injured before, it was like a porcelain bottle was broken on the ground and the fragments were all over the floor, then now she is like a broken porcelain bottle rewinding and playing all over the floor. The fragments quickly returned to the basket, pieced together into a complete self, who had never suffered any harm, and had never had a cracked self.

It's like going back in time, full of a strong sense of unreality.

At this time, Charlie grabbed Nanako's slender and white jade hands, and a trace of spiritual energy entered to help her guide the absorption of the rejuvenating pills.

Nanako thought that the feeling of turning back in time was extremely magical, but she did not expect that half of the effects of Rejuvenation Pill had not been exerted.

With the help of Charlie, she felt that every cell in her body seemed to be nourished by the medicinal effect. She could feel that her body level had reached the peak level in the past and continued to improve and increase!

A few minutes later, she opened her eyes, ignoring the sweat on her face, looked at Charlie in amazement, and blurted out, "Master, what exactly is this magic medicine? How can it be so powerful?"

Chapter 1790

Charlie smiled slightly and said, "This medicine is called Rejuvenating Pill."

Nanako suddenly remembered something, and said: "I know! I know! Master Wade! Aoxue's strength suddenly improved before the quarterfinals. It should be because of this kind of rejuvenation pills?"

Charlie nodded: "Yes, it is indeed the effect of Rejuvenation Pill."

Nanako asked again: "Because of this, Master didn't want me to have a head-on contest with Aoxue in the future, so you won't let me continue to participate in international competitions, right?"

Charlie said frankly: "Yes, you were indeed out of this consideration."

Nanako bit her lower lip lightly, and after hesitating for a while, she asked tentatively, "Is Master Wade asking this because he likes Aoxue?"

Charlie shook his head: "I am more like a brother to my sister Aoxue. I don't want you two to meet on the field. It's more because we represent different countries. I didn't want to influence it because of her. To the national honor of Chinese athletes, so I hope you could not continue to participate in international competitions."

Nanako suddenly realized that she stood up suddenly, bowed to Charlie ninety degrees, and said seriously: "Master, please rest assured, from now on, Nanako will concentrate on studying martial arts and will never participate in any form of martial arts game!"

After saying this, she came back to her senses, looked at her legs, and said with excitement: "I have never thought before, it feels so good to stand up by myself"

Charlie nodded and smiled: "Don't you want to take a stroll in the snow? Let's go now!"

"Yeah!" Nanako nodded excitedly, walked around the tea table, took Charlie's hand, and said excitedly: "Let's go Master!"

Nanako, who had just improved her strength, couldn't see the look of any martial arts master at this time.

At this moment, she is just a simple and happy little girl, holding the hand of her beloved man, running towards her favorite snowy night.

Nanako loves snow, especially at night. In the quiet snow, you can enjoy the snow and the beauty of the night without being disturbed by others.

This is her girlish heart and her girlish feelings.

In the courtyard at this time, a thick layer of snow has fallen.

The trace of Charlie's killing of Tenglin Ninja had been completely gone. The thick snow, they stepped on it and made a creaking sound, which made people feel as if they were far away from the hustle and bustle of the city.

Nanako held Charlie's hand tightly without letting go, pulling him to walk in the snow, and then raising his hand high, and then holding his hand in a beautiful circle.

The exquisite skirt of the kimono, as she dexterously turns in the white snow, also sets off the extraordinary posture of Nanako, making her posture a little more enchanting in grace.

she turned around in the snow a few times, and stopped when facing Charlie.

She observed at Charlie with her pair of shiny and pure eyes, and said sincerely with a bit of infatuation: "Master, I have waited for this snow for several days. The weather forecast said that this snow was only a few days ago. After the meeting, I was sitting in a wheelchair, parked in the yard, looking up at the sky, waiting for the snow, while thinking of you."

"But that day, I didn't wait for the snow, let alone hope to wait for you."

Speaking of this, a layer of water mist suddenly appeared in her eyes, and she said with a bit of choking in her tenderness: "But I really didn't expect that today, the heavy snow that I have been looking forward to for a long time will be the same as mine Master, the long-awaited, you are here together with the snow."

"At this moment, it is really the happiest, most satisfying and perfect moment in my life, so perfect that I can't believe it, so perfect as true as false, as dreamlike as fantasy!"
