

The Charismatic Charlie Wade Chapter 1791 – 1795

Chapter 1791

When Charlie and Nanako walked hand in hand in the quiet snowy night of Kyoto, Tokyo was still under currents.

At this time, Machi Takahashi was at home, anxiously waiting for the news of Tenglin Ninja.

The Tenglin family is more anxious than him.

Because so far, the Tenglin family has lost ten ninjas, and almost all the young backbone of the family has perished.

Even though ten people are not too many, a family with ten young men is already a very large family.

First of all, these ten young adults have at least one or two generations of elders, mom and dad, aunts and uncles, grandparents, and at least ten people in total.

Secondly, these ten young adults are all males, but it is impossible for all young adults in a family to be males. If the male to female ratio is one to one, then there are at least ten females in the family.

Once again, at least half of the ten young men are married and have children. They have wives and children.

In this way, a family must have at least fifty or sixty people in order to have ten male young adults.

Now, the prime-age males of the Tenglin family have all been folded in, and the family's combat effectiveness has dropped sharply.

In this case, naturally, there is no ability to separate manpower to protect Takahashi.

Therefore, there is no ninja in Takahashi's home except for some bodyguards.

It was late at night, and Takahashi was still not tired.

On the one hand, he is still grieving for the tragic death of his son Eiki; on the other hand, he wants to wait to see if he can still contact the missing Tenglin Ninja.

Although he knew subconsciously that the Tenglin Ninja sent to Kyoto had been murdered 80% of the time, but deep in his heart, he still held a glimmer of hope.

He felt that at least before he saw the corpse, there was still a possibility that things could come back. Maybe after a while, those Tenglin Ninjas would contact him?

Just as Takahashi was pacing back and forth in the living room, waiting anxiously, a very thin blow arrow suddenly shot out from the corner, and one shot hit Takahashi's back neck.

Machi Takahashi, who had just suffered the pain of losing his son, had not had time to figure out how to avenge him, and suddenly he was poisoned and fell to the ground!

The bodyguards discovered that he suddenly fell to the ground, and they gathered around him. After a closer look, they found that he had lost his breath and heartbeat!

When the bodyguards searched for the murderer in amazement, the several Iga ninjas who had sneaked into the Tenglin family had already retreated.

In normal times, the Tenglin family will arrange at least four ninjas to lurk beside him, secretly protect him and prevent him from being assassinated by other ninjas.

But today, there is no ninja beside him.

Without the protection of a ninja, just relying on ordinary bodyguards, in front of the ninja is almost like no one.

Therefore, it is not difficult for the ninja to take the head of Takahashi.

Poor Machi Takahashi, just as the white-haired man gave away the black-haired man, he died too!

.....

At the same time.

Just as Takehiko Ito fell asleep, he heard a knock on the door.

He asked with some annoyance: "It's so late, what is there? If it's not something important, I'll talk about it tomorrow!"

Hiroshi Tanaka said in a hurry: "President, the police officer from the TMPD is here again, saying that there are still some things that need your cooperation to go to the TMPD for another questioning."

"I have to face some questioning?!" Takehiko roared angrily: "I have said everything that should be said, and there is nothing left to say!"

Tanaka explained: "My Grace, the other party said that the Su family has been putting pressure on them, and it might cause an international diplomatic incident, so they ask you to cooperate."

"International diplomatic incident?!"

Hearing this, Ito yelled angrily: "d*mn, it's really annoying!"

Chapter 1792

Although he was very dissatisfied, Takehiko did not dare to continue at this time.

He is a businessman after all.

He knows very well that if he is really involved in international diplomatic events and affects Japan's international image, then Japanese citizens will definitely regard him as a criminal who smeared Japan's image.

In this case, the people will spontaneously boycott the Ito family, which might make the family a target of public criticism.

In this case, it is better to actively cooperate and clear up some of the relationships.

So, Takehiko Ito got up from the bed angrily, simply put on his clothes and opened the door.

Although Takehiko Ito was irritable, he could still understand the truth.

Anyway, I'm walking and sitting properly, don't say asking questions again, even if I stay in the TMPD for a few days first?

So, he said to Tanaka Koichi: "You go to arrange the car, we will leave in a while!"

Hiroshi Tanaka nodded immediately and turned around to make arrangements.

A few minutes later, under the escort of several bodyguards and two ninjas, Ito got into his car and prepared to go to the TMPD.

At this time, Ryoto Matsumoto had already prepared Iga Ninja and other subordinates. He wanted to repeat the old tricks and find a suitable section of road to kill him on the way to the TMPD.

Now Machi Takahashi is cold, as long as Takehiko is killed, he will be the strongest in Tokyo and even Japan.

However, Ryoto Matsumoto didn't know that Master of the Su family had already surrounded his mansion at this time. The leader in the lead was not anxious to take people in immediately, but began to follow the actual situation of Ryoto Matsumoto's residence. Develop a strategy, hoping to wipe out the entire Matsumoto family.

According to Zynn's temper and disposition, if Mr. Matsumoto wants to kill his son and daughter, it is impossible for him to kill Matsumoto alone.

The most hateful, and the most once-and-for-all way is to destroy the Matsumoto family directly!

The Su family has never been a soft-hearted family.

From the anti-wade Alliance back then to the current top Chinese family, the Su family's style of work has always been cruel!

Ten minutes after Takehiko left home.

The vehicle is about to enter a two-kilometer-long viaduct.

This viaduct is a closed road.

The bridge deck is 15 meters above the ground with an average height of 15 meters. It is almost as high as a five-story building, and there are only two lanes in a single direction. It is difficult for vehicles to make a U-turn at once. At least two steering wheels must be turned back and forth before it is possible to turn back.

It would be even more troublesome if a team was blocked directly on it. If the team got into a disorderly rhythm, it is very likely that several cars would block each other, so that there would be nowhere to run.

However, Takehiko did not realize the danger.

This is mainly because Takehiko has not suffered any other losses, and has not been targeted, except for Charlie's embezzlement of 4.5 billion USD.

Although both the Takahashi family and the Matsumoto family wanted to provoke, they were all resolved by Charlie, who cheated on him because of a coincidence.

It was precisely because he had no trouble that he felt that the reason why Tokyo was so messy was that someone wanted to target the Su family and the Takahashi family, and it had nothing to do with him.

Moreover, he is now indirectly a beneficiary.

If the Takahashi family suffers a severe setback, then the Ito family will be the number one in Japan while lying down, and the opportunity for cooperation with the Su family will naturally come to its court.

This feeling of lying down made Takehiko Ito who was sitting in the Rolls Royce proud.

So he picked up a cigar, lit it and put it in his mouth.

Just as Takehiko was about to take a sip, he suddenly felt a violent tremor of the vehicle. Then, the vehicle was uncontrollable and hit the roadside guardrail!

Iga Ninja's hunt for Takehiko has begun!

Chapter 1793

Before the vehicle lost control and hit the roadside fence, Ito never thought he would be in danger.

Because, Takehiko Ito is protected by the entire Koka Ninja.

It can be said that now in the big Japanese family, only his ninja has not suffered any harm or loss of combat.

In addition to him, the young and middle-aged of the Tenglin family are almost wiped out, and the Iga family also lost half of their combat effectiveness.

However, Ito's biggest negligence was that he went out too lightly this time.

He felt that he was going to the TMPD for questioning and cooperating with the investigation, and there was a police officer driving ahead and going to the TMPD by himself. There can be no one else thinking about him on the way to the TMPD. Right?

It is precise because of this that he did not arrange too many ninjas to protect himself.

However, he never expected that the police car that cleared the road would have been threatened and threatened by Matsumoto. Matsumoto laid a net and waited for him to get in.

Takehiko Ito's motorcade suddenly lost control, mainly because a large number of slings had been planted by Iga Ninja on the road!

The so-called Saling is the most commonly used weapon of Japanese ninjas. It is generally a metal product covered with spikes. No matter how it is scattered on the ground, Saling will reveal several spikes facing in different directions.

In ancient times, when a Japanese ninja was hunted down, he would use Saling behind him. When the opponent catches up, as long as he stepped on it, he would pierce the sole of his foot.

And the current ninja has made a big upgrade to Saling. The current Saling uses extremely sturdy tungsten carbide alloy, which is also the hardest steel material in the world, with hardness equal to diamond.

Therefore, with such a sling, you can easily puncture any rubber tire!

The reason why Takehiko Ito's team lost control in an instant was that the four tires of each car were stabbed by several slings, so without exception, they all lost control and crashed into the roadside.

At the moment of the collision, the cigar that Takehiko had just lit fell on his crotch, and his whole body was shaken by the impact.

Fortunately, this Old Master has good safety habits, even if he is sitting in the rear seat, he also buckles his seat belt.

Otherwise, with the violent impact just now, no matter how good the car is, it will not be possible to offset the inertia on his body.

If one head hits the back of the front seat, 80% chance for him that he will lose his life.

At this time, several of Ito's bodyguards and two ninjas had gotten out of the two cars, and surrounded Ito's cars.

At this moment, six Iga ninjas suddenly leaped into the sky from the opposite lane, each of them gripping the ninja sword in both hands and killing them with all their forces!

Hiroshi Tanaka, who was in the co-pilot, turned pale, turned his head and said to Takehiko: “President! How come there are ninjas? Could it be sent by Takahashi?!”

Takehiko was about to speak, and suddenly he yelled, and looked down, the cigar has burned through his pants and burned a scar on the inner thigh.

He hurriedly picked up the cigar, threw it aside, and blurted out: “Where is the police car leading the way?”

The driver said at this time: “President, the police car has already driven away...”

“Off?!” Takehiko cursed dumbfounded: “We are ambushed, and they drove away?! Is this a f*cking human trait?!”

Hiroshi Tanaka suddenly realized it, and he blurted out: “President, did the police officers deliberately lure you out?”

Takehiko roared: “b*stards! There is such a beast, who is deliberately calculating me!”

Chapter 1794

After he finished speaking, he hurriedly said to Tanaka Koichi: “Call the police! Let the TMPD send a helicopter to me! The bodyguards and ninjas outside, I’m afraid I won’t last long!”

Hiroshi Tanaka saw that the six ninjas had already rushed up, quickly took out his mobile phone and called the TMPD to report to the police.

Although Tokyo is very uneasy these days, and the TMPD’s handling efficiency and crime-solving capabilities are also messed up, but the hardware configuration of the TMPD is still very powerful. It is equipped with 14 police helicopters of all kinds. Once there is an emergency, the special operations team can be sent there quickly.

Tanaka directly called the head of the TMPD. After all, Takehiko is one of the top entrepreneurs in Tokyo, and the TMPD has to be a bit thin, and he can directly communicate with the chief in charge of everything.

At this moment, the director of the Tokyo Warning Service just learned that Takahashi was assassinated at home, and he was on the verge of collapse.

Zhifei and Zhiyu were not found;

The four human popsicles of the Tenglin family did not detect the murderer;

Machi Takahashi's son, Eiki was burned to death in the car, and no murderer was found;

As a result, Machi Takahashi quickly got cold...

This series of serious criminal cases have cast a thick fog of magic and crime across Tokyo.

However, at this moment, Tanaka Hiroichi suddenly told him that Takehiko had also been ambushed and was in danger at this time. When he heard this, he felt a burst of blood on his head, and his legs collapsed directly in the office when he heard this. .

Several subordinates hurriedly stepped forward to help. He was extremely weak but full of anger and said: "Quick! Quickly send helicopters and special operations teams to the Yotsuya Viaduct to rescue Takehiko. Today Tokyo says nothing can be dead anymore!!!"

It stands to reason that a fully-armed modern special operations team has no gap with special forces in terms of equipment or combat effectiveness.

This kind of special police, single-handedly against a ninja, may not have any advantage in front of the ninja's weird body techniques and hidden weapons.

However, after dozens of individuals have formed firepower, formation, and complementary advantages, the ninja's advantage will disappear.

However, the biggest problem now is that the near thirst cannot be quenched by far!

It takes at least five minutes for the special operations team to assemble, several minutes for boarding the helicopter, and several minutes for the plane to take off and arrive quickly. Together, it takes at least ten minutes.

However, how can Takehiko's men last for more than ten minutes? !

The two sides fought for several rounds outside the car, and Takehiko's bodyguards were all brought down to the ground!

Although the remaining two ninjas have been struggling to resist, they have been forced to retreat steadily, and they have suffered multiple injuries!

Looking at this form, it is estimated that in another minute, they will basically be unable to resist it!

At that time, the opponent will directly take the head of Takehiko!

Tanaka, who was in the co-pilot, hurriedly said to Takehiko Ito: "President, let's escape! If you don't run away, there will be no chance!"

"escape?!"

Takehiko trembled and said desperately in horror: "Where can we escape under this situation? Even if we escape, we will be caught by the other party. There is no way to survive!"

After that, Takehiko's expression dimmed, and he murmured: "Tanaka, you and I are getting killed here today..."

Chapter 1795

At this time, Takehiko had already decided that he was bound to death.

The rescuer will not be able to make it for a while, his own people can no longer survive, and the other ninja may be killed by the sword at any time.

The remaining driver and Tanaka have no actual combat effectiveness. Like him, they will be cut and killed by the opponent in a matter of seconds.

At this moment, he really wanted to call his daughter who is far away in Kyoto. Kyoto is a few hundred kilometers away, and his daughter must not know that he is in deep

trouble. Call her quickly, and maybe hear her voice before he is dead. This is also a bit of comfort before death.

However, just as he took out his cell phone and was about to call Nanako, Hiroshi Tanaka blurted out: "President! It's really too late if we don't run!"

Takehiko sighed: "I already told you just now, we have already pierced our wings and we have nowhere to escape..."

Having said that, he gritted his teeth and cursed: "It must be the beast Takahashi! That *scm! bstard!* He used such insidious means to deal with me!"

Hiroshi Tanaka quickly pointed out the window and blurted out: "Mr. President, don't scold Takahashi for now. If we run to both ends of the viaduct, we will definitely die! But, we can still jump from here!"

After that, he pointed to the guardrail outside the car and said excitedly: "Mr. President, when we push the car door, it will be the guardrail. If we turn over, we can jump off!"

Takehiko Ito paled in fright, and blurted out: "Are you crazy?! This viaduct is more than ten meters high. Won't we just fall to death if we jumped down?"

Hiroshi Tanaka said solemnly: "I can bet, from this height we may not necessarily die. As long as you don't let your body face down, or face and abdomen face down, you still have a chance to jump down, but if you don't jump, you will have no chance. Nothing!"

Takehiko Ito swallowed his saliva: "Jump down, immortal and crippled, it is impossible to escape their pursuit!"

Hiroshi Tanaka said seriously: "This place is so high, those ninjas must not dare to jump around! Even if they are stronger, their bodies are long, and they will be disabled if they jump. They are the same. If they don't dare to jump, Then you have to drive down the viaduct. The two ends of the viaduct are still far away. When they get around, the special operations team of the TMPD should be there!"

After speaking, he added: "Also, the viaduct we are walking on has no traffic at night, but the road below is relatively close to Red-Light Street. It is always lively at night, so there must be a lot of private cars and taxis going back and forth!"

“Moreover, there are young people who enjoy the nightlife, drunken people and homeless people!”

“Once they find that we are falling, they will definitely come around to watch the excitement or help!”

“Even if this group of ninjas really dared to jump down, they might not dare to kill us in front of so many people. As long as it can be dragged for a few minutes, the helicopter from the TMPD will probably arrive!”

Takehiko blurted out and asked, “What if we fall directly to death?!”

Hiroshi Tanaka gritted his teeth: “President! Even if we fall to death, it is better than being killed by a ninja! The ghost knows how Takahashi wants us to die? What if Takahashi told them to behead us?! “

Takehiko felt a chill in the back of his neck!

“Beheaded?!”

“That’s too d*mn bad, right?!”

“I would rather jump from here and fall to death than be chopped off by the ninja with a sword!”

Thinking of this, he shook his heart: “Okay! Then jump!”

After speaking, he remembered Takahashi’s true knowledge, gritted his teeth, and said angrily: “*dmn it, Takahashi forced me to jump from this heigh! This thing is really fcking ironic! Today’s hatred, I remember Takehiko If I can survive, I will smash the head of that b@stard that Takahashi really knows! I’ll break him into pieces!*”
