

# The Charismatic Charlie Wade Chapter 186 – 190

## Chapter 186

Now when he saw this pose, he shrank half of his head, called “Mom” tremblingly, and then called “Big Brother” with a smile.

Noah Willson didn’t seem to hear him and ignored him.

Old Mrs. Willson nodded lightly.

Jacob asked tentatively, “Mom, you called me today?”

“Let me ask you, what’s the matter with Tomson’s villa?” Old Mrs. Willson asked coldly.

Jacob said quickly: “That villa was given to Charlie by President White. Charlie helped him see Feng Shui before.”

“Telling the Feng Shui?” Harold sneered, and said in a weird manner: “If you look at Feng Shui, you can see a luxurious mansion. All of us in the Willson family should stop working, and we will all deceive to cheat money!”

There was a low laughter in the hall.

Listening to the ridicule of the relatives, Jacob was embarrassed and could only laugh.

On the contrary, Noah laughed twice, and made a rounding up: “Mom, no matter what Charlie is, President White has also explained it. It is indeed a gift for him. This matter is also considered to be clear, young brother There is no need to explain.”

Jacob gave his eldest brother a grateful look, somewhat flattered.

The eldest brother usually dismissed himself at all, but it was unprecedented to help him speak today!

Noah smiled slightly and turned to Mrs. Willson and said, "Mom, you don't need to ask how the villa came. Anyway, Mr. White himself said that it was given to Charlie, so we have nothing to worry about."

"Yeah." Mrs. Willson nodded and said to Jacob, "Jac, your eldest brother wants to marry his boy into Dong family it's Harold marrying Elsa from the Dong family. What do you think of this matter?"

"This is a good thing." Jacob said with a smile: "The Dong family is a well-known family in the capital. If we can get married with the Dong family, it will also help our Willson family."

"A good thing is a good thing," Mrs. Willson sighed with a long sigh, "But, our family, compared with Dong's family, that's really a far cry. Even if your eldest brother has this heart, he doesn't have the face to talk to Dong's family. ."

Jacob nodded seriously and said the truth: "Mom, to tell the truth, I also think Elsa should not look towards this favorably."

Harold's expression was extremely ugly, and he blurted out, "Uncle, what do you mean by this?"

Only then did Jacob realize that he had said something wrong, and hurriedly changed his words: "Oh, I didn't mean that. I meant to say that compared with the Dong family, our Willson family is indeed far behind."

Old Mrs. Willson said indifferently: "People depend on clothes, and Buddha depends on gold. If we live in the best villa in Aurous Hill, after the Dong family comes, we can leave a good impression!"

Jacob asked in surprise: "Mom, are you going to change houses?"

Old Mrs. Willson said lightly: "I want to change to a better one, but unfortunately I don't have that much money."

When Jacob heard this, he hurriedly said: “If Mom needs money, I still have a million.”

Old Mrs. Willson coldly snorted: “A villa can be tens of millions or hundreds of millions at every turn. Is a million enough?”

With that, she deliberately changed her conversation and said, “Jac, doesn’t your family have a ready-made villa in Tomson?”

“Yes.” Jacob didn’t know, so he said blankly: “What’s wrong?”

“What’s the matter?” The Old Mrs. Willson looked upset, and said, “I am your mother. You can bear to see me living in this old house for so many years? Now that you have a Tomson first-class villa, shouldn’t you bring it here? Honor and honor me as a mother, let me live in that villa first?”

## **Chapter 187**

Jacob was taken aback for a moment, and hurriedly said, “Mom, the villa was given to Charlie by the White family, not for me.”

The Old Mrs. Willson became impatient, and she was too lazy to conceal it, and said directly: “Charlie is the son-in-law of the Willson family, and the villa the White family gave him must also belong to the Willson family! As the head of the Willson family, don’t I have the right yet? Do you live in Willson’s villa?”

Charlie next to him sneered slightly. He didn’t say a word just now, just knowing that there must be nothing good about this family gathering today.

It turned out that the Lady Willson just wanted his villa.

Jacob understood now, sweating even more anxiously, stammering speechless, looking back at Charlie, eyes full of embarrassment.

Noah Willson said triumphantly: “Jac, you are Charlie’s father-in-law. If he dares not listen to what you say, isn’t he too arrogant at home? What status do you have?”

“That’s right!” Mrs. Willson nodded in satisfaction, her eyes full of greed, she couldn’t help feeling the excitement deep in her heart when she thought of living in the big villa of Tomson community.

Claire couldn’t help it, and said coldly: “Grandma, the villa is not owned by our Willson family. If you want to take the villa, you have to ask Charlie’s opinion. If Charlie is unwilling to give it, no one is qualified to ask for it!”

Old Mrs. Willson frowned and looked at Claire, feeling very unhappy in her heart.

“Talking!”

The Old Mrs. Willson looked at Charlie coldly, and said unceremoniously: “This villa was given by the White family. You are just a live-in son-in-law, and you are not qualified to enjoy it. Tomorrow you go to the company’s finance department to receive one hundred thousand, your reward for dedicating the villa!”

The Lady Willson’s command-like tone gave no room for discussion.

Noah said: “Charlie, 100,000 is a lot, you are a waste of money, I guess you have never seen so much money.”

Charlie slowly raised his head and sneered from his nostrils: “For one hundred thousand, you want to forcefully buy a villa worth more than 130 million in Tomson? Old Mrs. Willson, you are too shameless!”

His voice rang loudly and clearly reached the ears of everyone present.

The crowd was shocked, and the entire hall was suddenly silent.

All eyes were fixed on Charlie.

Surprised

Shock

Incredible

Claire was also shocked.

She didn't expect Charlie to be so tough!

Old Mrs. Willson turned blue with anger, she patted the table again, and shouted sharply: "b\*stard! Even you dared to stand up! Come here, get this Rubbish Charlie out!!"

"No respect! It is extremely arrogant!" Harold coldly scolded: "Grandma, I think he should respect the family law! He is a live-in son-in-law, dare to be arrogant like this, it is the opposite!"

Jacob looked at Charlie, but did not dare to speak at all.

"Respect and humble?" Charlie sneered from his nostrils, and said coldly: "The distinction between respect and inferiority is to treat people who are worthy of respect! Among you present, except for my father-in-law Jacob, who is worthy of my respect?"

This group of people is extremely greedy, he has long wanted to endure it!

Old Mrs. Willson, as Jacob's mother, screamed at her second son, without paying attention!

Noah Willson, as the eldest brother of Jacob, has never looked down upon him, not only that, but also wants to take everything from his brother.

## **Chapter 188**

As for him, the "live-in son-in-law" of the Willson family, this group of people has never seen it directly!

Even Charlie didn't pay attention to him at all!

It was only Jacob who cared about his family and couldn't bear to give up!

And Claire has always been bullied, and the identity of the cooperater with the Emgrand Group has always been missed by everyone in the Willson family!

The entire Willson family was firmly crushed on their heads!

Any bullying!

Charlie looked at his wife and put it down for the time being, but he didn't expect this group of people to be so shameless that they wanted to take their villa!

"Charlie, how dare you talk to grandma like this!" Harold shouted angrily, "I have to teach you today!"

"Only you?" Charlie sneered and said contemptuously: "Harold, to me Charlie, you are just a poor worm, humble like an ant!"

"Presumptuous." The Old Mrs. Willson stood up suddenly and sternly shouted: "Charlie, you kneel down and apologized, and then give up the villa, I will forgive you this time! Otherwise, I will let Claire and you now Divorce. I will drive you out of Willson's house and leave you on the streets. You can't survive!"

Claire, who kept her head down, raised her head abruptly, stood in front of Charlie, and said, "I don't agree! Are you my grandmother? Or are you the Patriarch of the Willson family?! You oppress me so much. Dad, bullying Charlie, do you still treat my family as your own family!"

"I will never divorce Charlie!"

"You" the Old Mrs. Willson almost turned her back in anger, pointed her finger at Claire's nose, and shouted at Jacob sharply: "Look at your good daughter, who turned her elbow out! Let her kneel down together!"

Jacob slowly raised his head, staring directly at the Old Mrs. Willson.

After changing his previous cringe, Jacob's expression was also very dissatisfied.

Noah froze for a moment. His second brother is usually very useless and is led by a strict wife at home. He didn't dare to talk back in front of Mrs. Willson, but now he dares to look directly at Mrs. Willson with contempt?

He shouted sharply: “Second brother, don’t you hurry up to tell your daughter-in-law to kneel down and let mother calm down?!”

And Jacob, who is usually the timidest, turned blue at this time, and said, “Brother, someone gave Charlie the villa. What he wants to do with it is his business. Who my daughter married? You can’t control things! This villa is worth more than one billion, almost more than the assets of the entire Willson family. Why do you want to occupy it?”

“You shameless son!!” Old Mrs. Willson was trembling with anger, grabbed the teacup on the mahogany table and threw it at Jacob.

Jacob didn’t dodge or hide, and was hit by a “bang” on his head with a teacup, leaving a big bruise.

The tea dripped down his face, and the tea dregs splashed all over his body.

He remained motionless.

“Dad!” Claire yelled heartbreakingly, her eyes suddenly red.

She can be humiliated, but she cannot tolerate others to humiliate her father!

Jacob let the tea flow on his face, raised his head coldly, and said, “Mom, if there is nothing else, we will leave now.”

After speaking, he said “Let’s go” to Charlie and Claire next to him, then turned around and walked outside the door without looking back.

Claire wiped away tears, glanced bitterly at the people in the hall, and turned away without hesitation.

Charlie didn’t even look at everyone, and turned around to leave.

Noah Willson was so mad, he was about to run away!

## **Chapter 189**

Noah Willson discussed with Mrs. Willson last night and carefully planned all this.

Today, he also specially invited the respected members of the Willson family, and put on a three-council trial.

Half of it was a temptation and half a threat. He wanted Jacob to voluntarily hand over the villa.

If he doesn't take the initiative to hand in, force him to do it!

According to his thoughts, Jacob was usually the most timid, and his mother would shiver all over his body when she uttered a rebuke. When the time came, he would definitely offer the villa's hands honestly.

As for Claire, he didn't care at all. What right does a married woman have?

What's more, still married to a Rubbish!

As for the waste Charlie, let alone!

The live-in son-in-law has no status in the Willson family, and he doesn't even have the qualifications to speak!

If asked to let him hand over the villa, he must hand it over honestly!

However, Noah did not expect that Jacob was so anxious that he even dared to talk back to the Lady Willson!

Claire, a granddaughter, didn't even listen to the Lady Willson!

Even the Rubbish Charlie dared to point to the Lady Willson's nose and call her shameless!

"Your family is really the opposite!"

Noah Willson gritted his teeth and turned around and said, "Mom, you can't let them go like this! If you let it go today, in the future, our Willson family will not be riding on their heads? What majesty will you have in the Willson family in the future?!"

Mrs. Willson's face is extremely ugly!

She has a strong desire to control their life!

After the father's death, she kept the entire Willson family in her own hands and did not allow anyone to challenge her authority.

However, she did not expect that today she would suffer the disobedience of Claire's family of three, which made her resent!

She roared hysterically: "The Willson family is unfortunately out of this family! You are all from my Willson family! As long as I don't die for a day, you have to listen to me!"

Having said that, the Old Mrs. Willson shouted sharply: "Close the door, family law will take care of you!"

She has absolute authority in the Willson family, and Jacob, who is usually the most submissive to her, dares to disobey her today!

Among them were granddaughter and daughter-in-law, who didn't even look at her!

I don't know how Jacob taught his children to be so unfilial!

If not severely punished today, what is the majesty of the head of the family?

Besides, if they were to leave like this today, how could the Tomson first-class villa be taken over!

She lived half of her life and never expected to live in such a villa. Now this villa is in the hands of her son's family, and she has to grab anything and enjoy it!

Therefore, in any case, they must be asked to surrender the villa!

Even if they want to leave the Willson family, they must leave the villa!

As a result, a group of bodyguards and subordinates immediately surrounded the three people.

Charlie stood in the courtyard of the old mansion, with a vigorous aura. He looked at the bodyguards coldly and shouted angrily: "Who dares to take a step forward, don't blame me for being impolite!"

"You are a Rubbish thing, dare to show off here!"

One of the bodyguards shouted angrily and hit Charlie with a stick.

Charlie's eyes were cold, he directly grabbed the eyebrow stick in his hand and hit the opponent's leg easily.

The bodyguard felt a strong attack from the bend of his leg, and he knelt in front of Charlie uncontrollably, his leg was broken!

Charlie didn't even look at him, and with a harder hand, he broke the eyebrow stick into two with a "pop".

"Dang!"

Charlie directly threw the broken stick to the ground.

## **Chapter 190**

The people in the yard were shocked.

This eyebrow stick is made of the hardest yellow elmwood, which is extremely hard. Even two sturdy men can hardly break with all their strength.

But in Charlie's hands, it turned out to be like crispy noodles, so weak!

After practicing the Nine Profound Heaven Scriptures, Charlie's strength has become stronger and stronger, and these bodyguards are simply not opponents!

Seeing Charlie's move, Jacob let out a sigh of relief.

He didn't expect that his son-in-law should be so capable! It seems that today he and his daughter can leave the Willson family safely!

The bodyguards in the old house of the Willson family were all arranged by Noah Willson. They were all his confidants. At this moment, seeing that he was very strong, everyone was a little flustered.

Noah Willson gritted his teeth and said: "Charlie, I didn't expect you to have learned some three-legged cat kung fu, but I see you alone, how to deal with so many hands! Give it to me together!"

"Yes! Let's go together and kill him!" Harold also gritted his teeth, showing his face.

He had suffered a loss in Charlie's hands long ago, so he planned to take revenge today!

A group of bodyguards got the order and immediately rushed towards Charlie.

Charlie ignored them, and when several bodyguards rushed over, he suddenly volleyed with a roundabout kick and kicked the two bodyguards out.

Immediately afterwards, he "brushed" a few punches, and instantly knocked down the bodyguard who rushed in front!

Claire, who was standing behind him, was stunned. She had no idea that Charlie, who gets along with her day and night, would be so good.

Seeing his daughter's shocked expression, Jacob quickly explained: "Claire, when you usually go to work, Charlie is at home following the TV to practice martial arts."

"He still practices martial arts?"

Claire was even more incredible.

Jacob said: "He knows a lot! Qin Gang asked him to do things last time!"

With that said, Jacob felt a little guilty when he saw Charlie fought against several bodyguards.

The Willson family had always underestimated Charlie, and let him stay at home to buy vegetables and cook, but Charlie was also a man, and he also had his own dignity.

Which man is willing to wash and cook at home all his life?

It seems that the family is ashamed of Charlie!

At this moment, Charlie defeated several bodyguards in succession, without fear.

There is also a mess in the courtyard!

Wendy and the Lady Willson ran into the house long ago to take shelter, and all men left in the courtyard.

Harold next to him looked extremely annoyed. He didn't expect Charlie to be so good. Seeing Charlie gradually gain the upper hand, Harold gritted his teeth, bent over and picked up an axe, walked quietly over, while Charlie was kicking one of the bodyguards. When he saw the bodyguard, he slammed on head.

"Charlie, be careful!"

Claire screamed when she saw the sharp light of the ax.

"d\*mn, Rubbish the silk, I hack you to death!"

Harold's new hatred and old hatred rushed into his heart together and slashed fiercely.

Jacob was so frightened that his legs became weak and he almost collapsed to the ground.

They want Charlie's life!

Axe flashes!

When it was said that it was too late, Charlie suddenly raised his hand, and his two fingers accurately clamped the axe blade, turning his head coldly to look at Harold.

Harold was shocked, trying hard to get the axe back.

But Charlie's two fingers are like a vise, even if he uses the strength of sh!t, the steel axe pinched between the fingers will not move.

Harold sweated coldly on his forehead and roared, "Rubbish, let me go."

Charlie stared at him and sneered: "Harold, you stupid, you can't cut anyone, I think you are a waste!"
