

# The Charismatic Charlie Wade Chapter 191 – 195

## Chapter 191

“You watch Harold’s murder like this?!”

Seeing Harold wielding an axe to chop Charlie, Jacob recovered and roared angrily.

However, the Old Mrs. Willson sitting on the high hall and Noah Willson standing on the steps were not moved at all!

He didn’t even blink his eyelids!

The other relatives of the Willson family also said nothing! As if they had nothing to do with them!

And the Lady Willson, only wants the villa at this time!

Others, of course, eyeing it too.

Sometimes, the older the person, the more greedy!

In ancient times, the older the emperor, the more faint, the more arrogant and extravagant, the older and the bigger he was to build palaces and tombs for himself.

And the older Mrs. Willson is, the older she is, the more she hopes she can live better and enjoy it!

The Lady Willson wanted to live in a better place, die in a better place, and be buried in a better place.

That indicates that in the next life she will have endless glory and wealth!

Therefore, this is why the old people often want to prepare a thick coffin and a gorgeous grave for themselves.

Therefore, for Mrs. Willson, she must grab this \$130 million villa!

Even if Harold really killed Charlie, as long as he can get the villa, it doesn't matter!

Jacob and Claire raised their heads to look at these people, and their hearts were completely cold.

This is the so-called "blood" relative!

For money, in order to rob the property, they did not hesitate to set up a situation to take it, and even wanted to kill his family!

The eldest brother Noah said unhurriedly, "Second brother, Harold is still a child. He is playing around, why should you take it seriously? Besides, even if he really cut Charlie down, he is not from the Willson family. Right!"

In his opinion, anyway, Charlie is a live-in son-in-law who has no power and no influence, even if Harold chopped him out of his brain, he would lose more money.

That would happen to get both people and money.

That villa is worth 130 million!

And now housing prices are still soaring!

If they grab it, let the Lady Willson live in first, and when the Lady Willson dies, the villa is estimated to be worth at least 200 million!

Two hundred million! Will they all be their own by then?

With so much money, who can resist this temptation?

"I don't have a big brother like you!!"

Jacob yelled angrily, picked up a mop, and hit Harold fiercely.

Noah Willson frowned, fearing that his son would be beaten, and immediately rushed to stop him.

“It’s really against you, don’t you want to face?”

Before he finished speaking, Jacob hit him with a stick. Fortunately, Noah dodged fast and only hit a stick on his shoulder, grinning in pain.

Seeing that the father, who is usually honest and easy to deal with, was also so angry, Claire hated the ruthlessness of the Willson family and worried about Charlie’s safety.

At this moment, Charlie held the axe blade, looked at Harold, with a hint of ridicule on his face, and whispered: “Harold, I tell you the truth, in fact, in my eyes, you are a waste of money. Not on spot!”

“Charlie, f\*ck your mother!”

An anger rushed to Harold’s forehead, “You are a waste of money, how dare you speak to me like this”

Before he finished speaking, Charlie grabbed his wrist directly and broke it back.

Hearing the crisp sound of “pop”, Harold burst out a heart-piercing scream!

The palm of his right hand was actually broken back by Charlie one hundred and eighty degrees, breaking it abruptly!

Harold howled loudly and slumped on the ground with tears.

## **Chapter 192**

Seeing that his grandson was broken by Charlie, Mrs. Willson, who was leisurely watching “Family Law”, was suddenly angry!

She was so angry that she rushed over, slapped Charlie’s face with a slap in the face.

When she slapped her hand into the air, Charlie suddenly turned around and said coldly: “Old thing, you f\*cking want to die!”

After speaking, he slapped the Lady Willson’s face, and slapped the Lady Willson’s hind legs a few steps!

At this moment, Charlie’s eyes were extremely cold, and his whole body exuded a murderous aura!

Although the Old Mrs. Willson was slapped in the face, she was so painful that she shuddered involuntarily.

She covered her face and backed away in fright.

The Lady Willson who retreated didn’t even dare to look at Charlie. This was the first time she saw him with such terrible eyes.

The Willson family looked stupid!

What the hll! *What the hll!*

This rubbish, even he dared to beat Lady Willson.

However, who can vent their anger for the Lady Willson at this time?

The injured bodyguard has fallen to the ground, and the remaining few, with a look of fear on their faces, do not dare to step forward.

Although the Old Mrs. Willson wanted Charlie’s life, she knew at this time that Charlie didn’t know where to learn a kung fu, he was so powerful, she couldn’t keep him!

Claire could see her heart pounding, her beautiful eyes followed Charlie all the time, her mood was exceptionally strange, and her cheeks couldn’t help but feel slightly hot.

It was the first time she discovered that Charlie had such a sturdy and mighty side.

In the past, in Claire’s impression, Charlie only felt that he was taciturn, and knew nothing except buying vegetables and cooking.

At this time, Charlie, seeing that no one dared to step forward, he raised his head, glanced at the crowd coldly, and shouted to the two bodyguards who were hiding away: "If you don't open the door now, I will break your neck!"

The two bodyguards frightened their legs and hurriedly opened the door of the house!

Noah said angrily: "Mom, we can't let them go!"

Old Mrs. Willson gritted her teeth, staring at Charlie, and said bitterly: "Let them go!"

"Grandma, how can I let them go like this?" Harold yelled reluctantly, with hatred in his eyes: "He broke my hand, I'm going to chop him!"

Old Mrs. Willson suppressed her anger and said coldly: "Shut up all of you!"

Noah Willson said viciously: "Charlie, you hurt my son and broke my Willson family rules, you will definitely regret it!"

The Old Mrs. Willson said word by word: "From now on, the Jacob family will be removed from the Willson family, and they will no longer be my Willson family's children!"

Jacob raised his head, his head was broken and blood stained on his face.

He said blankly: "Such a Willson family is not rare for me!"

Claire also nodded and said, "Yes! we are not unhappy!"

The Lady Willson gritted her teeth and said: "Claire! You are really the money-losing people of my Willson family! From now on, you have also been removed from the Willson Group! The Willson Group is now cooperating with the Emgrand Group, and it will surely become a big winner in the future! And you are unfilial Granddaughter, you will have nothing to do with the Willson Group in the future! Get away from us as far away as possible!"

Claire said firmly: "I don't care about it anymore. Dad, Charlie, let's go."

Having said that, Claire and Charlie supported Jacob together, gave the Willson family angry look, turned their heads and left.

She walked out of the door without any nostalgia at all.

Today she saw the true colors of these people clearly!

The so-called relative is not as good as an outsider!

If it weren't for her parents' sake, she would have drawn a clear line from the so-called "Willson family"!

Charlie was also extremely cold in his heart.

Old Mrs. Willson, Noah Willson, Harold, three generations are all f\*cking idiots!

Do they think, why do they think that you can still cooperate with Emgrand Group?

## **Chapter 193**

As Charlie drove away from Willson's house, Jacob said angrily: "I knew that my mother and eldest brother's family were so cold-blooded, so I shouldn't have helped them so much."

Claire sighed in the co-pilot, and said, "With their style, even if the Willson family has a big foundation, they will be ruined."

The mother-in-law Elaine said indignantly: "The key is that we have helped them so much! Isn't the Emgrand Group's contract awarded for the first time? Now it is cheaper for them."

Charlie said indifferently: "Mom, they will kill themselves if they do many injustices, and they will not end well."

The Willson family's current reliance is nothing more than cooperation with the Emgrand Group, and they don't know that the Emgrand Group belongs to them.

Offending him, still want to make money from Emgrand Group?

Daydreaming!

As long as he gave Doris a phone call, the Willson family would be defeated.

Jacob touched the half-dry blood on his head, and muttered: "Who would have thought that the Willson family was so overwhelming that our family hadn't had a chance to live in the villa sent by the White family. They had to grab it clearly. bully!"

With that said, Jacob's eyes lit up, and he said to Charlie: "Good son-in-law, you take us to Tomson. I always remember that villa and want to see it again."

Claire said: "Dad, this is almost home, so what else to see? Isn't that villa not under renovation yet? Libo is still looking at it."

Jacob said: "Oh, I want to go take a good look, otherwise I can't sleep!"

Charlie can naturally understand Jacob's mentality. It's like a person who can't afford a car suddenly has a top-notch luxury car. Even if he doesn't drive, he always wants to take a look at it in the parking lot.

So he said to Claire, "Since Dad wants to see it, let's go and see it, just to see if there are any decoration ideas. You can talk to Libo."

Jacob smiled and said, "Charlie still understands my mind best!"

Claire sighed helplessly and said, "All right, then let's go and have a look."

Charlie immediately turned around at the traffic light and drove to Tomson First Grade

Charlie parked the car in front of Tomson's villa, and when he got out of the car, his brows suddenly frowned.

The fence gate of the villa was actually hidden, and there seemed to be noisy sounds inside.

Seeing that Charlie was silent, Claire asked in confusion, "What's the matter?"

Charlie said: "It doesn't seem to be right, I'll go in and have a look!"

After all, Charlie took the lead to walk a few steps quickly into the yard.

As soon as he entered the yard, he found several bodyguards dressed in black, throwing some furniture out of the villa.

Jacob exclaimed: "It's from the Willson family!"

Charlie's complexion suddenly became gloomy. These people in the Willson family were really lingering. They didn't trouble them yet, but they came to the door first.

"Who allowed you to come in!"

Charlie scolded coldly and rushed up quickly.

When several bodyguards saw Charlie, their faces were panicked.

At this time, Harold's drake voice came from the main hall.

"I let them in!"

Harold walked arrogantly with a crowbar in his left hand and thick gauze in his right hand.

## **Chapter 194**

"Charlie, you Rubbish, now you have been driven out of the Willson family. Of course, this Tomson first-class villa must stay in the Willson family. I am here to collect the villa keys today!"

Claire gritted her teeth and said: "You are too much, forcing Charlie to surrender the villa is not a success, now you have to grab it?"

Jacob also said angrily: "Harold, the villa belongs to my son-in-law, no one can take it away!"

Harold spit, and cursed: "Draft, Claire who do you think you are? You are now a bereaved dog driven out of the house, are you qualified to talk to me?"

As he said, Harold picked up the crowbar again, pointed at Jacob and continued to curse: "You have an old thing, do you think you are still my Uncle? Hurry up and get off, otherwise, I'll break your leg!"

Charlie was so angry that he said coldly, "Where is Uncle Libo?"

Harold stepped forward and laughed: "Isn't there an Old Master who guards the house in the villa? d\*mn, I got rid of him. I can't beat him anymore, let him know from now on, Who is the real owner of the villa."

"You hit Libo?" Charlie's eyes were cold.

Although Libo was from the previous White family, he let him be in charge of this villa and he will be his own in the future.

Moreover, Uncle Libo is honest and loyal and respectful to him.

More importantly, he is more than sixty years old this year, and he is in his dying years. This Harold shouldn't even let go of an Old Master, it is really hateful!

Harold sneered at this moment and said: "Why, a dog slave who doesn't recognize his master, doesn't beat him hard, how can he know who Master Wade is? There is a saying that when hitting a dog depends on Master Wade. He must hit a dog now, yes. In order to let his master know who is the one who can't afford it"

After all, Harold laughed arrogantly and his face was full of revenge pleasure.

Charlie was already so angry that he punched him without hesitation.

"boom!"

Harold couldn't dodge, and was hit by an iron fist on the bridge of his nose. He suddenly spurted from his nose and screamed in pain.

"Why are you still stunned? Give me all! I want this waste to die!"

Harold stepped back frantically like a dog, and shouted at the bodyguards.

The bodyguards took out long knives from their waists one after another, and rushed towards Charlie viciously.

“Charlie, I know you can fight, but what if you can’t fight again! I want to see if you have a hard skin or a hard knife!”

Seeing this, Claire and Jacob looked pale.

Charlie can fight, but after all, he has a flesh and blood body. The opponent is the Willson family bodyguard with a long knife. How could he win?

Charlie didn’t care, his face was cold, without the slightest change.

“You want my life even with these stinky fish and shrimps?!”

After all, Charlie’s speed was like a ghost, shuttled among the bodyguards of the Willson family.

Even if the bodyguards of the Willson family held a long knife, they couldn’t touch the corner of his clothes at all.

And Charlie, like a butterfly wearing a flower, started to attack while evading.

He just throws a fist casually, he can easily make a sound of breaking through the sky, full of momentum!

Although the bodyguards were all retired special forces and they also had long swords, they were not opponents at all when facing Charlie!

In the blink of an eye, everyone was knocked to the ground by Charlie!

No one knows exactly how he did it, because they couldn’t see Charlie’s moves at all, and these bodyguards had already been knocked to the ground!

Moreover, Charlie was very angry when he took the shot, so he didn't have any sympathy for these bodyguards, and directly attacked them. All of them had broken hands or feet, all lying in the yard screaming!

## Chapter 195

Harold was already stunned by the sight in front of him!

He knew that Charlie was great, but he did not expect that the bodyguards with knives were not Charlie's opponents!

Seeing the murderous Charlie, his frightened legs were shaking.

Coming to grab the villa was instructed by Mrs. Willson. Because he had an enmity with Charlie, he took the initiative to ask Mrs. Willson to take advantage of this opportunity to destroy Charlie.

However, he didn't expect that Charlie actually put down all the bodyguards with knives, and he didn't get hurt at all!

Is this Charlie still a human? !

At this time, Charlie had already walked towards Harold with a cold face.

He must teach this rude man a lesson and make him pay a painful price!

Seeing Charlie walk towards him, Harold's face pales in fright, and he blurted out: "You can't kill me! I am the son of the Willson family. If you dare to touch my hair, the Willson family will definitely not let you go!"

Charlie was indifferent and ruthless. He walked up to Harold step by step, pulled him up directly by the collar, and said coldly: "The Willson family you mentioned is not even rooted hair in my eyes!"

"Claire, Uncle, please let Charlie stop."

In a hurry, Harold pleaded to Claire and Jacob in a panic, completely forgetting the appearance of being defiant before.

Claire said coldly: "You have what you end up with today, you deserve it!"

Jacob looked at Claire and then at Harold, struggling very much.

Ask yourself, Jacob has been completely disappointed with the people of the Willson family. Although Harold is his nephew, he doesn't care about family affection, so why should he care?

But after all, the Willson family still had some power. If Charlie really killed Harold, he would definitely usher in crazy revenge from the Willson family.

Thinking of this, Jacob said helplessly: "Charlie, give him a lesson."

Charlie thought for a moment, then coldly nodded, and pressed Harold to the ground. The gravel plunged directly into his face, and the blood could not stop flowing down.

"I can spare your life, but you have annoyed me, the death penalty is unavoidable, and the living sin cannot escape!"

With that, Charlie punched him in the lower abdomen. This punch was full of force and directly hit Harold's groin.

Although Harold is just an ordinary person, he doesn't have any martial arts cultivation skills, but this punch is enough to destroy his ability in that area. From now on, this kid will become an incompetent man.

Harold only felt the punch coming over at this time, it was the most painful pain in the world! Let him lie on the ground in pain and roll, and he doesn't know what sequelae this punch will bring to him.

Afterwards, Charlie immediately called the community security, arrested all the people and sent them to the bureau, and then looked at Libo's injuries.

Fortunately, Uncle Libo only suffered some skin injuries, but it was not a major problem, and Charlie was relieved.

However, Charlie was extremely angry at the Willson family. Since the Willson family is so disgusting, they must not blame him now!

They arrived home.

Jacob sat on the sofa. The bloodstains on his face had been dealt with, but he still had a blue nose and a swollen face. There was a bruise on his forehead. He was also in a trance and his head was dizzy.

Today, the eldest brother ordered the bodyguard to beat him badly. He felt cold and uncomfortable, and he is still angrily.

Claire rubbed medicine on his forehead and said, "Dad, Charlie has already helped you out, so don't take it too seriously."

Jacob sighed and said, "I'm chilling, my mother, my brother, none of them treat me as their own."

After that, Jacob said again: "Claire, now they have driven you out of the Willson Group, what are your plans next?"
