

The Charismatic Charlie Wade Chapter 2071 – 2075

Chapter 2071

At this moment, Honor was sitting anxiously in the meeting room of the TMPD.

Since the Song Group is a well-known company with strong strength, the TMPD is very polite to Honor.

The director who rushed over from home overnight, at this time, was personally hosting Honor.

Seeing Honor's anxious look, the director comforted: "Mr. Song, our brigade has already begun searching for your sister's whereabouts in Nishitama County, so you don't have to worry too much. Once there are any results and clues, I will Feedback to you as soon as possible."

Honor sighed softly, covered his face in pain, and choked up: "Warnia is my only sister and the one I love the most. Please do your best to rescue her safely!"

The TMPD nodded and promised: "Please rest assured, Mr. Song, we will try our best to find Miss Song's whereabouts!"

Honor said gratefully, "Thank you so much!"

At this time, someone came in outside the door and said eagerly: "Director, our people found Miss Song's business car in the mountains of Nishitama County. The car has fallen to the bottom. They found two charred bodies in the car. Another corpse was found on the steep slope halfway up the mountain!"

When Honor heard this, his eyes reddened, and two lines of tears flowed out immediately.

He asked nervously: "Director, has Warnia suffered an accident?"

The director sighed, and said: "Mr. Song, please control your emotions..."

Honor immediately covered his face and cried bitterly: "Why...why Warnia...she is still so young...she is still so young! Why is it not me who died? !why!"

The director stepped forward, patted Honor's shoulder lightly, and said something to comfort him. The person who came to report said again: "Director, we found through monitoring that when Miss Song was leaving the hotel, they were four people sitting in the car, including her, so the whereabouts of one person remained unknown."

Honor immediately raised his face and asked dumbfounded: "What did you say?! Another person is missing?!"

"Yes!" The person hurriedly said: "Four people got in the car, and there were only three bodies. The other person has not found any clues, and we highly suspect that the missing person is Miss Song!"

"What?!" Honor was extremely nervous, and blurted out: "Is there any evidence that the missing person is my sister? Have you confirmed who was the corpse who fell to death halfway up the mountain? In addition, in the car. Is there her in the two charred bodies?"

The person explained: "This is Mr. Song. The corpse halfway up the mountain has been confirmed. It is Miss Song's assistant Swallow. As for the two charred corpses, we carefully compared them through high-definition cameras. The order of seating when leaving the hotel, the only male is the driver sitting in the driving seat, and the co-pilot sitting in the passenger seat was one of Miss Song's assistants. When Miss Song got in the car, assistant Swallow sat in the back row together."

Speaking of this, the person continued: "So, it can be seen that the scorched body on the co-pilot should not be Miss Song, unless she exchanged places on the way, but we think this possibility is minimal."

The director reasoned at this time: "It has been confirmed that Swallow's body has been found. The other two corpses are most likely not her. So, Miss Song is very likely to be alive!"

When Honor heard this, his whole person almost collapsed!

Deep in his heart, he nervously slandered: “What’s going on?! What is going on?! Why is Warnia still alive?! The people near Hashimoto are not sure and confident, Warnia has already rolled off with people and cars. Why would she be missing?!”

Chapter 2072

So he hurriedly stood up and blurted out and asked: “Have you found the whereabouts of my sister? Or have you found any valuable clues?!”

The person who came to report shook his head and said: “Now things are a bit tricky, and there are some inconsistencies. No trace of Miss Song was found on the scene, and no trace of life was found, but we did not find anything about Miss Song. A clue whether she got off the car early, so everything is still unknown now.”

Honor’s heart was already a little bit scared at this time: “If Warnia dies, everything will be resolved easily. Even if the TMPD finds that she died of murder, I have nothing to worry about. Anyway, it’s not me. It’s almost impossible to be discovered if they move their hands. At that time, the TMPD can continue to trace the clues. I will take Warnia’s body back to have the funeral, and then take care of the old thing. The Song family is my father’s and mine. That’s it.”

“But, if Warnia didn’t die, then all of this would have to be abandoned! Even if Warnia didn’t know that I was secretly harming her, as long as she returned to Aurous Hill alive, she would definitely become extremely alert in the future. In that case, she would be hard to get killed!”

Thinking of this, he couldn’t sit still, and said, “Several people, I want to go out and get some air.”

The director nodded hurriedly: “Mr. Song have some fresh air!”

Honor immediately walked out of the door, came to an empty stairwell, and dialed Hashimoto’s phone number.

“Haha, Mr. Song, you should be in the TMPD now?”

Honor said coldly: “Mr. Hashimoto, people from the TMPD told me that my sister is missing! What the hell is going on?”

Hashimoto asked in surprise: “What did you say? Missing? How did she disappear?”

Honor gritted his teeth and groaned: “That’s how she disappeared for no reason! No one knows where she is, and now neither can anyone nor a corpse!”

Hashimoto murmured: “That’s not right! My people have clearly rammed her and the commercial vehicle she was riding into the valley. According to them, the vehicle crashed to the bottom of the valley within a minute. Naturally, even Amaterasu can’t escape!”

Honor said angrily: “You’re so fcuking sh!t to me! Your Amaterasu can’t escape, so my sister escaped!”

“People from the TMPD did not find her body! She was not there at all!”

Hashimoto also became nervous, and said with a trembling voice, “This is damn wrong! I really have a video here. It was taken by my hand. It can be seen from the video. At the time of the impact, your sister was there. Obviously still in the car!”

Honor questioned angrily: “She was in the car at the time of the collision, and she disappeared when she fell to the bottom of the valley, so I ask you to answer me, where did she go?”

Hashimoto said in a desperate voice: “She...she should be dead...at that height, no one can survive!”

Honor questioned: “If she died, would the body walk on its own?!”

Hashimoto hesitated and said, “This...I don’t know this...”

Honor growled: “So there is only one possibility, she must have escaped! I don’t care what you use, find a way to find her, and then kill her immediately! Otherwise, if this matter is revealed, we two will be finished!”

Chapter 2073

Charlie and Nanako flew by helicopter for about 30 minutes before they approached Nishitama County.

As Nanako's ninja is still tracking Warnia's whereabouts, a large number of police officers from the TMPD are also searching near the incident.

So Charlie asked the helicopter to land at a relatively gentle place on the top of the mountain about five kilometers away from the incident.

The distance of five kilometers can temporarily avoid the search of the TMPD without being too far away from Warnia.

After all, she won't walk too fast in the mountains with her feet. It is estimated that she has walked five kilometers at most since she has been engaged in this event.

Therefore, even if Charlie's helicopter was unlucky and completely landed in the opposite direction, the maximum straight-line distance between him and Warnia would not exceed ten kilometers.

At the top of the mountain of more than 2,000 meters, the weather was severely cold, and Charlie stood on a huge rock on the top of the mountain, anxious.

The pill that he gave to Warnia could save her once, but not twice. If she is encountered by a gangster again, or if she encounters any danger in the mountains, she may be beyond reach.

Seeing Charlie's anxious expression on the side, Nanako immediately took out her mobile phone and prepared to call the ninja she had sent out to ask about the situation.

At this time, her mobile phone happened to vibrate, and it was the ninja headed by the Ito family who called her.

Nanako hurriedly connected the phone and asked, "What's the matter? Have you found Miss Song's whereabouts?"

The other party immediately said: "Back to Miss Song, we have found Miss Song's whereabouts. She is in the valley about four kilometers northeast of the incident. When we were the closest to her, the straight-line distance was about 500 meters. However, I

found that Miss Song was in good condition, so I didn't alarm her. Because there was no signal on the top of the mountain, I first came up to the mountainside and called you for instructions. Others are secretly following her to protect her."

Nanako breathed a sigh of relief and blurted out, "That's great!"

Charlie hurriedly asked: "Warnia's whereabouts?"

Nanako nodded heavily and said to Charlie: "Master! My men have found Ms. Song. She is now marching to the northeast, and her condition looks good. My people are about five or six hundred meters away from her. They haven't disturbed her, so I called me for instructions. What do you think we should do?"

As soon as Charlie heard this, a stone in his heart immediately fell to the ground.

Coming to Japan in the middle of the night, the only thing he looked forward to was to hear that Warnia was safe.

So, he immediately said to Nanako, "Nanako, please let your person give a specific position, let's go over!"

.....

In the valley.

Warnia is still struggling.

Since the mobile phone has no signal, she can't use positioning, and she doesn't know how far she has gone.

However, Warnia is very smart that she has relied on the North Star in the sky to discern the direction.

Polaris is a star in the northern part of the sky, and due to its unique movement pattern, the star almost remains motionless from the northern hemisphere.

It is precisely because the Polaris has remained motionless in the northern part of the sky that it can provide people with the most basic position navigation.

When you find the North Star, you can find the north. When a person is facing the north, the south is behind him, the right-hand direction is east, and the left-hand direction is west.

In this way, she can guarantee that she has been walking in the northeast direction, instead of aimlessly and confusedly turning around in the valley.

When you get lost in the mountains, if you can't tell the direction, you often go around unconsciously.

Warnia wanted to go as far as possible from the place where the incident occurred. After a sufficiently safe distance, she will climb up and find the mobile phone signal to call the police for help.

However, she didn't know at this time, she was secretly followed by 10 top ninjas.

Fortunately, these ninjas were sent by Nanako, and they didn't have any malice against Warnia. Otherwise, even if Warnia had a rejuvenation pill in her hands, she would be more and more fierce.

At this time, she didn't even know that Charlie, who she was thinking of, had already arrived in Tokyo, and was fast moving towards her in the darkness!

Charlie's strength is extraordinary, even if he doesn't rely on a helicopter, he can quickly attack and walk on the ground in such a place.

Chapter 2074

However, Nanako and the others couldn't keep up with his rhythm at all, so they could only wait for Charlie's notice in place.

Charlie didn't want to take a helicopter to pick Warnia directly, because in that case, it would be possible to disturb other people searching for Warnia's whereabouts.

Therefore, it is more reliable to rely on your own legs.

Fortunately, the distance between Charlie and Warnia was not too far. From the perspective of positioning, it was almost two to three kilometers away.

Therefore, after half an hour of rushing, Warnia had already appeared in Charlie's sight.

Warnia at this time was climbing up from the bottom of the valley.

She felt that she had already opened a safe distance, so she wanted to climb up, look for a cell phone signal, and then report to Charlie and her family to be safe.

At this time, Warnia couldn't help worrying in her heart: "If Master talks about the voice that I sent him when the accident happened, he will be very worried about my safety, right? I have to give Master make a call and let him know that I am still alive!"

Charlie was excited for a moment when he saw her figure.

When rushing over from Aurous Hill, he was most afraid that Warnia's life would be threatened.

Seeing her in person now made Charlie completely relieved of all the tension and worries he had before.

When Warnia climbed on a relatively flat boulder halfway up the mountain, she took out her mobile phone, which still showed no signal.

She walked back and forth on the boulder with her mobile phone, and finally caught a cell phone signal.

So she hurriedly stayed still and opened WeChat for the first time.

Because the network is very poor, her WeChat keeps prompting for network connectivity.

After waiting a few minutes, WeChat changed from connecting to receiving.

Although it was shown to be receiving, she did not even receive a new WeChat message.

Therefore, she could only give up WeChat and call Charlie directly.

Fortunately, although the network has only one grid, it is almost difficult to connect to the Internet, but this grid signal can already support her to make a call!

After the phone rang twice, she heard Charlie's voice: "Warnia, how are you now?"

When Warnia heard Charlie's voice, she felt the voice in her ears. She was so excited that she cried out immediately: "Master...I...I'm still alive... .."

Charlie said: "I know."

Warnia was sobbed at this time, choked up: "Master...thank you...if it weren't for you, I must be dead now..."

Charlie looked at Warnia's back distressedly, and said softly: "Warnia, I want to tell you one thing, don't be nervous, let alone be afraid."

Warnia hurriedly said, "Master, as you say!"

Charlie said seriously: "I know you have an accident, I have come to Japan."

"Ah?!" Warnia asked excitedly: "Master, you... have you come to Japan?!"

Charlie said: "Yes, I'm in Tokyo."

Warnia was extremely happy and touched at this time, crying and saying, "Master, you... have you really come to Tokyo to find me?"

Charlie sighed softly and said, "Warnia, I'm in Nishitama County where your accident occurred."

Warnia was full of disbelief at this time, and exclaimed: "Master, how do you know that I had an accident in Nishitama County? Where are you now?"

Charlie said seriously: "Warnia, I'm...behind you now!"

Chapter 2075

The reason why Charlie told Warnia step by step was because he was afraid that he would suddenly call her out, or tell her that he was behind her and scare her.

After all, she has been walking alone in this deep mountain and old forest for so long. If he suddenly appears without any psychological preparation, she will definitely be shocked.

Therefore, Charlie chose to guide her step by step, let her know that he was in Japan, Tokyo, and Nishitama, and then told her that he was behind her.

When Warnia heard Charlie's words, she immediately turned back subconsciously!

really!

She found that a familiar figure was standing about ten meters away behind her!

That familiar figure is exactly Charlie, the man about whom she was thinking at a critical moment!

Warnia's heart was almost ecstatic!

She didn't even dare to dream that Charlie would really appear here suddenly!

At this moment, Warnia's heart was completely filled with touch and happiness!

She choked in her heart: "Master actually came to rescue me...at such a late time, at such a distance, he appeared in front of me within a few hours! This is simply a movie! Here is the supreme treasure with colorful auspicious clouds! He came, my position in his heart must be very important..."

Thinking of this, her whole emotions were completely immersed in extreme touch, and she cried out: "Master!"

After speaking, she ran towards Charlie!

Charlie was afraid that she would fall down on the mountain road, so he hurriedly walked two steps.

As soon as she arrived, Warnia plunged into Charlie's arms, crying, and said, "Master...I'm not dreaming, am I really you? You really came to save me."

Charlie patted her back lightly and comforted her: "You are not a dream, it's really me, I'm here to save you!"

Warnia cried with rain, and whimpered: "Master, I thought I would never see you again in this life..."

Charlie asked her, "Did you take the pill that I gave you?"

Warnia nodded as if pounding garlic, hugged Charlie, and said on his shoulder: "I have always listened to you and carried the medicine next to my body. After the car I was sitting in fell off the cliff, I immediately took the medicine. I took it. Fortunately, I had the medicine. Otherwise, Master might not see me..."

Charlie sighed softly and said, "The medicine was given to you to use for emergencies, but I have never hoped that you would really use it. I didn't expect it to be like this today!"

Warnia choked with grateful gratitude: "Master, the greatest fortune in my life is to know you... If it weren't for you, I might have already passed away... All your great kindness. I can't repay in my life..."

Warnia has always been very grateful to Charlie.

In the beginning, her room was accidentally hit by mistake, and she accidentally formed a feng shui bureau of trapped dragons. The whole person's fortune was consumed rapidly, and her life was even endangered.

If it hadn't been for Charlie to resolve it in time, she might have already died by accident.

Not to mention, Charlie helped her take the position of Song Family Patriarch step by step.

Today, she is facing such a big death crisis in Japan, and she is completely dependent on the medicine he gave her to be able to turn the danger into a breeze.

Now, Charlie has traveled thousands of miles at night to rescue her in the mountains of Japan. His kindness has already made Warnia grateful.

What's more, she loves Charlie deeply in her heart, so at this moment, she regards Charlie as a beloved person more important than her own life.
