

The Charismatic Charlie Wade Chapter 211 – 215

Chapter 211

Warnia couldn't understand why Mr. Lai just changed her fortune, and then there was such a big problem?

At the moment on the phone, he said: "There is no way, Miss, now the other party strongly demands triple compensation, we are very passive!"

Warnia hurriedly asked: "Could it be a mistake? Did you ask them to test it again!"

The other party said: "I have already told them, but they said that after monitoring twice, the goods still failed the test!"

Warnia blurted out: "Check the source immediately to see our export records. When was this batch of goods produced and who was responsible? Find out and tell me clearly!"

After that, she said again: "In the U.S., you can drag as long as you can, and then send a few people over to check it out!"

"OK, mam!"

After hanging up the phone, Warnia's expression was cloudy. She looked at Mr. Lai and asked, "Mr. Lai I have encountered another particularly difficult thing. If it can't be solved, the loss may exceed 500 million. Haven't you reversed the fortune?!"

Mr. Lai dodged Warnia's eyes, and said falteringly: "Stopping adversity also takes time, and it cannot be done overnight."

Warnia replied: "Then it will improve slowly, and there shouldn't be new bad luck suddenly!"

At this time, Warnia called again, and it turned out to be the eldest son of the Hong Kong Li family!

She hurriedly connected the phone, smiled and said, "Hello, Gongzi Li!"

"Miss Song." The other party said in a cold voice: "We thought about it and felt that the Song family was not the best partner in our eyes, so we might unilaterally terminate the cooperation."

"Termination of cooperation?!" Warnia suddenly became anxious and blurted out: "Mr. Li, you should be able to see that we are obviously superior in all aspects compared to others! The cooperation between the Li family and our Song family is the best and Good choice"

The other party chuckled and said: "To be honest, a master next to my father is measuring Feng Shui for my father. He said that the aura of the Song family does not seem to match that of the Li family. If we continue to cooperate with you, it may affect the fortune of the Li family, so , I'm sorry Miss Song."

After speaking, he hung up phone.

This!

Warnia originally wanted to take this opportunity to take the Song family to the next level, but she was completely disappointed when she did not expect it to be empty.

Mr. Lai was already a little panicked at this time. He originally wanted to lie to her and leave as soon as possible. He didn't expect that after his own practice, Warnia suddenly became even more unlucky?

He felt that in this place shouldn't stay here for long, so he hurriedly said: "Miss Song, the change of Feng Shui fortune requires a process, so you must calm down. I believe that by tomorrow, everything will disappear! I will leave now!"

After he finished speaking, he was about to walk outside.

Warnia blurted out: “Wait a minute! Mr. Lai, this situation is obviously problematic! Why did I have two such big troubles immediately after you finished the formation!? Give me an explanation for everything you say! “

Just after speaking, Warnia felt a sharp pain in her lower abdomen, which made her sigh, almost unable to stand firm.

She barely stood firm by holding on to the TV on the wall, and the colic made her sweat!

She wondered, what was wrong! When this has not yet come, how can it happen to her.

She hasn't figured it out yet. There was another sharp pain in her lower abdomen. This pain made her legs soft and she could only hold the TV with her hands to keep standing.

At this time, the bracket of the TV on the wall suddenly clicked, and the metal bracket broke!

Chapter 212

Seeing that the sixty-inch big TV slammed into her feet in a daze, Charlie hurriedly stepped forward and took her hand, and violently pulled her into his arms.

With a loud noise, the TV set fell off and hit the ground heavily.

The casing and screen suddenly shattered, and a piece of shattered hard plastic was snapped out, wiping Warnia's slender white calf and flew by.

“Ah!” Warnia felt a sharp pain in her calf, and when she lowered her head, it had already cut a two to three centimeters long opening, and blood poured out in an instant.

Charlie hurriedly took out a tissue from his pocket, squatted down to help her cover the wound, and asked: “Miss, do you have disinfection products such as iodophor at home?”

Warnia was a little angry when Charlie touched her calf, just about to have an attack, but when she thought that Charlie had saved her just now, she suppressed the fire.

She immediately looked at Lai Buyi and asked with obvious anger: "Mr. Lai, if you don't give me a reasonable explanation today, don't go anywhere!"

When Orvel saw this, he grabbed Master Wade Lai by the neck and asked coldly: "d*mn, say! What did you do to our lady?!"

Mr. Lai cried and said, "I didn't do anything! I just set up a battle to help her change her fortune."

"You don't bluff me!" Orvel scolded angrily: "You changed her fortune for the worse, right?"

After that, Orvel gritted his teeth and cursed: "Say, did you collect money from someone and deliberately harm our eldest lady?"

Mr. Lai trembled in shock, and blurted out, "Big Brother, I didn't! I was not instructed by anyone."

Orvel grinned and said, "If you don't tell the truth, then I will chop you up and feed to the dog!"

After that, he immediately said to Warnia: "Miss, hand this b@stard over to me, I will let him evaporate from the world!"

Warnia was also very annoyed, and said coldly, "Mr. Lai, if you don't give me an explanation, then I can only order the people to do things!"

Mr. Lai hurriedly knelt on the ground, crying and said: "Miss, I just lied to you for some money, I really didn't hurt you!"

Warnia asked with a cold face: "What you did just now was all fooling me?"

"Yes." Mr. Lai hurriedly took out the check and begged for mercy: "I will refund you the money, please let me go."

Warnia stared at him for a while, seeing that he didn't seem to be lying, she felt even more desperate.

what happened? Is her fortune worse?

Suddenly, she suffered heavy losses. If this continues, the family business will be ruined in her own hands.

At this moment, Charlie, who had not spoken, suddenly said, “Miss, in fact, Mr. Lai did not do nothing.”

Warnia looked at him and asked, “What does this mean?”

Charlie said calmly: “The layout of your room is matched with your own five elements to form a large array of trapped dragons on Feng Shui!”

“The Dragon Array will lock all your fortune into the formation. The reason there is still a little leeway is because the pot of green plants has left a gate for the Dragon Array.”

After speaking, Charlie looked at the so-called Mr. Lai and smiled: “Unfortunately, this guy replaced the green plant with a stone. The stone is gold. This time, the gate is sealed. It doesn’t matter if you remove it now. Use it, so your fortune will be lost instantly, and it will only get worse and worse.”

Warnia was suddenly struck by lightning, and hurriedly put away the contempt for him before, bowed and clasped her fists and said pleadingly, “Mr. Charlie, please help!”

Chapter 213

Mr. Lai knew that he had caused a catastrophe when he heard this, and hurriedly said, “Miss Song, I didn’t mean it! Mr. Wade please take that stone away quickly.”

Charlie shook his head: “It’s useless to take it away. The Dragon Array is closed. It’s like throwing a stone into the water. Even if the stone is taken away, the water wave generated by the stone cannot be stopped.

Warnia looked at Charlie dumbfounded, and she couldn’t help but respect him a little bit, and asked: “Mr. Wade please help me solve this troubled dragon formation. No matter how much money I have to spend, I will not hesitate!”

When Orvel heard that Charlie saw the doorway, he hurriedly said: “Mr. Charlie, please help our eldest lady.”

Charlie nodded and said, “Miss Song, the Feng Shui in your room was not originally a trapped dragon, but this year is your natal year. Your own lifestyle has changed during this life year. It doesn’t fit in with the Feng Shui of this room, so it forms a big trapped dragon formation.”

After all, Charlie said again: “I want to change the Feng Shui of your room now, it may cause damage to your room, and I hope you don’t mind.”

Warnia said immediately: “Mr. please, even if you demolish this house, I have no objection!”

Charlie nodded and said to the housekeeper: “Uncle Boyu, please find a crowbar.”

Boyu immediately said: “I will get it now!”

After a while, Boyu came in with a metal crowbar and asked: “Mr. Wade is this all right?”

“Give it to me.”

Charlie looked around carefully, then pinched his fingers to make the final decision, then took a few steps in the room, pointed to a piece of wooden floor under his feet, and said, “Mr. Orvel, please pry this floor open.”

Orvel nodded, did not go to help immediately, but looked at Mr. Lai and punched him in the abdomen.

With this punch down, Mr. Lai immediately spit out a mouthful of blood and wailed on the ground.

Orvel is a gangster like that, who has very practical experience. After this punch, Mr. Lai has no ability to sit up, let alone escape.

After that, Orvel took the crowbar from Boyu and raised the floor according to Charlie’s instructions.

The floor was pried open, exposing the concrete floor.

Orvel asked him: “Mr. Charlie, what should I do next?”

Charlie said lightly: “The trapped dragon array must have a central axis, so I just deduced it. Below this should be the central axis of the trapped dragon array. The central axis of the trapped dragon array is driven by water, and the water flows through the eyes. It will produce the effect of locking the fortune, so if I am not wrong, there should be a water pipe line under this cement.”

“Really?” Orvel asked in surprise: “Mr. Charlie, can your eyes see through?”

Charlie said indifferently: “It’s not a perspective, but a deduction through the five elements and knowledge! For example, if you see the lights on the roof turn on, you can guess that the roof must be buried in telecommunications.”

What Charlie said were all Feng Shui mysteries recorded in the Nine Profound Heaven Scriptures. Most people don’t understand Feng Shui formation at all, so they can’t guess where there is water or fire.

At this time, Charlie said again: “I think the cement on the water pipe should be very thin. You can see if you hit it hard with a crowbar a few times.”

“Good!” Orvel suddenly slammed the concrete floor hard, breaking a thin layer of concrete away in a few strokes.

Everyone held their breath and watched, and as expected, they saw Orvel smash a PVC water pipe as thick as a thumb from the cement!

This kind of water pipe leads from the aisle to the bathroom, but there is only this one, that is, in a huge house, the water pipe can be anywhere.

However, Charlie was able to directly point out the specific location of the water pipe, which was a bit shocking!

Chapter 214

“It’s amazing!” Not only Orvel was stunned, but Warnia and Boyu were also dumbfounded.

It’s amazing to be able to find out the water pipes hidden in the cement.

Charlie said again: “Break open the water pipe and let the water spill out. Once the water comes out of the formation, it will break down the formation. Once the formation collapses, the it will no longer exist!”

Warnia hurriedly said, “Mr. Orvel, you must smash this water pipe!”

Orvel nodded and smashed the floor several times before smashing the water pipe.

A large swath of water mist spewed out in a flash, and Charlie, Warnia and Boyu all hurriedly backed away to avoid it.

When the water gushed out, Charlie discovered that the Dragon Dragon Formation had also been completely abolished because of the fatal damage.

Afterwards, Charlie said to Boyu: “Turn off the water valve, the dragon formation has been broken.”

“This is broken?” Everyone looked incredulous.

Charlie said calmly: “It has been broken, and Miss Song’s fortune has been suppressed for so many days, and she should soon flourish.”

Just after speaking, Warnia’s phone rang.

“Mr. Song, the American side called and said that they made a mistake in the sample. It is not our problem. Our goods are all qualified.”

“Great!”

Warnia really took it! As soon as this breaks the formation, it immediately revolves

As soon as she hung up the call, she immediately said to Charlie with a look of gratitude: “Mr. Charlie, you are such a god! Thank you so much!”

Charlie smiled slightly and said, "Miss Song, you are welcome. I have also been entrusted by Mr. Orvel to come and help. All should be done."

Hearing this, Orvel was so moved that he almost cried. He didn't expect that Charlie could still remember to speak for him at this time. In this way, he would definitely be able to remember his work with Missy!

He has always wanted to hug the eldest lady's thigh, but the eldest lady is more repulsive to people of his origin, so he has always been able to wander around the edge of the Song family's industry. With this credit, he will Surely you will be able to enter the Song family's direct line of troops!

Warnia looked at Mr. Orvel and said, "You took interest in this matter, and I will remember it."

Orvel hurriedly said: "Miss, this is my business!"

Warnia nodded. In front of Orvel, she was still the tall lady, but in front of Charlie, she was very respectful.

At this time, Warnia's cell phone rang again.

It's Gongzi Li from Hong Kong Li Family!

"Young Mr. Li?"

Warnia was a little bit dissatisfied with the pigeons being released by Gongzi Li.

Gongzi Li said on the phone, "Miss Song, I'm so sorry! Just a little misunderstanding, my father's Feng Shui master said, Miss Song, your fortune has changed suddenly, and now your wealth is soaring, and you are overwhelmed. I strongly recommend that we cooperate with your Song family. I sincerely hope that we can sign the contract as soon as possible. I want to fly to your city tomorrow. I wonder if I will be able to see you face to face?"

Chapter 215

Gongzi Li's attitude suddenly changed drastically, and Warnia was shocked, and her chin almost fell to the ground!

Although she was a little angry at what Gongzi Li had done before, she was about to shout out excitedly now.

But she restrained it and said, "In this case, let's make an appointment at a time and place for the signing ceremony."

Gongzi Li said immediately: "The sooner the signing is, the better, so let me fly to Aurous Hill tomorrow to meet you in person!"

Warnia hung up the phone, almost admiring Charlie

From the two phone calls made by Gongzi Li just now, she can just see the power of Charlie.

The liar, Mr. Lai, destroyed the only student of the Dragon Array. Gongzi Li immediately called and refused to cooperate. He also said that it was his father's Feng Shui master who saw that her luck was not good, and as soon as Charlie broke the formation, the opponent immediately called and said that her wealth was soaring, this was the best proof of Charlie's strength.

When Warnia was amazed, she received another call from a stranger, and the other party asked, "Is it Miss Song?"

"It's me, who are you?"

The other party said: "Miss Song, I am the manager of the Hermès store. You tried clothes and accessories in our store last week. Do you remember?"

Warnia said: "Well, remember, what's the matter?"

The other party said: "That's right, we just found a string of diamond jewelry in the corner of the fitting room with your name engraved on it. I think you should have left it in the store, so I called to confirm it!"

Warnia suddenly trembled with excitement, and asked: "Where is the bracelet now? Is it with you?"

"Yes, in our shop."

"Then I will fetch it!"

After hanging up the phone, Warnia could not control her tears. She looked at Charlie and choked with gratitude: "Mr. Charlie, the bracelet my mother left for me has been found. Thank you so much."

Charlie smiled and said, "Just find it. If Miss Song is in a hurry, please go and get it!"

Warnia nodded, hurriedly wrote a check for 20 million, handed it to Charlie, and said, "Mr. Charlie, this is a little heart, please accept it!"

Charlie smiled slightly and waved his hand.

20 million?

I really don't lack twenty million

I don't know how to spend nearly tens of billions of cash there. What do you want me to do with 20 million?

So, he said lightly: "Miss Song, you and I are also friends. There is no need to talk about money for this matter."

Warnia still insisted at this time: "Mr. Charlie, the twenty million is a part of my heart, so I hope you can accept it! Otherwise, I will really feel sorry!"

Charlie said indifferently: "Miss Song, there may be intersections in the future, so why bother to calculate the accounts so clearly."

When Warnia heard this, she suddenly realized that she hurriedly put away the check and said apologetically: "I'm sorry, Mr. Charlie, I am a little stupid. If something happens to Mr. Charlie in the future, Warnia dare not follow the instructions!"

Charlie gave a hum and said, "Okay, go get your bracelet back!"

Warnia nodded, she really couldn't wait to get her bracelet back, so after thanking Charlie, she hurriedly asked Boyu to drive her out.

After the two of them left, Orvel was also extremely grateful to Charlie, holding his hand, and excitedly said: "Mr. Charlie, you are so interesting! If you have anything in the future, even if you go up to the sword mountain or down the fire. , I am also willing to put my heart on the ground for you!"
