

The Charismatic Charlie Wade Chapter 256 – 260

Chapter 256

In that case, when the villa Solmon White gave to Charlie is finished, how can one have the chance to live in?

When she thought of this, she suddenly gave in.

So, she could only sigh and say: “Okay, Mom supports you in starting your business, and I won’t mention the Willson Group. Is this all right?”

Claire was satisfied then, nodded and said, “Then we won’t move out.”

Seeing Claire’s passiveness into activeness, Charlie couldn’t help giving her a thumbs up.

The wife really has some abilities, she can’t see it at ordinary times, but she is very effective at critical moments.

The Old Master, Jacob, has not spoken, but seeing his daughter rarely lose her temper, he feels a little frustrated, so he hurriedly came out and said: “Look at your mothers, what was the argument just now? Like now, the family is in harmony. Is it alright?”

Elaine glared at him and said, “I don’t hear you bullsh*t just now, and now you are talking about it again! Charlie can live in a villa no matter how wasteful he is, how about you? You know how to play with strange things all day long. It’s weird and tattered, the most useless thing in this family is you!”

“Hey!” Jacob became anxious when he heard his wife put the fire on him, and said immediately: “I tell you Elaine, don’t despise me, I am amazing now! Last time I dumped medicinal materials and made hundreds of thousands you forgot about it?”

Elaine said disdainfully: “You will be taken away, I think you will be arrested for fraud sooner or later, don’t expect me to spend money to rescue you!”

“You b*tch!” Jacob said angrily, “Don’t look down on people, okay? I’m dealing with antiques, that’s talented!”

As he said, he rushed into the room, took out a pen holder, and said with a arrogant expression: “Look, the good things I collected during the day, I will let you see and know! Just this thing will cost hundreds of thousands!”

Elaine said disdainfully: “It’s just you? Why don’t you go and live there? You don’t have to pee to see your own virtues, it’s not enough for people to see.”

Jacob stomped angrily: “You girl, don’t look down on people if you don’t understand! This pen holder is from the Qing Dynasty. I spent five thousand to pick up this thing. I have sent the photo to Ervin Jones, who is a cultural relic, to see. He is willing to pay three hundred thousand.”

Charlie glanced at Jacob’s pen holder and was surprised.

If it is really a pen holder left over from the Qing Dynasty, it might be worth hundreds of thousands. However, you can tell at a glance that Jacob’s pen holder is something from the Qing Dynasty. It is obvious that it is made of modern craftsmanship. It is worth a hundreds at most.

Jacob bought this pen holder for five thousand, which clearly makes people foolish.

He couldn’t help wondering. The Old Master doesn’t understand sh!t, and it’s normal to be deceived, but Ervin Jones is a ghostly antique dealer. You sell him a hundred thousand worth of things. He can’t wait to spend only one hundred for it. He doesn’t. You may not be able to tell that this pen holder is a fake, so why are you willing to spend 300,000 on this?

Chapter 257

Hearing Jacob said this, everyone else looked incredulous.

Elaine asked in surprise: "You said that someone really wants to spend 300,000 on this ragged thing? It's such a ragged thing, I don't think it can sell for fiftys."

Jacob said triumphantly: "Why would I lie to you for? If you don't believe me, read the chat log!"

As he said, he opened the WeChat chat record, and a person named Ervin sent him a voice before.

Jacob clicked on the voice, and Ervin Jones's voice came out: "Uncle Willson, your pen holder is a good thing! I think it is a Qing Dynasty object. Otherwise, I will give you 300,000, and you will sell it to me. Come on!"

Elaine was surprised and said: "Oh my god! It's true! Mr. Willson, you are great, you are good at it! you bought it for 5,000 and sell it for 300,000!"

Jacob hummed, and asked with a sullen face: "Have you taken it? I'll ask you if you have taken it?"

"I've taken it!" Elaine herself is a master who sees money, and money is her father and grandfather. As soon as she heard that it could sell for 300,000, she immediately forgot what she had just said and said with a smile: "My husband has developed his skills too! Very powerful! It seems that Charlie is the worst in our family!"

Charlie's face is green, he said to himself, "What the h*ll it has to do with me? Don't forget to bring me in too at this time? Do you know the money he made by dumping the medicine? I made the medicine?"

It seems that if he finds an opportunity to ask that Ervin Jones, which of the tendons did not fit well? Didn't this make it clear that the father-in-law was spending money?

Jacob handed the pen holder to Charlie with excitement at this time, and said, "Charlie, tomorrow you take the pen holder and go to the Antique Street to find Ervin Jones. He will prepare 300,000 cash for you, and you will bring it back to me. "

Charlie nodded hurriedly: "I know Dad."

Jacob said with satisfaction: "You, you will go to the antique literary circle with me more in the future, maybe someday you will be like me, and you will have a sharp eye. When the time comes, let's pick up the leaks together. Can't you make a fortune?"

Charlie could only agree with his mouth, but what he thought was, if you don't do business all the time, how much trouble has he caused, and still calmly asked him to learn from? Why don't you think about it, in Jiqingtang, you smashed someone's antique vase. If I hadn't helped you repair it, you would have been in jail for the family to sue, and you still have a little memory?

But then Charlie thought about it, father-in-law is just an old naughty boy. He does everything like a real person all day long, but it's useless to say that he doesn't work, let him just feel good about himself.

Early the next morning, Jacob happily called Charlie, and said directly: "Charlie, you quickly take the pen holder to find Ervin Jones, he has the cash ready!"

Charlie nodded and asked, "Dad, aren't you going?"

Jacob said: "I'm going to the Calligraphy and Painting Association in the morning. They invited me to a meeting and let me join! After joining the meeting, there are a lot of good things about internal auctions of paintings and calligraphy, and many omissions can be picked up!"

Charlie said helplessly, "Well, I'll go to the Antique Street to find Ervin Jones."

Now that Jacob had confessed, Charlie was going to go to Antique Street to find Ervin Jones.

Claire just took a break today, and was boring when she was idle, and said: "Charlie, I will also follow you."

Charlie nodded and said, "Just right, drive the car."

Claire said, "Go ahead, I don't want to drive anymore."

Chapter 258

“Okay, let me drive.”

The couple drove together to Antique Street.

The antique street on weekends is the time when there are most people.

Ervin Jones is an old senior in Antique Street and has his own fixed booth, so Charlie found him as soon as he went.

At this time, Ervin Jones was holding a fake jade pendant, bragging to a foreign couple, spitting and saying: “I told you that this jade is a treasure worn by Emperor Chongzhen of the Ming Dynasty. Later, he was not in Jingshan, Eastcliff. Then, this jade pendant fell into Li Zicheng’s hands. Later, Li Zicheng was defeated. His grandson took the jade and escaped. After many twists and turns, it finally fell to me.”

“So powerful?” The middle-aged man asked in surprise, “How much does this jade cost?”

Ervin Jones grinned and said: “I think you have a relationship with this jade, so let’s take it away from you 180,000. When you leave this antique street, you can find an auction house and sell it for 1.8 million.”

The woman curled her lips: “Except for the antique street, which is tenfold, why don’t you go straight? Think we are fools? Really, husband, let’s go!”

After speaking, the woman took her husband away.

Ervin Jones cursed his mother in situ angrily: “d*mn, when did foreign tourists become so smart?”

Seeing this, Charlie stepped forward and smiled: “I said Ervin Jones, are you still kidnapped in this pit?”

“Ouch!” When Ervin Jones saw Charlie, his liver trembled with excitement, he hurriedly greeted him, nodded and said, “Mr. Wade, why are you free to come here!”

After finishing speaking, he looked at Claire beside him again and exclaimed: “Oh! This is Mr. Wade’s wife, right? She is really a talented woman!”

Charlie said, "Stop flattering. I'm here to find you this time. I heard that you want 300,000 to buy my Old Master's pen holder?"

"Yes, yes, yes!" Ervin Jones nodded repeatedly and said excitedly: "Your father-in-law is really a god! he can pick up such a big leak. The pen holder is at least worth three or four hundred thousand, which is amazing!"

Charlie pulled Ervin Jones aside, and said in a low voice: "Don't you troll with me here. Everyone on Antique Street can tell that this broken pen holder is fake. The only one who can't tell it is fake is my Old Master, you If you spend three hundred thousand to buy such a thing, you can't pay for it? Come on, why?"

Ervin Jones hurriedly said: "Mr. Wade, you have good eyesight. To tell you the truth, the younger one is also trying to honor you. Last time, your Old Master brought two magical medicines and asked me to resell them and earn one or two million. , The more he come back, the more I think about it, the more I feel uneasy. You said that the medicine that Mr. Wade made made me earn a lot of money. How inappropriate, right?"

As he said, Ervin Jones smiled graciously, and said: "That's why we thought about another way to share the profit with Mr. Wade. I know Mr. Wade treats money like dung, so you will return it from your father-in-law. ."

Charlie sneered: "Yes, Ervin Jones, you pitted the magic medicine I gave to my father-in-law and gave him hundreds of thousands. You made millions, thinking that you can atone for his sin by spending 300,000 on a pen holder?"

Ervin Jones shivered in fright: "Mr. Wade, you forgive me! If you are not satisfied, I will return the money to you! Nothing else, just to make your friend!"

Ervin Jones can't offend Charlie. He knows that Charlie is very powerful now. Many great people regard him as a master. Even the metaphysical masters from Hong Kong are said to have been destroyed by him, so he just wants to please Charlie. .

Charlie glanced at Ervin Jones and said faintly: "Forget it, father-in-law doesn't know the value of the pill himself, and thinks that he took advantage of you, and he deserves it. "

After finishing speaking, he looked at Ervin Jones and said, "Just forget about it, but I might be able to use you when I play with antiques in the future. Then you can be smart, do you hear it?"

Ervin Jones immediately said excitedly: “Mr. Wade, don’t worry. From now on, I will be Ervin Jones, and your dog. What do you want me to do, I will do it!”

Chapter 259

Seeing Ervin Jones doing this, Charlie nodded in satisfaction.

Ervin Jones is a very clever man, he has a good brain, and he has many ways to do things for himself in the future, which is indeed useful.

So he said to Ervin Jones, “I will definitely not treat you badly for not doing things well in the future.”

Ervin Jones hurriedly clasped his fists: “Mr. Wade, don’t worry, Ervin will only look forward to your head!”

Seeing his flattering appearance, Charlie shook his head and smiled: “You shamelessly look like you really don’t want to be beaten.”

Ervin Jones smiled and said: “Mr. Wade, my face is a bit ugly, but money is not ugly!”

As he said, he took out a black box from under the booth seat, handed it to Charlie, and said, “Mr. Wade, this is 300,000 cash, look at it.”

Charlie waved his hand and said, “Don’t look at it, I’m leaving.”

Ervin Jones asked: “Aren’t you going around in Antique Street?”

“No more.” Charlie said: “10,000 things, 9,999 fakes, what’s better, not going.”

Ervin Jones nodded and said, “Then you go slowly, and I will close the stall.”

Charlie asked curiously: “Why are you going to close the stall?”

Ervin Jones said: “I buy some goods in the commodity market. Nobody buys fake jade now. They all like to buy fake copper coins. The fake Kangxi Tongbao sold in the small commodity market is a dime at the wholesale price. Can sell for one or two thousand.”

When Claire heard this, he was surprised and said: "A dime for one or two thousand? Is this not too cruel?"

Ervin Jones scratched his head: "You don't know anything. Antique Street sells this way. If I sell it for a, my counterparts in Antique Street will kill me."

Charlie said helplessly: "Can't you do something that doesn't deceive people?"

Ervin Jones said with a bitter face, "Mr. Wade, if I don't deceive in Antique Street, I will really starve to death!"

Charlie said helplessly: "Forget it, you can control it yourself."

After that, thinking that the small commodity market was on his way home, he said to him: "You follow me, I will give you a ride."

Ervin Jones didn't expect that Mr. Charlie Wade would be willing to pick him up, and immediately said excitedly: "Mr. Wade, you really give the little disciple face, thank you, thank you!"

Charlie waved his hand: "Okay, stop talking nonsense, get in the car!"

When the car left the Antique Street, the sky suddenly became gloomy. After a thunderstorm, there was a sudden heavy rain.

The summer itself is rainy, and it rains at every turn in these two days, and the urban area has even been waterlogged at some places.

The rain was heavy, and the traffic station on the radio reminded the car owner that the underpasses of several arterial roads had serious water accumulation and were closed.

Therefore, Charlie could only choose to detour from the outskirts of the city.

On the way, Ervin Jones was excited and nervous. He sat in the back row and secretly took a picture of Charlie's side face while driving, and posted a circle of friends pretending to be forceful, saying, "Your brother is fortunate to be able to get a ride in Mr. Wade's car. "

A lot of people commented immediately below, and the content is nothing more than your kid! Mr. Wade, you can get in touch with each other, and don't forget to bring brothers when you become more developed.

Ervin Jones suddenly burst into vanity.

Charlie was not driving fast, and when he passed a secluded street, his eyes suddenly caught a car parked on the side of the road.

This car was an old black Mercedes-Benz, parked crookedly on the side of the road, and a woman in the car hurriedly walked down.

Seeing that the two front tires of Mercedes-Benz are flat, it is estimated that the tires had to be replaced.

Charlie didn't intend to be nosy, and drove directly. Unexpectedly, at this moment, Claire accidentally saw the Mercedes Benz outside the window and the woman walking down the Mercedes Benz, she was taken aback for a moment, and then she shouted: "Charlie, isn't that Elsa? Stop now."

Charlie then stopped the car.

Chapter 260

Claire hurriedly took the umbrella and pushed the door to get off.

Seeing this, Charlie hurriedly ran after her.

"Elsa, what happened?"

Claire ran to ask when she got out of the car.

"Claire? Why are you here?" Elsa shivered under the rain, suddenly raised her head, just to see Claire.

She looked surprised and extremely embarrassed, as if she didn't want to be seen by her girlfriends in such embarrassed manner.

Claire held an umbrella for Elsa and said at the same time: "I happened to pass by with Charlie. I saw you. What's wrong with you?"

Elsa said annoyedly: "Don't mention it, the company asked me to run sales and gave me a car. I came out to see the customer today. Before I could meet the customer, the tire got punctured! And I just looked at it and it seems that the other got punctured too, I'm so angry!"

Charlie was a little puzzled.

It is normal to drive with one tire out of function to some distance.

However, under normal circumstances, sharp objects such as nails or iron wires are accidentally pressed, so in general, only one tire must be punctured.

If both tires are punctured at the same time, it feels a bit wrong.

So he said to Elsa: "The rain is getting heavier, and it is not safe for you to stay here alone. It is better to go back to the city with our car first, and leave your car here, wait for the rain to stop and call for help to drag it back."

Elsa nodded, sighed and said, "It can only be this way."

Charlie was taking her back to the car. At this moment, she heard a sound of breaking through the sky very keenly!

She immediately saw a silver light bursting through the air in the heavy rain!

Moreover, this silver light came straight to Elsa!

Charlie didn't even think about it, and instantly stretched out his hand and pulled Elsa into his arms.

At the same time, just hearing the sound of "dang", a sharp flying knife was pierced on the front cover of the Mercedes-Benz!

The blade is as thin as a willow leaf, sharp and shiny, and it is still "buzzing"!

The front cover of the car is made of hard metal, but this extremely thin throwing knife is cut in half like tofu!

There was silence all around, and the eyes of several people were fixed on the flying knife.

Fortunately, Charlie was able to save her in time. The flying knife that came straight to Elsa's temple brushed Elsa's cheeks. The sharp blade cut off a few hairs of her. It was really thrilling!

Even if Elsa came from a famous family and had experienced many storms, she couldn't help screaming when she saw this suddenly.

Immediately afterwards, another cold light attacked by two knives, Charlie frowned, held Elsa and turned around, flashing the two life-threatening knives in an instant.

This flying knife is full of vigor, if it weren't for the protection of the exercises in the Nine Profound Heaven Scriptures, it would be impossible to save Elsa at this time, or to protect himself even!

Elsa was also stunned!

Unexpectedly, in Aurous Hill, someone wanted her life!

What she didn't expect was that it was Charlie who rescued her twice!

At this moment, Charlie hugged Elsa, raised his head coldly, and looked into the rain curtain.

He saw an off-road vehicle parked not far away. A person in the vehicle was looking at him dumbfounded, as if he did not expect to rescue Elsa from his throwing knife.

"Who is the kid, dare to spoil the good things of my brothers!"

In the off-road vehicle, two figures came down.

The two men were full of murderous aura and walked towards Charlie.
