

The Charismatic Charlie Wade Chapter 266 – 270

Chapter 266

So, does this mean that she can like Charlie and not feel sorry for her good girlfriends?

Maybe if she could get together with Charlie, it would be a relief for her good girlfriend!

Thinking of this, she hurriedly said to Charlie with joy: “Then I will trouble you, Charlie.”

Charlie smiled faintly and said, “It’s not troublesome at all.”

His smile made Elsa’s heart tremble again.

Reason tells her that Charlie is a best friend’s husband and there is no chance, but Elsa can’t help but have strange thoughts because of the emotional impulse.

Charlie didn’t know Elsa’s thoughts and left his phone number to Elsa.

At this moment, Ervin Jones leaned forward and said with a flattering expression: “Mr. Wade, you are so amazing. The evil stars like Oliver Vincent can’t do a single trick in front of you. I Ervin Jones reveres you. Admire you by throwing five-body throwing on the ground, you are like a god among the gods!”

With that said, Ervin Jones knelt directly on the ground without hesitation.

Charlie looked at him in a solitary manner, and deliberately asked him: “I said Ervin Jones, what did you run just now? Are you afraid I can’t beat Oliver Vincent?”

“No, no!” Ervin Jones was pale and hurriedly explained: “Mr. Wade, you have misunderstood, how could I doubt your strength? I just got confused just now, so please don’t take it to your heart.”

After finishing talking, Ervin Jones banged his head and tremblingly said: “Mr. Wade, you are the real dragon on earth! From now on, I will not worship the sky or the earth, I will only worship Mr. Wade. !”

Claire looked at Ervin Jones’s dog-licking gesture, shook his head, and said to Charlie, “What do you do now? I killed both Oliver and Vincent, should we call the police?”

Charlie thought for a while, and said lightly: “You get in the car first, I will solve it.”

Claire nodded and got into the car with Elsa and Ervin Jones.

When they all got in the car, Charlie took out his mobile phone from his pocket and called Issac, the spokesperson of the Wade family in Aurous Hill, the owner of Shangri-La Hotel.

Soon the call was connected, and Issac’s respectful voice rang: “Mr. Wade?”

Charlie said calmly: “I met Oliver Vincent. These two dogs barked at me. Now they have become two dead dogs. The corpses are on the side of the road. I don’t want to leave any trouble. You send someone right now and deal with it.”

Hearing this, Issac was shocked and said: “Mr. Wade you solved the Oliver Vincent? God, that’s a famous thief duo in Aurous Hill! The methods are cruel and ruthless, and the strength is also number one in Eastcliff!”

Issac couldn’t help but said excitedly: “Mr. Wade you are so amazing. If the Wade Family knows your strength, it would definitely cause a huge sensation.”

Charlie said calmly: “It’s enough for you to know this, don’t pass it back to the Wade family, or I will never forgive you!”

Issac respected Charlie’s orders, and said respectfully: “It’s the young master, I must be tight-lipped, and I will send someone to deal with it right now.”

Charlie gave a satisfied hum, then hung up the phone and walked to the car.

Opening the car door, Charlie sat in the driver’s seat and started the car calmly, as if what he had killed just now was really just two dogs.

Elsa sat in the back row, her beautiful eyes staring at Charlie's profile.

In her eyes, two shining lusters flickered in them, carefully tasted, there was actually a color of love and admiration!

Chapter 267

After the car arrived in the city, the terrifying storm just now gradually stopped.

Then, as the wind rose and the clouds rose, a rainbow of seven colors hung in the sky, attracting countless people to stop and watch.

Charlie stopped the car at the entrance of the small commodity market and let Ervin Jones get out of the car.

After Ervin got off the car, he respectfully raised his bows at Charlie, and said: "Thank you, Mr. Wade!"

Charlie looked at him and said lightly: "Ervin Jones, you must never tell anyone what happened today, do you understand?"

"Mr. Wade, don't worry, Ervin understands!" Ervin Jones's face was full of admiration, and he had treated Charlie like a god.

Charlie nodded in satisfaction and drove away.

And Ervin Jones stood there, watching Charlie drive away, but did not dare to move for a long time.

As for Elsa in the car, Charlie and Claire directly took her to the hotel.

Elsa has always stayed in a hotel in Aurous Hill and lived in Shangri-La. The security here is very good, and it is the property of the Wade family. It would take Elsa's cousin tonnes of courage, and he would never dare to attack Elsa here.

Until she got out of the car, Elsa's eyes looking at Charlie were still very complicated. She was like a big rock in her heart. She had a lot of words. She wanted to say to

Charlie, she wanted to thank him, and she wanted to confess to him, regretting that she had no eyes. She read him wrong.

It was just that in front of Claire, what she wanted to say could not be said at all.

Can't help it several times, Elsa hesitated and stopped.

Elsa arrived at the door of the hotel, Claire hugged her and said softly: "Elsa, remember, you must call Charlie when you encounter trouble, and don't let yourself be in danger."

Elsa nodded and said softly: "Don't worry, Claire, I will."

Charlie looked at Claire holding Elsa, and couldn't help feeling sore. His wife had not held him many times, but she often held Elsa, her best friend.

Charlie didn't notice. Elsa looked at Claire's eyes with some envy as well.

Taking into account that Elsa is Claire's best friend, Charlie likes their company. For her safety, he took advantage of the second daughter's goodbye to send a message to Issac: "Please send a message to Eastcliff Dong's family. If they follow the idea of harming Elsa anymore, I will level the Dong family!"

The strength of the Dong family is less than one-tenth of the Wade family, they will not dare to make another mistake

After separating from Elsa, after Charlie and the two returned home, Claire hurried to the bathroom to take a shower and change clothes because of the rain.

Charlie handed all the money he took back from Ervin Jones to Jacob.

Jacob triumphantly took over 300,000 and said excitedly: "These 300,000 are just the beginning. Next time I will earn him 3 million by picking up leaks. From now on, our family's good life will depend on me. Hahahaha."

Charlie smiled awkwardly, and said in his heart, "Jacob, Jacob, you can spare Ervin Jones. This grandson has been cheated for so long, and I don't know how much money he can make, but he lost 300,000 from you all at once.

If you find some rubbish crafts for him, he thinks that he is the Old Master, and he is afraid that you will be angry, and then spend a lot of money to buy it, he will be tortured to bankruptcy sooner or later.

Although Ervin Jones is a profiteer, his human nature is not bad. It is indeed impossible to let him cut meat to the Old Master.

So Charlie persuaded him: "Dad, you should not deal with Ervin Jones less in the future. This person doesn't have a word in his mouth. Sooner or later you will suffer a lot if you get caught with him."

Jacob disdainfully said: "What do you know, you show people feng shui or something outside, that's a lie. We are doing a serious antique business. If you don't understand, don't follow suit. Keep your eyes open and look good. Go ahead."

Chapter 268

Seeing that Jacob had identified this path of no return, Charlie could only shake his head helplessly and returned to the bedroom.

When he walked into the bedroom, Claire had already taken a shower and put on lavender silk suspender pajamas.

The fragrant shoulders were like snow, the jade arms were smooth and tender, and most of her beautiful back was exposed. Charlie couldn't help his throat dry as his eyes focused on her.

The pajamas, thin as cicada wings, neatly outline the graceful curves of her lying on her side. The skirt just covers her thighs. The two curvy legs are slightly close together, and the jade feet are round as jade.

Claire's face was reddened by his fiery eyes, and she quickly groaned: "What are you looking at? It's not that you haven't seen it before, what's so beautiful."

Charlie smiled: "My wife, you look so beautiful, I can't see enough."

Claire rolled her eyes, but her beautiful eyes flashed with strange colors.

Today Charlie's performance surprised her. Previously, she thought that Charlie would only look at Feng Shui and know a little about martial arts, but she didn't expect him to be so brilliant.

At the critical moment, it was really unusual to be able to save the life of her best friend!

She couldn't help asking: "Charlie, tell me why are you so powerful? Even Oliver Vincent are not your opponents."

Charlie grinned and said: "This is a secret unless you let me kiss, otherwise I won't tell you."

Claire screamed, blushing, and said, "In your dreams."

Charlie looked at Claire's little woman's posture, and his heart was hot. He turned around and opened the closet to find the quilt.

But when he opened the closet, he was stunned.

The closet was empty, and the mattress he usually used to hit the floor was gone.

"Wife, where is my quilt?"

Charlie turned around and asked.

Claire recovered and said, "I just took it and washed it for you."

Charlie was speechless for a while, and even the place to sleep was gone, and said helplessly: "I can't sleep on the floor without a mattress, then I'll go to the sofa."

"Really a pig." Claire curled her lips, took out her personal bedding from the closet, and handed it to Charlie: "You use mine."

On the white bedding, there was still a faint fragrance, Charlie exulted, and said dryly: "Wife, you are so kind to me."

Claire glanced at Charlie and said, "Go to sleep."

Charlie replied, holding Claire's private bedding, smelling the faint fragrance, and couldn't help but feel excited.

If this continues, wouldn't he be able to sleep with his wife soon?

At this time, Claire said to him: "I have to be busy with the studio for these two days. I just got up the matter and I have to hurry up to find some orders. You stay with my dad at home. Don't let him go out and buy things. Those antiques, have you heard of them?"

Charlie hurriedly said: "My wife, I'll go to help your studio? No salary, I'll clean the table, sweep the floor, serve you tea, or something!"

Claire smiled and said: "No, the studio is still out of work. If the work goes alive, I can draw pictures and make design drafts. I don't need your help. You can do housework at home."

Chapter 269

Early the next morning, Claire hurried to the studio.

Charlie rode his electric bike to buy vegetables at the vegetable market.

Claire has been busy working on the work of the studio recently. It has been very hard. He bought some high-nutrition dishes to supplement his wife.

When he finished buying vegetables, Charlie just came out of the vegetable market and saw Elsa in there.

"Charlie!" Elsa called him, her face full of excitement.

Charlie looked at her and said in surprise: "Elsa, what a coincidence, you are here too!"

Elsa looked at Charlie and said falteringly: "Yes, no, no, I am."

Charlie was a little confused, and said, "Speak slowly, have you encountered something?"

Elsa couldn't help her cheeks getting embarrassed. In fact, she had been waiting outside Claire's home early in the morning and had been following Charlie all the way.

Elsa plucked up the courage, but her red lip lightly, and said, "I came here to thank you specially. Thank you for saving me yesterday."

Charlie couldn't laugh or cry and said, "I saved you because you are Claire's best friend. You don't have to be so polite with me for that."

What did he think it was because of this.

Elsa shook her head and summoned the courage to continue: "Charlie, in fact, I still know that not only did you save me yesterday, but you were also the one who saved me last time at the Aurous Hill Hotel."

Charlie snorted, how could Elsa know what happened last time? He masked himself last time, she shouldn't have known it!

He hurriedly denied it and said: "You must have admitted the wrong person? I have never been to an Aurous Hill restaurant. There must be someone else who saved you."

Elsa looked at Charlie with incomparably complex eyes, with unwillingness, admiration, and unspeakable resentment in it.

Why didn't he even have the idea of confessing? Isn't he so worthless in his own eyes? He didn't even admit to saving her?

Thinking of this, she said with tears in her eyes: "When I was in the Aurous Hill Hotel, Harold invited me to dinner. I was accosted by the rich second generation. As a result, Harold provoked others and was surrounded by people at the door of the restaurant. At the critical juncture, Harold left me and escaped. At that time, there was a masked hero, like a world-famous hero, who defeated everyone and saved me, and you also saved me."

Speaking of this, Elsa's complexion instantly turned red, and that day she had a skin-to-skin relationship with Charlie, and her pants were taken off by him.

Of course, she also knew very well that Charlie took off her pants, in fact, to save her, and did not have any unruly intentions.

Charlie's face turned green after hearing this, this lady, who really doesn't open the pot, can she admit this kind of thing?

Of course not!

If he let Claire know that something like this happened to him and her girlfriend, she can't blow up the pot!

"Elsa, you really misunderstood. I can fight very well, but I am really not your savior."

After speaking, he hurriedly changed his words: "Even if it was me, it was only the one time I saved you yesterday!"

Seeing that Charlie didn't admit it at this time, Elsa sighed faintly and took out the safe and wealthy stone from her pocket.

"What about this stone? How do you explain it."

Charlie's eyes widened, isn't this his own stone that has been lost for a long time? He couldn't find it all the time. Why was it in Elsa's hands? Could it be that he rescued her at the Aurous Hill Hotel and it was picked up by her?

Chapter 270

No wonder he couldn't find this stone after that day, it turned out to be lost that day! And it happened to be picked up by Elsa

"I really can't explain it now, let me go", he said in his heart.

Thinking of this, Charlie could only bite the bullet and pretended to be stupid, and said, "What do you mean, isn't this just a broken stone?"

Elsa looked at Charlie's eyes seriously and said, "Don't lie to me, Ervin Jones has already told me that this stone is yours. It is called the Ping An Wealth Stone, and it is unique in the world."

When Charlie heard this, he secretly scolded Ervin Jones bloody, how could this Ervin speak out.

Seeing that Elsa had grasped the conclusive evidence at this time, Charlie could only nod and confessed: "Well, I admit that I was the one who rescued you at the Aurous Hill Hotel at the time, and I saw you by accident that day. Tell Claire!"

As Charlie admitted, the atmosphere between the two became silent for a while.

Charlie was embarrassed that he had concealed his identity for so long, but Elsa directly pierced him, not knowing how to face her.

But Elsa's thoughts are surging like waves, and her mind is extremely complicated.

Elsa looked at Charlie, wanted to speak a few times, but she wanted to stop. Finally, she mustered up the courage and took a step forward, only half a slap away from Charlie's body.

"Charlie, I like you!"

The corner of Charlie's mouth twitched, and he took a step back without a trace, and said: "Elsa, I am your girlfriend's husband"

Elsa gritted her teeth and said: "So what? I know that you and Claire have no relationship basis. You were married at the time because of Mr. Willson. If so, then you not a husband who snatches a girlfriend, you are my girlfriend's fake husband."

With that, Elsa grabbed Charlie's hand and placed it on her heart, and said in a loving tone: "Charlie, I am not an inferior beginning, and I am not inferior to her in any sense. I am still the eldest daughter of the Dong family. And I love you more than her, I am willing to do anything for you."

Charlie felt the plumpness on Elsa's chest, quickly withdrew his hand, and refused: "Elsa, there is absolutely no possibility for the two of us. I cannot betray Claire, and I

believe that you are just having a momentary impulse. Don't put your mind on me, it's not worth it."

Elsa was rejected by Charlie, her pretty face said stubbornly: "No, I went back yesterday and thought about it all night, Charlie, since you saved me for the first time, I have fallen in love with you, the second time you saved me, I have fallen in love with you hopelessly!"

As she said, she said loudly and emotionally: "I just like you! I just love you! You believe me, if you are willing to be with me, I will not let anyone look down on you! I can be the silent one next to you forever a woman who supports you!"

Charlie couldn't help smiling wryly.

Elsa only knew that he was her lifesaver, but she didn't know he was also the chairman of the Emgrand Group and the eldest master of the Wade family. If he wanted not to be looked down upon by others, she could immediately disclose his identity and receive worship from countless people from then on.

However, that kind of life is not rare at all.

But Charlie definitely couldn't say that, otherwise it would hurt Elsa too much.

Moreover, it will reveal his true identity.

Elsa looked at Charlie and said stubbornly: "It doesn't matter if you reject me now, but I will definitely not back down. I will use my practical actions to let you know that I love you more and suit you better than ever. I can only be your underground lover in the future, and I am willing to follow you forever!"

Charlie said helplessly: "Elsa, you are just a little impulsive now. I advise you to think about it carefully. Then, I go home to cook, you can think about it yourself."

After finishing speaking, Charlie rode away on the tram like escaping.

Charlie felt that Elsa must have been hot for three minutes, and after two days of hiding, she would definitely have no such thoughts.

However, at this moment, Elsa looked at Charlie's leaving figure, but her eyes were still very firm. She said to herself: "Elsa, don't be discouraged, you can definitely do it!"
