

# The Charismatic Charlie Wade Chapter 276 – 280

## Chapter 276

The most eye-catching medicinal materials are really the best!

Even Charlie himself had no way to buy the best medicinal materials!

Charlie was a little shocked and couldn't help asking: "How can your father get so many such good medicinal materials?"

Aoxue hurriedly said: "Mr. Wade knows something. My Qin family manages a lot of business. One of them is medicinal materials. Our ancestors were medicinal materials dealers from the Qing Dynasty. We had our own mule and horse team to collect the top medicinal materials and transport them. We sold it to princes and nobles in the capital and sold it to rich merchants in Aurous Hill. For so many years, we have not lost this business.

After that, Aoxue hurriedly said: "By the way, my father asked me to tell Mr. Wade that if Mr. Wade has any demand for medicinal materials in the future, tell us directly, the Qin family will do everything possible to meet your needs!"

Charlie was also surprised.

Ever since he accidentally obtained the Nine Profound Heavenly Secrets, he was attracted by the mystery in it. There are so many abilities and prescriptions for refining medicine, but many medicinal materials have never even heard of it.

He was still worrying about this, but he didn't expect that the Qin family was a medicinal material merchant with a century-old heritage!

This is really nowhere to be found after breaking through the iron shoes, and it is all effortless!

So he couldn't hide his joy and said, "Okay! Very good! With the help of your Qin family in the future, my medicine refining will be much easier!"

Aoxue heard Charlie talking about refining medicine, hesitated again and again, gathered courage, and knelt on the ground with a thud.

Charlie was startled by her sudden movement, and asked in surprise: "Aoxue, what are you doing?"

Aoxue knelt on her knees, clasped her fists in her hands, and pleaded with a pious expression: "Mr. Wade! My father heard that you are going to make magical medicine, and he yearned for it, so I begged Mr. Wade, can I be here? After refining the magic medicine, it is also too"

Aoxue stayed for a long time and didn't say anything else.

She has always been admired by others since she was a child. How can she beg others? Not to mention begging for something.

Therefore, this thin-skinned girl is now embarrassed to tell her real needs.

Seeing her hesitating, Charlie couldn't help worrying about her.

However, even if Aoxue didn't say it, he knew Aoxue's request in his heart.

So he said lightly: "Does your father also want a magic medicine?"

Aoxue nodded as soon as she heard this!

Immediately, she hurriedly said: "If Mr. Wade is too burdened, we will never force it!"

Charlie smiled.

What kind of magical medicine is the medicine he wants to refine for Tianqi and the others? It's nothing more than the lowest grade medicine in the Nine Profound Heaven Scriptures.

This kind of thing is easy and trouble-free when refining. As long as there are raw materials, it can be produced in minutes, which is faster than steaming buns with noodles. What the Qin family wants is nothing more than medicine. Of course, he will not refuse.

The most important thing is that in the future, he will rely on the Qin family to prepare medicinal materials for himself.

If this time he can take the Qin family for his own use and let them become his disciples, it will be much easier for medicinal materials in the future.

So, he looked at Aoxue, who was embarrassed and flushed with eyes full of pleading, smiled slightly, reached out to support her, and smiled: "Your father wants my medicine, I can give it."

"Really?" Aoxue was suddenly excited when she heard this.

Charlie smiled and said, "Of course it's true. Even if you don't look at your dad's face, I can't refuse it because of your little beauty."

In fact, Charlie was joking.

But unexpectedly, after Aoxue listened, the deer slammed into her heart!

At this time, Charlie, in order to invite people to buy their hearts, smiled indifferently: "Well, since I have a relationship with your Qin family, this time I will give you two pills when I refine the magical medicine!"

## **Chapter 277**

Whether it was Qin Gang or Aoxue, they only dared to ask for one magic medicine that Charlie had made.

In their opinion, it is already smoke from the ancestral grave to be able to get a magic medicine!

With this magical medicine in hand, in the future, as long as people still have half their breath, they can be rescued from purgatory. It is of great significance to a family like them.

However, no one dares to ask for it, Charlie will give them two!

Aoxue stayed where she was struck by lightning when she heard this.

She looked at Charlie with beautiful eyes, and a layer of mist was cast in a moment. Then, tears that were bigger than mung beans rolled down, and Charlie inevitably felt pity when he saw it.

Aoxue was crying, and choked up and asked, "Mr. Wade, are you speaking the truth?"

Charlie smiled and said, "What? Are you afraid that Mr. Wade lied to you?"

"Don't dare!" Aoxue hurriedly shook her head, the teardrops fluttered, making Charlie feel so cute about her.

Aoxue wiped her tears and smiled, "I just can't believe that, thank you so much! Thank you so much!"

After that, Aoxue bowed.

She believed that even if her father was here and heard Charlie say that he would give two magic pills, she would definitely bow down and thank you!

Seeing her excited look, Charlie smiled slightly and said, "Aoxue, go back and tell your father that I, Charlie, have always been a gentleman who has trouble chasing after a gentleman. After the magical medicine is refined, I will give him two pills. , But if I have any needs for the Qin family in the future, he must not reject me, do you understand?"

Aoxue nodded hurriedly, and said excitedly: "I understand Mr. Wade! Thank you!"

Charlie nodded and said, "Okay, Aoxue, you don't need to kneel, get up."

Aoxue hurriedly said, "Aoxue obeyed!"

After speaking, she stood up cautiously.

Charlie smiled and said: "We are not an ancient martial arts movie, needless to say so politely."

Aoxue hurriedly said: "Dad always teaches me that I must be polite and respectful to seniors. Mr. Wade, you have the ability to reach the sky. Naturally, Aoxue must be respectful and respect you!"

Charlie smiled faintly and said: "I looked at your temper before, and seemed to have been spoiled since childhood. I didn't expect it to be a book and a gift, and I am impressed."

Aoxue was happy, but also a little embarrassed.

How can she know how to deliver gifts?

Before today, she was still that unruly little pepper.

It's her temperament if she doesn't accept anyone she can choke at anyone.

But now, in front of Charlie, she was really convinced by 10,000 people, and her father was eagerly looking forward to her with expectations, so in front of Charlie, she unconsciously wanted to be a well-behaved and loving kitten.

Seeing that it was late, Charlie said to Aoxue: "Aoxue, I will accept the medicinal materials first, but I have to go out to buy vegetables or let's go out together?"

Aoxue realized that she was delaying Mr. Wade's work, and nodded hurriedly, saying, "Mr. Wade, Aoxue won't disturb you."

Charlie shook his head slightly and said, "Don't think about it, go back and tell your dad that I will contact him after the medicine is refined."

"OK, Mr. Wade!" Aoxue immediately bowed and saluted.

Charlie held his arms before stopping her, and then hid the medicine materials in the kitchen, and then went out with her.

At the gate of the community, Aoxue thanked him a lot, and then reluctantly bid farewell to Charlie and drove home.

Charlie, on the other hand, returned to the old wasteful son-in-law's appearance. He dragged a small cart for grocery shopping with a brand of washing powder and walked to the small vegetable market near his home.

## Chapter 278

Aoxue returned home with great excitement in her heart.

At this time in the Qin Mansion, Qin Gang was waiting anxiously.

He didn't know whether Charlie could agree to his daughter's visit to ask for medicine.

After all, although he wanted to be a dog for Charlie, he was afraid that Charlie would not look down upon a family like his own.

The Qin family in Aurous Hill is stronger than Solmon White's but much worse than Warnia's.

And Charlie is the target of the Song family. With the Song family in front, how can there be a chance to show his face?

Aoxue came back when she was feeling uneasy.

As soon as her car stopped in the courtyard of the villa, Qin Gang ran out quickly.

Just as she had stopped the car and pushed the door down, Qin Gang hurriedly asked: "Aoxue, how was it? Did Mr. Wade agrees?!"

Aoxue nodded and nodded repeatedly with tears in her eyes.

"Dad, Mr. Wade agreed!"

“Great!” Qin Gang burst into laughter with excitement.

At this time, Aoxue said again: “Dad, Mr. Wade said, he wants to give us two.”

“What?!” Qin Gang was dumbfounded!

“Two?! Give us?! Mr. Wade is going to give us two magic pills?! You can’t get it wrong?!”

Qin Gang felt that he could not even breathe.

Aoxue nodded at this time and said very seriously: “It is indeed to give us two magical medicines, I heard it right!”

“Oh my God!” Qin Gang burst into tears: “Mr. Wade is trying to pull our Qin family?”

Aoxue said hurriedly: “Mr. Wade said, he will have some demand for medicinal materials in the future, and wants us to cooperate well.”

Qin Gang said excitedly: “Great Aoxue! Great! Mr. Wade is going to promote our Qin family! With his great god, our Qin family will be revitalized, so there is hope for us!”

After that, he asked again: “By the way, Mr. Wade saw you, does he show any special expressions?”

Aoxue’s face flushed to the base of her neck.

She vaguely said, “Mr. Wade, Mr. Wade, he said he said”

“Oh, what did Mr. Wade say?”

Aoxue lowered her head and said in embarrassment, “Mr. Wade said, for the face of my little beauty, he can’t refuse.”

“Hahaha!” Qin Gang laughed three times and exulted: “There is a play! There is a play! It seems that one day in the future, Mr. Wade may also become my Qin Gang’s son-in-law!”

Aoxue said shyly: “Dad, what are you talking about:

Qin Gang said excitedly: “Anything is possible! Aoxue, you have to keep working hard!”

After finishing speaking, Qin Gang said excitedly: “Mr. Wade has great magical powers, and his style of behavior must be different from ordinary people, and he certainly doesn’t care about the worldly gazes and moral constraints. Otherwise, with his power, how could he succumb to the Willson family to be a man? Home son-in-law? So, my daughter, you must continue to work hard and strive to cook mature rice with Mr. Wade. It is best to have a son for Mr. Wade. In that case, my Qin family really has to vacate. Go Up!”

Aoxue was so embarrassed that she couldn’t wait to dig a hole and get in, covering her face and saying, “Dad, what are you talking about, it’s disrespectful!”

After finishing speaking, she stomped her feet and ran back to her room.

## Chapter 279

The matter of Charlie’s refining magical medicine spread like wildfire among several upper-class families in Aurous Hill.

Solmon White, the owner of the White family, Fungui Bao, the owner of Treasure Pavillion, and Orvel, the owner of Classic Mansion, all heard the news.

Although the three of them couldn’t help but want to ask Charlie for medicine, Solmon White was the only one who really had the face to speak.

Solmon White is confident.

After all, he had already expressed his sincerity to Charlie long ago, and even gave Charlie a Tomson First-Class villa that had been bought for more than 100 million.

Therefore, he also ran to Charlie’s house in the afternoon, taking advantage of Charlie’s own home, and begged Charlie for a magical medicine.

Charlie did not refuse him.

After all, he's a relatively comfortable person. Although his son and nephew are a bit stupid and a bit bad, they have been taught the lesson. Now he treats himself honestly and docilely. It's just medicine, no need. Stingy.

Solmon White got an affirmative answer and slammed Charlie three heads excitedly.

The richer people are more afraid of death. For them, the miracle medicine is like a miracle medicine for rebirth. Everyone wants to be able to get self-defense.

After agreeing to Solmon White and sending him away, Charlie took out some medicinal materials at home and refined a batch of pills.

In this batch, he used only one-tenth of the medicinal materials to make 30 pills.

Moreover, because the pill this time uses a full set of prescriptions, the medicinal materials are much better than the last one, so the efficacy is more than ten times higher.

If the previous one can treat almost most moderate internal injuries and has some effect on all internal injuries, then this time the pill can almost heal fatal internal injuries.

Even Tianqi's years of old wounds and stubborn illnesses can be cured by swallowing half a capsule.

If you are chased by a master, even if you only have one breath, you can survive by taking this medicine.

After refining the medicine, Charlie kept twenty of them, took out ten of them, and called Warnia, Tianqi, Qin Gang, and Solmon White that he had refined the magic medicine. It will be set up at Orvel's Classic Mansion tonight. Banquet, distribute the magic medicine to them.

When everyone heard it, they were ecstatic.

Unexpectedly, Mr. Wade is really a dragon! The magic medicine was made so quickly! It's almost as fast as making dumplings!

That night, everyone came to Classic Mansion in advance, waiting for Charlie's ride.

Charlie prepared meals for Claire, his father-in-law, and his mother-in-law before telling them that he had an old friend from the orphanage who had come back and wanted to meet for a small gathering and then slipped out of the house.

At the gate of Classic Mansion, Solmon White, Qin Gang, and his daughter, Warnia, the genius doctor Tianqi, his granddaughter Zhovia, Orvel, and others personally greeted them at the door.

Today, Classic Mansion closed doors and thanked guests, only to entertain Charlie alone.

Seeing Charlie, everyone's expressions were stunned, and they clasped their fists and said respectfully: "Welcome Mr. Wade."

Charlie glanced at the crowd and smiled faintly: "You guys came really early, when did you arrive?"

Warnia smiled slightly: "Mr. Wade, it's rare for you to organize the game yourself. We must arrive a little earlier to show respect."

For today's dinner, Warnia deliberately dressed up and put on an elegant and noble black evening dress. The tulle lining outlines her perfect and slim curve, but it does not appear coquettish, but rather different. Charming.

Coupled with Warnia's perfect facial features, she showed her temperament to the fullest.

## **Chapter 280**

Charlie couldn't help but look at it a few more times, and today's Warnia is truly amazing.

If you compare her with Claire, the appearance and build of the two are almost equal to each other, but in terms of temperament, Claire is more than one grade lower than Warnia.

After all, Warnia is a daughter of the Song family, and her temperament is beyond the reach of an ordinary woman.

Aoxue also blushed and walked in front of Charlie, and also bowed.

Unlike Warnia, who is a mature and intellectual beauty, Aoxue's heroic appearance is fused with the appearance of a current little woman, and it has a special flavor.

Aoxue painted light makeup, coupled with her own martial arts practice, the original temperament was like a snow lotus on an iceberg, extremely lingering.

However, after Charlie was in her heart, she became like a flower in full bloom in the spring sunshine, a little more tender.

At this moment, she looked at Charlie, her cheeks couldn't help showing a crimson color, adding a little daughter's gesture.

There was a strange flash in Warnia's eyes on the side, a woman's instinct made her subconsciously dampen Aoxue.

She thought to herself: This Aoxue of the Qin family, doesn't have ideas for Mr. Wade?

Grandfather has instructed her to find a way to recruit Mr. Wade as the son-in-law of the Song family.

And she was really tempted by this proposal.

Could it be that Aoxue from the Qin family had the same thoughts as her own?!

Charlie didn't know the thoughts of Warnia and Aoxue, but just smiled at everyone, and said: "You will remember from now on, get along with me, you don't need too much red tape, I am a person who looks down on everything, you just need to treat me plainly."

When everyone heard this, they waved their hands quickly.

Qin Gang reverently said: "What kind of status is Mr. Wade, we should serve respectfully and not break the rules!"

Solmon White also followed: "Mr. Wade, as the Supreme Master of Nanguang, is kind to me and waits for me. Let alone wait for a while, even if we wait for a day, we won't say anything."

Tianqi couldn't help but put his hand over and said: "Mr. Wade is unparalleled in medical skills, but anyone in Aurous Hill will admire him as long as he knows Mr. Wade's superb skills."

Seeing this, Charlie nodded helplessly and said, "Okay, let's not stand at the door, let's go in first."

Warnia smiled softly: "Mr. Wade, please first."

Charlie didn't refuse and walked in the forefront.

The other big brothers followed Charlie in turn, falling half of their body distance, not dare to increase it.

Entering the diamond box of Classic Mansion, the dishes in the elegant room are ready and the table is full of delicacies.

Charlie didn't invite many people, but they were all important figures in Aurous Hill City. All of them were bigwigs. If they were seen by outsiders, they would definitely be shocked.

As the owner of Classic Mansion, Orvel said in a respectful tone: "Mr. Wade, I heard that you are going to treat guests at Classic Mansion. So, I specially set up this table of dishes. The dishes are higher than the general diamond box specifications. There is more than one grade, and the wine is also a century-old Moutai aged wine that was specially delivered by air from Guizhou overnight. I hope you will be satisfied."

Although Orvel knew Charlie's abilities a long time ago, the many bigwigs who came today completely shocked him.

Warnia, the eldest lady of the Song family, Qin Gang and daughter of the Qin family, Solmon White, the head of the White family, and the genius doctor Tianqi.

There is a single pick from here. They are all important figures in Aurous Hill, but in front of Charlie, they are like harmless little sheep. Therefore, people like Orvel who are mixed with society are even more inferior. Come to the table!
