

The Charismatic Charlie Wade Chapter 281 – 285

Chapter 281

With so many bigwigs gathered together, Orvel didn't dare to speak loudly at all.

Even in his territory, when he entered the private room, he could only behave like a pug, wagging his tail in front of Charlie, hoping that he could take a look at himself.

Seeing that Orvel was so careful, Charlie smiled at him, nodded, and said, "Mr. Orvel, you are interesting."

Orvel heard Charlie's words and said with excitement: "It is my honor to be able to do things for Mr. Wade, Mr. Wade, please come to your seat."

Charlie nodded slightly and sat down in the position of Master Wade.

Then Orvel said respectfully: "Mr. Wade has any instructions, just call me, I will be at the door!"

After all, he carefully exited the box and guarded the door of the diamond box like a waiter.

Mr. Orvel is also the King of Aurous Hill Underground.

But at this time, he was just a gangster who couldn't get on the stage.

Each of these big men who ate with Charlie was much better than himself. In his capacity, he was not qualified to go directly to the table. It was already three lives fortunate to be able to talk to Charlie.

As soon as Charlie sat down on the main seat, Warnia followed closely and directly sat in Charlie's right seat.

The two were close to each other, only half a distance away, Charlie could even smell the faint fragrance of Warnia's body.

According to the rules at the dinner table, the most distinguished person is the main seat, and the next-level person is on both sides of the VIP guests.

Among them, the Song family is the strongest. As the representative of the Song family, Warnia naturally wants to sit with Charlie.

Therefore, at this time, whoever could sit on the other side of Charlie became the object of other people's intentions to fight.

Qin Gang pushed Aoxue at this time and smiled and said to Charlie: "Mr. Wade, you are a person with great magical powers. My daughter Aoxue has admired you for a long time and has always regarded you as an idol in her heart. Why not let her sit too? Next to you, serving you tea and pouring wine, what do you think?"

As soon as she said this, Warnia raised her pretty brows, and the expressions in Qin Gang's eyes were quite meaningful.

But Solmon White cursed secretly in his heart, what a f*cking shame that old dog Qin, wanted to use his daughter to get closer to Mr. Wade.

The main reason why Solmon White gritted his teeth in his heart is mainly that he has no daughters.

He secretly thought, if Solmon White, my daughter, will come out frantically when I get you Qin Gang.

At this time, Aoxue was flushed and embarrassed in her heart.

Although she also liked Mr. Wade, her father had already said that she should seize the opportunity, but in front of a group of people, it was too shameful.

However, although she was embarrassed, Aoxue was not the kind of twisted person, and she simply said openly: “Mr. Wade, please give Aoxue a chance to serve.”

Charlie was taken aback when he heard the words, and said lightly: “Since you have this heart, just sit next to me.”

Aoxue was overjoyed and hurriedly bowed to thank him, and then sat next to Charlie.

Tianqi’s eyes were very envious. In fact, he also wanted his granddaughter to sit next to Mr. Wade. However, Aoxue was the first step, and the first step forward without removing this face for a while.

Tianqi did not dare to think about making Zhovia the woman of Mr. Wade.

But if Zhovia could be favored by Mr. Wade and accepted as a maid, that would be the blessing of cultivation in eight lifetimes!

Chapter 282

Because Charlie’s medical skills are superb, and even his own ancestral medical skills, he knows better than himself. If Zhovia is fortunate to be able to serve Charlie in the future, she will definitely have the opportunity to learn.

This is also one of his purposes for bringing Zhovia to the dinner.

Of course, another purpose is naturally to seek medicine from Charlie.

He has been tortured by his own injuries for half his life, and now he finally has the opportunity to cure him in one fell swoop!

Thinking of this, Tianqi gave Zhovia a profound look, so she must look for opportunities to get closer to Charlie.

How could Zhovia not know her grandfather’s thoughts, and her cheeks suddenly became crimson alluring, embarrassing and hot.

Zhovia hurriedly lowered her head, but waves arose in her heart. From time to time, she raised her head to look at Charlie, her fingers tangled together again.

Mr. Wade is the most powerful genius doctor she has ever seen. Both her character and appearance are superior. It is not an exaggeration to describe it as rare in the world, but she also knows very well in her heart that she can't be worthy of Mr. Charlie's attention and admiration.

Except for Zhovia, Aoxue and Warnia also looked at Charlie's eyes with strange colors, and their beautiful eyes never moved away from him.

Charlie didn't notice the gaze of the three women. He looked at everyone and smiled. He raised the cup and said, "Everyone, Wade is in Aurous Hill. It's so fateful to know you all. I have a banquet today and I want to get in touch with everyone more than I can usually. In the future in Aurous Hill, I will inevitably need every one of you to help me."

As soon as his hand moved, the crowd at the table also picked up the cups, for fear that it was a step slower.

Warnia hurriedly said to Charlie: "Mr. Wade is too polite. If you have anything, please do not hesitate to tell us. This is what we should do."

Tianqi also followed: "Mr. Wade reaches the world, and his medical skills are superb. The Old Master will admire you very much. If Mr. Wade has any dispatch in the future, the Old Master will dare not follow it!"

Charlie smiled faintly, and said: "Okay, everything is in the wine, everyone will do this glass!"

"Mr. Wade, cheers!"

Everyone drank a glass of wine together, and then respectfully raised the glass, seeing Charlie dare not put it down.

Charlie put the wine glass down first and then took out a box from his arms.

Everyone immediately stopped all their movements, and even their breathing became more cautious, their eyes all staring at the box, their excitement could not increase.

They know that in this box is the magic medicine everyone is thinking of!

Charlie looked at everyone at this time, and said lightly: “This is the medicine he is refining this time.”

“Really!”

Everyone suddenly became excited.

Everyone came rushing to this magical medicine, and at this time they couldn’t wait to see the magical medicine.

Charlie opened the box, revealing the ten pills in it, and said lightly: “Everyone, the medicine I refined this time is at least ten times more effective than the medicine I refined last time!”

“Ten times?!” Everyone was too excited to speak.

They wanted a magic medicine like the last time they were satisfied, but they didn’t expect this magic medicine to be ten times better than the last one!

Charlie said at this time: “My medicine, I dare not say that it can save the dead and turn the living into immortals, but it can strengthen the body, prolong life, and cure all diseases. Before dying, as long as you have a breath, you can get a life back after taking my medicine. It is not a problem to live for a few more years. Therefore, after you take it, you must be cautious and cautious and not be s3xually swallowed!”

Everyone was horrified and unbearable. This time, the medicine was so amazing?!

Chapter 283

The pill that Charlie held in his hand was nothing but the medicine he refined according to the Nine Profound Heaven Scriptures, but it made everyone’s heartbeat crazily.

A crowd of people waited to see the crystal clear pill, and everyone’s breathing started to rush.

Among these people, Tianqi, the oldest, was the most excited, and even the genius doctor's usual indifferent manner was almost unable to maintain.

He has a serious old injury that has not been cured, which has caused him to suffer from illness for half his life.

Last time, he occasionally got the pills refined by Charlie, and the symptoms relieved a lot, but the cure was not yet possible.

Now, after hearing that the effect of this new medicine was more than ten times that of the last time, Tianqi was so excited that he even felt that he would be able to completely heal the old wounds.

If Mr. Wade's magic medicine can really have this effect, then this is a great kindness!

And Warnia's eyes were extremely excited.

Although Charlie used acupuncture to save her grandfather, his body is still weak. If he wants to live and live a long life, he must rely on Charlie's magical medicine.

Therefore, at this time, her eyes looking at the magic medicine was extremely hot, and the eyes looking at Charlie were even hotter.

As for Qin Gang, he almost shouted with excitement when he thought of getting two magical medicines.

Charlie said lightly at this time: "Some problems that modern medicine cannot overcome, such as diabetes, kidney failure, and other malignant diseases, can be cured by taking this pill."

Everyone was even more shocked by the voice!

Although the diseases Charlie said casually are very common, they are all difficult diseases in modern medicine. Not to mention that they can't be cured by taking medicine, even going abroad can't cure them.

Especially diabetes is also known as undead cancer, there is no cure at all!

But here with the help of Charlie, a magic medicine can be cured.

This is simply a medical miracle!

Everyone present sighed inwardly, Mr. Wade is really the genius doctor of the world, the true dragon of nine days!

Aoxue's beautiful eyes were shining, and her complexion was as if a fire was burning. She couldn't help thinking that Mr. Wade, a figure like this, will surely soar into the nine heavens. She must seize the opportunity and she must not miss it.

Zhovia couldn't help showing her admiring eyes at Charlie.

Charlie's ability was something she could not imagine in her entire life. If she could learn some trivial methods under Mr. Wade, it would be enough for the entire medical world.

At this moment, Charlie saw that everyone was eager to see through, smiled faintly, and said: "Okay, let me divide the medicine!"

Everyone couldn't bear it for a long time, and their faces were full of excitement.

Charlie stood up, took out a pill with one hand, first handed it to the oldest Tianqi, and said lightly: "Mr. Shi, this one is for you."

Tianqi trembled. He knelt on his knees, holding his hands above his head respectfully, and said humbly, "Mr. Wade gave me the medicine! Mr. Wade is very kind, and I am willing to be a cow and a horse for my whole life, and repay Mr. Wade!"

Charlie smiled slightly: "Mr. Shi, you and I are also destined, don't be so polite."

After all, put the pill in Tianqi's hands.

Tianqi was full of tears, and when he thought of being tortured for half his life by an old injury, he subconsciously wanted to take it all out and completely free himself from the pain.

Chapter 284

Charlie stopped him and said lightly: “Mr. Shi, this medicine is too strong. You only need to take half a capsule to cure your old disease. Treasure the remaining half capsule, and it will be of great use in the future.

Tianqi’s heart was shocked, he could heal himself with only half of it? This is really amazing!

Thinking of this, he took out the blade used to scrape the dregs of medicine, split the pill into two, then opened his mouth and swallowed it.

Everyone looked at him intently, hoping to see a miracle happen.

A few seconds after Tianqi took the pill, his face instantly became flushed, his skin instantly turned red, and he sweated a lot.

Tianqi felt like a magical warm current in his body was running around.

His body like long-dried yellow earth with mottled cracks, and this warm current, like mild clean water, quickly fills up the cracks in the yellow earth and nourishes the entire land.

He felt that his stubborn and old wound had started to repair quickly, and his eyes widened, revealing an expression of disbelief!

“Mr. Wade, this is really amazing! The old disease that has plagued me for decades is completely healed within a few minutes!”

Tianqi’s eyes were full of tears that flowed down his cheeks.

Over the years, he was tortured by the old illness and collapsed. Not only was he unable to treat the illness himself, but he was also in danger of losing his life at any time, and his life was extremely painful.

But now, Charlie’s half a pill will cure him completely.

This can be said to be amazing, and it is no longer able to describe it in words!

Puff!

Tianqi knelt again, and the old tearfully said: “Mr. Wade, you are my reborn parent. If you don’t dislike it, Tianqi is willing to treat you with the courtesy of father, brother, and teacher titles.”

Suffering from illness and pain, once he recovered, the ups and downs made him feel excited.

Everyone saw Tianqi recovering like this on the spot, and they admired the magic medicine made by Mr. Wade even more!

This pill alone is worth more than ten thousand gold. After they get it, they won’t sell it for any amount of money!

Charlie looked at Tianqi, supported him with one hand, and said, “Mr. Shi, I have taken your mind, but you are an elder, after all, so don’t salute me in the future.”

Tianqi hurriedly said, “Why then, Mr. Wade is the benefactor in the next step”

Seeing that he had a strong sexual axis, Charlie stopped talking, but looked at Warnia, took out medicine, and said, “Miss Song, this medicine is for Mr. Song.”

Warnia hurriedly knelt in front of Charlie as Tianqi did before, and raised her hands above her head: “Thank you, Mr. Charlie, for giving the medicine! Your great kindness, the Song family will never forget!”

Charlie nodded and smiled, and took out two pills without failing, hiding one pill in the sleeve, and putting the other pill into Warnia’s hands.

Warnia got the medicine and was excited. She was about to close her palm and carefully put the pill away. At this time, she felt a round object in the center of her palm.

She felt a little in her heart, raised her head to look at Charlie, and saw Charlie looking at her with a smile on his face, and blinked his right eye lightly, and suddenly understood what Charlie meant.

This is Charlie giving her one more, and then told her to keep quiet

Warnia was extremely excited and touched. She didn't dare to hope that Charlie could give her two pills.

Moreover, the second one was given quietly. Does this mean that the second one was not given to Grandpa by him, but given to her?

Chapter 285

For Charlie, giving Warnia one more medicine was nothing.

However, for Warnia, it is of great significance.

At this time, her heart was already touched by Charlie, and she even felt a little girl being protected and cared for by a big boy.

In her silly eyes, Charlie walked to Solmon White and took out a pill: "Mr. White, this one is for you."

Solmon White shivered all over, and immediately knelt on the ground, just like everyone else, waiting respectfully.

Charlie put the medicine in his hand, and Solmon White blurted out: "Thank you Mr. Wade for giving the medicine! Solmon White will listen to your orders in the future!"

Seeing Solmon White's piety kneeling on the ground, he said lightly: "Mr. White, your son, and your nephew both angered me at the beginning. If you hadn't been a human being, they would probably not have been in this world."

Solmon White squatted in his heart and squatted his head hurriedly and said: "Thank you, Mr. Wade, for raising your hand!"

Charlie snorted and said, "Tell the young people in your family that they must learn to behave with tail clipped."

Solmon White nodded in a hurry: "Mr. Wade don't worry, I must warn them!"

“Yeah.” Charlie said lightly: “You take the medicine, and it may save your life in the future.”

As soon as Solmon White got the magic medicine, his face was flushed with excitement: “Mr. Wade, if you need my family in the future, please let me know!”

After that, it was Qin Gang.

Charlie promised Aoxue to give her two pills, so Charlie gave Qin Gang one, and Aoxue another one.

The father and daughter knelt on the ground together, extremely pious.

Qin Gang immediately expressed his stance, saying: “From now on, my Qin family will also regard Mr. Wade as the dragon head!”

Charlie smiled slightly and nodded in satisfaction.

At this time, all the medicines that should be given have been given out, but he thought about it and said loudly: “Mr. Orvel, come in.”

Orvel, who had been guarding the door of the box, hurried in: “Mr. Wade, what’s your order?”

With that, Orvel looked at Charlie respectfully and bowed his hands in salute.

Charlie nodded faintly and smiled: “I know you and I are not short anymore. You work hard and work diligently. I will prepare a pill for you today when refining medicine.”

When Orvel heard this, his whole body was dumbfounded! The limbs are hot, and the head explodes!

He had been waiting outside the box just now, and of course, he had heard what Charlie said in the box and what happened after Tianqi took the medicine.

However, he knew very well in his heart that a person like himself, who can’t get on the stage, after all, could not be eligible for the medicine given by Mr. Wade?

However, at this moment, he heard that Charlie was going to give this magical medicine to him, and he knelt on the ground without hesitation!

“Mr. Wade, I am an illiterate person, Mr. Orvel, I don’t know how to say beautiful things. From now on, my life will be yours. Even if you let me go up and down the sea of fire, if I frown, hit me with thunder. boom!”

Orvel was so touched that he couldn’t help himself. Kneeling on the ground, he respectfully took the pills from Charlie, excited as if he were treating a peerless treasure.
