

The Charismatic Charlie Wade Chapter 286 – 290

Chapter 286

Charlie waved his hand and said: “Okay, take care of me in the future, I will not forget your credit!”

Orvel firmly said: “Mr. Orvel will definitely not let you down!”

When everyone saw that Charlie had given a magical medicine to Orvel, the shock in their hearts was beyond words.

Although Orvel was very impressive in Aurous Hill, it was nothing to them, but after such a small character followed Mr. Wade, Mr. Wade did not hesitate to give the magic medicine.

This is how Mr. Wade treats his own people, really is the grace of heaven!

He knelt on the ground at the door of the box, crawling on the ground with his knees in front of Charlie, moved in his heart, tears on his face.

“Mr. Wade, I really didn’t expect you to see me as a small person in your eyes. Mr. Orvel was really grateful.”

Charlie smiled slightly and said: “Mr. Orvel, I live in the world, and I look at the character of the other party, not the identity of the other party. You remember classmate Darren, in terms of status, he is inferior to you in the case; in terms of strength. , Not as good as your little brother. When he was trapped by a sl*t and was lying in the hospital, he didn’t even have the ability to commit suicide, but why should you still help him, save him, and protect him? Because he belongs to me, Charlie’s friend, no matter how small he is, I will not let it go.”

Orvel's heart trembled, and he couldn't help being moved to tears. He choked his head and said, "Master Wade, Orvel will definitely help you in the future!"

Charlie handed the medicine to him and said, "If you follow me, you must understand a truth. With my strength, you don't need your heart and soul. As long as you do things for me down-to-earth, I will surely protect you for a lifetime!"

In this sentence, Charlie did not say anything.

Regarding wealth, what he has is that tens of billions of cash and hundreds of billions of companies already have inexhaustible wealth;

In terms of strength, he has the Nine Profound Heavenly Secrets, and his strength is extraordinary.

Therefore, as long as Mr. Orvel steadfastly follows him, he will naturally not treat Mr. Orvel badly.

And Charlie's words also made everyone present even more strongly admire and respect Charlie.

Let everyone present, deep in their hearts, make up their minds to follow Charlie!
Charlie bowed his head all his life.

At this time, Solmon White took out a wearable smart bracelet key and said to Charlie: "Mr. Wade, this is the smart bracelet key of the Bugatti Veyron Hermes special edition sports car. This car is the one I got from the Aurous Hill International Auto Show in advance. Ordered, the auto show officially starts tomorrow, and you can pick up the car!"

The ordinary Bugatti Veyron is priced at about 26 million, while the Hermes special edition is priced at more than 40 million.

Before Charlie spoke, Qin Gang hurriedly took out a smart bracelet key and hurriedly said: "What a coincidence, Mr. Wade! I also ordered a sports car for you at the auto show, but I ordered an Aston Martin. Limited edition one77."

Aston Martin's limited edition one77 is also priced at 40 million.

Unexpectedly, the two of them thought of going together.

Solmon White looked at Qin Gang annoyed, and blurted out: “Old Qin, why do you give Mr. Wade a sports car like me? Did you deliberately follow me?”

Qin Gang said confidently: “How can I learn from you! I think Mr. Wade should drive the best sports car, so I specifically ordered that Aston Martin!”

Tianqi on the side saw that the two of them were giving gifts one after another, and hurriedly took out a sandalwood gift box from his pocket. After opening it, there was a very shiny, colored porcelain wine glass inside.

He said to Charlie: “Mr. Wade, this Chenghua Doucai wine glass was handed down from the Ming Dynasty, and it is also one of my favorite antiques in my life. I give it to Mr. Wade first today. I hope Mr. Wade will like it!”

Seeing that all three of them gave out gifts, Warnia, who had received two magical medicines, didn't dare to fall behind. She turned her back in a hurry, scribbled a cheque, and put her hands in front of Charlie: “Mr. Wade, this one hundred million cheque, expressing a little care, please accept it!”

Chapter 287

Charlie didn't expect that these people would unexpectedly meet and give gifts to him.

Moreover, the gifts they give are more expensive.

Both sports cars are of the 40 million class.

The Chenghua Doucai wine cups of the Ming Dynasty cost at least fifty to six million.

Warnia directly gave a check for 100 million.

However, these are really indifferent things to Charlie.

The first is sports cars, which are too public and he doesn't like them very much;

Secondly, antiques, too much sophistication, he doesn't like it;

As for money, the last thing he lacks is money.

However, seeing that these four people were looking forward to it, eager to accept their filial gift, Charlie thought for a moment, but did not refuse, but said indifferently: "Okay, I will accept things, you have brought me."

Since they want to follow their own saddles and become their own forces, it should be acceptable to accept them.

When everyone saw their gifts accepted, they were relieved and all smiled.

Charlie casually stuffed a 100 million cash check, two smart bracelet keys, and a Chenghua Doucai cup into his pocket, and then said lightly: "Well, everyone, let's eat!"

Everyone hurriedly said: "Eat and feast!"

At this time, Mr. Orvel stood up from the ground and said: "Mr. Wade, I'll go to the door and wait."

Charlie nodded, did not leave him.

For these people sitting here, Mr. Orvel really can't make it to the table.

The gangster on the road, no matter how good the gangsters are, they are still gangsters. They themselves are more than the richest of these big families.

After dinner, Charlie declined Warnia's request to drive him home and walked home alone.

After Warnia thanked him a lot, she drove her limited edition Bentley car and returned to her villa.

While holding the steering wheel in one hand, she was holding two magical medicines on the other hand, wondering whether she should give both to her grandpa, or just keep one for herself?

If she gives it all to Grandpa, then this magic medicine will be missed by herself, and she feels a little bit sad.

However, if she keeps one on her own terms, if grandpa knows about it in the future, wonder if it will cause trouble?

After thinking about it, the desire for magical medicine overcame another thought. She carefully placed the magical medicine in the glove box in the car and decided to hold it first. If she needed it in the future, she would use it. If she doesn't need it, but Grandpa needs it, she can take it out again.

At that time, she will offer grandfather the magic medicine twice to extend his life. She believes that at that time he will treat her differently.

When she returned home, Mr. Song, who was half-lying on the sofa, couldn't wait.

The last time Charlie came to the house, although he rescued him, he did not improve his system. He is still a little old and sick. After several days of resting, his health is slightly better. But he still needs someone to help him stand or walk on crutches.

For an Old Master who was proud and accomplished a lot in his life, the physical inconvenience became the biggest regret in their old age.

And now, he is pinning everything on the magic medicine refined by Mr. Charlie Wade.

Chapter 288

If granddaughter Warnia can get back the magical medicine and give it to him, he will definitely be able to get rid of the current troubles and regain the feeling of being strong and healthy ten or twenty years ago.

When Warnia came in with a pill of magical medicine, Mr. Song struggled to sit up straight, and asked with some trembling, "Warnia, Mr. Wade gave the medicine?"

Warnia nodded repeatedly, offered the pill with both hands, and said, "Grandpa, this is the magic medicine that Mr. Wade has refined this time. Take it!"

“Good, good!” Old Master Song said several times excitedly, and then asked, “Has Tianqi taken it?”

“he has taken it.” Warnia said: “Mr. Shi took only half of a capsule according to Mr. Wade’s instructions, and all the old injuries and stubborn illnesses were cured. It is amazing!”

As soon as he heard this, Mr. Song became excited and said tremblingly: “It’s so amazing and fast. Give me water and I need to take this now!”

The people around him immediately brought a bowl of tea.

The sons and descendants of the Song family stood in front of the Old Master, waiting to see the moment the miracle was born.

The descendants of the Song family now hope that the Old Master can live for a few more years and can protect these offspring more. Therefore, they also hope that the Old Master can improve after taking magic medicine.

The Old Master swallowed the pill tremblingly and took it with warm water. After the pill entered the stomach, it immediately turned into a burst of energy, which swept the whole body through all the meridians of the Old Master.

Immediately afterward, the Old Master felt that his whole body was repeatedly injected with energy, so he tried to stand up without using a cane.

The offspring around him was very nervous, for fear that the father would not be able to get up and fall, so everyone was ready to step forward and rescue.

However, no one thought that the Old Master just stood up easily with a slight effort!

Without any external force, the Old Master stood up easily with his legs alone, without shaking at all.

Elder Song felt the surging power of his legs, and immediately summoned the courage and walked out.

This step is a footprint!

No hurry, no tiredness, no panic, no rush, no shaking, no breath!

Everyone was amazed!

Is this still a dead Old Master? This is not worse than a middle-aged person in his 50s and 60s!

Father Song regained his control over his body and strength. He was so excited that he tried to walk a few steps quickly, it was fast and steady!

This made him extremely excited, and he blurted out with a laugh: "It's great! It's great! Mr. Wade is really a god!"

After that, he turned his head to look at Warnia, and said seriously: "Warnia, if you can get a good son-in-law like Mr. Wade, I can live to at least one hundred years old, your father, your uncle, yourself and your brother. Sisters, it's possible to live a hundred years! Once a family can live a hundred years old for three consecutive generations, this is simply a god-like family, and no one can shake it!"

Warnia had been shocked.

Grandpa was a person who was going to die, and was saved by Charlie, but after he was saved, Grandpa was also very excited.

But now, Charlie's magical medicine made grandfather seem to be twenty years younger in an instant. Now, he believes he will live for another twenty years. By then, he will really become a centenarian!

How many centenarians can there be in the world? Very few!

And if the soul figure of a big family can live beyond a hundred years, it is simply the family's greatest fortune, because the family can only develop and grow in the hands of the soul figure.

Once the soul figure dies, it will immediately fall into the infighting of a group of dragons without a leader, you are fighting for me.

How many families are in decline is caused by the death of soul characters and the renunciation of family descendants? Now Charlie will continue the prosperity of the Song family for at least two decades!

Chapter 289

This night, the family members who got the magic medicine could not sleep all night.

Warnia, who witnessed the miracle happening to grandpa with her own eyes, was also very excited.

Thinking of the magic medicine that Mr. Wade had quietly given to her, a strong warm current surged in her heart.

Mr. Wade treats her so well, this kindness is unforgettable!

Same as her, who fell into insomnia because of thinking about Charlie, and Aoxue, the little pepper of the Qin family.

After her father Qin Gang got the two magical medicines, he immediately gave her one as soon as he returned home and told her to hide it next to her body.

Now, this pill was stored close to her body, with her body temperature and fragrance on it.

The thought that this was given by Charlie to her made her happy and almost drunk.

And Charlie, as the big man behind all this, is still lying on the floor next to his wife's bed and continues to sleep particularly sweetly as his son-in-law.

Early the next morning, Claire went to the studio.

After so many days of preparation, her studio is said to have begun to take shape and is ready to officially open.

Charlie wanted to help her, but she only wanted to build her own business with her own hands.

Charlie understands her feelings. Since leaving the Willson family, she has been thinking about how to prove herself and can't let the Willson family look down upon her.

Well-dressed Charlie was about to go out to buy groceries and found that his pockets were bulging, which reminded him of the gifts everyone gave him yesterday.

Two smart keys for luxury cars, a Mingchao Chenghua Doucai wine glass, and a check for 100 million.

The Doucai cup was placed in a sandalwood box, which was relatively large, so he simply put the box together in his own small closet. As for the car bracelet and check, he originally wanted to put it in the cabinet, but after thinking about it carefully he gives up the idea.

Mother-in-law, she likes to come to the room to churn around when she has nothing to do. Last time Qin Gang gave him a jade bracelet, but his wife didn't wear it before she went along.

If she finds the check of 100 million and the smart keys of two luxury cars, she will definitely take it for herself.

More importantly, if she finds out, he can't explain it at all.

This one hundred million check alone was enough to scare her to death three times.

So Charlie left the smart bracelet and check in his pocket and went out to the vegetable market.

On the way, Qin Gang called him, and after a few greetings, he asked carefully: "Mr. Wade, do you still like the sports car given to you?"

"Oh," Charlie remembered suddenly, and said, "I haven't seen it yet."

Qin Gang said hurriedly and respectfully: "The car is at the Aurous Hill Convention and Exhibition Center. The International Auto Show is now underway. If it is not inconvenient for you to go there, I can send someone to the house in a transporter."

Charlie said, "Forget it, don't send to the house anymore, I'll take the time to check it out."

The community he lives in is very ordinary, and a house is worth two or three million. If two sports cars worth more than 40 million are suddenly parked, the entire community is estimated to be fried.

Therefore, he thought about parking the car first at Tomson's villa, where the villa has a private basement, and parking in the basement is more worry-free.

When he arrived at the vegetable market, Charlie received a call from Darren, a good university brother. On the phone, Darren asked, "Charlie, where are you?"

Charlie said: "I'm shopping at the vegetable market, what's wrong, Darren, are you looking for me?"

Chapter 290

Darren hesitated a little and said: "My dear, I came to the Aurous Hill International Auto Show today"

Charlie knew that he was a car fan, and his favorite thing was cars. When he was in college, he used to save a month of living expenses and went to other cities to watch the auto show.

So he smiled and asked, "Did you go to see the car again?"

"Yes." Darren said: "This time there are several world-class limited-edition sports cars coming to the exhibition, it is very rare to see them.

As he said, Darren hurriedly said: "Oh, I didn't ask you to talk about this."

Charlie asked: "Then what are you looking for?"

Darren hesitated for a moment, and then said: "That's it, I saw it at the auto show."

"My wife?" Charlie asked in surprise: "What did she go to the auto show?"

“I don’t know either.” Darren said, “She is with a man, so I called to ask if you know this.”

Charlie frowned.

Claire went to the auto show with a man?

Why didn’t he listen to her?

Although the two of them don’t communicate much, they will still tell each other about some things. She went to the auto show with a man. She didn’t talk about it to him. Is there anything hidden?

Although Charlie is the Wade Family Young Mr. and Mr. Wade in the eyes of Aurous Hill big men, he still lacks confidence in his relationship with Claire.

He was also worried that Claire might be tempted outside, so he said to Darren, “I know Darren, thank you.”

Darren said: “Charlie, my mother called me just now and told me that something happened at home and asked me to go back. You should come and have a look.”

“Okay.” Charlie said: “I’ll go and have a look later, you should be busy first.”

After hanging up the phone, Charlie parked the electric bike on the side of the road and took a taxi to Aurous Hill Convention and Exhibition Center.

The Convention and Exhibition Center is a large-scale real estate project that specializes in undertaking various exhibitions. Basically, large-scale exhibitions in Aurous Hill are held here.

Charlie entered the exhibition hall, and when he looked around, he was surrounded by ordinary citizens watching the auto show, and the surrounding platforms were also full of luxury cars.

Here, the starting point is the imported luxury cars such as the Audi a8, including luxury sports cars such as Lamborghini and Ferrari. In the center of the exhibition hall, on the highest platform, there is one red and one black. A top luxury sports car.

These two cars were the ones that Solmon White and Qin Gang gave to Charlie.

An Aston Martin one77, a Bugatti Veyron Hermes special edition.

These two cars are also the two super luxury cars at the finale of the entire auto show. The surroundings of the two cars are almost surrounded by audiences and reporters.

Besides the two cars, there were two strong and mighty security guards. The security guards turned their backs to the two luxury cars and formed a circle facing the crowd so that the crowd could not touch the cars.

The host is introducing, saying: "These two cars have already been ordered away. They are personal items. You can watch and take photos, but you can't touch them. Thank you for your cooperation."

A reporter couldn't help asking loudly: "The auto show has just started, and both cars have been booked? If it is not convenient to reveal, who are these two rich men?"

The host smiled slightly and said: "It's not two rich men, but one rich man."

"One?" The reporter exclaimed, "Could it be that two cars were bought by one person?"

"Yes." The host nodded and said with a smile: "These two cars are indeed owned by the same rich man!"
