

The Charismatic Charlie Wade Chapter 296 – 300

Chapter 296

“Mr. Qin, Mr. Gao Junwei from the Aurous Hill Convention and Exhibition Center has to touch that Aston Martin one77. It is about to embroil into a fight now, what should I do?”

Qin Gang was shocked and blurted out: “That car was given to Mr. Wade! I don’t care about the tall and short young sons, except Mr. Wade, whoever dares to touch the car, let the security guard give him his hand!”

Limo hurriedly said: “Mr. Qin, Aurous Hill Convention, and Exhibition Center belongs to the Gao family. Isn’t it a bit too much to do this?”

“The Gao family is a bullsht?” *Qin Gang shouted violently, “The Gao family is not even a bullsht in my eyes. I tell you, as long as the kid gets his finger on the car I bought, you better get out of Aurous Hill and never let me see you again!”*

Qin Gang only got two magical medicines from Charlie yesterday. He didn’t fall asleep all night with excitement. Suddenly he heard that someone dared to touch the car he bought for Mr. Wade. Wasn’t this his mother looking for death?

The strength of the Gao family was far below that of the Qin family. What’s more, behind Qin Gang there was a big god-like Mr. Wade, the little Gao Junwei, he didn’t even see him as worthy of his worries.

Hearing this, Limo’s heart shuddered, and then looked up and found that Gao Junwei had already taken a few security guards, choking with the security guards hired by him!

Gao Junwei is still so arrogant and coldly said: “If you don’t get out of the way, I will let people do it!”

Limo's hands were shaking in anger, d*mn, do you really treat these security guards as decorations? These are usually masters of escorting money transport trucks, how can you compare them to the security guards at the gates?

In addition, he had just received instructions from Qin Gang, and he was afraid that the two cars might have gone wrong, so he pointed to Gao Junwei and ordered the security guard he hired: "d*mn, give me something to face! We will fight! Fight fiercely! If he's killed, President White will cover us!"

The security guard of the banknote transportation company could not bear Gao Junwei's bad attitude for a long time. He was holding back his energy to teach him a lesson. Upon hearing Limo's order, he was immediately beaten up. The headed security guard shouted: "You deserve this!"

After that, he slapped Gao Junwei's face directly and cursed: "I wanted to hit you a long time ago, b@stard!"

Gao Junwei was slapped with a slap in the face and stared to the roof, and shouted sternly, "This is the roof of my Gao family, you dare to hit me?"

"f*ck you uncle!" The veteran security guard immediately raised his foot and kicked Gao Junwei's waist fiercely.

With this strong foot, he kicked Gao Junwei directly, clutching his stomach and rolling him on the ground.

The security guards of several other convention and exhibition centers were not rivals at all in front of the security of the cash transport company. After a while, they were all beaten up and down.

Juan rushed to Gao Junwei, protecting him, and angrily cursed: "You guys are looking for death, right? You are over! Dare to beat our Mr. Gao! The Gao family will not let you go!"

Limo said coldly: "The Gao family? Tell you, this car was bought by the owner of the Qin family! He said since your Gao family dares to ask for something, your mother who dares to fight doesn't even know you!"

“Qin Family” Juan heard this, she was dumbfounded.

Gao Junwei was lying on the ground in pain, panic in his heart.

Qin family? !

The Qin family is in Aurous Hill, but it is a big family second only to the Song family!

Moreover, the relationship between the Qin family and the Song family seems to have always been good!

In contrast, the Gao family is nothing more than operating a convention and exhibition center, which is more than ten thousand miles away, how can it troubled the Qin family!

Gao Junwei ignored the whole body pain, and said apologetically: “I’m sorry, I’m sorry! I really didn’t know this is the car Qin bought. I’m sorry, I have no eyes.”

Chapter 297

Gao Junwei was frightened at this time, but he almost wanted to kill in his heart.

He was beaten in his home convention and exhibition center, and he had to kneel down and apologize to the person who beat him. More importantly, he was beaten in front of Claire. This was the greatest humiliation he has encountered in life!

However, he couldn’t afford to provoke the Qin family, so he could only move his anger to Charlie in his heart.

He felt that it was Charlie the stinky silk that made him have to touch the car. As a result, he was beaten and embarrassed in front of Claire. This hatred must be reported by himself!

At this moment, Limo saw that he was still acquainted, so he said to the people around him: “Okay, don’t fight!”

The security guards of a group of cash transport companies gave up, but the security guards of the convention and exhibition center have been beaten and rolled all over the floor.

Charlie stood by, looking at Gao Junwei who was embarrassed on the ground with a scornful face, and asked with a smile: "Mr. Gao, it seems that these two cars, you really can't even touch it!"

Gao Junwei hated the tickle of his teeth, but he didn't expect that he would dare to provoke him, and he suddenly cursed with a gloomy expression: "Charlie, you made me ashamed today, I will definitely not forgive you!"

Charlie smiled and said, "What? Am I wrong?"

After speaking, Charlie asked Claire next to him again: "Wife, am I right?"

Claire was a little embarrassed at this time, just now Gao Junwei constantly ridiculed Charlie, she was indeed a little annoyed in her heart, but she did not expect things to turn into this.

The reason why she didn't get angry with Gao Junwei just now was mainly because she wanted to talk about the cooperation of the exhibition center.

However, seeing Gao Junwei's true appearance revealed, she also felt a little disgust in her heart, so she looked at him and said seriously: "Gao Junwei, this matter itself is your provocation first. It is you that conflicted with others and was beaten. What does it have to do with Charlie? I hope you can tell right from wrong and not trouble him!"

Gao Junwei noticed that Claire looked down on him a little, and was full of resentment. He stared at Charlie and gritted his teeth and said, "Smelly rag, you wait for me!"

Charlie looked at him in surprise: "What do you call me?"

Gao Junwei scolded angrily: "I call you Stinky pauper! Are you deaf?"

Juan, who was next to him, also added fuel and jealousy, and yelled, "Charlie, you son-in-law who eats soft rice, you are praised for asking you to hang silk."

Charlie was not angry, and smiled and said, "You said that I am pauper, but you can't even touch the sides of these two cars, and you were beaten by so many people. Who the h*ll is rag now?"

There was a burst of laughter from the crowd watching.

Gao Junwei's face is extremely ugly, gritted his teeth and said: "It's as if you can touch it. There is a kind of thing you can touch one and show me?"

When he said this, Gao Junwei was thinking of giving Charlie a stimulating method.

If he gets fooled and touches these two cars, he must be beaten violently.

If he is not fooled, just admitting the counsel in front of everyone, then he can save a little bit of face.

However, he didn't expect Charlie to say calmly at this time: "What's the point of a light touch? Would you like me to take a test drive to show you?"

"Hahaha!" Gao Jun sneered in a great voice: "Test drive? Your stinky rag is also worth of test drive of such an expensive car? You can touch the doorknob, I count you as winning today!"

Gao Junwei felt that Limo had so many people guarding here anyway, if Charlie wanted to touch it, he would definitely be beaten like himself!

Charlie smiled slightly, pointed to the Aston Martin one77 in front of him, and asked Claire: "My wife, do you want to take this car for a drive? If you want, I'll take you there!"

Claire hurriedly pulled him and said in a low voice: "Charlie, don't mess around, can't you see Gao Junwei's end?"

At this time, Gao Junwei struggled to stand up and sneered: "Charlie, what are you doing with her? Do you know how awesome this car is? There are only 77 cars in the world, and there is no market! Even my dad Hasn't been in this car before, do you still want to ride in this car?"

Charlie shrugged and said: "It's my own car, can't I sit in it for a ride?"

Chapter 298

Gao Junwei laughed angrily: "Charlie, the more you pretend, the more addicted you are, right? You don't take a piss and take pictures of yourself. You are hairy, what qualifications to ride in this car?"

Juan also said disdainfully: "Claire, it's really hard for you to marry such a boastful and non-draft Rubbish.

Claire's face was very helpless, and the gaze looking at Charlie was also a little disappointed.

Is this guy's brain broken when he says such inconsequential words on this occasion?

Charlie didn't bother to explain, took out two wearable bracelet keys from his pocket, held them in his hand, shook Limo, who was in charge of the auto show, and said lightly: "Do you recognize these two things?"

When Limo saw the smart bracelet key that Charlie took out, he was completely confused.

Thinking of what Qin Gang said on the phone, he suddenly snorted.

d*mn it!

Could this young man be Mr. Charlie, Mr. Wade?

Correct!

It seems to call him Charlie!

So he hurriedly bowed deeply and said humbly: "Hello Mr. Wade! Limo salutes Mr. Wade and has seen Mr. Wade!"

After finishing speaking, he hurriedly flashed over, pointed at the two supercars behind, respectfully said: "Mr. Wade, your two cars are ready, you can drive away at any time. If you don't want to drive, we can help you transport them. Home!"

Everyone around was stunned.

Gao Junwei's eyes were about to fall to the ground, but Juan was shocked!

Even Gao Junwei dared to hit someone who saw Charlie bow and salute like a grandson, and called him Mr. Wade?

What is even more incredible is that, according to what he meant, these two supercars belonged to Charlie? !

What exactly is going on?

Claire was also dumbfounded, and for a while, she didn't understand what happened.

However, thinking that Solomon White had given Charlie a big villa, she suddenly guessed the outline in her heart.

This Charlie must have gone to show Feng Shui to the rich again and fool others!

At this time, Gao Junwei hurriedly said to Limo: "Manager Limo, you must be mistaken. This person is Charlie, a well-known poor son-in-law of the Aurous Hill Willson family, not a master Wade at all."

Juan also looked at the manager flatly and blurted out: "Manager, look at Charlie, who is so poor, how can he be like someone who can afford such an expensive sports car? Maybe, he brought counterfeit keys and dare to come to the auto show and pretend to be forced, you must not be fooled by him."

Charlie snorted and took Claire who was silly on the spot and walked towards the Aston Martin one77.

The security guard who wanted to protect the car to the death and prevent it from being touched by other people just now, seeing Limo being so polite to Charlie, naturally gave way.

Charlie took Claire's hand and walked to the driving position of the Aston Martin one77. The bracelet just approached the door and a beep was heard.

Immediately afterward, the car lights like shark eyes lit up instantly!

The LCD screen and ambient light in the car also light up at the same time.

Aston Martin one77's iconic pair of scissor doors rose up automatically!

Chapter 299

When Charlie unlocked the Aston Martin one77 with the smart bracelet, everyone at the scene was shocked!

Everyone exclaimed in their hearts: This Aston Martin one77 is really Charlie's!

Gao Junwei is also dumbfounded, what is the situation?

Isn't Charlie a pauper son-in-law?

How could he afford such an expensive car? !

Juan was even more stunned: "This is incredible. Can this man who eats leftovers can afford an Aston Martin one77?"

At this time, Charlie led her to the front of the co-pilot, and said with a smile: "My wife, get in the car, I'll take you around!"

Claire asked with a puzzled face: "Is this car really yours?"

Charlie nodded: "Of course, the key is here, can your husband lie to you?"

After speaking, Charlie hurriedly whispered in her ear: "Wife, Qin Gang actually lent this car to me to check out. He said it was for me to experience it. I deliberately pretended to force Gao Junwei just now!"

Charlie himself is not very interested in these two too much publicity cars. Today, if it weren't for Darren's words to see his wife here, he wouldn't even bother to come and collect these two cars.

Moreover, he also knows his wife's personality. She is absolutely unwilling to drive such a car on a daily basis, which is too public.

So, he made up such a lie, and after taking his wife to experience it, he drove the car back and handed the two cars to that Limo for safekeeping.

Claire suddenly realized it, and at the same time, she was relieved.

She was really afraid that Charlie would continue to lie to the big men, and the more they lied, the more they would get into trouble.

Since someone else lent him the car to experience it, then she doesn't have to worry so much.

Thinking of this, she felt a lot more relaxed, and she was also full of curiosity about this Aston Martin one77.

Although Claire is not a vain woman, she still wants to sit in and experience such a top sports car.

So, she bent down gently and sat in this super luxurious Aston Martin one77!

Charlie didn't sit in anxiously, but looked at the dumbfounded Gao Junwei and Juan, and said with a sneer: "pauper is a pauper. Go back and make more money before you come out to pretend to be embarrassingly rich!"

After speaking, they were too lazy to take care of the sauce-stained expressions of the two, and sat in the luxury sports car and pressed the engine start switch.

In a short time, the super sports car's powerful engine roared throughout the exhibition hall.

Claire had never driven a luxury car of this level. She sat in the driving position, swallowed hard, held the steering wheel excitedly, and started the car.

The top luxury car Aston Martin one77 slowly started in the sight of everyone, drove down the slope on the other side of the booth, and then drove directly out of the exhibition hall.

The powerful aura immediately caused a sensation.

Gao Junwei was completely confused, is this car really such a waste? What is the situation!

Juan also had a pale face. If both cars belonged to Charlie, didn't she offend him a lot just now?

She couldn't help but get it: "This is impossible, isn't he the Rubbish son-in-law of the Willson family? Where did he get the car key?"

Gao Junwei could not accept life and death. Charlie could really afford this Aston Martin one77, so he gritted his teeth and said, "That hanging wire must have a stolen car key!"

When the manager Limo heard this, he was very angry. These two fools, dare to insult Mr. Wade? Just looking for death!

He turned his head to look at Gao Junwei and Juan, and yelled angrily: "You have offended Mr. Wade, and dare to bark here!"

With that said, he directly ordered the bodyguard: "Hit him hard!"

Gao Junwei was knocked to the ground with three punches and two kicks by the bodyguard. He was immediately caught by his hair and beaten desperately on the face. He soon became a pig head.

Chapter 300

Juan was also beaten with disheveled hair, and her mouth was crooked, and Gao Junwei also limped in pain.

After beating the two, Limo directly let them be thrown out of the exhibition hall.

Gao Junwei lay on the concrete floor, shouting angrily: "d*mn, who is this Charlie!"

Juan said angrily: "He is just a son-in-law, I think he is a driver at most, and it is impossible to be Mr. Wade."

Gao Junwei was beaten with blood foam in his mouth, and said: "Smelly rag, I will never let him go!"

After speaking, he had a cold expression, gritted his teeth, and said: "And Claire! Don't even want to escape from my palm!"

Here, Aston Martin one77 has left the convention center.

The super luxurious sports car has aroused the close attention of countless people on the street.

It was the first time to ride an Aston Martin one77, Claire found it very novel.

After all, it is the world's top supercar, and almost all young people hope to have the opportunity to experience it.

However, Claire's curiosity about it was just a taste of it.

Before Charlie drove far, Claire said to him: "Let's drive the car back, don't cause problems for Qin Gang."

Charlie said, "What are you afraid of? Mr. Qin Gang is a good person."

"That's not appropriate." Claire said seriously: "Anyway, we have already experienced it. Let's return the car and go home."

Seeing her persistence, Charlie nodded gently.

Immediately, he drove the car back to the exhibition hall and parked on the booth.

As soon as he got out of the car, Limo respectfully greeted him and asked him: "Mr. Wade, how do you feel? Are you satisfied?"

Charlie nodded and said in a low voice, "First, find a place for me to store these two cars, and I will ask you to get them later when I need them."

Limo didn't dare to ask too much, and nodded hurriedly: "Mr. Wade, don't worry, I will help you keep them safe!"

Charlie smiled with satisfaction and said, "Then I will leave now."

"Mr. Wade, I'll give it to you!"

"No need!"

On the way back, Claire couldn't help sighing: "I originally said that I would try to negotiate the list of the Convention and Exhibition Center, and by the way, I would have liked to invite them to the opening ceremony tomorrow. Now it's gone again."

Charlie asked curiously: "My wife, is your studio ready to officially announce the opening?"

"Yes." Claire said, "After so many days of preparation, it is almost ready to officially open."

Speaking of this, Claire said sadly: "It's a pity, I can't invite anyone with a reputation to come to join me. I only invite a few classmates, and then you and your parents will come as well."

Charlie nodded, but thought in his heart, can't find anyone with a big face to join her? Husband will help you find one!

Emgrand Group Mrs. Doris, Miss Song Family Warnia, Qin Family Patriarch Qin Gang, White Family Patriarch Solmon White, Underground King Orvel, and Treasure Pavellion's Mr. Bao Fungui.

He knows a lot of big people who are among the best in Aurous Hill, and they all are at the beck and call of Mr. Wade. Then, as long as he gives an order, they will come over and take care of his wife's business by the way. The wife's studio will surely make a sensation in Aurous Hill.

Thinking of this, he immediately edited a message and sent in a group to these people on WeChat:

"My wife's studio will open tomorrow morning. Please take the time to come over and join us. The address is..."
