

# The Charismatic Charlie Wade Chapter 391 – 395

## Chapter 391

Because Elaine confessed her mistake softly and assured him that she would not commit it again in the future, Claire was so soft-hearted that she did not pursue it anymore.

In private, Claire said to Charlie: “Charlie, my mother is like this. Don’t blame her too much. As long as she knows her mistakes and can correct herself, she can do her best.”

What can Charlie say? After all, she is his mother-in-law and Claire’s real mother, so he can only smile and say: “I know Claire. You can think about this kind of thing by yourself. You don’t need to think about me. I am Your husband, she is my mother-in-law, and I will definitely not blame her.”

Claire nodded moved, gently hugged Charlie, and sighed: “What happened today is really thanks to you. If it weren’t for you, mother and I would not be able to leave there alive...” “

Charlie smiled and said, “Well, you don’t have to say thank you.”

“Yeah...” Claire nodded and said, “Just wait and see when you move out, what do you think?”

Although Charlie wanted to move out with Claire, he still had to respect Claire for these matters.

So he smiled and said, “I don’t care about moving out. It doesn’t matter whether you move or not.”

As he said, he remembered something and said: "By the way, Tomson's villa is about to be renovated. When it is done, let's move in together as a family."

Claire was a little overwhelmed and said, "After all, the villa belongs to Solmon White. If he comes back someday and wants to get back, it may be troublesome. Let's move in as a family, isn't it good?"

"Nothing bad." Charlie smiled: "Solmon White transferred the villa to me a long time ago. Now the owner of the villa is me. He can't come back anymore. Besides, you don't want to live a quieter life in the future. If we move to a villa, where the house is large and has several floors, we can live on the third floor and let our parents live on the second floor. In this way, we can meet as little as possible and we can be freer. What do you think?"

Claire thought about it carefully, Charlie's words really moved her.

She doesn't want to escape the troubles of this family, but sometimes she feels that she is their child after all, so how can she move away from home immediately when her wings become hard.

However, this kind of thing is difficult to cushion.

However, if you really move into the villa, it will be much easier to worry about. Everyone's room is not on the first floor, so they can minimize the interference between them.

So she nodded and said to Charlie: "In this case, when the decoration is completed, let's move in!"

.....

Riverside villas, a villa is burning.

When the fire brigade arrived at the scene, it took a long time to put out the fire, but everything in the villa had been reduced to ashes.

However, the fire department also monitored the remains of the fire site and found no human bodies or bones, which proved that the fire did not cause casualties.

A fire with no casualties was naturally not so noticeable, so no one cared about the sudden fire.

The reason why they couldn't find any corpses or remains was because Jianjun Gao and Junwei Gao, father and son, had long been chopped into ashes under Charlie's thunder, and fused with the ashes from other objects in the room. It is thinner and smaller than flour, so no DNA component can be found at all.

The father and son of the Gao family have completely evaporated out of the world.

The Whole Gao family is anxious and on tenterhooks. Although they don't know where the two masters have gone, or their horrible plan to retaliate against Charlie, the villa that burned down belonged to their home. Now that the villa is burnt to ashes and the people are missing, they will naturally feel a bit bad!

Subsequently, the Gao family offered a reward of five million to find someone, and also sent photos of the two to the whole city.

However, no one can find two people who have disappeared out of thin air, and there is no clue about them in this world.

## **Chapter 392**

At the same time, Fredmen, who was ruined by Charlie, was waiting for Jianjun Gao's call at Willson's home.

Since last night at the gate of the Clinic of Tianqi, he saw this pair of father and son who wanted to use gasoline to light up the Clinic, he realized that he had a fool to use.

What he had originally thought was to fool them both, lead them to treat Tianqi, and then use the fake medicine he prepared to exchange for Tianqi's real medicine.

Once he gets Tianqi's real medicine, the roots he can't use can naturally restore to the former glory.

However, after he said that he called today, the guy has never called him, which made him a little anxious.

He didn't know Jianjun Gao's name, so he could only call him according to the phone number he left, but how to call it was not in the service area.

The more unable to make a call, Fredmen became more irritable.

Old Mrs. Willson, Noah Willson, wife Horiyah, daughter Wendy, and son Harold, all of the family of five stood by and watched carefully at Fredmen sitting on the chair.

“d\*mn! This dog, let me dove! He's really untrustworthy!”

After dialing Jianjun Gao's phone again, he still couldn't get through. Fredmen's face was gloomy.

He is about to collapse now. Without the ability of a man, he is simply a living eunuch, so now he can't wait to get Tianqi's magical medicine.

However, he knew Tianqi's details, so he didn't dare to provoke Fredmen directly.

Seeing him getting more and more irritable, Wendy hurriedly stepped forward and asked, “My dear, what's wrong with you? Who do you call? Why so irritable.”

Fredmen said with a black face, “To a b@stard who doesn't know his name, sh!t.”

Everyone looked at each other, wondering why Fredmen would repeatedly call someone who didn't know his name.

At this time, Harold suddenly received a WeChat and opened it. It was a large group of Aurous Hill dudes. All the group owners in the group said: “Junwei Gao and his father Jianjun Gao are missing. The Gao family is offering a reward of five million. Clues, if anyone knows the clues, you can get the money and invite everyone to drink!”

Immediately afterwards, photos of the two were sent.

Harold muttered in surprise: “How could Junwei Gao and Jianjun Gao suddenly disappear?”

Wendy asked in surprise: “Brother, didn't Junwei Gao let Charlie be thrown from the hospital upstairs two days ago and fell into a cripple?”

“Yes.” Harold said, “They went missing today...”

As soon as Fredmen heard this, he immediately confronted the father and son carrying gasoline last night, and hurriedly asked, “Who is Junwei Gao you just mentioned? Is there a photo?”

“Yes.” Harold hurriedly handed him the phone and said, “Look, Fredmen, they are the two of them who disappeared today.”

When Fredmen saw the photo of the father and son, he suddenly exclaimed: “f\*ck!”

Oh sh!t!

What happened? !

It was agreed that we would go to engage in Tianqi together today, but the mentally retarded father and son suddenly disappeared? !

Could it be... Could it be that Charlie did it? !

## **Chapter 393**

Thinking that the disappearance of the Gao family man and his son might have something to do with Charlie, Fredmen couldn't help feeling nervous.

If Charlie can really let the father and son evaporate, then can't he do anything to him...

Moreover, in this way, he will have to forget Tianqi's magical medicine.

After all, there is no substitute for the dead ghost and the back pot man available now, and must not venture to provoke Tianqi.

At this time, the Old Mrs. Willson looked at Fredmen with a flattering face, humbled like a dog, and said flatly: “Mr. Willson, or else we can think of a way to visit the big hospital in Eastcliff, maybe you can get treatment for the disease.”

Now Fredmen is the life-saving straw for the entire Willson family, and the Old Mrs. Willson is even more anxious than him. If Fredmen is unable to recover the ability of a man, the remaining 70 million investment will definitely be in a dream.

“Yes, Mr. Willson, I think Tianqi is a man of fame and reputation. He can mix with Charlie’s cock and he has the ability to bullsh\*t.”

Noah Willson also licked his face and took the conversation, even more flattering than the Old Mrs. Willson.

Their voices fell to the ground, Fredmen’s expression was even more ugly, and he gritted his teeth and said: “Shut up, Tianqi’s veteran skill, I know, he is unwilling to treat me, and it would be useless to go to Eastcliff.”

Wendy also said anxiously: “Mr. Willson, isn’t Aurous Hill the only genius doctor named Tianqi? Why don’t we find someone else?”

She didn’t have feelings for Fredmen, but she had just paid such a high price, but didn’t get much benefit. How could she be willing?

Noah Willson remembered something and hurriedly asked: “Fredmen, didn’t you say that that night, there was a friend who opened a pharmaceutical factory? Would you like to ask the other person?”

Fredmen’s expression was suddenly happy, thinking about Tianqi’s magical medicine, but forgot about it.

There is a Wei family in Aurous Hill, which itself is a large company in the Aurous Hill pharmaceutical industry. The man, whose name is named Hetang Wei, is also ranked top in the country.

It just so happened that Fredmen had a good relationship with the eldest master of the Wei family. The two often fool around together. Now it is estimated that he is the last straw in Aurous Hill.

And the eldest young master of the Wei family, just like himself, is also a devil and fellow.

If ask him for help, start from this aspect.

He looked up at Wendy, his eyes full of dissatisfaction and disgust.

After spending 15 million up and down, he played with this woman for two or three days, and then became a eunuch. This is really the most expensive woman he has ever played!

Now, his roots have become a decoration, and he can't continue to engage in Wendy. It's useless to keep this woman. It's better to take her over and go to the young master of the Wei family to play the residual heat.

Thinking of this, Fredmen looked at Wendy, smiled suddenly, and said, "Wendy, you will be better dressed tomorrow. Come with me to see a friend."

It's rare for Wendy to see Fredmen smiling and talking to her these days, she was happy, and nodded hurriedly, not knowing what Fredmen was thinking about.

.....

The next day.

The news of the disappearance of the Gao family old man and his son is still spreading throughout the city.

However, Claire and Elaine didn't take it seriously, because Charlie had already said that these two people absconded in fear of crime.

Since it is a crime to abscond, it is natural to evaporate the world.

Fredmen contacted the eldest young master of the Wei family in advance, and in the evening, took Wendy to the box of the Aurous Hill family club, anxiously awaiting the arrival of the other party.

## **Chapter 394**

Wendy dressed up very beautifully today. She is wearing a black hip skirt worth 100,000. Not only did she show the curves of her body, she also deliberately showed the career line on her chest, and she also painted heavy makeup on her face.

Although she is much worse than Claire, Warnia and other women, after being well-dressed, coupled with revealing clothes, she can still make most men feel impatient.

She was even a little excited when she heard that she was coming to see the young master of the Wei family.

Although the Wei family is not a top family in Aurous Hill, it is still much stronger than the Willson family.

Now that the Willson family is lonely, Wendy also hopes that she can get to know more wealthy people. If she finds a good opportunity, she may be able to bring some improvement to the family.

After the two waited in the box for a while, the door of the box was suddenly pushed open.

A middle-aged man in an Armani suit walked in. The man combed his head and looked wretched. He also carried a Patek Geraldippe watch on his wrist.

Behind him, followed by a man carrying a bag, about one or two years younger than him, looking like an assistant.

Fredmen stood up, smiled and said, "Oh, brother Wei, sit inside."

The middle-aged man smiled and said to Fredmen: "Fredmen, you are a very busy man. You used to come to Aurous Hill for a long time. Why suddenly you have time to ask me? It really flattered me, my little brother!"

As he said, he saw Wendy beside Fredmen, and his eyes lit up suddenly.

So he smiled and said to Fredmen: "I said Mr. Willson, who is this beauty? You don't introduce her to your brother."

Fredmen pulled Wendy over and said with a smile: "Come on, brother Wei, let me introduce to you. This is my niece, Wendy."

"It turns out to be President Willson's niece, no wonder she is so beautiful."

When Wei heard this, he smiled and nodded, a greedy look flashed in his eyes, and he reached out to Wendy and said, "Miss Willson, lucky to to meet you!"

Fredmen said to Wendy: "Wendy, this is Barena Wei, the general manager of Weijia Pharmaceutical. Weijia Pharmaceutical is a well-known pharmaceutical company in Aurous Hill, and it is very powerful."

Wendy also hurriedly shook hands with the other party, and said: "Hello, Mr. Wei!"

Barena Wei greedily touched Wendy's hands twice, then took off his coat and threw it to the man dressed as an assistant behind him.

The assistant missed one, and his jacket fell to the ground.

Barena Wei's eyes flashed with a look of disgust, and he glared at him and cursed: "Rubbish! This little thing can't be done!"

"Sorry, brother, it's all my fault...Don't be angry." The man's face was pale, he quickly picked up his jacket and wiped the dust off.

He didn't say it, but Barena Wei became even more upset when he said this. He walked to the front and slapped him and said coldly, "Liang Wei, how many times have I said that you were born and raised by a mounter? b@stard, there is no right to call me eldest brother, get out and wait for me."

Liang Wei was slapped, but he didn't dare to refute, as if he had been used to it, he nodded humbly and said, "I know that big brother."

After speaking, he hurried out of the box.

"What a disappointment, d\*mn it!"

Barena Wei said something cursively, Fredmen on the side said curiously, “Brother Wei, is this your Rubbish brother?”

Barena Wei said coldly: “It’s just a wild species, not my brother!”

After finishing speaking, he looked at Wendy greedily, smiled and asked, “Ms. Wendy is so beautiful, do you have a boyfriend?”

## Chapter 395

When Wendy heard this, she did not answer Barena Wei’s question, but looked at Fredmen awkwardly.

She dare not say that she has no boyfriend, because she is Fredmen’s lover after all.

But she did not dare to say that she was Fredmen’s lover to outsiders. After all, Fredmen had a family and a room, and she would not be able to see it. In case she made her own way and said she was his lover and caused him trouble, it would be finding something for yourself.

However, what she didn’t expect was that Fredmen was very generous at this time. He smiled and said to Barena Wei directly: “Brother Wei, let’s tell you, Wendy is actually my lover, but you have to be tight-lipped and don’t tell others. .”

Barena Wei suddenly felt a little regretful. He thought it was Fredmen’s niece, but he didn’t expect that the niece was just a cover, but in fact she was a lover.

Although he fell in love with Wendy, he didn’t dare to steal a woman from Fredmen, so he could only dispel the thoughts in his heart.

Fredmen naturally saw his performance in his eyes, smiled quietly, and started talking with Barena Wei.

He deliberately asked Barena Wei, “By the way, Brother Wei, how is your Dad’s health lately?”

Barena Wei sighed and said, "It's not so good. The Old Master had too many romantic debts when he was young. Now he has been punished, and his body is worse than every day."

Fredmen asked curiously: "Mr. Wei has a lot of romantic debts?"

"Of course there are many." Barena Wei said helplessly: "You don't know that my Old Master, like me, is a humanoid pile driver. He was handsome when he was young, and he would coax women and buy medicinal materials everywhere by doing business. The chance of going to sleep is almost wherever you go in this field. As far as I know, there are no less than 20 old lovers! This is just what I know, more than that could be breathing somewhere!"

"So moving!" Fredmen exclaimed, "Your father was so romantic when he was young?"

Barena Wei nodded, and said depressed, "How else can I find a half-brother who is a wild brother for me? Actually, there are several wild plants outside my dad, and the others are all girls. This species is a man. After my grandfather knew about it, he insisted that the Wei family's species could not be left outside, and forced my dad to take him back from Changbai Mountain."

After speaking, Barena Wei said again: "Not only I don't want to see this wild species, but my dad doesn't want to see him either himself, but there is no way. It is a mess at home."

Fredmen had long heard that the Wei family had two sons, the eldest son was Barena Wei, and the younger son Liang Wei was an illegitimate son. He was a romantic debt left by the Wei family's father in the early years. He was not received until he was a teenager. The Wei family has never been seen by anyone, and even the character of the Wei family is not qualified to use it.

It seems that Liang Wei grew up in this environment, and it is also miserable enough.

Fredmen suddenly asked curiously: "By the way, Brother Wei, your Old Master is so romantic, his ability in that area is definitely not ordinary, is there any good medicine?"

Barena Wei nodded and said with a smile: "Don't say, there is really a recipe that the Old Master accidentally got outside when he was young, it can strengthen the muscles and nourish the kidney, and greatly improve the ability of men in that area."

“Really?!” Fredmen said in surprise, “Brother, is this recipe still there now?”

Barena Wei said: “How do you say this recipe? When I was young, my dad ate it for 20 to 30 years. It was really useful. It is said that when the old guy was collecting medicine in the southwest, he fought a dozen times overnight and he gave him the nickname Wei Jia 14...”

Speaking of this, Barena Wei sighed and said: “But this prescription, I wanted to take it for mass production later, and the pharmacokinetics studied it and found that this thing has the strong liver toxicity and nephrotoxicity, so you Look at my Old Master, in his early sixties, his liver and kidneys are almost exhausted, and the doctor said that if he lives for another two or three years at most, he has to go to the west to report to the Buddha.”
