

The Charismatic Charlie Wade Chapter 2405

Chapter 2405

Issac thought that Charlie had waited for a long time, the old mansion that was determined to win, unexpectedly gave up and remained silent.

He himself couldn't help being anxious for Charlie, and blurted out: "Master, you have been thinking about buying this house for so long. Now it's just in hand. Don't give up! Otherwise, if you regret it in the future, there will be no regrets taking medicine..."

Charlie sighed softly, waved his hand, and said seriously: "No more, no more, now it seems that Aunt Du needs this house more than I do."

After speaking, Charlie said softly: "This is the old house where my parents and I lived together, but I don't have the courage to stand up and sit in the auction hall to participate in the auction. On the other hand, this Aunt Du can openly sit outside and bid, from this point alone, she is much better than me and more qualified than me to get this house."

Charlie admired Liona in his heart.

Now, the vast majority of people don't know that he is the young master of the Wade family, and they don't know that he is the only blood of Changying left in this world. Therefore, out of caution, he didn't participate in this auction publicly, even signed up in the name of Issac's driver.

From this point alone, he admired Liona's courage.

As the so-called gentleman is the beauty of an adult, Charlie decided to abandon the competition and give this house to Liona.

Although he didn't know Liona, he also knew that Liona had loved his father for many years, but she couldn't get any substantial results back.

Perhaps this house can give her a visible and tangible ideological comfort for the past thirty years of loving his father.

This can be regarded as the father who has died in his own generation, thanking her for the friendship over the years.

At this time, the outside bidding continues.

Issac's driver did not receive any instructions to give up. After Liona bid 60 million, he raised his hand again and bid 61 million.

Charlie recalled the old house in his mind, sighed deeply, stood up and said to Issac: "Tell your driver to stop bidding."

After speaking, he put on a mask, turned and left the box.

At the same time, Liona raised her placard again without hesitation, and said: "62 million!"

Seeing this, Issac hurried to catch up, and while swiftly following up, he hurriedly sent a voice message to the driver: "Abandon the auction and stop bidding!"

His driver just raised his hand when he suddenly received the information and hurriedly clicked to play. The speaker heard what Issac had just said, so he immediately put his raised hand back.

The auctioneer was already a little bit incoherent with excitement. Seeing that he raised his hand and put it down, he hurriedly asked: "Bidder No. 22, are you bidding or not?"

The driver said: "I give up."

Hearing these three words, Liona's heart suddenly filled with joy, and a big rock finally fell to the ground.

Immediately afterwards, the auctioneer said loudly: "Sixty-two million once! Sixty-two million twice! Sixty-two million three times! Deal!"

Then, the auction mallet in his hand banged heavily on the table.

With this bang, Liona burst into tears of joy.

In the past few days, she has been awake at night for this house, not thinking about tea and rice, and she wanted to buy it, but she was worried that it will happen unexpectedly.

Now, finally the dust settled.

Although the price far exceeds its original value as a house, for Liona, the house is priceless.

She fell in love with Changying from the ignorant years of her youth, until Changying got married and when Changying passed away, her love for him never faded.
