

The Charismatic Charlie Wade Chapter 2406

Chapter 2406

Thirty years later, Changying left her with nothing but an indelible memory and some old photos.

Not to mention leaving her a token of sorrow in her heart, even if she wants to go to Changying's grave to worship, it is hard to climb to forget him.

Now, she finally bought the old house where he once lived, and the emotions in her heart for more than 30 years finally have a place to put.

Zhiyu saw her mother burst into tears, and her heart was mixed.

While feeling sorry for her mother's infatuation for so many years, she also sympathized with the inhumane behavior her father had entrusted these years.

However, when she changed her mind, thought that the father had already had a physical derailment, and there was an illegitimate daughter who was only one year younger than her, and she felt that father was not worthy of sympathy.

Then, she thought of her benefactor.

Seeing her mother's life of infatuation, she couldn't help asking herself in her heart: "Zhiyu, Zhiyu, if you can't find your benefactor, will you be trapped like your mother and never get out? If that's the case. You are not as lucky as your mother. At least, she still knows Changying, and she grew up with Changying, and has many common experiences and pasts memories. You don't even know what your benefactor is called...
..."

.....

At this moment, at the back door of Treasures Pavilion, Charlie wearing a mask quickly walked out of the passage.

After going out, he looked up at the cloudy sky, his eyes were already filled with tears.

Ever since his parents passed away when he was eight years old, Charlie has been the same as Liona over the years, and he has nowhere to put his feelings towards his parents.

He is even worse than Liona, because Liona still has some old photos at least, but Charlie can't save even a photo of his parents.

After the parents' accident, they were airlifted to the parental city within a very short time, together with their parents' bodies and all the belongings in the old house. Charlie was equivalent to entering the orphanage in a single suit. From that moment on, he almost lost all the items that can be pinned to grief.

Until some time ago, in the years before he went to the mountains to the graves, he was oblivious to their location of final rest.

Therefore, this house bears all his thoughts for his parents.

Just a minute ago, Charlie was also determined to win this house.

He even felt that even if it cost hundreds of millions or even hundreds of billions, he must buy this house.

However, at that moment, he suddenly decided to not compete Liona.

Now, he doesn't regret his decision, he just feels a bit desolate and sad simply because of the loss of this house.

Issac chased it out, seeing Charlie's eyes filled with tears, his heart was shocked!

Knowing Charlie for so long, this is the first time he has seen Charlie with tears in his eyes.

He couldn't help but exclaimed in his heart: "Is this still the Master Wade whom countless people admire? Is this still the Master Wade who walked out of the avalanche in the mountains under the Changbai Mountain range? where a sky thunder buried the eight heavenly kings? At this moment, he was like a child who could not find a way home, painful and helpless."

At this moment, Issac felt a little bit more admiration for his young master at the same time.

Charlie is no longer as simple as reluctantly giving up love, he left all his regrets to himself, and left the psychological redemption and rebirth to Liona.

Thinking of this, he couldn't help sighing, stepped forward, and asked in a low voice, "Master, are you okay?"

"Yes, there is nothing." Charlie waved his hand, abruptly suffocating his tears, and said: "Old man... can you drive me to the old house to have a look. Staying and going through some formalities, I want to go over and take a look, and it won't be that easy to think about it again after the handover is complete."

Issac hurriedly said: "Yes master, wait a moment, I'll get the car!"
