

# The Charismatic Charlie Wade Chapter 2417

## Chapter 2417

Most criminals who commit felony crimes will be listed by the police as the key targets of arrest. Therefore, Shred who can escape all the way without being arrested has a deep sense of city government and anti-reconnaissance, and is extremely knowledgeable, he knows how to hide oneself.

Therefore, at the moment he saw Liona, although his heart was already excited, he couldn't wait for his eyes to shine, but he couldn't show any waves on the surface.

He shook the gun in his hand, and said coldly: "Hurry up on the back, don't fu\*king give me a dawdle there!"

Liona and Zhiyu didn't notice any abnormality, and hurriedly followed the others to the auction hall.

Seeing that Liona was already under his control, Shred did not go to search for other rooms, but after everyone entered the hall, he walked directly behind everyone, and then closed the door tightly.

At this time, there were a total of more than 100 men, women and children in the hall, all of whom looked at Shred nervously, not knowing what he was going to do to them next.

At this time, Shred stepped onto the auction stage, picked up the microphone, and said arrogantly: "Everyone, it is a kind of fate that we meet in this way in this place today, so I will introduce myself to you first."

Speaking of this, Shred cleared his throat and said: "My name is Shred, a northerner, and I am a wanted A-level criminal listed by the police. I fled all the way to Aurous Hill. I was just buying a pack of cigarettes at the subway entrance. I was discovered by the police and there is no other way. I can only hide here and take everyone hostage."

Afterwards, Shred turned around and said: “However, you don’t need to be afraid. I insist that I don’t want money and don’t kill you. I just hope that you will stay here honestly, as I negotiate with the police. You are my bargaining chip, when the police agree to my terms, I will naturally continue my escape career, and everyone can leave here safely.”

Shred’s remarks made most people a little relieved.

These people felt in their hearts that since they wanted to cooperate as hostages, they should cooperate honestly. When Shred got what he wanted, he would naturally go home safely.

Liona and Zhiyu also didn’t notice anything abnormal. Their minds were just like everyone else, but they felt somewhat unlucky.

It’s like coming out to withdraw money and encountering a bank robber. Although the probability is small, it is not impossible.

Now that things have happened, the most important thing now is to ensure your own personal safety as much as possible.

Shred continued to speak at this time: “I just said, just need everyone to cooperate with me, so you just need to hold your head with your hands honestly and don’t make any small moves. If anyone dares to make small moves, the end will be the same as before. The same as those who got shot!”

Everyone knew that Shred was cruel and didn’t blink his eyes to kill, so naturally they didn’t dare to make any moves.

Shred was still worried that he would not be able to completely deter these people, so he once again exposed his vests full of explosives, and said coldly: “I think there are many young people in your 20s and 30s. I also come from this age. I know that people at this age often have hot brains and are easily impulsive, so I remind everyone, don’t be a hero, and don’t think that a few people can join forces to find opportunities to subdue me!”

“I admit that I have two fists and four hands, and the bullets in my gun are far from enough to kill everyone present, but the explosives tied to my body are enough to blow this place into a pile of rubble, enough for you guys. Follow me on the road, even if you

snatch my gun and blow my head with another shot, as long as I shake my hand and press the switch, I can take you all to the same funeral. Everyone understands?”

When everyone heard this, their expressions were immediately shocked!

No one would have thought that Shred not only had a gun, but he also had such a big killer jacket!

Those present are all flesh and blood. If this big killer really blows up, it is almost impossible for anyone to survive!

Therefore, at this moment, everyone’s deep thoughts of resistance were completely extinguished!

Even in the security team, several retired young men who had enlisted in the army suddenly gave up the idea of looking for opportunities to turn the tide.

For many young people who have enlisted in the army, it is not difficult to subdue a person.

However, while subduing a person, it is almost impossible to ensure that his fingers do not touch a small switch.
