

The Charismatic Charlie Wade Chapter 2410

Chapter 2410

This is like those martial arts sects. The head will always pass on the core martial arts to the successor of the next head, but not to other apprentices. The purpose is to ensure that the strength of the successor is higher and will not be overthrown by his own people.

In the past, the old man Chengfeng devoted himself to teaching his eldest son Zynn Su every day. As for the other sons, he never taught them any real strategies.

But now, the eldest son Zynn has been completely abandoned by him.

After the eldest son was abolished, the most ideal heir in his heart became the second son Shoude.

Therefore, he planned to train Shoude from now on.

At this moment, he felt in his heart: "I have at most ten or twenty years to live in the future, and Shoude will grow up from now, ten or twenty years, and he will have almost hardly settled in the dealings of affairs.

"In this way, he will not threaten my grasp of the Su family power over the next ten or twenty years."

"But if he changes to abide by the Tao and become the heir, maybe in five or eight years, I can't hold him down."

"Looking at it this way, the situation that happened to this day may not necessarily be a bad thing."

At this moment, Shoude hurriedly asked: “Dad, how are we going to kill Liona that bitch woman now?! Have you sent a master in the family to Aurous Hill?”

“No.” Chengfeng shook his head and said, “How can you use your own person for this kind of thing? Isn’t that equivalent to bringing trouble for yourself?”

Shoude asked in a puzzled way: “Dad, didn’t you say that we want to become famous? Now that Liona is insulting the family, don’t we already have a reason to do it?”

Chengfeng was very disappointed and rebuked: “Shoude! Being famous is a necessary condition, but it is by no means the only condition! If you just cover your face and run naked, you won’t be recognized. Would you just wear a mask in the future and won’t wear pants?!”

Shoude said in fear: “Dad, I... I didn’t mean that...”

Chengfeng snorted coldly, and said sharply: “You can hear clearly, even if the teacher is famous, this kind of life-killing thing, we must try our best to separate everything!”

As he said, he added: “The teacher I just mentioned is famous, but it just leaves us behind. The most important thing for us is not to let the other party find any evidence!”

“The best solution to this matter is to find a way to kill Liona, and although the whole world thinks it must be our Su family, no one should find any substantive evidence!”

“Like the famous princess in Europe, everyone knows how she died, but what’s the use? No one can show direct evidence of her murder. In the end, they can only say that she died in a car accident!”

“Ten thousand steps back, even if the outside world has evidence that the royal family murdered her, the royal family will at least have a reason to excuse itself or mitigate the crime.”

“For example, she was pregnant with a pagan child and intended to marry a pagan, which is detrimental to the royal authority”

“For example, she had already given birth to a prince for the royal family, but once she married a pagan in her second marriage, she would give birth to a pagan baby, and this

pagan baby is the half-brother of the royal prince. Where is the prince's face, where is the face of the entire royal family, and where is the face of the entire nation?"

"These are all the reasons why the royal masters are famous, and they are also the way to wash themselves after the big incidents in the future!"

Shoude hurriedly asked: "Dad, how can you make Liona's death ambiguous?"

Chengfeng sneered and said: "What I am after is not to make her die an ambiguous death, I want to make her die impeccably!"
