

The Charismatic Charlie Wade Chapter 2426

Chapter 2426

If the other party does not reply, then Shred can only continue to spend some more time in the treasure pavilion. When the other party replies to these two words and only then he can go out.

Now, the other party has given a clear reply, and Shred does not intend to continue to waste time. He looked at the people in the hall holding their heads and squatting down and said coldly: "They have already prepared the car I want, so it's time for me to leave here. Thank you all for your cooperation. You will be free when I leave."

The more than one hundred people present immediately breathed a sigh of relief when they heard this.

Everyone's face appeared with a smile after the disaster.

The law and order in China is so good that most people will never encounter such a thing in their lives, and if they encounter such a thing, they are getting out unscathed. That is really great luck.

Therefore, everyone relaxed completely at this time, just waiting for the plague god to leave quickly, and then be able to survive this crisis completely and safely.

At this time, Shred suddenly spoke again: "Everyone, brothers, I have one more thing that needs your help. I hope you all regard me for being so trustworthy and don't refuse me."

When everyone heard this, they suddenly became a little nervous.

No one knows what Shred needs.

If he wants money, it doesn't really matter. As long as they don't hurt everyone, everyone is willing to give him all their belongings.

However, I'm afraid he has other ideas.

At this moment, Shred said, "I have asked them to prepare a Rolls Royce for me. However, if I get in the car by myself, they will definitely not let me leave, maybe Killed me in half the way."

"So, brothers, I have to find two people to accompany me on another journey. When I leave this city completely and safely, I will naturally let these two people leave!"

Speaking of this, Shred smiled slightly and asked, "Is there any friend who is willing to volunteer?"

After hearing this, everyone immediately bowed their heads deeply.

It's like a scu*bag who generally doesn't review his homework. When he hears that the teacher wants to call up and recite the text, he prays in his heart and doesn't choose himself.

However, deep in the hearts of everyone present, there was more or less luck.

Everyone feels that if there are more than 100 people on the scene, if only two are selected, then there is a high probability that they will not be the ones selected.

In fact, Shred has a candidate deep in his heart, but he still has to do what he should do. Otherwise, if someone sees the clue, it will upset the benefactor behind him and let himself live like this. It's not easy.

Therefore, he looked around pretendingly and said a little displeased: "You guys are really not interesting enough. I have done what I said to you, but now when I need your help a little bit, you guys one by one are looking another way. It's like a tortoise with a shrunken head. You don't even dare to look at me. Isn't it a bit too much?"

At this time, naturally, no one dared to take his words.

After all, everyone knows the principle of shooting the first shot. If one is paying attention now, it is very likely to be selected by him.

As a result, everyone still buried their heads deeply, and no one dared to look up at him.

Shred yelled annoyedly: "Damn! It's all fu*king playing with me, right?? I treat you so much, you don't even dare to look at me, right? Okay! I count to three seconds. By then, if anyone doesn't look up at me, I will kill him with one shot!"

As soon as he said this, more than one hundred people immediately raised their heads without hesitation and looked at Shred unblinking.

No one does not cherish their own life, so no one dares to disobey this kind of desperado who kills without blinking at this time.

Shred's eyes patrolled around, and then his gaze fell on Liona and Zhiyu, and said with a lewd smile: "I didn't expect that there would be such a beautiful pair of ladies here. If you accompany me on the way to escape, With such a beautiful beauty, it's worth death, it's you!"
