

# The Charismatic Charlie Wade Chapter 2427

## Chapter 2427

When Shred announced the fate of Liona and Zhiyu, everyone else finally breathed a sigh of relief.

Now, it is finally completely safe!

But Zhiyu was desperate in her heart. She didn't understand why Shred chose her mother and herself from more than a hundred people.

However, when she thought about it carefully, she can't help feeling: "I don't know how to brag about appearances. My mother and I are indeed the more outstanding among the more than 100 people..."

"This Shred looks not only sturdy, but also a bit squint. He will choose me and my mother from so many people, which is also in line with the style of this kind of person..."

"I just don't know, besides wanting my mother and me to host him, will this person have any other attempts..."

So she looked at her mother beside her nervously.

Liona saw her daughter's gaze, patted her hand lightly, and said in a low voice, "Darling, don't worry, your mother is with you, but as well the soldiers are here to stop and the water comes to cover."

Zhiyu whispered: "Mom, let's think of a way to send information to Dad or Grandpa..."

Liona shook her head: "The distant water can't save the nearby fire. Everyone holds their heads in their hands. What if he finds you while holding your phone?"

Zhiyu said eagerly, “But we can’t just follow him like this...This is too passive...”

As she was talking, Shred was already walking towards the mother and daughter, so Zhiyu quickly closed her mouth.

Shred walked to the front of the mother and daughter, shrugged and smiled: “Oh, I have worked so hard for the two beautiful women to accompany me again!”

Liona did not hesitate to speak at this time: “Take me hostage and leave my daughter. She is too young, and she is scared in her heart. If she keeps talking on the road, I am afraid it will annoy you. .”

Upon hearing this, Zhiyu hurriedly said, “Mom! I want to be with you!”

Shred pretended to be surprised and said, “Oh, I didn’t expect you two big beauties to have a mother-daughter relationship. The mother-to-be is too young to tell at all!”

Liona looked at Shred and said with some pleading: “Please gentleman, my daughter is still young, and she has been very frightened, so please stop tossing her.”

At this time, a woman who was dressed in a coquettish dress said annoyedly, “Hey! What do you mean by this woman? Since brother Shred has chosen you, you two will accept your fate. Why do you do this? This kind of thing? If you do this, don’t you increase the risk for us? I advise you two to follow Big brother Shred obediently. What kind of bargaining is this, really!”

As soon as the woman spoke, someone next to her immediately agreed: “Yes! he has chosen the two of you, and you still want to bargain. Do you want to choose another one of us?”

The coquettish woman immediately said, “That’s right! Whoever is chosen by brother Shred will obediently follow him. At this time, I’m asking for mercy, isn’t it just trying to pull others into the water?”

Shred glanced at the woman, then smiled and asked, “What’s the matter, beautiful woman? Are you afraid that I will choose you?”

The woman was taken aback, and hurriedly waved her hand and said, “No, brother Shred, how can I be worthy of you like a rouge and vulgar fan? Or the little beauty just now is better compared to... .”

Shred looked at her coldly, smiled playfully, and said, “Since you also know that you are a vulgar fan, there is no need to stay in this world and pollute other people’s eyes!”

After that, Shred immediately pointed his gun at the woman.

The woman was so frightened that she screamed, “Big brother, please be forgiving...”

Shred smiled cruelly, then immediately pulled the trigger.
