

# The Charismatic Charlie Wade Chapter 2428

## Chapter 2428

After the bang, a finger-thin blood hole suddenly appeared on the woman's forehead.

Immediately afterwards, her eyes widened, she fell straight back.

A large pool of blood soon shed on the ground, and the smell of blood was permeated throughout the hall.

Everyone present was so scared that their souls were scattered, and no one thought that Shred would be so vicious and evil.

That woman just said a few more words, and he actually shot her to death with a single shot!

In fact, Shred killed this woman not because she was really disgusting, but to give Liona and Zhiyu a smashing power show.

He must use this method of killing chickens to make the mother and daughter 100% obedient to himself.

Only in this way can he take them away as planned.

So, he looked at Liona, who was pale, and asked with great interest: "How is it, big beauty, are you still bargaining with me?"

Liona immediately shook her head.

She knew that the vicious man in front of her was a murderous demon, and she could only follow his instructions purely, could not refuse, or even have any doubts.

She thought to herself: "If I continue to bargain with him, then it is very likely that I will be killed on the spot..."

"It doesn't matter if I die, but the point is that if I die, this guy still doesn't let Zhiyu go, then everything is over!"

Thinking of this, she took Zhiyu's hand, looked at Shred, and said firmly, "We will go with you!"

Shred immediately smiled and said happily, "Oh! Two beauties, these are the real masters who know the current affairs. As long as you are obedient and cooperate with me to escape, I will definitely not hurt you; but if you dare to play with me carefully, I will definitely let you two go to see Lord together!"

Liona nodded firmly, and said seriously, "Don't worry, we will cooperate."

Shred smiled with satisfaction: "Since you are so on, then I won't talk nonsense!"

After speaking, he waved the gun in his hand and said, "You two go first!"

Liona nodded and pulled Zhiyu beside her to stand up. The mother and daughter looked at each other. She firmly squeezed Zhiyu's hand and walked towards the gate of the Treasure Pavilion.

At this moment, Issac's Rolls-Royce stopped in the middle of the courtyard at the entrance of Treasures Pavilion, while all the police retreated outside the courtyard according to Shred's request, staring at the entire Treasures Pavilion outside the courtyard.

At this moment, the locked door of the treasure pavilion suddenly opened, and everyone immediately roused their spirits.

The deputy commander-in-chief of the police, Ross, ordered through the internal walkie-talkie: "All snipers are ready! Once the target appears, immediately lock the target from your respective directions!"

The commander-in-chief said at this moment: "Team Red, the target always holds the detonation switch, we must be cautious! Without 100% certainty, we must not shoot!"

Ross's expression was startled, then he sighed and was about to speak when he suddenly saw two women walking out of the gate of Treasure Pavilion!

At this time, less than five meters away from Ross, Issac suddenly exclaimed, "Master! It is Liona and Zhiyu!"
