

The Charismatic Charlie Wade Chapter 2429

Chapter 2429

Seeing Liona and Zhiyu walking out, Charlie was not surprised at all in his heart.

He had long felt that this matter was definitely not as simple as it seemed.

Now, Liona and Zhiyu will come out under Shred's coercion, and he has strengthened his views on this matter.

It's just that Charlie didn't really want to understand yet, who would have spent so much effort and circled such a big circle to disadvantage Liona and Zhiyu.

At this moment, Liona and Zhiyu, mother and daughter, had completely walked out of the gate of Treasure Pavilion.

Shred held a gun in one hand and held the detonator tightly in the other, and followed behind the mother and daughter in one step.

He raised his head and looked around, and sneered at the police officers around him and said, "I know you must have ambushed a lot of snipers around, and you are ready to shoot me at any time, but I still suggest that you consider carefully. Because of this detonator in my hand, even a one-year-old baby can detonate it with a finger. If you are not afraid to die, just let a sniper shoot at me!"

Ross said coldly: "Shred, rest assured! As long as you don't act rashly, we will definitely not shoot you! Now the car is ready for you, you can leave this place anytime! But before you go, be sure to Release the hostages."

"Release hostages?" Shred smiled unscrupulously, and said contemptuously: "Do you think I am a three-year-old child? I tell you, these two hostages will stay with me until I

get rid of your tracking completely. If you know each other If you do, don't send anyone to follow me. After I'm safe, I will naturally release these two people."

Having said that, he changed his conversation and said with a cruel expression: "But if I find out that some of you are trying to follow me, then I will drive the car to the city center and press the detonator. Eighteen years later, you city will see a real hero!"

Ross's expression was so ugly and angry. He could only hold back the anger in his heart and said, "Don't worry. We will never send someone to follow you!"

Shred sneered and said, "Officer you familiar!"

After speaking, he immediately said to Liona and Zhiyu, mother and daughter: "You two get in the car! Sit in the back row!"

Liona did not dare to hesitate, pulling Zhiyu into the back seat of Rolls Royce.

Holding the gun and the detonator, Shred swaggered into the cab.

This Rolls-Royce was not stalled, as long as it was in gear, it could drive away.

Therefore, Shred directly put on the forward gear and rushed towards the courtyard gate.

Ross hurriedly ordered the policemen at the entrance of the courtyard to avoid the car. The originally encircled circle like an iron barrel immediately gave way to a passage.

Shred stepped on the accelerator without hesitation, and the Rolls-Royce engine let out a low roar, even rushed out quickly and fled the scene at an extremely fast speed.

As soon as Shred drove away, a police officer hurriedly came to Ross and asked, "Sir, do you want to let our plainclothes drive with behind him?"

Ross hesitated slightly and said, "Shred has a very strong sense of counter-reconnaissance. If we really send a car to keep up, once he finds it, it may cause irreparable consequences."

After speaking, he opened his mouth and said, "Let's call the city's traffic monitoring network first, and use the monitoring probes on the city's roads to track the whereabouts of Shred's Rolls Royce in real time! If he leaves the city, then we Arrange the police to deploy control in advance!"

At this moment, seeing that Rolls-Royce had disappeared, Issac couldn't help sighing with regret, and said: "Master, if it is really like you said, if someone wants to be against Miss Liona's and daughter Zhiyu, then the two of them are finished this time I am afraid, it's not good enough..."

Charlie nodded in agreement, and said: "The other party can carefully arrange such a big game and put in such a big play. It must be impossible to just scare them. The probability is to run. They are here to die."

Issac couldn't help asking: "Master, it is a matter of life, do you want to do it?"
