

The Charismatic Charlie Wade Chapter 2422

Chapter 2422

Issac smiled and said: "We have known each other for so long, so what is there to be polite with you? Let's get it straight, what's the matter?"

Captain Ross explained: "Issac, there has been a big case in Treasures. A grade A wanted criminal rushed in and took more than 100 people as hostages, and this guy is still strapped with explosives. Ask us to provide him with a Rolls Royce for the hostages life, we can only do it with your help!"

As he said, Captain Ross said again: "There are not many people in Aurous Hill who have Rolls-Royces, and you are the only one who owns multiple Rolls-Royces. So please help me, please help me!"

Issac exclaimed: "Treasures Pavilion? Are you sure it is Treasures Pavilion?"

"Yeah!" Captain Ross hurriedly said, "I'm outside the treasure pavilion right now. Basically all the police forces that can be deployed in the city have come..."

Issac couldn't help saying: "I just came out of the treasure pavilion ten or twenty minutes ago..."

Captain Ross said with emotion: "Then you are really lucky. If you come out a little later, you will probably be blocked by Shred..."

After that, Captain Ross hurriedly asked: "Mr. Issac, is it convenient for you to lend us a Rolls-Royce? You can rest assured that if there is any problem with this car, our municipal bureau will bear your loss!"

Issac said without hesitation: "Captain, you don't have to be so polite with me. As a law-abiding citizen, it is my responsibility and obligation to provide assistance to the police!"

Having said that, he immediately said: "Wait a minute, I will call and arrange for someone to send you a Rolls Royce!"

"Okay!" Captain Ross said excitedly: "President, thank you so much for that!"

"Don't be polite!"

After hanging up the phone, Issac was about to call his men so that they could prepare the vehicle quickly.

Charlie walked up to him at this time and asked him: "Old Chen, something happened in Treasures Pavilion?"

"Yes!" Issac hurriedly introduced the matter to Charlie.

When Charlie heard this, he said immediately: "The situation is urgent and lives are in danger. Don't call, just drive your car over!"

Issac said immediately: "That's okay! Master, then I will drive to the treasure pavilion, you can move around the place meanwhile, I will not take you back!"

Charlie said, "I'll be with you!"

After that, Charlie had already taken the lead out of the yard.

Issac didn't think much about it, and immediately prepared to help Charlie pull the car door. Charlie opened the car door first, pushed him a bit, and said, "The time is urgent, go drive!"

"okay!"

Issac rushed into the cab, started the car, and hurried to Treasure Pavilion. Charlie looked out the window at this time, frowned slightly, and said, "Old man, the police said that Shred was discovered by accident and was chased into the Treasure Pavilion?"

“Yes, young master!” Issac said: “I guess this guy should have fled to Aurous Hill. He wanted to make some money in Aurous Hill to continue his escape. He didn’t expect to be discovered by people from the Aurous Hill City Bureau, so he fled into the treasure pavilion in panic. “

Charlie shook his head and said: “I always feel that things seem a little bit wrong.”

Issac asked in surprise: “Master, what’s wrong?!”

Charlie didn’t answer his question, but instead asked him: “A Grade A wanted criminal who has been hiding in Tibet for a long time must be a person with a strong sense of anti-reconnaissance and a strong ability to judge the environment...”

“Such a person, who has very strong escape experience, would choose to escape into a well-enclosed single building like the Treasure Pavilion? Running into the building, isn’t it clear to let others catch turtles?”
