

The Charismatic Charlie Wade Chapter 2439

Chapter 2439

Shred clearly saw that the two black shadows rushing right behind the Rolls-Royce were the trucks that were supposed to cause a car accident at the tunnel entrance and seal the intersection!

These two cars are fast, and they are driving side by side, completely occupying the entire road. Now that they are getting closer and closer to the Rolls-Royce driven by himself, there is no intention to stop.

Shred was shocked by this!

After all, he is a person with a strong sense of anti-reconnaissance, so he immediately realized that a major change had happened!

He thought nervously in his heart: "Before this, the whole thing was proceeding in accordance with the plan made by me and the Su family."

"Including me being discovered by the police, including me being chased into Treasure Pavilion, including me taking the woman and girl as hostages, and even including me taking the two of them to flee, everything did go according to the original plan!"

"However, only the two trucks in front of us have a major deviation from the original plan!"

“They two, shouldn’t be here...”

“These are now rushing towards them at such a fast speed. At first glance, this is not a good sign!”

Shred is not a fool.

He watched the news and videos of major car accidents on TV.

Knowing that trucks traveling at high speeds are simply the most lethal vehicles on the ground.

A truck of hundreds of tons rushes at a speed of more than 100 kilometers per hour, and even a tank may not be able to handle the impact.

If it’s a car, it will be knocked out directly!

What’s more terrifying is that there is no way to escape before this f*cking thing!

If the front is unobstructed, with the power and acceleration of Rolls-Royce, these two big trucks can only eat farts in the back!

However, the road ahead was blocked by two other trucks, and there was nowhere to escape!

Seeing that the two large trucks were getting closer, Shred’s eyes were split in anger, and he couldn’t help but gritted his teeth and cursed: “D@mn! I didn’t expect the Su family to be so untrustworthy! They let me kill you two. They also wanted to kill me too! The Su Clan makes it a great way to unload the grind and kill the donkey!”

Zhiyu thought that Shred would directly shoot her and her mother.

But she didn't expect that Shred suddenly looked at the rear windshield and scolded the Su family with a look of resentment.

So she turned her head subconsciously and immediately saw the two large trucks getting closer and closer.

With her IQ, she understood the situation almost immediately. She smiled bitterly and said to Shred: "You knew that the Su family would even kill you, you should have thought that they would never let you live and go away like that!"

Shred looked desperate and murmured: "You are right...I was completely f*cked by the Su family as a gunman..."

After that, Shred suddenly became very irritable, crying and cursing: "What the h3ll are you stupid family! Since you are a mess, at least the morality of the world is always going to be untrustworthy forever? "

Zhiyu sneered and said, "You are a murderer who can take the lives of others by taking other people's money. What are you talking about?"

Shred immediately scolded, "Damn, f*cking with me, believe it or not, I will shot you to death?!"

Zhiyu smiled miserably, and said without concession: "Just shoot and give me a good time! It's much better to be shot to death by you than to be hit by a truck into a can of meat and then die a painfull death!"

As soon as Shred heard this, his face paled in shock!

Although he is a gangster with many live threatening experiences, he is also afraid of death and pain. If he is really like the dead in a major car accident, and then slowly dies after being hit, then he would rather prefer to die simply.

Zhiyu saw that he was already completely panicked, and his expression was full of contempt, and said coldly: "Why, you usually kill people like numb, but now you are afraid of death?"

Shred ignored Zhiyu's ridicule at this time, and blurted out, "Aren't you afraid of death?"
