

The Charismatic Charlie Wade Chapter 2430

Chapter 2430

Charlie's expression was a little hesitant. A few seconds later, he shook his head gently: "Forget it, I have a grudge against the Su family, but now the grudge has not been reported, and the Su family has been saved several times. Yes, Zhifei, Zhiyu, and Ruoli. I saved each of the three Su family members once. If I still shoot today, the Su family owes me five lives!"

When Issac heard this, he couldn't help but agree to say: "Yes... the hatred has not yet been reported, and as a result, you kept saving their family's people, God is really good at joking."

Charlie couldn't help sighing, "Hey... if something really happened to this Aunt, then my father's house is going to be auctioned again, right?"

Issac said: "I don't know yet, Miss Liona's, whether the payment is completed and the formalities have been completed. If it is completed, the house will become her inheritance. If the formalities have not been completed, it is estimated that it is too late. In time it will return to the judicial auction."

Charlie couldn't help frowning: "If it becomes this Aunt's estate, who is the first heir?"

Issac said: "I really can't say who is the first, but it must be her husband or her son, or half of them."

Charlie gritted his teeth and cursed: "Damn, how can the house where my parents lived, how can the bastard Zynn account for half!"

Issac hurriedly said, "Why don't I ask someone to inquire later to see if this Liona's family has completed the formalities."

Charlie nodded, and said sullenly, "It seems that this can only be done."

At this time, a white Rolls-Royce Cullinan stopped in front of the two of them. A middle-aged man hurriedly walked out of the cab and said respectfully in front of the two of them: "Master, Mr. Issac, I brought the car here, you two see if you two drive away by yourself, or me?"

Issac took the lead and said: "Okay, I'll drive, you can take a taxi and go back."

The other party hurriedly nodded respectfully: "Okay President, then I will go back first."

Issac took the initiative to open the rear door and said to Charlie, "Master, please."

Charlie gave a hum and stepped into the car.

Issac got into the cab and asked Charlie while starting the car: "Master, where are you going? Go home do you?"

Charlie thought for a while and said, "Send me home."

"Okay." Issac immediately drove in the direction of Tomson's.

On the way, Charlie kept frowning.

Issac quietly followed Charlie's expression through the rearview mirror of the car, and couldn't help asking, "Master, do you have something on your mind?"

Charlie nodded, propped his chin and said: "I just don't understand, who will act on their wives."

Issac said: "The Su family usually makes a lot of enemies. I don't know how many people hate the Su family. It is normal to find a chance to report to the resurgent family."

Charlie waved his hand and said, "Although the truth is correct, things are not like this after all. Everyone knows that Zynn even took it to the Su family's father in order to avoid the limelight. Now he ran to Australia. In the future, there is a high probability that the Su family will no longer be inherited by him, so Zynn's position tantamount to the deposed crown prince."

“Now, even Zynn has lost power, and the status of his wife and daughter in the Su family is even less worth mentioning.”

“In this case, if someone really wants to report to the revivalist, why bother to kill the wife so deliberately?”
