

The Charismatic Charlie Wade Chapter 2444

Chapter 2444

When Stuart saw this, he blurted out: “Quick! Find a way to get the lady out!”

At this moment, someone suddenly yelled:

“Stop it all!”

Stuart was taken aback by the shout.

This tunnel is one-way traffic, and the entrance has been blocked by the accident cars. It stands to reason that no one should have come in. Therefore, at this moment, an unfamiliar voice suddenly appeared, which made him suddenly nervous.

The same goes for the other three people.

The four of them followed the source at the same time, and they saw a man with a cold expression, walking from the exit of the tunnel.

This extraordinary man is Charlie!

Stuart stared at Charlie and asked in horror, “Who are you?!”

Charlie said coldly: “Who am I, you are not qualified to ask! I now give the four of you a chance to survive, put down the guns, squat on the ground with your head in your hands, and then give me an honest explanation one by one. Who made you do this!”

Stuart gritted his teeth, pointed his gun at Charlie, and said sternly, “Boy, you f*cking want to die!”

After speaking, he immediately pulled the trigger without hesitation!

However, Charlie disappeared from his sight the moment the gun was fired.

Just when he couldn't figure out his head, he suddenly felt a black shadow appear in front of him, and then, his gun-holding hand was firmly grasped by a pair of big hands.

His eyes widened subconsciously, and before he could see the clear outline of the black shadow, he felt a sudden pain in his wrist.

Immediately after that, he realized that his wrist had been broken!

When the wrist broke, the gun on the wrist also fell directly to the ground.

At this time, he saw clearly that he was the young man with an extremely arrogant attitude just now!

He was shocked immediately, and he blurted out, “You...who are you?!”

Charlie looked at him contemptuously and said coldly, “I said, you are not qualified to ask!”

After finishing speaking, he directly grabbed Stuart's neck and said coldly, “I'll give you another chance to tell me clearly who instigated you!”

Stuart hurriedly blurted out, "What are you three doing in a daze! Get rid of him!"

The other three were originally frightened by Charlie's skill and did not dare to act rashly. At this time, listening to Stuart's roar, they hurriedly took out the gun from their waists.

However, before they could point their guns at Charlie, Charlie had already picked up Stuart and slammed him at the three of them.

The three of them had no time to react, so Stuart along with them flew over and fell to the ground like a bowling ball.

Because Charlie's strength was so great that the bodies of these four people had received huge and heavy blows. At this time, they had no ability to resist, they could only lie on the ground and howl.

Charlie stepped forward to the four of them, took out his mobile phone and turned on the video recording, first took a picture of the surrounding situation, and then pointed the camera at the four of them, and asked in a cold voice: "Time to speak, what are you doing here? Who is behind all of this?"
