

The Charismatic Charlie Wade Chapter 2445

Chapter 2445

In fact, Charlie knew very well in his heart that the four people in front of him must be from the Su family.

And they were sent by the Su family to perform such an important task, enough to show that the four of them must be the confidants of the Su family.

Therefore, Charlie needs them to tell the whole story in front of the camera, and then make the video public.

As a result, the reputation of the Su family is going to be completely rotten.

You know, the Su family betrayed Ruoli before. This incident has greatly damaged the reputation of the Su family. He hopes that Master Su will finally push the eldest son Zynn out of the black pot, but this account is not only recorded in Zynn, in addition to his head, it was also written on the head of the entire Su family.

If it breaks out again at this time that the Su family still wants to murder their own daughter-in-law, or even murder the Su family's own flesh and blood again, then the Su family will definitely become a rat crossing the street.

Aside from other things, fame alone will not be able to stand up in this life.

Old man Su's confidant, Stuart and others, also knew that this matter was important.

The death of a European princess in a car accident has yet to allow the people to grasp any substantive evidence. If there is evidence to confirm what the royal family did such a thing, the reputation of the entire royal family in the world would have completely ruined.

Therefore, Stuart warned himself deep in his heart: "In any case, I can't tell the truth about the whole thing, otherwise, not only will the reputation of Mr. Su be undermined, but I will also become a sinner in the eyes of Mr. Su..."

Thinking of this, Stuart said hurriedly: "Big brother, is there any misunderstanding in this matter? We are planning to save people..."

Charlie rushed forward, grabbed Stuart by the collar, and said in a cold voice: "Believe it or not, if you continue to talk nonsense with me here, then I will take you to the dog factory, one by one. I chopped you up and feed the flesh to the dogs? Or simply tie up your hands and feet and throw you directly into the dog cage for the dog to eat for three days and three nights."

Stuart was frightened and numb all over his body, even from his scalp to his toes.

Although he didn't even know who the young man in front of him was, he had no doubts what the young man said.

From this young man's eyes alone, he can see the other party's determination!

At this time, Charlie continued: "Don't worry, even if you want to die faster, I won't give you a chance! I'll put an iron cage on your head first to protect your head. Then use a bulletproof vest to protect your entire abdomen so that you won't die so easily."

"You...you..." Stuart shuddered and blurted out: "Who are you...we have no grudges against you, why are you here?"

“You have no grievances or animosity with me?” Charlie sneered: “What did you plan in this city? Murdering others in the broad day light, the methods are cruel and despicable, and everyone involved here punishable. Even if I kill you, I will do the way for heaven!”

Stuart insisted on a strong momentum, and said coldly, “Boy, we must first weigh our own abilities for the sake of heaven. Do you know who we are serving? If you annoy the boss behind us, even if you are a the king, there is not enough space for you on earth to hide!”

Charlie sneered, grabbed Stuart’s neck, and slapped with all his strength!

This slap force was so powerful that he pulled it up at once, and directly beat his entire jaw into a comminuted fracture. Almost all the teeth in the mouth were directly broken by the huge force at this moment!

Stuart hasn’t been beaten for so many years in the society, but he has never suffered such a terrifying slap in the face.

At this moment, he only felt that his mouth was completely painful to the point of numbness. At the end of the pain, he didn’t feel the pain at all. He could only feel that the whole person was already stale, and the whole mouth was full of big and small hard particles.

And the mouth was full of warm sweet smell, and there seemed to be dozens of bleeding wounds in his mouth.

The blood instantly filled his mouth.
