

The Charismatic Charlie Wade Chapter 2440

Chapter 2440

Zhiyu said coldly, "If I am mortal, what's the use of being afraid? Can you escape if you are afraid?"

Shred was silent for a moment.

Zhiyu was right.

In this situation, there is no chance to escape.

If you can't drive past, it will be worse if you get off.

If the human body is directly run over by an overloaded truck, it will basically become muddy!

Zhiyu said at this time: "Don't you have a bomb on your body? Just detonate it! That way, death can alleviate a little pain!"

Shred smiled bitterly: "I don't have any *fcking bombs*, *all the fcking* are fake."

As he said, he picked up the detonator, pressed it several times, and said bitterly, "Look, there is no reaction at all."

Zhiyu did not expect that this Shred would be rubbish from the beginning to the end. When she thought that she and her mother would be buried in this tunnel because of this person, she felt 10,000 in her heart.

However, at this moment, she also realized that she and her mother had no chance of escaping from birth, leaving a window of life for her, and there were dozens of seconds at most.

At this moment, she could already feel the strong vibration caused by the two overloaded trucks driving at high speed. At this moment, her arms tightly hugged Liona beside her.

.....

At the same time, Charlie's helicopter had swooped down and appeared on the other side of the mountain.

The helicopter is constantly lowering its altitude over the tunnel entrance at this end, but as it gets closer to the ground, the pilot's descent speed has become more and more cautious.

Just now, seeing that Rolls-Royce entered and two big trucks rushing in, Charlie realized the other party's strategy.

The Su family must have wanted to create a serious traffic accident and solve Liona, Zhiyu, and Shred all at once.

In the tunnel, these three people would never have a chance to escape.

Therefore, Charlie kept urging the pilot: "Go down faster! If you are slow, I'm afraid it will be too late to save people!"

The pilot blurted out: “Master! There is a radar on the bottom of the plane to detect the distance between the fuselage and the ground in real time. Once the distance is within 20 meters, it will forcefully maintain the descent speed within a safe range. I don’t think I can get it faster.”

Charlie looked at the ground, and the height was almost a dozen meters, not to mention, it was at least five stories high.

If he follow this descent speed, he will have to wait at least twenty or thirty seconds before landing, so he immediately unfastened his seat belt, opened the hatch, and said to Issac: “Take someone to hold a gun at the tunnel entrance. Anyone who dares to support him release the bullets!”

Issac hurriedly asked, “Master, are you going to...”

Before he finished speaking, Charlie had already jumped and jumped off the helicopter!

For Charlie, although he had never jumped from such a high place, he continued to take a lot of rejuvenation pills to improve his physique, and he also has his aura as support.

Therefore, he can be sure that with his current physical strength, there will be no problem jumping from such a high level.

really!

Charlie leaped and fell heavily on the ground in the blink of an eye. Although his legs had withstood a huge impact in an instant, they were completely within the range of his body’s bearing range.

At the moment he landed, he did not dare to have any delay, and quickly rushed toward the tunnel entrance.

At this time, he heard a huge impact suddenly coming from inside!

“boom!”
