

The Charismatic Charlie Wade Chapter 2441

Chapter 2441

At the moment when the impact sound reverberated in the tunnel, Charlie's figure could not help but stagnate for a moment.

With such a huge movement, you don't need to look at how strong the impact is.

Even a Rolls-Royce, with its sturdy built can't hold up such a large force, and the people inside are probably too ugly!

At this moment, Charlie felt very sorry.

Although he has no friendship with Zhiyu, in the final analysis, he has no grudges against her at the same time. A young girl in her early twenties was brutally murdered by her family in such a cruel way. It is inevitable to feel regretful.

In addition, Charlie showed more sympathy to Liona.

Speaking of it, he had no contact with Liona, and unlike Zhiyu, at least he had saved her and her brother's lives in Japan.

However, because Liona has been obsessed with his father for so many years, even this time she caused a murderous disaster for herself because she was unforgettable for his father.

Therefore, the image of Liona is a bit more tragic in Charlie's mind.

The man she loved did not choose her, and the man she chose had betrayed her for so many years.

And she didn't forget that sweetheart who had been dead for many years, and even spent a lot of money to buy back the old house where she once lived.

However, it was precisely because of her behavior that all of this was incurred to her.

Therefore, how can such he not be sympathetic to such a woman.

Charlie couldn't help but feel annoyed in his heart: "I knew so long ago, when I was in the Treasures Pavilion, I should have dealt with Shred!"

"In that case, Liona and Zhiyu would not suffer this disaster!"

"But, having said that, since the Su family wants their lives, what if I had kill Shred and saved them in the Treasure Pavilion? The Su family hides behind them, and they will still find other ways to kill them and kill Shred in the end."

Thinking of this, Charlie couldn't help sighing.

"It seems that the mother and daughter should not have met such a disaster..."

However, in an instant, Charlie suddenly thought that he still had a few rejuvenation pills on his body!

At the beginning, Orvel was almost strangled to death and he used a rejuvenating pill to rescue him.

If Liona and Zhiyu are still alive, they will be saved by him as well!

Thinking of this, Charlie speeded up at his feet and rushed toward the inside of the tunnel!

.....

At this time, Issac's Rolls-Royce was sandwiched by four large trucks in front and two behind.

Because the inertia of the two large trucks behind was too great, the entire Rolls-Royce engine compartment had completely collided with the cockpit.

The trunk was also knocked into the position of the rear seat!

The original five-meter-long car body has now been hit by the front and back and only half of its length is left!

The visual effects of the scene can be said to be extremely tragic!

In the cockpit, Shred's entire abdomen was squeezed into a pool of rotten meat by the invading engine compartment, and his head was protected by an air bag, so he didn't suffer any serious injuries.

This caused him to suffer fatal injuries, but at this time he did not immediately suffocate. He just opened his mouth weakly, and constantly vomited a lot of blood, looking terrible.

The mother and daughter in the rear seat have soft seat double-wraps in the front and rear. The situation is better or less, but the internal injuries are also very serious.

In a car accident, the most feared is internal injury.
