

The Charismatic Charlie Wade Chapter 2442

Chapter 2442

If any internal organs suffer a heavy blow and rupture, it will cause severe internal bleeding.

If it's fast, people can die within a few minutes.

There is almost no possibility of rescue.

At this time, Liona had passed out directly, but Zhiyu was still sober.

She felt her chest squeezed tightly by the front and rear seats, and it was almost impossible to see through. At the same time, there was pain everywhere in the body, and the whole person was extremely weak and incomparably painful.

At this time, behind her, there was a sound of opening the door.

The two large trucks that were hit by the main force behind had also been completely hit beyond recognition.

However, due to the high level cockpit, the driver was not injured.

At this time, the two drivers pushed the door, jumped out of the cockpit, and went directly to Rolls-Royce to investigate the situation.

In the two trucks used to block the road in front, two drivers also jumped down.

The four came to the side of car and took a look. One of them exclaimed, "Captain, eldest...the eldest lady is also in the car!"

"What?! How could the eldest lady be in the car?!" The man who was called the captain was Stuart, the capable man who was most trusted by the Su family.

Stuart's father was the personal guard of Old Su's.

Later, his father got older and was not fit to continue the role of personal guard, so he inherited his father's mantle and became the personal guard of Old Man Su.

At the same time, he is also the black glove of Old Man Su.

Many dirty and bloody things were done by him personally on behalf of his master.

This time, he was instructed by Mr. Su to follow the tragic death of the European princess and solve Liona.

So he found Shred who was running around through the channels of the underground world, gave him such a chance, and then tailored a whole plan for him.

However, he only had told Shred to take Liona into the car as a hostage and bring her into this tunnel, but never dreamed that this Shred actually will bring the eldest lady Zhiyu into the car!

In shock, he rushed over to check, and he saw Zhiyu also sitting in the back seat!

At this time, Zhiyu's face was pale, with almost no blood, which made Stuart panic.

At this time, Zhiyu also recognized Stuart and knew that this was the personal guard next to her grandfather, so she stared at him with an extremely resentful look.

Stuart could be considered to have rushed over in a strong wind and waves, but at the moment when his eyes met Zhiyu, he suddenly panicked!

He subconsciously dodged Zhiyu's eyes, then rushed to the side of the cab, and yelled hysterically at Shred who was vomiting blood, "Shred name! Are you f*cking crazy?! Who made it? You brought the eldest lady in the car too?! What the hell did I tell you back then?! What did I tell you!!! I told you to take Liona alone! It's one person, not two people! Don't you have any brains?!!!"

After speaking, Stuart suddenly realized that something was wrong, so he asked with an angry expression: "Shred, you f*cking tell me the truth, who instructed you to bring the lady into the car too?!"

Shred was already at the end of his life, his eyes widened vigorously, his mouth was open with a spiteful face, as if he was saying something.

Stuart immediately leaned his head over and shouted sharply, "What the hell are you trying to say? say it loud!"

Shred weakly said in a mosquito-like voice: "I..."

"You? You what?!" Stuart lost his patience and scolded, "You f*cking say it! What the hell are you saying?!"

Shred was about to continue speaking, but he didn't fall up in one breath, he coughed violently, and sprayed blood all over Stuart's face.

Stuart didn't care to wipe it, grabbed Shred's collar, and gritted his teeth and cursed: "You f*cking say it!!! Come on!!! What the hell you did? Who guided you?"

Shred tried his best, and said four words: "I am going to Japan!"
