

The Charismatic Charlie Wade Chapter 2457

Chapter 2457

When Shoude rushed out, Zhifei had disappeared.

He chased out for a hundred or two hundred meters, seeing that he had no chance to chase this big nephew back, so he could only turn around and walk back.

On the way back to the old man's study, Shoude was in a particularly good mood, and he couldn't help but wonder: "Oh, I've got really good luck, and I'm worried about how to divert the attention of the old man. Zhifei is a coincidence. Luckily, he came to touch the old man's mold at this time and made him angry like a bird. It is estimated that the old man is only thinking about how to teach him a lesson well."

Shoude was proud of his heart. After returning to the old man's study, he said with a look of ashamedness: "Dad, you know that kid, he runs faster than a dog, I couldn't get him..."

Mr. Su coldly scolded, "You are also a trash!"

After speaking, he immediately called the butler in and sternly ordered: "Notify all the subordinates. When they see Zhifei, the rebellious son, they will immediately bring him back to accept the family law!"

How dare the butler disobey him, he immediately bowed and said, "Master, don't worry, I'll pass it on."

Elder Su waved his hand, and the housekeeper hurriedly left.

Immediately, he said to Shoude: "Hurry up and prepare for crisis public relations as I said, the more vigorous the better! In addition, immediately rush to Aurous Hill! I want to see if Liona and Zhiyu are alive. If not, bring me their dead bodies!"

Shoude hurriedly nodded and said, "I know Dad! I am Looking at it!"

At this moment, Zhifei had already drove away from Su's house and drove all the way towards the airport.

While driving, he took out his cell phone and prepared to call the person in charge of the crew at home.

There are several private jets in the Su family, and Zynn owns one. He is now in Australia, so the private jet stays in Eastcliff.

However, just as he was about to make a call, Zynn's call came in suddenly.

Zhifei hurriedly connected, and as soon as he came up, he cried and said, "Dad! Mom and sister are missing..."

Zynn's heavy voice came from the phone: "I know what's wrong, I already know the situation, where are you now?"

Zhifei hurriedly said, "I am on my way to the airport, and I plan to go to Aurous Hill now. I will find mother and sister anyway!"

Zynn immediately asked: "Listen to me, don't go to the airport. I just received a message. Your grandfather is now asking the entire Su family to look for you everywhere, ready to take you back to be dealt with by the family law. Why did you offend him?"

When Zhifei heard this, he immediately said angrily: "I heard that mother had an accident with Zhiyu, and I always felt that this matter was inseparable from grandfather, so I went to there to question him. I didn't expect him to become angry. , The second uncle had to slap me a hundred on the spot. I ignored him and ran out."

"Angry!" Zynn immediately rebuked, and said, "You are in your 20s. Have you lived in vain over the past 20 years? What kind of character is your grandfather, don't you still have a few words in your heart to deal properly with him?"

Zhifei said angrily, "But..."

Zynn immediately interrupted him: "But what? Your grandpa really cares about himself in this life, and he only cares about his own absolute power in the Su family!"

"Once anything or anyone affects him, or affects his power in the family, he will deal with the other party without hesitation. Am I not the best example?"

"You know that I'm not even your grandfather's opponent, so why do you stand up to him? Don't you want to stay at Su's house anymore?"

Zhifei gritted his teeth and said: "If Mom and Zhiyu were really killed by grandpa, not only will I not stay in Su's house, I will even kill him and avenge my mother and sister!"

"You..." Zynn was anxious, but then he deliberately lowered his voice and warned in a low voice: "Even if you have such an idea, you must not say it. The real man depends on doing it. Not in words!"
