

The Charismatic Charlie Wade Chapter 2450

Chapter 2450

At this time, Issac on the side asked, "Master, what should we do now? Should we just let them leave after they recover, or..."

Charlie waved his hand: "If they are allowed to leave here unharmed and enter the public's field of vision directly, the video I just filmed will be meaningless. As long as they are alive, and are not dead, there will be nothing serious. Then, in the eyes of ordinary people, the Su family will not be that evil anymore."

After that, Charlie said again: "Let's take them to your hotel and put them under house arrest. Just like Ruoli, they can enjoy the life, but they must not be allowed to communicate with the outside world or leave the room for half a step!"

"Okay!" Issac nodded and asked, "Then how can I get them out?"

Charlie didn't say a word, leaned down, and forced his hands to squeeze the backrests of the two rows of seats that were squeezing the mother and daughter apart.

As soon as Issac came up, he was blinded, and then he came back to his senses. He laughed at himself, "It's really rare to see how weird it is. When the young master led the sky to destroy the eight heavenly kings of the Wu family in Changbai Mountain, it was like a miracle. What's more..."

When Issac laughed at herself, Charlie had already pushed away the seats that the mother and daughter were squeezed back and forth.

Afterwards, he first took Liona out of it, carefully placed her on the ground by the tunnel, and then returned to take Zhiyu out.

At this time, Zhiyu was in a very chaotic state.

In this chaos, her brain still functions normally, but it has almost disconnected from the outside world.

Her world is already in darkness, only thinking is left.

And her whole person's thinking has also been completely immersed in her own consciousness.

She vaguely remembered that just before she was in a coma, she heard someone talking, and it seemed that someone else appeared here.

Moreover, she felt that the voice seemed familiar.

“That voice seems to be exactly the same as the voice she heard when her brother and she were kidnapped in Japan and were almost killed!”

“And the master of that voice is the benefactor they have been searching for!”

“However, before I closed my eyes, my consciousness was blurred, and I couldn't determine if I had auditory hallucinations...”

“After all, my benefactor's voice circulates in my mind every day. It is normal to have auditory hallucinations in an emergency...”

“Think about it now... the master grandfather was looking for at the time is really accurate...”

“He said that my benefactor’s life style is too hard, and I shouldn’t continue to look for my benefactor, otherwise it will only be moths fighting the fire. It seems that it is not just talking...”

“It’s just that I’m about to die in this city, but I still haven’t had a chance to find my benefactor. God let me the moths fly to the fire, don’t you even give me a chance to see a fire?”

“Think about it now, she is really unwilling to die here so fruitlessly...”

Just when Zhiyu’s thoughts were unwilling to her immediate death, she suddenly felt that her body that had lost contact seemed to have some feeling.

Immediately afterwards, she felt that someone put thier hands under her armpits, pulling her body up.

At this moment, she felt panic and uneasy, because she didn’t know what was going on, and she couldn’t tell whether the feeling was real or illusory.

She even felt that this might be her soul, trying to leave her body.

At this moment, she tried her best to open her eyes. After several efforts, she finally noticed a ray of light in the endless darkness!

Vaguely, she saw a man’s face!

She was surprised and happy in her heart, concentrated all her strength on her eyelids, and worked hard to open them.

In the next second, a face of longing and thinking suddenly appeared in her eyes!

At this moment, Zhiyu couldn't help exclaiming in her heart: "It's him! It's really him!"
