

The Charismatic Charlie Wade Chapter 2452

Chapter 2452

He quickly turned on this push and found that it turned out to be the first-hand live data released by the local media.

On the other side of the tunnel, one of the lanes was cleared by the clearing work. The police immediately entered the scene and found the scene of the Rolls-Royce car accident.

Immediately afterwards, they also found Shred who was shot through the back of the head.

This made them numb for a while!

They thought that Shred was only in a car accident, but they did not expect that Shred would be shot to death!

This immediately made things more complicated.

Why was Shred shot? Who would shoot him?

What made them even more incomprehensible was that the two hostages disappeared out of thin air!

The report also detailed the disappearance of the hostages. According to the report, the police found the blood and hair of two hostages in the back of the deformed Rolls Royce, and even Zhiyu's shoes were missing. Only in the car, from the vehicle, they found valid evidence that the hostage was in the car at the time of the collision.

It can be proved that when the car accident happened, the two hostages were in this Rolls Royce like Shred.

However, the two hostages disappeared out of thin air!

Judging from the strength of the vehicle impact, even if the two were not dead, they must have been seriously injured. How could they disappear out of thin air?

Originally, the news that Shred appeared in the city and took hostages with explosives and escaped has already aroused great attention across the country.

Therefore, when this news was issued locally in the city, it immediately spread across the country!

The local news that was just released was quickly reprinted and released by major domestic news media. The number of commenters rapidly increased, and the popularity of Google searches quickly became the first!

Suddenly, people across the country began to pay close attention to where the two hostages had gone.

Seeing that this incident has caused such great concern across the country, Charlie immediately said to Issac: "Old man, you first spread the true identities of Liona and Zhiyu throughout the network. You must let the netizens across the country know. The kidnapped are Su's daughter-in-law and granddaughter!"

Issac hurriedly asked, "Master, do you want to publish the video you shot at the same time? In that case, the Su family will be over!"

Charlie waved his hand: “Don’t send it out first, the video in my hand is a real killer. It’s a bit too early to use it now!”

Having said that, Charlie sneered and continued: “I want to let the influence of this matter ferment to the extreme, so that the disappearance of Liona and Zhiyu will become a suspenseful event of national concern, causing netizens to go crazy. The speculation and discussion made everyone desperately eager to reveal the answer. Then I will release the video and put the Su family directly into the grave!”

After that, Charlie immediately ordered: “Old man, you can find me a batch of media influencers with a lot of brains to bring me a crazy rhythm!”

“Let them speculate about the whereabouts of Liona and Zhiyu, and the conspiracy behind the whole thing!”

“Someone can say that this matter must be the Su family competitor in the trade!”

“Some people can boldly guess that this mother and daughter were saved by a worldly expert!”

“Someone can even predict that the mother and daughter must have died, and it won’t take long for the body to be discovered!”

“Then, in these speculations, mix the truth! Let some of them speculate that the two mother and daughter were actually killed by the Su family!”

“Once this matter becomes a mystery that bothers everyone, once I announce the answer, the Su family won’t even think about turning over this time!”
