

# The Charismatic Charlie Wade Chapter 2464

## Chapter 2464

At this moment, Issac received a text message on his cell phone. After he clicked on it and read it, he hurriedly said to Charlie: "Master, the second child of the Su family, Shoude is here in Aurous Hill!"

"Really?" Charlie asked curiously, "When did he come?"

Issac said hurriedly, "Aurous Hill Airport reported that he just landed about ten minutes ago."

Charlie sneered, "It seems that he was ordered by Old Man Su to find Liona and Zhiyu."

Issac said again: "Master, there is one more thing I want to report to you."

Charlie nodded: "Say it."

Issac said: "There was also a private plane registered in the United States that landed with Shoude's. My people checked the registration number of the plane, and the plane was under the name of the American Hogwitz family."

"Hogwitz?" Charlie frowned and said coldly: "It seems that Walter's family is here."

Issac continued: "Yes, the immigration information shows that it is a guy named Steve Hogwitz, who should be Walter's father. He is now taking Shoude's car to Aurous Hill International Hotel with Shoude."

Charlie asked curiously, "Why are they together?"

Issac shook his head and said, "I don't know this too well. They may have been acquainted before or temporarily."

Charlie couldn't help but frowned, and said, "The strength of the Hogwitz family is relatively average. The assets of tens of billions of dollars are not even as good as the Song family. It stands to reason that the Su family can't see such a family very seriously. Here, it's impossible to have any intersection with them. In addition, the planes of the two of them landed front and back. I guess they should have just met!"

Issac smiled and said, "These two people are really interesting. They are quite destined to land in Aurous Hill one after another."

Charlie said with a solemn expression, "It's not a good thing that they meet together."

"Why?" Issac asked puzzledly, "Master, are you worried that the two of them will join forces?"

Charlie shook his head and said seriously: "I am worried that the two of them will exchange clues."

"Exchange clues? What clues?"

Charlie said solemnly: "We left few clues about Liona and Zhiyu. The people who were alive were brought out, and only Shred's body was left behind; however, regarding Walter, we did not leave any clues?"

Issac understood instantly and exclaimed: “You mean, Miss Doris?!”

“Yes!” Charlie said coldly: “There is no clue about the disappearance of Liona and Zhiyu. Walter’s disappearance is also the line of Doris. I’m afraid they will be embarrassed and concentrate together to try to get a way from Doris. Find a breakthrough through her!”

Issac hurriedly asked: “Master, do you want to protect Miss now?!”

Charlie waved his hand: “It’s meaningless to protect her. The more you protect her, the more people will feel that she must be inseparable from this matter.”

“What about it then?”

Charlie smiled slightly: “Since the two friends have come from a long distance and are so close to each other, then I will take the initiative and keep them all together. By the way, let their relatives realize that Aurous Hill is a place. It’s just a bottomless black hole!”
